**PROXY STATEMENT OF
SOUTHERN COMMUNITY FINANCIAL CORP.**

This Proxy Statement is furnished to holders of shares of the Company's common stock, par value, \$4.00 per share (Common Stock), in connection with the solicitation of proxies by the Board of Directors of the Company to be used at the Annual Meeting of Shareholders to be held on April 26, 2005 at the Salisbury Country Club, 13620 Salisbury Road, Midlothian, Virginia at 10:00 a.m. and any adjournment thereof (the Annual Meeting).

Any shareholder who executes a proxy has the power to revoke it at any time by written notice to the Secretary of the Company, by executing a proxy dated as of a later date, or by voting in person at the Annual Meeting. It is expected that this Proxy Statement and the enclosed proxy form will be mailed on or about March 25, 2005 to all shareholders entitled to vote at the Annual Meeting.

The cost of soliciting proxies for the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. The Company may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of shares of Common Stock.

On March 15, 2005, the record date for determining those shareholders entitled to notice of and to vote at the Annual Meeting, there were 1,768,144 shares of Common Stock issued and outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters to be acted upon at the Annual Meeting. A majority of the shares of Common Stock entitled to vote, represented in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting.

A shareholder may abstain or (only with respect to the election of directors) withhold his or her vote (collectively Abstentions) with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor or against of the relevant item.

A broker who holds shares in street name has the authority to vote on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters put to shareholders without instructions from the beneficial owner.

Where brokers do not have such discretion, the inability to vote is referred to as a broker non-vote. Under the circumstances where the broker is not permitted to exercise its discretion, assuming proper disclosure to the Company of such inability to vote, broker non-votes will not be counted as voting in favor of or against the particular matter.

The Board of Directors is not aware of any matters other than those described in this Proxy Statement that may be presented for action at the Annual Meeting. However, if other

matters do properly come before the Annual Meeting, the persons named in the enclosed proxy card possess discretionary authority to vote in accordance with their best judgment with respect to such other matters.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board of Directors consists of ten directors. Four members of the Board of Directors have been nominated for election as directors at the 2005 Annual Meeting for a three-year term ending in 2008. Six other directors are serving terms that end in either 2006 or 2007, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Common Stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the four nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this Proxy Statement and has agreed to serve, if elected. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the Annual Meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the Board of Directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of the Company.

The following biographical information discloses each nominee's age, business experience in the past five years and the year each individual was first elected to the Board of Directors of the Company or its predecessor, Village Bank (formerly known as Southern Community Bank & Trust) (the Bank). Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's directors and executive officers, and any persons who own more than 10% of the outstanding shares of Common Stock, to file reports of ownership and changes in ownership of Common Stock. Officers and directors are required by regulations to furnish the Company with copies of all Section 16(a) reports that they file. Based solely on review of the copies of such reports furnished to the Company and the Bank or written representation that no other reports were required, the Company believes that, during fiscal year 2004, all filing

requirements applicable to the Company's officers and directors were complied with, except that Donald J. Balzer, Jr. inadvertently filed late a report on Form 4 covering the exercise of warrants in August 2004.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

Independence of the Directors

The Board of Directors has determined that the following 8 individuals of its 10 current members are independent as defined by the listing standards of the NASDAQ Stock Market (NASDAQ): Raymond E. Avery, III, Donald J. Balzer, Craig D. Bell, William B. Chandler, R. Calvert Esleeck, Jr., Dean Patrick, Michael L. Toalson and George R. Whittemore. In reaching this conclusion, the Board of Directors considered that the Company and its subsidiaries conduct business with companies of which certain members of the Board of Directors or members of their immediate families are or were directors or officers.

Code of Ethics

The Company has a Code of Ethics for directors, officers and all employees of the Company and its subsidiaries, and a Code of Ethics applicable to the Company's Chief Executive Officer, Chief Financial Officer and other principal

financial officers. The Code addresses such topics as protection and proper use of Company assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting and conflicts of interest. A copy of the Code will be provided, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is P.O. Box 330, 1231 Alverser Drive, Midlothian, Virginia 23113.

Board and Committee Meeting Attendance

There were 12 meetings of the Company's Board of Directors in 2004. Each incumbent director attended greater than 75% of the aggregate number of meetings of the Board of Directors and meetings of committees of which the director was a member in 2004.

Committees of the Board

The Company has an Audit Committee. The Company does not have a standing compensation committee or nominating committee.

Audit Committee

The Company's Audit Committee assists the Board of Directors in fulfilling its oversight responsibility to the shareholders relating to the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements and the qualifications, independence and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee Charter was attached as *Appendix A* to the proxy statement for the 2004 annual meeting of shareholders.

The members of the Audit Committee are Messrs. Esleek, Chandler and Toalson, all of whom the Board in its business judgment has determined are independent as defined by NASDAQ's listing standards. The Board of Directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Mr. Esleek qualifies as an audit committee financial expert as defined by SEC regulations.

The Audit Committee met six times in 2004. For additional information regarding the Audit Committee, see "Audit Information - Audit Committee Report" on page 16 of this Proxy Statement.

Director Nomination Process

The Company currently does not have a standing nominating committee. The independent members of the Board perform the functions of a nominating committee. The Board does not believe it needs a separate nominating committee because the independent directors (as that term is defined in the NASDAQ listing standards) have the time and resources to perform the function of recommending nominees to the Board. The Board has adopted a resolution that provides that it will not nominate any person who has not been recommended for nomination by a majority of the independent directors.

In identifying potential nominees, the Board takes into account such factors as it deems appropriate, including the current composition of the Board, the range of talents, experiences and skills that would best complement those that are already represented on the Board, the balance of management and independent directors and the need for specialized expertise. The Board considers candidates for Board membership suggested by its members and by management, and the Board will also consider candidates suggested informally by a shareholder of the Company.

In the consideration of director nominees, including any nominee that a shareholder may submit, the Board considers, at a minimum, the following factors for new directors, or the continued service of existing directors:

.
The ability of the prospective nominee to represent the interests of the shareholders of the Company;

.
The prospective nominee's standards of integrity, commitment and independence of thought and judgment;

.
The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

.
The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board of Directors; and

.
The prospective nominee's involvement within the communities the Company serves.

Shareholders entitled to vote for the election of directors may recommend candidates for the independent directors to consider as long as the recommendation is made on or before the last date on which a shareholder may nominate an individual for election to the Board of Directors under the Company's Bylaws. *See Proposals for 2006 Annual Meeting of Shareholders.*

Director Compensation

As compensation for his service to the Company, each member of the Board of Directors receives fees as follows:

.
a retainer fee of \$100 for each meeting of the Board (\$150 for the Chairman of the Board,

.
an attendance fee of \$200 for each meeting of the Board that he attends (\$300 for the Chairman of the Board), and

.
an attendance fee of \$100 for each meeting of a committee that he attends (\$150 for the chairman of the committee).

Board members who are also officers do not receive any additional compensation above their regular salary for Board service or attending committee meetings. In 2004, directors received \$59,650 in the aggregate as compensation for their services as directors.

During the year, all directors of the Company also served on the Board of Village Bank Mortgage Corporation and received \$100 per meeting for attending such meetings.

Annual Meeting Attendance

The Company encourages members of the Board of Directors to attend the annual meeting of shareholders. All of the directors attended the 2004 annual meeting.

Communications with Directors

Any director may be contacted by writing to him c/o Southern Community Financial Corp., P.O. Box 330, 1231 Alverser Drive, Midlothian, Virginia 23113. Employment Agreement

The Bank entered into an employment agreement with President and CEO Thomas W. Winfree effective April 1, 2001 for an annual base salary of \$120,000 and an initial term of three years. The agreement provides for one-year extensions, in addition to the then-remaining term under the agreement, on each anniversary of the effective date of the contract, subject to a review of Mr. Winfree's performance by the Board of Directors of the Bank. Mr. Winfree's salary may be increased, but not decreased, at the sole discretion of the Bank's Board of Directors (or an authorized committee thereof). The agreement further provides for termination upon his death, for cause or in certain events specified by FDIC regulations.

Under the terms of the employment agreement, if Mr. Winfree's employment with the Bank is terminated for any reason following a change in control (as defined in the agreement), other than for cause, then the Bank will pay Mr. Winfree (in addition to all other payments and benefits to which he is entitled under any other contract) an amount equal to 299% of his salary and bonus received during the 12 months ending with the termination of his employment. Accordingly, if Mr. Winfree was terminated as of December 31, 2004, he would have been entitled to receive approximately \$423,190 pursuant to this provision.

Transactions with Management

Some of the directors and officers of the Company are customers of the Company, and the Company has had banking transactions in the ordinary course of its business with directors, officers, and their associates, on substantially the same terms, including interest rates, collateral and repayment terms on loans, as those prevailing at the same time for comparable transactions with others. All outstanding loans to such officers and directors and their associates are current as to principal and interest. None of such outstanding loans are classified as non-accrual, past due, restructured or potential problems. As of December 31, 2004, all loans to directors, executive officers and their affiliates totaled approximately \$3,866,939 or approximately 25.81% of stockholders' equity at such date.

There are no legal proceedings to which any director, officer or associate is a party that would be material and adverse to the Company.

PROPOSAL TWO
APPROVAL OF AN AMENDMENT
TO THE ARTICLES OF INCORPORATION

The Proposal

The Board of Directors has approved unanimously, and recommends that the Company's shareholders approve, an amendment to the Company's Articles of Incorporation to change the name of the Company to Village Bank and Trust Financial Corp. The amendment amends Article I of the Articles of Incorporation in its entirety to read as follows:

Article I NAME

The name of the Corporation is:

VILLAGE BANK AND TRUST FINANCIAL CORP.

Upon shareholder approval, the Company will file Articles of Amendment with the Virginia State Corporation Commission to reflect this amendment.

Purposes and Effects of the Proposal

The Company is the holding company of Village Bank (formerly known as Southern Community Bank & Trust). Since its formation in 1999, the Company has provided commercial and retail banking services to Chesterfield County and the greater Richmond metropolitan area. Through its five branch offices, the Company and its wholly owned subsidiaries provide mortgage banking services, property and casualty insurance and financial services. The Company is a community-oriented and locally managed financial institution focusing on providing a high level of responsive and personalized services to its customers, delivered in the context of a strong direct customer relationship.

In November 2004, the Company changed the named of the Bank to Village Bank in order to enhance the brand name of the Bank within its community. The Company had determined that the name is unique, as at least 10 financial institutions in Virginia had the word Southern or Community in their names, while approximately five financial institutions throughout the United States had the word Village in their name. The word Village also corresponds to the Bank's home and central market area, the Village of Midlothian, Virginia. Finally, the adoption of the Village name specifically is designed to strengthen the link of the Bank's name to its commitment to personal service and financial integrity. As a result, the Company believes that the name provides more specific recognition for the Bank and its operations than its previous name.

The proposed change in the name of the Company is consistent with the Bank's name change and the use of Village Bank throughout the Company's o
