Item 8.01. Other Events

On Thursday, July 6, 2017, R2 Dermatology, Incorporated ("R2 Dermatology"), a portfolio company within HC2 Holding, Inc.'s subsidiary Pansend Life Sciences, LLC platform, received notification from the United States Food and Drug Administration of market clearance of R2 Dermatology's second generation device, the R2 Dermal Cooling System. The R2 Dermal Cooling System is a cryosurgical instrument intended for use in dermatologic procedures for the removal of benign lesions of the skin. Modifications to the initial device were implemented to improve usability of the device, e.g., to reduce the steps required by the user for set up of the system and treatment, and to make it more commercially appealing.

Cautionary Statement Regarding Forward Looking Statements

Any statements made in this Current Report that are not statements of historical fact, including statements about the Company's beliefs and expectations, are forward-looking statements within the meaning of the federal securities laws and should be evaluated as such. Generally, forward-looking statements include information describing the offering and other actions, events, results, strategies and expectations and are generally identifiable by use of the words "believes," "expects," "intends," "anticipates," "plans," "seeks," "estimates," "projects," "may," "will," "could," "might," or "or" expressions. Such statements are based on the beliefs and assumptions of HC2's management and the management of HC2's subsidiaries and portfolio companies. The Company believes these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and the Company's actual results could differ materially from those expressed or implied in the forward-looking statements due to a variety of important factors, both positive and negative, that may be revised or supplemented in subsequent reports on Forms 10-K, 10-Q and 8-K. Such important factors include, without limitation, the ability of our subsidiaries (including, target businesses following their acquisition) to generate sufficient net income and cash flows to make upstream cash distributions, capital market conditions, our and our subsidiaries' ability to identify any suitable future acquisition opportunities, efficiencies/cost avoidance, cost savings, income and margins, growth, economies of scale, combined operations, future economic performance, conditions to, and the timetable for, completing the integration of financial reporting of acquired or target businesses with HC2 or the applicable subsidiary of HC2, completing future acquisitions and dispositions, litigation, potential and contingent liabilities, management's plans, changes in regulations and taxes. Additional information concerning these and other factors can be found in our filings with the Securities and Exchange Commission, including our most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. You should not place undue reliance on forward-looking statements. All forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by the foregoing cautionary statements. All such statements speak only as of the date made, and the Company undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
