PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD NOVEMBER 7, 2011

GENERAL INFORMATION

This proxy statement ("Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Celadon Group, Inc. (the "Company") to be voted at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held on Monday, November 7, 2011 beginning at 10 a.m. local time, at our principal executive offices located at 9503 East 33rd Street, One Celadon Drive, Indianapolis, Indiana, 46235, and any adjournment thereof. **THE ENCLOSED PROXY IS SOLICITED BY OUR BOARD OF DIRECTORS.** Where specific choices are not indicated, all proxies received pursuant to this solicitation will be voted (i) FOR the election of the director nominees named below (ii) FOR approval of the advisory resolution on executive compensation; (iii) **THREE YEARS** regarding the frequency of conducting future advisory votes on executive compensation; (iv) FOR the proposal to renew the material terms of the performance-based goals under the Company's 2006 Omnibus Incentive Plan, as amended (the "Incentive Plan") to allow certain grants and awards to continue to qualify as performance-based compensation under Internal Revenue Code Section 162(m); and (v) with respect to any other matters properly brought before the Annual Meeting, in accordance with the recommendations of the Board of Directors, or, if no recommendations are given, in accordance with the judgment of the proxy holders. We have not received notice of other matters that properly may be presented for voting at the Annual Meeting.

A Notice of Internet Availability of Proxy Materials (the "Internet Notice") was first mailed on or about September 28, 2011, to stockholders of record at the close of business on September 9, 2011 (the "Record Date"). The Internet Notice will instruct you as to how you may access and review the proxy materials. The Proxy Statement, the proxy card, and our Annual Report are first being made available to stockholders on September 28, 2011.

The terms "Company," "we," "us," and "our" refer to Celadon Group, Inc. and its subsidiaries.

Voting Rights

Only stockholders of record at the close of business on the Record Date ("Stockholders") are entitled to vote, either in person or by valid proxy, at the Annual Meeting. As of the close of business on the Record Date, there were issued and outstanding 22,521,671 shares of common stock, par value \$.033 per share, entitled to cast votes on all matters subject to a vote at the Annual Meeting. The total number of issued and outstanding shares excludes approximately 1,432,083 shares of common stock underlying issued and outstanding stock options granted under our incentive stock plans and other arrangements. Stockholders are entitled to one vote for each share of common stock held of record. Holders of unexercised options or other rights to acquire common stock are not entitled to vote the underlying shares at the Annual Meeting, but holders of restricted stock are entitled to vote such shares at the Annual Meeting. We have no other class of stock outstanding. Stockholders are not entitled to cumulative voting in the election of directors.

Quorum Requirement

In order to transact business at the Annual Meeting, a quorum must be present. A quorum is present if the holders of a majority of the total number of shares of common stock issued and outstanding as of the Record Date are represented at the Annual Meeting in person or by proxy. Shares that are entitled to vote but that are not voted at the direction of the holder (called "abstentions") and shares that are not voted by a broker or other record holder due to the absence of instructions from the beneficial owner (called "broker non-votes") will be counted for the purpose of determining whether a quorum is present.

Table of Contents

Required Vote

Directors are elected by an affirmative vote of a plurality of the votes cast by Stockholders entitled to vote and represented in person or by proxy at the Annual Meeting, which means the director nominees receiving the highest number of votes for their election will be elected as directors. Approval of any other matter properly submitted to Stockholders for action at the Annual Meeting requires the affirmative vote of a majority of the votes cast by Stockholders entitled to vote and represented in person or by proxy at the Annual Meeting, unless a different vote is required by law or our certificate of incorporation or bylaws. Abstentions and broker non-votes are not considered affirmative votes and thus will have no effect on the election of directors by a plurality vote, but will have the same effect as negative votes with respect to the approval of any other matter submitted to Stockholders.

Right to Attend the Meeting; Revocation of Proxy

Returning a proxy now will not interfere with a Stockholder's right to attend the Annual Meeting or to vote his or her shares personally at the Annual Meeting, if he or she wishes to do so. Stockholders who execute and return proxies may revoke them at any time before they are exercised by giving written notice of revocation to our Secretary at the address of our principal executive offices, by executing a subsequent proxy and delivering it to our Secretary at such address, or by attending the Annual Meeting and voting in person.

Costs of Solicitation

We will bear the cost of solicitation of proxies, which we expect to be nominal and will include reimbursements for the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of our outstanding common stock. Proxies will be solicited by mail and may be solicited personally by directors, officers, or our regular employees, who will not receive any additional compensation for any such services.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, Stockholders will elect five (5) directors to serve as the Board of Directors until our Annual Meeting of Stockholders following our 2012 fiscal year or until their successors are duly elected and qualified. Our Board of Directors has nominated Stephen Russell, Anthony Heyworth, Catherine Langham, Michael Miller, and Paul Will for election as directors. Each of the nominees is presently serving as a director. In the absence of contrary instructions, each proxy will be voted for the election of all of the proposed directors.

If any of the nominees named above become unable for any reason or unwilling for good cause to serve as a director, the Board of Directors may designate a substitute nominee. In that case, the proxy holders will vote for the substitute nominee designated by the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

Nominees For Directorships

Information concerning the names, ages, positions with the Company, tenure as a director, and business experience of nominees standing for election as directors at the Annual Meeting, as well as the specific attributes qualifying each nominee for a directorship, is set forth below. All references to experience with the Company include positions within our operating subsidiaries, Celadon Trucking Services, Inc., a New Jersey corporation, and Celadon Logistics Services, Inc., a Delaware corporation. All executive officers are elected annually by the Board of Directors.

Stephen Russell, 71, has been our Chairman of the Board and Chief Executive Officer ("CEO") since our inception in July 1986 and served as our President from September 2000 to October 2004. Mr. Russell's leadership and industry knowledge helped guide our Company through the volatile economic conditions that have persisted over the past several years. In addition to his roles within our Company, he is a member of the American Trucking Associations' Executive Committee. He previously served as the Chairman of their Audit Committee, Chairman of the Homeland Security Policy Committee of the American Trucking Associations, and as a member of the Board of the Truckload Carriers Association. Mr. Russell currently serves as Chairman of the Board of Governors of the Indianapolis Museum of Art. The Board believes that Mr. Russell's significant and extensive understanding of our business and industry developed over the past 25 years, as well as his leadership skills, qualify him for continued service as a director and the Chairman of the Board.

Anthony Heyworth, 67, has been one of our directors since 1999. Mr. Heyworth is Chairman of the Audit and Corporate Governance Committee (the "Audit Committee") and a member of the Compensation and Nominating Committee (the "Compensation Committee"). Mr. Heyworth retired from KeyCorp in February 2001 as Vice Chairman, Commercial Banking, KeyBank N.A. after a 36-year career with this financial services company. He also served as Chairman, President, and CEO of Keybank – Indiana, Michigan, and Florida from 1989 to 2001. He joined the former Central National Bank in 1965 and was Executive Vice President when the bank merged with Society National Bank of Cleveland in 1986 and KeyBank in 1994. Mr. Heyworth has a long and extensive experience with our business. The Board believes that Mr. Heyworth's significant leadership experience with financial institutions, understanding of financial statements, and long tenure as one of our directors qualifies him well to assist the Board in navigating complex financial issues and serving as a Board member.

Catherine Langham, 53 has served as a director since July 2007. She is a member of both the Audit Committee and the Compensation Committee. Ms. Langham is President and Chief Executive Officer of Langham Logistics, Inc. ("LLI"), a global freight management company specializing in expedited transportation, warehousing, and distribution based in Indianapolis, Indiana. Ms. Langham has been with LLI since its inception over twenty years ago and brings extensive experience in the logistics industry. Ms. Langham serves as a member of the Board of the Indiana Economic Development Corporation, as a director of The Finish Line, Inc and as a director of H.H. Gregg. Ms. Langham was a director of Marsh Supermarket, Inc. from 1998 through September 2006 and previously served as a member of the Regions Bank Board of Advisors, as Chairperson of the Greater Indianapolis Chamber of Commerce, and as the Chairperson of the Board of the National Association of Women Business Owners, Indiana Chapter, and of the Air Forwarders Association. Ms. Langham's experience provides the Board with unique insight into business development and management oversight. The Board believes Ms. Langham's extensive experience serving on Boards coupled with her strategic planning, business development, industry knowledge, and management skills qualify her to serve on our Board.

Table of Contents

Michael Miller, 66, has been one of our directors since February 1992. Mr. Miller is our Lead Director and a member of the Audit Committee and the Chairman of the Compensation Committee. Mr. Miller has been Chairman of the Board and CEO of Aarnel Funding Corporation, a venture capital/real estate company, since 1974, a partner of Independence Realty, an owner and manager of real estate properties, since 1989, and President and CEO of Miller Investment Company, Inc., a private investment company, since 1990. Mr. Miller previously served as President, Secretary, Treasurer, and director of Morlex, Inc., a "blank check" shell public company. Mr. Miller has a long and extensive experience with our business. The Board believes that Mr. Miller's extensive history with our Company coupled with his senior executive, operating, corporate governance, finance and financial accounting oversight experience from publicly and privately held companies qualify him to serve on our Board.

Paul Will, 45, has served as a director and Vice Chairman of the Board since August 2007. He continues to serve as our President and Chief Operating Officer ("COO"), positions he has held since November 2010. He was COO, President, and Assistant Secretary from November 2010 to July 2011. Executive Vice President, CFO, Assistant Secretary, and Treasurer, from April 2004 to November 2010. He was Executive Vice President, CFO, Assistant Secretary, and Treasurer from February 2004 to April 2004; Executive Vice President, CFO, Secretary, and Assistant Treasurer from May 2002 to January 2004; Executive Vice President, CFO, Assistant Secretary, and Assistant Treasurer from September 2001 to May 2002; Vice President, CFO, Assistant Secretary, and Assistant Treasurer from December 2000 to September 2001; Vice President, CFO, and Secretary from December 1998 to December 2000; Vice President, Secretary, and Controller from September 1996 to December 1998; Vice President and Controller for Celadon Trucking Services, Inc. from January 1996 to September 1996; and Controller from September 1993 to January 1996. Mr. Will is a certified public accountant and formerly served as Chairman of the American Trucking Associations' National Accounting and Finance Council. The Board believes that Mr. Will's significant knowledge and thorough understanding of our business operations and industry, which is attributed to his long-term professional experience with our Company, and financial background qualify him to serve on our Board. Mr. Will's experience serving in various positions within our Company provides us with unique insight into the different challenges and opportunities facing the Company.

Pursuant to Section 145 of the Delaware General Corporation Law, our certificate of incorporation provides that we shall, to the full extent permitted by law, indemnify all of our directors, officers, incorporators, employees, and agents against liability for certain of their acts. Our certificate of incorporation also provides that, with a number of exceptions, none of our directors shall be liable to us for damages for breach of a fiduciary duty as a director.

Applicable Corporate Governance

Our Common Stock has been listed on the New York Stock Exchange (the "NYSE") since November 2009 and we are subject to the NYSE listing standards, including those related to corporate governance. Prior to listing on the NYSE, our Common Stock was traded on the Nasdaq Global Select Market ("NASDAQ"), and we were subject to the NASDAQ listing standards, including those related to corporate governance.

Table of Contents

CORPORATE GOVERNANCE

The Board of Directors

Meetings. Our Board of Directors held seven (7) meetings during the fiscal year ended June 30, 2011. No director attended less than 75% of the meetings of the Board of Directors and each committee on which he or she served. In addition, all directors are encouraged to attend the Annual Meeting. All of our then-current directors attended the Annual Meeting of Stockholders following our 2010 fiscal year.

Independent Directors. In accordance with NYSE Rule 303A.02(a), the Board of Directors affirmatively determines the independence of each director after reviewing the findings and recommendations of the Compensation Committee. Upon the recommendation of the Compensation Committee, the Board has determined that the following directors are "independent" under NYSE Rule 303A.02(a): Anthony Heyworth, Catherine Langham, and Michael Miller (collectively, the "Independent Directors"). Except in their capacities as directors or as holders of an immaterial amount of securities of other entities, neither Mr. Heyworth, Ms. Langham, nor Mr. Miller either directly or in his or her capacity as a partner, stockholder, officer, or similar position of another organization, has or in the past three years had any business or financial relationship with us or any of our subsidiaries. None of the Independent Directors or any of their immediate family members has or had any of the disqualifying relationships with us or our subsidiaries specified in NYSE Rule 303A.02(b).

Risk Oversight. The Board of Directors has assigned the assessment of risk to the Audit Committee. Management reports to the Audit Committee with respect to the overall enterprise risk environment, including both business and financial risk, of the Company's operations. The Audit Committee then evaluates management's risk assessment and reports to the Board of Directors.

Executive Sessions. In 2011, pursuant to NYSE Rule 303A.03, our Independent Directors held four (4) meetings, referred to as "executive sessions," at which only the Independent Directors were present. The Lead Outside Director acts as the lead independent director and is the presiding director for all executive sessions. Mr. Miller currently serves as the Lead Outside Director and will continue in that capacity following the Annual Meeting. Our Independent Directors will continue to hold at least two meetings annually at which only independent directors are present.

Board Leadership Structure. Stephen Russell has been our Chairman of the Board and CEO since the Company's inception. The Board of Directors believes that the combination of these positions is the most appropriate and suitable structure for proper and efficient Board functioning and communication, given the size of the Company and its Board.

Communications with the Board of Directors. Our Board of Directors has adopted procedures by which our stockholders may communicate with members of the Board of Directors, including the independent directors, individually or as a group. If you wish to communicate with the entire Board of Directors, you may send correspondence to them addressed as follows: The Board of Directors, Celadon Group, Inc., c/o Paul Will – Vice Chairman of the Board, 9503 East 33rd Street, One Celadon Drive, Indianapolis, Indiana, 46235. Written communications addressed in this manner will be copied and distributed to each director at or prior to the next meeting of the Board of Directors. If you wish to communicate with an individual director, you may send correspondence addressed to him or her as follows: Name – Director, Celadon Group, Inc., c/o Paul Will – Vice Chairman, 9503 East 33rd Street, One Celadon Drive, Indianapolis, Indiana 46235. Written communications received in this manner will not be opened, but rather delivered unopened to the director to whom they are addressed at or prior to the next meeting of the Board of Directors, following clearance through normal security procedures.

Committees of the Board of Directors

The Board of Directors has standing Audit and Compensation Committees. The Board of Directors does not maintain any other standing committees.

Table of Contents

Audit Committee

Functions, Meetings, and Composition of the Audit Committee. The responsibilities of the Audit Committee are set forth in the Audit Committee Report, which appears below. The Audit Committee met four (4) times during fiscal 2011. Mr. Heyworth, Ms. Langham, and Mr. Miller served on the Audit Committee, with Mr. Heyworth serving as the chairperson. Each member of the Audit Committee satisfies the independence and audit committee membership criteria set forth in NYSE Rule 303A.07. Specifically, each member of the Audit Committee:

- is independent under NYSE Rule 303A.02;
- meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"); and
- is financially literate, as our Board of Directors has interpreted such qualification in its business judgment.

Audit Committee Financial Expert. The Board of Directors has determined that at least one "audit committee financial expert," as defined under Item 407(d)(5) of Regulation S-K, currently serves on the Audit Committee. The Board of Directors has identified Mr. Heyworth as an audit committee financial expert. Mr. Heyworth is "independent", as independence for audit committee members is defined under applicable NYSE rules.

Audit Committee Charter. Our Audit Committee operates pursuant to a written charter detailing its purpose, powers, and duties. The Audit Committee reviews and reassesses the adequacy of its formal written charter on an annual basis. A copy of the Audit Committee's current charter is available on our website at <http://www.celadontrucking.com>.

Audit Committee Report. In performing its duties, the Audit Committee, as required by applicable Securities and Exchange Commission ("SEC") rules, issues a report recommending to the Board of Directors that our audited financial statements be included in the Form 10-K, and relating to certain other matters, including the independence of our public accounting firm. The fiscal 2011 Report of the Audit Committee is set forth below.

The Audit Committee Report shall not be deemed to be incorporated by reference into any filing made by the Company under the Securities Act of 1933, as amended ("Securities Act") or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference.

Audit Committee Report for Fiscal 2011

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of our financial reports and financial reporting processes and financial reporting internal control systems. Management has primary responsibility for our financial statements and the overall reporting process, including maintenance of our internal control systems. We retain an independent registered public accounting firm that is responsible for conducting an independent audit of our financial statements, the effectiveness of management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), and issuing a report thereon.

In performing its duties, the Audit Committee has reviewed and discussed our financial statements, management's assessment of internal controls over financial reporting, and the effectiveness of internal controls over financial reporting with management and our independent registered public accounting firm and, in issuing this report, has relied upon the responses and information provided to the Audit Committee by management and the independent

registered public accounting firm.

Table of Contents

For the fiscal year ended June 30, 2011, the Audit Committee reviewed and discussed the audited financial statements with management and KPMG, our independent registered public accounting firm, for such fiscal year. Specifically, the Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Rule 2-07 of SEC Regulation S-X "Communication with Audit Committees," and PCAOB Interim Standards "Communication with Audit Committees" (AU Section 380) as amended, which include, among other things:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the accounting firm's conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

The Audit Committee has received the written disclosures from the independent registered public accounting firm required by PCAOB Ethics and Independence Rules 3526, "Communication with Audit Committees Concerning Independence" and discussed with the independent registered public accounting firm its independence within the meaning of the rules and standards of the PCAOB and the securities laws and regulations administered by the SEC.

The Audit Committee met with representatives of the independent registered public accounting firm without management present on four (4) occasions during fiscal 2011. Based on the foregoing reviews and meetings, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Form 10-K for the year ended June 30, 2011, for filing with the SEC.

Compensation Committee

Functions, Meetings, and Composition of the Compensation Committee. The Compensation Committee reviews all aspects of compensation of our executive officers, recommends director nominees for the selection by the Board of Directors, and makes recommendations on such matters to the full Board of Directors. The Compensation Committee met five (5) times during fiscal 2011. Mr. Heyworth, Ms. Langham, and Mr. Miller served as the Compensation Committee in fiscal 2011, with Mr. Miller serving as the chairperson.

Role of the Compensation Committee. The Compensation Committee was formed in September 1993. The Compensation Committee is responsible for determining the compensation program for our executive officers, including the CEO, our Principal Financial Officer, and our four other most highly compensated executive officers whose total compensation was \$100,000 or more for the fiscal year ended June 30, 2011 (collectively, the "Named Executive Officers"). In January 2011, Mr. Chris Hines resigned from his position as our Executive Vice President of Sales and Marketing. However, pursuant to Item 402(a)(3) of Regulation S-K, we have included Mr. Chris Hines as a Named Executive Officer although he is no longer employed by us. The Compensation Committee is responsible for annually reviewing and approving annual base salary compensation for the Named Executive Officers. The

Compensation Committee establishes and administers the bonus compensation program, which is re-evaluated each fiscal year, pursuant to which certain of our employees and executive officers may be eligible to receive bonuses. The Compensation Committee administers the Incentive Plan, and, subject to the provisions of the Incentive Plan, determines grants under the Incentive Plan for all employees, including the Named Executive Officers. The Compensation Committee also considers and if appropriate, recommends for selection, nominees for the Board of Directors. Subject to certain restrictions, when it deems appropriate, the Compensation Committee may form and delegate to subcommittees the authority to undertake any of the foregoing responsibilities.

Anthony Heyworth
Catherine Langham

Compensation Committee Interlocks and Insider Participation. Mr. Heyworth, Ms. Langham, and Mr. Miller served as the Compensation Committee in fiscal 2011. During fiscal 2011, no Compensation Committee member was an officer or employee for the Company. There were no interlocking relationships between our directors and executive officers and the executive officers and directors of any other entity that might affect the compensation of our executive officers. For a description of other transactions between us and other directors and executive officers, see "Certain Relationships and Related Transactions" below.

Director Nomination Process. The Compensation Committee recommends director nominees for selection by the Board of Directors. Our Board of Directors has adopted a policy of re-nominating incumbent directors who continue to satisfy the criteria for Board of Directors membership and whom the Compensation Committee believes continue to make important contributions to the Board of Directors and who consent to continue to serve on the Board of Directors.

In filling vacancies on the Board of Directors, the Compensation Committee will solicit recommendations for nominees from persons that the Compensation Committee believes are likely to be familiar with (i) our needs and (ii) are qualified candidates. These persons may include members of the Board of Directors and management, advisors to us, or professional search firms.

The Compensation Committee also will consider proposed director nominees recommended by stockholders, provided that the following procedural requirements are satisfied. Director nominee recommendations should be mailed via

certified mail, return receipt requested, and addressed to Director Nomination, Celadon Group, Inc., c/o Paul Will - Vice Chairman, 9503 East 33rd Street, One Celadon Drive, Indianapolis, Indiana, 46235. In order to be considered, a stockholder recommendation must: (i) be received at least 120 days prior to the anniversary of the mailing date of our proxy statement for the prior year's Annual Meeting of Stockholders (by May 31, 2012 for director candidates to be considered for nomination for election at the Annual Meeting of Stockholders following the end of fiscal year 2012), however, if the date of such Annual Meeting of Stockholders is more than thirty days before or after November 7, 2012, then the deadline for submitting any director candidates for nomination for election at such Annual Meeting of Stockholders will be a reasonable time before we begin to print or mail such proxy materials; (ii) contain sufficient background information, such as a resumé and references, to enable our Compensation Committee to make a proper judgment regarding the proposed nominee's qualifications; (iii) be accompanied by a signed consent of the proposed nominee to serve as a director, if elected, and a representation that such proposed nominee qualifies as "independent" under NYSE Rule 303A.02(a) or, if the proposed nominee does not qualify, a description of the reason(s) he or she is not "independent"; (iv) state the name and address of the stockholder submitting the recommendation and the number of shares of our common stock owned of record or beneficially by such stockholder; and (v) if submitted by a beneficial stockholder, be accompanied by evidence (such as a recent brokerage statement) that the person making the recommendation beneficially owns shares of our common stock.

Table of Contents

In evaluating potential nominees, including potential nominees properly submitted by stockholders, our Compensation Committee will review the person's judgment, integrity, independence, experience, and knowledge of the industry in which we operate or related industries, as well as such other factors the Compensation Committee determines are relevant in light of our needs and the needs of our Board of Directors.

With regard to specific qualities and skills, our Board of Directors believes it necessary that: (i) at least a majority of the members of the Board of Directors qualify as "independent" under NYSE 303A.02(a); (ii) at least three members of the Board of Directors satisfy the audit committee membership criteria specified in NYSE 303A.02(a); and (iii) at least one member of the Board of Directors, eligible to serve on the Audit Committee, have sufficient knowledge, experience, and training concerning accounting and financial matters so as to qualify as an "audit committee financial expert" within the meaning of Item 407(d) of Regulation S-K.

Code of Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers, and employees. The Code of Business Conduct and Ethics includes provisions applicable to our principal executive officer, principal financial officer, and principal accounting officer or controller, or persons performing similar functions, which constitute a "code of ethics" within the meaning of Item 406(b) of Regulation S-K. Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, our directors and executive officers and any persons owning more than ten percent (10%) of our common stock are required to report their ownership of common stock and any changes in that ownership, on a timely basis, to the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they filed. Based solely upon a review of the copies of such forms furnished to us, we believe that, with the exception of two filings, none of our officers, directors, and greater than 10% beneficial owners failed to file on a timely basis the reports required by Section 16(a). The exception was that Mr. Meek and Mr. Middleton each failed to timely file one transaction on a Form 4. Both Mr. Meek's and Mr. Middleton's transactions were a restricted stock grant. Copies of Section 16(a) forms that our directors and officers file with the SEC are accessible through our website at www.celadontrucking.com.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview and Philosophy of Compensation

We believe the quality, skills, and dedication of our executive officers are critical factors affecting our long-term value and success. Our philosophy of executive compensation is to provide overall compensation levels that (i) attract and retain talented executives and motivate those executives to achieve superior results, (ii) foster employee commitment, (iii) align executives' interests with our corporate strategies, our business objectives, and the long-term interests of our stockholders, and (iv) enhance executives' incentives to increase our stock price and maximize stockholder value. In many instances, we build our compensation elements around long-term retention and development together with annual rewards. To this end, we have sought to provide competitive levels of compensation that integrate pay with our annual and long-term performance goals and reward performance.

The Compensation Committee oversees all of our executive officer compensation arrangements. The Compensation Committee has the specific responsibility to (i) review and approve corporate goals and objectives relevant to the compensation of our CEO, (ii) evaluate the performance of our CEO in light of those goals and objectives, (iii) consider factors related to our performance as a company, including accomplishment of our long-term business and financial goals, and (iv) determine and approve the compensation level of our CEO based upon such evaluation. The Compensation Committee also has the responsibility to review annually the compensation of our other executive officers and to determine whether such compensation is reasonable under existing facts and circumstances. In making such determinations, the Compensation Committee seeks to ensure that the compensation of our executive officers aligns the executives' interests with the interests of our stockholders. The Compensation Committee must also review and approve all forms of incentive compensation, including annual cash bonuses, stock option grants, restricted stock grants, and other forms of incentive compensation granted to our executive officers. The Compensation Committee takes into account the recommendations of our CEO in reviewing and approving the overall compensation of the other executive officers.

Role of Compensation Consultant

In May 2011, the Compensation Committee engaged Towers Watson as its compensation consultant. Towers Watson is an independent consulting firm that reports and provides services only to our Compensation Committee, although Towers Watson may work in cooperation with management as required to carry out its obligations to the Compensation Committee. Without the Compensation Committee's prior approval, Towers Watson will not perform any services for the Company or our management.

The Compensation Committee engaged Towers Watson to provide independent and unbiased external advice and expertise regarding executive compensation and to provide a competitive market pay analysis for Mr. Stephen Russell, Mr. Will and Mr. Jonathan Russell. This analysis compared base salary, cash bonus, and long-term equity incentive components of compensation to a competitive peer group, a broader transportation group, and a general industry group with comparable annual revenues. The information provided included compensation trends and practices in our industry, competitive peer companies, historical compensation statistics, and market survey data. While Towers Watson provided general guidance on our executive compensation program, they did not specifically determine or recommend any amounts or forms of compensation for any executive officers or directors.

The peer group compiled by Towers Watson consisted of (i) Covenant Transportation Group, Inc., (ii) Frozen Food Express Industries, Inc., (iii) Heartland Express, Inc., (iv) J.B. Hunt Transport Services, Inc., (v) Knight Transportation, Inc., (vi) Marten Transport, Ltd., (vii) P.A.M. Transportation Services, Inc., (viii) Quality Distribution, Inc., (ix) USA Truck, Inc., and (x) Werner Enterprises, Inc. We believe that we compete to varying

degrees for business and talent with the companies in this peer group.

The Compensation Committee reviewed the peer group data compiled by Towers Watson for informational purposes, but has not formally targeted or benchmarked specific levels of pay relative to the external market. The Compensation Committee used the information to evaluate the Company's current compensation program and will use such information as a guide in establishing an executive compensation program going forward, including the setting of base salaries and grants of equity awards for the Named Executive Officers.

Other than the work completed for the Compensation Committee, Towers Watson did not provide any services to the Company, management, or any of our subsidiaries.

Table of Contents

Elements of Compensation

Our compensation program for executive officers has two major elements, fixed and incentive compensation. The total compensation for executive officers consists of one or more of the following components: (i) base salary, (ii) incentive compensation, which may include a performance-based annual bonus and long-term equity incentive awards, which in recent years have been in the form of stock options and/or restricted stock grants, (iii) other compensation, including specified perquisites, and (iv) employee benefits, which are generally available to all of our employees.

The Compensation Committee has the responsibility to make and approve changes in the total compensation of our executive officers, including the mix of compensation elements. In making decisions regarding an executive's total compensation, the Compensation Committee considers whether the total compensation is fair and reasonable to us, internally appropriate based upon our culture, goals, initiatives, and the compensation of our other employees, and within a reasonable range of the compensation afforded by other opportunities, overall economic conditions, and our recent historical performance. The Compensation Committee also bases its decisions regarding compensation upon its assessment of the executive's leadership, integrity, individual performance, prospect for future performance, years of experience, skill set, level of commitment and responsibility required in the position, contributions to our financial results, the creation of stockholder value, and current and past compensation. In determining the mix of compensation elements, the Compensation Committee considers the effect of each element in relation to total compensation. The Compensation Committee specifically considers whether each particular element provides an appropriate incentive and reward for performance that sustains and enhances long-term stockholder value. The Compensation Committee also takes into account the tax and accounting consequences associated with each element of compensation. In determining whether to increase or decrease an element of compensation, we rely upon the business experience of the members of the Compensation Committee, the Compensation Committee's general understanding of compensation levels of public companies, and the historical compensation levels of the executive officers. We generally do not rely on rigid formulas, other than performance measures under our annual bonus program, or short-term changes in business performance when setting compensation. In addition, the Compensation Committee engaged Towers Watson in May 2011 to provide independent and unbiased external advice and expertise regarding executive compensation and to provide a competitive market pay analysis for our CEO, President and COO, and President of Asset Light Business Units. The Compensation Committee expects to use this advice and information as a guide in reviewing our executive compensation program going forward, including with respect to the setting of base salaries and grants of equity awards to our executives. With respect to executives other than the CEO, we consider the recommendations of the CEO.

Base Salary

We pay base salaries at levels that reward executive officers for ongoing performance and that enable us to attract and retain highly qualified executives, but not at a level that allows the executives to achieve the overall compensation they desire. Base pay is a critical element of our compensation program because it provides our executive officers with stability. Compensation stability allows our executives to focus their attention and efforts on our business objectives, which includes creating stockholder value. In determining base salaries, we consider the executive's current salary and the executive's qualifications and experience, including, but not limited to, the executive's length of service with us, the executive's industry knowledge, and the executive's leadership, integrity, scope of responsibilities, dedication to us and our stockholders, past performance, and future potential of providing value to our stockholders. Towers Watson provided the Compensation Committee with information on the form and level of compensation disclosed by other publicly traded truckload carriers, certain other transportation companies, and companies of similar size and market capitalization. In their report, Towers Watson concluded that the base salaries paid to the Named Executive Officers reviewed are toward the upper end of the competitive range when compared to the Towers Watson competitive peer group, while our base salaries are generally closer to the median of salaries paid in the general industry group. The Compensation Committee considered this information to obtain a broad

understanding of such companies' compensation practices; however, the Compensation Committee did not benchmark salary or total executive compensation against the executive compensation of any other company or group of companies. We set our base salaries at a level that allows us to pay a portion of an executive officer's total compensation in the form of incentive compensation (including annual cash bonuses and long-term incentives) and perquisites. We believe this mix of compensation helps us incentivize our executives to maximize stockholder value in the long run. We consider adjustments to base salaries annually to reflect the foregoing factors but do not apply a specific weighting to such factors.

Incentive Compensation

Long-Term Incentives

Our Incentive Plan is a broad-based equity plan that we use to, among other things, (i) provide annual incentives to executive officers in a manner designed to reinforce our performance goals, (ii) attract, motivate, and retain qualified executive officers by providing them with long-term incentives, and (iii) align our executives' and stockholders' long-term interests by creating a strong, direct link between executive pay and stockholder return. The Incentive Plan allows the Compensation Committee to link compensation to performance over a period of time by using equity-based awards (which often value a company's long-term prospects). Over time, the committee expects to grant equity compensation using a mix of stock options and restricted stock.

Other aspects of the equity compensation portion of the program include the following:

- a target run rate of equity grants equivalent to 1% to 2% of outstanding shares granted per year, with a fair value (considering stock options at their Black-Scholes value upon issuance and restricted stock at the closing stock price on the date of issuance) equal to approximately 1% of market capitalization annually;
- a target grant date value equal to approximately 1.0 to 1.5x base salary, with the CEO having the highest multiple of salary;
- time vesting of stock options and/or restricted stock over four years; and
- a two-year holding requirement for all shares obtained upon exercise of options and all vested shares of restricted stock, less any shares required for exercise prices and taxes (the resulting number being referred to as "Net Shares").

The Compensation Committee considered various alternatives, including the use of performance targets for restricted stock vesting. The Compensation Committee determined, however, that the combination of restricted stock (which provides upside potential and downside exposure) and stock options (which have value only if the stock price increases) accomplishes much the same effect without the accounting complexity of performance vesting stock. In their report, Towers Watson concluded that the awards under our Incentive Plan have generally been at the upper end of the competitive range when compared to the Towers Watson competitive peer group and have generally been closer to the average range when compared to the broader transportation industry and general industry group.

Performance-Based Annual Bonuses

Consistent with our goal to improve our consolidated operating ratio, the Compensation Committee has over the past two years approved earnings per share and return on invested capital targets as the basis for performance-based bonuses. The key terms of our performance-based bonuses for 2010 and 2011 are described in additional detail below. In their report, Towers Watson found that our past performance-based bonus targets are consistent with the Towers Watson competitive peer group and general industry group. Their report further noted that our annual performance-based bonus payments generally have been slightly above the median of the Towers Watson competitive peer group.

Table of Contents

Other Compensation

We provide our Named Executive Officers with certain other benefits that we believe are reasonable, competitive, and consistent with our overall executive compensation program. We believe that these benefits generally allow our executives to work more efficiently. The costs of these benefits constitute only a small percentage of each executive's total compensation. In setting the amount of these benefits, the Compensation Committee considers each executive's position and scope of responsibilities and all other elements comprising the executive's compensation.

Employee Benefits

Our executive officers are eligible to participate in all of our employee benefit plans, such as our 401(k) Plan and medical, dental, and group life insurance plans, in each case on the same basis as our other employees.

Compensation Paid to Our Named Executive Officers

Compensation Paid to Our Chief Executive Officer

Mr. Stephen Russell founded Celadon Group, Inc. in 1985 and has been our chief executive since our inception. At the request and recommendation of Mr. Russell, the Compensation Committee did not consider an increase to Mr. Russell's base salary during 2011. Mr. Russell's base salary has not increased since 2009.

With respect to the other aspects of Mr. Russell's compensation, the Compensation Committee determined that a significant amount of equity compensation to align Mr. Russell's compensation with increasing stockholder value and certain perquisites, as included in the "All Other Compensation" column of the Summary Compensation table, were important to motivate continued performance from Mr. Russell. Mr. Russell does not participate in the determination of his own compensation.

In January 2011, after considering that Mr. Russell's base salary has remained constant since 2009 and considering his position, scope of responsibility, ability to affect our results, ability to create stockholder value, and historic and recent performance, as partially described above, and as a means of encouraging Mr. Russell to work toward achieving the Company's goal of continued improvement in its financial performance, the Compensation Committee granted Mr. Russell 72,000 restricted shares. The January 2011 grant is time-based and will vest as follows: (i) 25% of the shares vest on January 21, 2012; (ii) 25% of the shares vest on January 21, 2013; (iii) 25% of the shares vest on January 21, 2014; and (iv) 25% of shares vest on January 21, 2015.

In August 2010, the Compensation Committee also approved a performance-based cash bonus opportunity under which Mr. Russell was eligible to receive a bonus of up to 65% of his base salary for 2011. The percentage of salary assigned to Mr. Russell's potential bonus was based on the Compensation Committee's evaluation of (i) the magnitude of Mr. Russell's ability to impact corporate performance based on his responsibilities, (ii) the composition of Mr. Russell's total compensation package, and (iii) our long-term financial goals. The Compensation Committee set performance targets for Mr. Russell that were tied to us achieving certain consolidated financial and operating benchmarks. The performance targets for Mr. Russell were the same performance targets for our President and Chief Operating Officer and the President of Asset Light Business Units and are discussed below. In their report, Towers Watson found that Mr. Russell's performance targets generally have been competitive with those of the Tower Watson trucking peer group. Because we achieved our consolidated performance targets for 2011, the Compensation Committee awarded a performance bonus to Mr. Russell for 2011 under the 2011 Bonus Plan (as defined below) in the amount of \$375,000. Based on Mr. Russell's recommendation, the Compensation Committee exercised its negative discretion and reduced the bonus by \$54,975.

During 2011, we also provided Mr. Russell with a company vehicle, 401k, a term life insurance policy, medical, dental, and group life insurance.

Table of Contents

Compensation Paid to Our Other Named Executive Officers

For all Named Executive Officers other than our CEO, the form and amount of compensation was recommended by the CEO. As discussed above, the Compensation Committee relied on the business experience of its members, the historical compensation levels of the Named Executive Officers, and its general understanding of compensation levels at public companies to determine that the CEO's recommendations with respect to the compensation levels and forms were appropriate for 2011. For 2011, the form of compensation paid to our Named Executive Officers was generally consistent with past years, with compensation consisting primarily of base salary, bonus based on the achievement of certain financial and operating goals, and equity compensation in the form of restricted stock grants and/or stock options. For each of the Named Executive Officers, the Compensation Committee considered, among other things, our financial and operating results for the periods ended June 30, 2010 and 2011, the duties and responsibilities of each Named Executive Officer, and the length of time each Named Executive Officer has been with us, as further described in each executive's biographical information found herein.

In November 2010, Mr. Will and Mr. Jonathan Russell were appointed to positions of Vice Chairman, President, and COO and President of Asset Light Business Units, respectively. In connection with the changes in position and responsibility, Mr. Will's base salary was increased to \$350,000 annually from \$300,000 annually and Mr. Jonathan Russell's base salary was increased to \$275,000 annually from \$225,000 annually. In January 2011, the Compensation Committee reviewed and approved Mr. Core's base salary to be increased to \$132,400 annually from \$127,000 annually, and Mr. Meek's salary to be increased to \$130,000 annually from \$115,000 annually. These increases were granted by the Compensation Committee based on responsibilities, position changes, and in consideration of previous base salary freezes.

The Compensation Committee also made grants of restricted shares and/or stock options to each of the other Named Executive Officers. After considering previous restricted stock grants and stock option grants to each Named Executive Officer, other than the CEO, in prior years and each Named Executive Officer's base salary, position, scope of responsibility, ability to affect our results, ability to create stockholder value, and historic and recent performance, the Compensation Committee granted: (i) Mr. Will 34,000 restricted shares, (ii) Mr. Jonathan Russell 22,000 restricted shares (iii) Mr. Core 3,000 restricted shares and 10,000 stock options and (iv) Mr. Meek 3,000 restricted shares and 10,000 stock options. Mr. Will and Mr. Jonathan Russell's grants were approved in January 2011. Mr. Core and Mr. Meek's restricted shares were approved in November 2010 and stock options were approved in January 2011. All grants will vest ratably over four years. The Compensation Committee believes its 2011 restricted stock grants provide an appropriate mix of long-term incentive based compensation to our Named Executive Officers, while encouraging each Named Executive Officer to work toward achieving the Company's goal of continued financial improvement.

For 2011, the Compensation Committee approved annual cash bonus opportunities under which Mr. Stephen Russell, Mr. Paul Will and Mr. Jonathan Russell were eligible to receive a bonus equal to a percentage of his base salary for 2011 based upon our achievement of certain performance targets (the "2011 Bonus Plan"). Under the 2011 Bonus Plan, the above listed officers were eligible to receive bonuses upon satisfaction of the earnings per share, return on invested capital, and a discretionary component. The percentage of salary assigned to each of the above listed Officer was based on the Compensation Committee's evaluation of: (i) the magnitude of each Officer's ability to impact corporate performance based on the executive's responsibilities at the time the targets were set, (ii) the composition of each Officer's total compensation package, and (iii) our long-term financial goals.

The Compensation Committee established the following criteria for attainment of the 2011 cash bonus:

Bonus Criteria

	Percentage of Bonus
Earnings Per Share Target	35%
Return on Invested Capital Target	35%
Discretionary Amount	30%

Table of Contents

For each criterion other than the discretionary amount, the recipients may earn between 0% and 200% of the portion of the target bonus amount attributable to that criterion, depending on the level of performance.

Earnings per share. Earnings per share is equal to diluted earnings per share as reflected in the audited financial statements, excluding any gain or loss attributable to extraordinary non-cash items. The bonus amounts are linear in between the identified earnings per share targets and adjusted for the pro forma impact of any acquisitions/dispositions.

\$0.81	200%

Return on Invested Capital. The Compensation Committee may exercise discretion to reflect changes in the Company's use of operating leases, as opposed to balance sheet financing that would cause significant differences in calculated return on invested capital. The bonus amounts are linear in between the identified return on invested capital targets.

The Compensation Committee viewed the 2011 performance targets as reflecting a range of performance that is achievable but uncertain, with the upper end of the range reflecting a significant accomplishment. The 2011 performance targets do not reflect any view of ours concerning earnings expectations for the year. In their report, Towers Watson found that our annual performance-based bonus targets generally have been competitive with those of the Towers Watson competitive peer group.

The Compensation Committee met in July 2011 to discuss and review the 2011 bonus awards for the Named Executive Officers. The Compensation Committee reviewed the foregoing policies, our earnings per share and return on invested capital. After determining that we achieved the earnings per share target at the 140% level and that return on invested capital target at the 150% level, the Compensation Committee awarded performance bonuses under the 2011 Bonus Plan in the following amounts: Mr. Will - \$283,238; Mr. Jonathan Russell - \$222,544. The discretionary component of Mr. Will's and Mr. Jonathan Russell's bonuses was \$68,250 and \$53,625, respectively. Mr. Core and Mr. Meek were awarded discretionary bonuses of \$30,000 each related to results achieved and contribution to those results for 2011.

We also provided Mr. Will and Mr. Jonathan Russell with a company vehicle. Each perquisite is designed to help the Officer more effectively carry out their responsibilities for us. We also provide each Named Executive Officer with 401k, medical, dental, and group life insurance.

Compensation Decisions with Respect to 2012

The Compensation Committee annually reviews and considers increases in the base salaries of our Named Executive Officers, as well as proposals to grant equity awards to each Named Executive Officer based on the number of restricted shares granted to each Named Executive Officer in prior years and each Named Executive Officer's base salary, position, scope of responsibility, ability to affect our results, ability to create stockholder value, and historic and recent performance, as described above. As of July 2011, management had not proposed and the Compensation Committee had not considered any changes to the salaries of our Named Executive Officers. For our 2012 fiscal year, the Compensation Committee approved a grant of 5,000 restricted shares to Mr. Meek on July 27, 2011, which shares will vest ratably over four years. Nevertheless, the Compensation Committee may consider changes to the Named Executive Officers' base salaries and grants of equity awards to the Named Executive Officers in future meetings.

On July 27, 2011, the Compensation Committee approved a cash bonus program for fiscal year 2012 (the "2012 Bonus Program") for certain Named Executive Officers. Under the 2012 Bonus Program, the Compensation Committee adopted the following target bonus amounts for each of the officers listed below:

Name and Position	Target Bonus as a Percentage of Annualized Target Current Salary	Bonus in Dollars
Stephen Russell, Chairman and CEO	65%	\$455,000
Paul Will, Vice Chairman, President, and COO	65%	\$227,500
Jonathan Russell, President of Asset Light Business Units	65%	\$178,750

As part of the 2012 Bonus Program, the Compensation Committee established the following allocation for attainment of the fiscal year 2012 cash bonus:

Bonus Criteria	Percentage of Bonus
Earnings Per Share Target	70%
Discretionary Amount	30%

For the earnings per share target, the recipients may earn between 0% and 200% of the portion of such target, depending on the level of performance. Earnings per share is equal to diluted earnings per share as reflected in the audited financial statements, excluding any gain or loss attributable to extraordinary non-cash items. The bonus amounts are linear in between the identified earnings per share targets and adjusted for the pro forma impact of any acquisitions or dispositions.

The Compensation Committee viewed the 2012 performance targets as reflecting a range of performance that is achievable but uncertain, with the upper end of the range reflecting a significant accomplishment. The 2012 performance targets do not reflect any view of management or the Compensation Committee concerning earnings expectations for the year. The Compensation Committee has not proposed a bonus plan for the other Named Executive Officers.

Employment Agreements

We have entered into an employment agreement with Mr. Stephen Russell, a separation agreement with Mr. Will, our Vice Chairman, President and COO, and a separation agreement with Mr. Hines, each as described below. The agreements with Mr. Stephen Russell and Mr. Will reflect the fact that a significant portion of their total compensation may, at any point in time, consist of unvested stock options or restricted stock holdings and that some measure of protection against a possible, but unpredictable, action of successor corporations is desirable for both the executives and the Company. These agreements also reduce the risk that alignment between the interests of Mr. Stephen Russell and Mr. Will will be decoupled from our stockholders' interests by a change-in-control event. The payout provisions under these agreements were established based on prevailing market practice.

The employment agreement of Mr. Stephen Russell provides that upon the occurrence of a change in control (as defined in the employment agreement) Mr. Stephen Russell may be entitled to receive certain payments and benefits from us. Specifically, if (i) at any time within two years of a change in control or within 180 days prior to a change in control, Mr. Stephen Russell's employment is terminated by us without cause or by Mr. Stephen Russell for cause or (ii) at any time during the ninety day period immediately following the date which is six months after the change in control Mr. Stephen Russell terminates his employment for any reason, Mr. Stephen Russell shall be entitled to receive from us (1) a lump sum payment in an amount equal to three times his base salary and three times the highest annual bonus paid to him within three years prior to the change in control; (2) any accrued benefits; (3) a pro-rata portion of the bonus for the fiscal year in which the change in control occurs; (4) continued medical and dental benefits for himself and eligible dependents for thirty-six months; (5) outplacement services for one year; and (6) upon the occurrence of the change in control, full and immediate vesting of all stock options and equity awards. The agreement also provides that Mr. Stephen Russell is entitled to receive a gross-up payment on any payments made to him that are subject to the excise tax imposed by Section 4999 of the Code; provided, however, that if the total payments made to Mr. Stephen Russell do not exceed 110% of the greatest amount that could be paid to him, such that the receipt of payments would not give rise to any excise tax, then no gross-up payment will be made and the payments made to Mr. Stephen Russell, in the aggregate, will be reduced to an amount that would result in no excise tax being triggered. The employment agreement also includes a two-year non-compete covenant commencing on termination of employment.

Mr. Will is party to a separation agreement with us whereby we have the right at any time, with or without prior written notice, to terminate his employment or obtain his resignation. The agreement provides that in the event of termination of employment, Mr. Will will be entitled to receive from us: (i) one year's salary less normal withholding; (ii) a pro-rata bonus payment equal to the then current bonus formula for the time employed in the then current fiscal year up to the date of termination in that fiscal year less normal withholdings; (iii) a lump sum payment equal to twelve months of COBRA premiums for the group medical and dental plans; and (iv) a lump sum payment equal to twelve months car allowance. In addition, in such event, Mr. Will will be entitled to exercise any vested or unvested stock options he then has in accordance with the terms of the Incentive Plan, for a period of one year from the termination of his employment.

In connection with Mr. Hines' resignation as the Company's Executive Vice President of Sales and Marketing on January 21, 2011, we entered into a Separation Agreement, General Release, and Non-Competition, Non-Disclosure, and Non-Solicitation Agreement with Mr. Hines (the "Separation Agreement"). Pursuant to the terms of the Separation Agreement, Mr. Hines will receive an amount equal to Mr. Hines' annual salary in periodic payments through January 21, 2012, and continued certain employment related insurance benefits and auto benefits through February 1, 2011. The Company also will make a one time payment to Mr. Hines in the amount of \$70,000. In consideration of the foregoing, Mr. Hines agreed to certain restrictions on (i) disclosure of proprietary information of the Company for a period of twenty-four months, (ii) disparagement of the Company, (iii) solicitation of the

Company's employees, customers, and independent contractors for a period of twelve months, and (iv) engagement in competition with the Company for a period of twelve months. Mr. Hines has also agreed to a general release of the Company.

Currently, we do not have any other employment contracts, severance agreements, change in control agreements, non-competition agreements, separation agreements, or other arrangements with any of our other Named Executive Officers that would provide for payment or benefit to a Named Executive Officer at, following, or in connection with a change in control, a change in a Named Executive Officer's responsibilities, or a Named Executive Officer's termination of employment, including registration, severance, retirement, or constructive termination. We are evaluating entering employment and non-competition agreements with Mr. Jonathan Russell. The Compensation Committee will continue to evaluate the Company's needs on this issue from time-to-time.

- (1) This column represents the amount of cash compensation earned in fiscal 2011 for Board of Directors and committee service.
- (2) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2011 fiscal year for the fair value of stock awards granted to each non-employee director in 2011, in accordance with FASB ASC Topic 718. Fair value is calculated using the closing price of our stock on the date of grant. Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For additional information on the valuation assumptions with respect to the 2011 grants, refer to note 5 of our consolidated financial statements as provided in the Form 10-K for the fiscal year-ended June 30, 2011, as filed with the SEC on September 2, 2011.
- (3) On October 28, 2010, each non-employee director received 5,039 shares of our common stock, determined by dividing the current year's director compensation subject to payment in common stock, by the closing market price of our common stock on the date of grant, or \$12.90 per share. These shares are subject to certain holding and other restrictions.

Narrative to Director Compensation

For 2011, directors who are not our employees received annual compensation of approximately \$110,000 per director, plus fees for committee service. For fiscal 2011, cash compensation was \$45,000, plus \$2,500 for serving on a committee, \$2,500 for serving as a committee chair, and \$5,000 for serving as lead director. There were no meeting fees. In addition, we established equity compensation of approximately \$65,000, consisting of a number of shares of restricted stock equal to \$65,000 divided by the closing stock price on the date of the grant (rounded to the nearest share). Accordingly, at the 2010 Annual Meeting, each of our non-employee directors received equity compensation of approximately \$65,000, consisting of a number of shares of restricted stock equal to \$65,000 divided by the closing stock price on the date of the grant (rounded to the nearest share). Accordingly, each of our non-employee directors received restricted stock awards in the amount of 5,039 shares. The restricted stock awards will vest entirely on the date of the 2011 Annual Meeting. The shares must be held for a minimum of two years following the vesting date so long as the recipient remains a director.

For fiscal 2012, effective October 1, 2011, annual compensation will increase to \$121,000 per director plus fees for committee service. - (2) Beneficial ownership is calculated in accordance with the rules of the SEC. A person is deemed to have "beneficial ownership" of any security that he or she has a right to acquire within sixty days following August 31, 2011. Shares of common stock underlying stock options that are currently exercisable or will be exercisable within sixty days following August 31, 2011 are deemed to be outstanding for purposes of computing the percentage ownership of the person holding such options and the percentage ownership of all executive officers and directors as a group, but are not deemed outstanding for purposes of computing the percentage ownership of any other person or entity. As a result, the denominator used in calculating beneficial ownership percentages among our stockholders and management may differ. As of August 31, 2011, our executive officers and directors held shares of common stock underlying stock options currently exercisable or that will become exercisable within sixty days following August 31, 2011 in the following amounts: Mr. Stephen Russell – 591,784; Mr. Will – 232,256; Mr. Jonathan Russell – 66,400; Mr. Core – 19,450; Mr. Meek – 4,780; Mr. Middleton – 21,400; Mr. Miller – 34,875; Mr. Heyworth – 46,125 shares; and Ms. Langham – 0 shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Audit Committee has established procedures relating to the review, approval, or ratification of any transaction, or any proposed transaction, in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which any "related person" (as that term is defined in Instruction 1 to Item 402(a) of Regulation S-K) had or will have a direct or indirect material interest ("Interested Transactions"). Upon review of the material facts of all Interested Transactions, the Audit Committee will either approve or disapprove the Interested Transactions, subject to certain exceptions, by taking into account, among other factors it deems appropriate, whether the terms are arms'-length and the extent of the related person's interest in the transaction. No director may participate in any discussion or approval of an Interested Transaction for which he is a related party. If an Interested Transaction will be ongoing, the Audit Committee may establish guidelines for our management to follow in its ongoing dealings with the related party and then at least annually must review and assess ongoing relationships with the related party. Although not evidenced in writing, we feel these policies and procedures best serve the Company and therefore we follow them closely. Each year our directors and officers are asked to disclose any Interested Transaction and are reminded that Interested Transactions should be brought to the Audit Committee's attention prior to consummation so any such transactions or relationships may be reviewed.

Mr. Stephen Russell is the father of Mr. Jonathan Russell, and all arrangements between the Company and Mr. Jonathan Russell are described elsewhere in this proxy statement.

See "Corporate Governance – The Board of Directors – Committees of the Board of Directors – Compensation Committee – Compensation Committee Interlocks and Insider Participation" for a description of transactions between us and members of our Compensation Committee or their affiliates.

PROPOSAL NO. 2 – ADVISORY, NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are including in this Proxy Statement a separate resolution, subject to stockholder vote, to approve, in a non-binding vote, the compensation of our Named Executive Officers as disclosed on pages 11 to 24.

As described in more detail in the Compensation Discussion and Analysis section of this Proxy Statement, the Compensation Committee has structured our executive compensation program to achieve the following key objectives:

Objective	How Our Executive Compensation Program Achieves This Objective
Attract and retain talented executives and motivate those executives to achieve superior results.	· We link compensation to achievement of specified performance goals and continued employment with the Company. We also utilize multi-year vesting requirements for equity-based compensation to promote long-term ownership.
Align executives' interests with our corporate strategies, our business objectives, and the long-term interests of our stockholders.	· Annual cash bonuses for each of our Named Executive Officers are based 70% on objective performance measurements that are important to our success (e.g., earnings per share and return on invested capital in fiscal 2011 and earnings per share in fiscal 2012).

Enhance executives' incentives to increase our stock price and maximize stockholder value.

- Annual cash incentives based on targets with objective, measurable criteria keep management focused on near-term results. Caps on cash awards are built into our plan design.

- The equity compensation component, which includes awards such as stock options and restricted stock grants, provides balance to our other elements of our compensation program and creates incentive for executives to increase stockholder value over an extended period of time.

- We attempt to keep base salaries relatively low and weight overall compensation toward incentive and equity-based compensation.

We urge stockholders to read the Compensation Discussion and Analysis beginning on page 11 of this Proxy Statement for more information on our executive compensation policies and procedures. The Compensation Committee and the Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals.

Accordingly, we are asking our stockholders to approve, in a non-binding vote, the following resolution in respect of this Proposal No. 2:

"RESOLVED, that the stockholders approve, in an advisory, non-binding vote, the compensation of the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K in this Proxy Statement, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion."

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" ADVISORY APPROVAL OF THE RESOLUTION SET FORTH ABOVE.

Table of Contents

PROPOSAL NO. 3 – ADVISORY, NON-BINDING VOTE ON THE FREQUENCY OF HOLDING FUTURE ADVISORY, NON-BINDING VOTES ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act, we also are including in this Proxy Statement a separate resolution to request our stockholders to recommend, in a non-binding vote, whether a non-binding stockholder vote to approve the compensation of our Named Executive Officers (that is, a vote similar to the non-binding vote in Proposal No. 2 on pages 27 and 28) should occur every one, two, or three years.

In considering their vote, stockholders may wish to carefully review the information presented in connection with Proposal No. 2 and the information regarding our compensation policies and decisions regarding our Named Executive Officers presented in the Compensation Discussion and Analysis beginning on page 14.

We believe a three-year frequency is most consistent with our approach to compensation based upon our beliefs that:

- a triennial advisory vote cycle is consistent with our long-term view with regard to executive compensation and would coincide with our triennial review of our overall compensation structure;
- the potential burdens and distractions of an annual vote are significant;
- a triennial advisory vote cycle gives the Board sufficient time to evaluate the results of the advisory vote regarding Named Executive Officer compensation and to implement any desired changes to our Named Executive Officer compensation policies and procedures; and
- a triennial advisory vote cycle will provide our stockholders more time to evaluate the effectiveness of our short- and long-term Named Executive Officer compensation strategies and our related performance.

Accordingly, we are asking our stockholders to approve, in a non-binding vote, the following resolution in respect of this Proposal No. 3:

"RESOLVED, that the stockholders be requested to recommend, in an advisory, non-binding vote, whether to approve the compensation of the Company's Named Executive Officers every one, two, or three years."

The frequency option receiving the greatest number of votes cast will be considered the frequency recommended by our stockholders for holding future advisory votes on executive compensation. However, because the vote is advisory and non-binding on the Board or the Company, the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency approved by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "THREE YEARS" WITH RESPECT TO THE FREQUENCY OF HOLDING FUTURE ADVISORY, NON-BINDING STOCKHOLDER VOTES ON EXECUTIVE COMPENSATION.

PROPOSAL NO. 4 – RENEWAL OF THE MATERIAL TERMS OF THE PERFORMANCE-BASED GOALS UNDER OUR INCENTIVE PLAN TO ALLOW CERTAIN GRANTS AND AWARDS TO CONTINUE TO QUALIFY AS PERFORMANCE-BASED COMPENSATION UNDER INTERNAL REVENUE CODE SECTION 162(M)

Background

The Board of Directors also is asking stockholders to reapprove the material terms of the performance-based goals under the Incentive Plan so that certain incentive awards granted thereunder may continue to qualify as exempt "performance-based" compensation under Internal Revenue Code Section 162(m), as amended ("Section 162(m)"). We are not proposing any amendment to the material terms of the performance-based goals under the Incentive Plan, as previously approved by our stockholders. Section 162(m) denies an employer a tax deduction for certain compensation in excess of \$1 million paid to "covered employees" of a publicly held corporation unless the compensation is qualified performance-based compensation. The Section 162(m) regulations generally require that stockholders approve the material terms of the performance goals, and that performance goals be submitted for stockholder reapproval every five years after initial stockholder approval if the Incentive Plan authorizes the Compensation Committee to select the appropriate target levels of performance to be achieved in connection with performance-based Awards. Our Incentive Plan authorizes the Compensation Committee to designate which persons are eligible for performance awards for a performance period, the length of the performance period, the types of performance awards to be issued, the performance criteria that are to be used to establish performance goals, the kind or level of performance goals, and other relevant matters. Our stockholders initially approved the performance-based goals in the Incentive Plan approximately 5 years ago at our 2006 Annual Stockholders Meeting.

The following summary of the material terms of our performance goals is qualified by reference to the text of the Incentive Plan, a copy of which is included as Appendix A to this Proxy Statement.

Performance-Based Goals

Performance awards must be based upon one or more of the following performance criteria: (a) revenues (including without limitation, measures such as revenue per mile (loaded or total) or revenue per tractor), (b) net revenues, (c) fuel surcharges, (d) accounts receivable collection or days sales outstanding, (e) cost reductions and savings (or limits on cost increases), (f) safety and claims (including, without limitation, measures such as accidents per million miles and number of significant accidents), (g) operating income, (h) operating ratio, (i) income before taxes, (j) net income, (k) earnings before interest and taxes (EBIT), (l) earnings before interest, taxes, depreciation, and amortization (EBITDA), (m) adjusted net income, (n) earnings per share, (o) adjusted earnings per share, (p) stock price, (q) working capital measures, (r) return on assets, (s) return on revenues, (t) debt-to-equity or debt-to-capitalization (in each case with or without lease adjustment), (u) productivity and efficiency measures (including, without limitation measures such as driver turnover, trailer to tractor ratio, and tractor to non-driver ratio), (v) cash position, (w) return on stockholders' equity, (x) return on invested capital, (y) cash flow measures (including, without limitation, free cash flow), (z) market share, (aa) stockholder return, (ab) economic value added, or (ac) completion of acquisitions (either with or without specified size). In addition, the Compensation Committee may establish, as an additional performance criteria, the attainment by a participant of one or more personal objectives and/or goals that the Compensation Committee deems appropriate, including but not limited to implementation of Company policies, negotiation of significant corporate transactions, development of long-term business goals or strategic plans, or the exercise of specific areas of managerial responsibility. Each of the performance criteria may be expressed on an absolute and/or relative basis with respect to one or more peer group companies or indices, and may include comparisons with past performance of the Company (including one or more divisions thereof, if any) and/or the current or past performance of other companies.

For each performance period, the Compensation Committee designates, in its sole discretion, within the initial period allowed under Section 162(m) of the Code, which of the Company's employees, directors, or consultants are eligible for performance awards for such period, the length of the performance period, the types of performance awards to be issued, the performance criteria that are to be used to establish performance goals, the kind or level of performance goals, and other relevant matters. The maximum award granted or payable to any one participant under the Incentive Plan for a calendar year will be 150,000 shares of common stock, subject to the Compensation Committee's authority to adjust awards upon certain events, or in the event the award is paid in cash, \$2,000,000.

Reasons for Seeking Stockholder Approval

Renewal of the material terms of the performance-based goals under the Incentive Plan will preserve the Company's right to continue receiving a federal income tax deduction for certain compensation paid under the Incentive Plan under Section 162(m). By ensuring that our incentive compensation is deductible by the Company for tax purposes, we can help minimize our income taxes and control our costs.

The affirmative vote of the majority of shares present in person or represented by proxy at the 2011 Annual Meeting and entitled to vote on the matter is required for the approval of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RENEWAL OF THE MATERIAL TERMS OF THE PERFORMANCE-BASED GOALS UNDER THE INCENTIVE PLAN TO ALLOW CERTAIN GRANTS AND AWARDS TO CONTINUE TO QUALIFY AS PERFORMANCE-BASED COMPENSATION UNDER INTERNAL REVENUE CODE SECTION 162(M).

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein, we are not aware of any substantial interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been our director or executive officer at any time since the beginning of the Company's last fiscal year or any proposed nominee for election as a director, or any associate of any of the foregoing, in any matter to be acted upon at the Annual Meeting, other than the election of directors.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We engaged KPMG as our independent registered public accounting firm during fiscal 2011 and expect to continue to engage KPMG for fiscal 2012. A representative of KPMG is expected to be present at the Annual Meeting and to be available to respond to appropriate questions, and such representative will have an opportunity to make a statement at the Annual Meeting if he or she desires to do so.

Principal Accounting Fees and Services

KPMG billed us the following amounts for services provided in the following categories during the fiscal years ended June 30, 2011 and 2010:

	Fiscal 2011	Fiscal 2010
Audit Fees(1)	\$230,000	\$225,000
Audit-Related		
Fees(2)	0	0
Tax Fees(3)	0	0
All Other		
Fees(4)	0	0
Total	\$230,000	\$225,000

(1) "Audit Fees" represents the aggregate fees billed for professional services rendered by KPMG for the audit of our annual financial statements and audit of internal controls and review of financial statements included in our quarterly reports on Form 10-Q, and services that are normally provided by an independent registered public accounting firm in connection with statutory or regulatory filings or engagements for that fiscal year.

- (2) "Audit-Related Fees" represents aggregate fees billed, other than Audit Fees, for assurance and related services by the principal independent registered public accounting firm that are reasonably related to the performance of the audit or review of our financial statements and internal control over financial reporting. We were not billed any Audit-Related Fees in fiscal 2011 or fiscal 2010.
- (3) "Tax Fees" represents the aggregate fees billed for professional services rendered by KPMG for tax compliance, tax advice, and tax planning. We were not billed any Tax Fees in fiscal 2011 or fiscal 2010.
- (4) All Other Fees represent the aggregate fees billed for products and services provided by KPMG, other than Audit Fees, Audit-Related Fees, and Tax Fees. We were not billed for any Other Fees in fiscal 2011 or fiscal 2010.

The Audit Committee maintains a policy pursuant to which it pre-approves all audit services and permitted non-audit services to be performed by the independent registered public accounting firm in order to assure that the provision of such services is compatible with maintaining the firm's independence. Under this policy, the Audit Committee pre-approves specific types of categories of engagements constituting audit, audit-related, tax, or other permissible non-audit services to be provided by the independent registered public accounting firm. Pre-approval of an engagement for a specific type or category of services generally is provided for up to one year and typically is subject to a budget comprised of a range of anticipated fee amounts for the engagement. Management and the independent registered public accounting firm are required to periodically report to the Audit Committee regarding the extent of services provided by the firm in accordance with the annual pre-approval, and the fees for the services performed to date. If management believes that a new service, or the expansion of a current service, provided by the independent registered public accounting firm is necessary or desirable then such new or expanded services are presented to the Audit Committee for its review and approval prior to the engagement of the independent registered public accounting firm to render such services. No audit-related, tax, or other non-audit services were approved by our Audit Committee pursuant to the de minimus exception to the pre-approval requirement under Rule 2-01(c)(7)(i)(C) of Regulation S-X during the fiscal year ended June 30, 2011.
