Item 1.02 Termination of a Material Definitive Agreement.

As previously reported, on December 21, 2010, and in connection with the proposed merger of AGL Resources Inc. (“AGL Resources”) with Nicor Inc. (the “Merger”), AGL Resources and AGL Capital Corporation, a wholly owned subsidiary of AGL Resources (“AGL Capital”), entered into a 364-day Bridge Term Loan Credit Agreement (the “Bridge Facility”) by and among AGL Resources as guarantor, AGL Capital as borrower, and the several agents and lenders named in the Bridge Facility. The Bridge Facility was intended to be used to help finance the Merger and pay related fees and expenses in the event permanent financing was not available by the time of the consummation of the Merger.

AGL Resources and AGL Capital have now obtained sufficient permanent debt financing to fund the cash portion of the Merger consideration. Consequently, on November 3, 2011, AGL Capital delivered notice to the administrative agent for the Bridge Facility that, pursuant to the terms of the Bridge Facility, AGL Capital has elected to terminate the Bridge Facility effective November 8, 2011. No borrowings have ever been made under the Bridge Facility.
