Item 4.01. Changes in Registrant's Certifying Accountant

On May 16, 2008, the Audit Committee of the Board of Directors of AdCare Health Systems, Inc. (the Company) dismissed Rachlin LLP (Rachlin) as the Company's independent registered public accounting firm.

The audit reports of Rachlin on the consolidated financial statements of the Company and its subsidiaries as of and for the years ended December 31, 2007 and 2006 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles except for an explanatory paragraph related to certain risks and uncertainties.

During the Company's two most recent fiscal years, and through May 16, 2008, there were no disagreements between the Company and Rachlin on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Rachlin, would have caused Rachlin to make reference to the subject matter of the disagreement in connection with its reports.

During the years ended December 31, 2007 and 2006, and the subsequent interim period through May 16, 2008, there were no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

On May 16, 2008, the Company engaged Battelle & Battelle LLP as its new independent registered public accounting firm to conduct the audit of the Company's financial statements as of and for the year ended December 31, 2008. The decision to engage Battelle & Battelle LLP was made and approved by the Audit Committee of the Company's Board of Directors. During the two most recent fiscal years and through May 16, 2008, the Company has not consulted with Battelle & Battelle LLP regarding (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304 (a)(1)(v) of Regulation S-K.
