OUTSTANDING STOCK AND VOTING RIGHTS

Only shareholders of record at the close of business on June 2, 2005 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 25,517,594 shares of the Company's common stock, par value \$.01 per share ("Common Stock") the only class of voting securities of the Company. Each share of Common Stock entitles the holder thereof to one vote on each matter submitted to a vote at the Annual Meeting.

Directors will be elected by a plurality of the votes cast by the holders of Common Stock in person or represented by proxy at the Annual Meeting, provided a quorum is present at the meeting. All other matters to be acted upon at the meeting, will be decided by the majority of the votes cast by the holders of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present. In accordance with applicable law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. Based upon the Company's understanding of the requirements of the law of the State of New York and the Certificate of Incorporation and By-laws, as amended (the "By-laws"), of the Company, "votes cast" at a meeting of shareholders by the holders of shares entitled to vote are determinative of the outcome of the matter to be voted on. Committees of the Board of Directors

The Company has established a Compensation/Stock Option Committee of the Board of Directors, which is responsible for recommending the compensation of the Company's executive officers and for the administration of the Company's Stock Option Plans. The members of such Committee are Messrs. Abbatecola, Burr, Morch and Zech. The Compensation/Stock Option Committee held three meetings during Fiscal 2004. Subsequent to July 31, 2005, the compensation of the Company's executive officers will be determined either by a Compensation/Stock Option Committee consisting of independent directors, or by the independent directors. The Company also has an Audit Committee of the Board of Directors, which supervises the audit and financial procedures of the Company and is responsible for the selection of the Company's independent registered public accountants. The members of the Audit Committee are Messrs. Abbatecola, Morch and Monetta. The Board of Directors has determined that each member of the Audit Committee and Mr. Schell is an "independent director" within the meaning of Nasdaq Marketplace Rule 4200. The Audit Committee held four meetings during Fiscal 2004. The Audit Committee has adopted a written charter, a copy of which is on file with the Securities and Exchange Commission (the "SEC") as Appendix A to the Company's definitive proxy statement on Schedule 14A relating to the Company's 2004 Annual Meeting of Shareholders, which was filed with the SEC on August 18, 2004. The Company also has an Executive Committee of the Board of Directors, which is authorized to exercise the powers of the Board of Directors in the general supervision and control of the business affairs of the Company during the intervals between meetings of the board. The members of the Executive Committee are Messrs. Burr, Schell and Zugibe. The Company's Occupational, Safety and Environmental Protection Committee is responsible for satisfying the Board that the Company's Environmental, Health and Safety policies, plans and procedures are adequate. The members of the Occupational, Safety and Environmental Protection Committee are Messrs. Monetta and Zugibe. The Company does not have a nominating committee of the Board or other Board committee performing similar functions and in the past all directors have participated in the consideration of director nominations. Each of the Company's current independent directors has expressed their willingness and desire to continue serving on the Board and have made personal investments in Company stock. The Company believes that due to the Company's size and financial condition, the compensation paid to directors, the current independent directors' continued willingness to continue to serve under such circumstances, and since Nasdaq Marketplace rules regarding director nominations do not apply to small business issuers, such as the Company, until July 31, 2005, that it is unnecessary at this time to create a nominating committee. However, in accordance with Nasdaq Marketplace rule 4350, board nominations made on or after July 31, 2005 will be made either by a nominating committee of the Board that

-5-

is comprised solely of the Company's independent directors, or by vote of a majority of independent directors.

Audit Committee Report

In December 2004, the Audit Committee met with management to review and discuss the audit and the procedures and timing of the audit. As required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," the Audit

Edgar Filing: HUDSON TECHNOLOGIES INC /NY - Form DEF 14A

Committee has discussed with and received the required written disclosures and confirming letter from BDO Seidman, LLP regarding its independence and has discussed with BDO Seidman, LLP its independence. BOARD ATTENDANCE AT ANNUAL SHAREHOLDER MEETINGS

The Company has a policy that strongly encourages directors to attend the Company's Annual Meeting of Shareholders. Last year's Annual Meeting of Shareholders was attended by six of the Company's directors.

In December 2004, the Board of Directors approved a bonus plan (the "2005 Bonus Plan") that provides for the award of the following:

1. The Company will issue stock options under one of the Company's existing stock option plans to purchase: (i) 75,000 shares of its common stock to Kevin J. Zugibe, (ii) 50,000 shares of its common stock to Brian F. Coleman, (iii) 37,500 shares of its common stock to Charles F. Harkins, (iv) 25,000 shares of its common stock to Stephen P. Mandracchia, and (v) 25,000 shares of its common stock to James R. Buscemi. All such stock options will be issued quarterly in four equal installments, with the first quarterly installment to be issued on April 1, 2005 and the final installment to be issued on January 2, 2006. Such stock options will be issued at an exercise price equal to the closing sale price of the Company's common stock on the issuance date for each installment, and each installment will vest in eight equal quarterly installments over a two year period with each installment vesting on the first day of the succeeding quarter (e.g., Options issued on April 1, 2005 will vest quarterly commencing July 1, 2005), and will expire ten (10) years from the date of issuance, subject to earlier termination in certain circumstances.

2. The Company will establish at the end of fiscal year 2005 a bonus pool for the payment of cash bonuses to some or all of the following persons: Kevin J. Zugibe, Brian F. Coleman, Charles F. Harkins, Stephen P. Mandracchia and James R. Buscemi (collectively, the

Edgar Filing: HUDSON TECHNOLOGIES INC /NY - Form DEF 14A

"Executive Officers"), as well as to several other key employees of the Company. The amount of the bonus pool to be established has not been determined, but will be based upon the Company achieving earnings for the fiscal year 2005 in excess of a pre-determined level for fiscal 2005 (the "Benchmark"), up to a maximum bonus pool of \$250,000. In the event the Company's 2005 earnings exceed the Benchmark, cash bonuses may be paid out of the bonus pool to some or all of the Executive Officers. The Board of Directors will determine which, if any, of the Executive Officers are to receive a cash bonus, as well as the amount of the cash bonus to be paid to each such Executive Officer, which determination will be made, in the discretion of the Board of Directors, based upon the overall 2005 financial results of the Company as well as on the personal performance of each Executive Officer during 2005.

In addition to the foregoing, in the event the Company's 2005 earnings exceed the Benchmark, on January 2, 2006 the Company will issue stock options (the "Benchmark Options") to some or all of the Executive Officers. The Board of Directors will determine which, if any, of the Executive Officers are to receive Benchmark Options, as well as the number of Benchmark Options to be issued to each such Executive Officer, which determination will be made, in the discretion of the Board of Directors, based upon the overall 2005 financial results of the Company as well as on the personal performance of each Executive Officer during 2005. The maximum number of Benchmark Options to be issued under the Company's Stock Option Plans will be for the purchase of: (i) 75,000 shares of its common stock to Kevin J. Zugibe, (ii) 50,000 shares of its common stock to Brian F. Coleman, (iii) 37,500 shares of its common stock to Charles F. Harkins, (iv) 25,000 shares of its common stock to Stephen P. Mandracchia, and (v) 25,000 shares of its common stock to James R. Buscemi. All such Benchmark Options will be issued at an exercise price equal to the closing sale price of the Company's common stock on

the issuance date, and will vest in eight equal quarterly installments over a two year period with the first installment vesting on April 3, 2006 and expire on January 2, 2016, subject to earlier termination in certain circumstances.

Stock Option Plans

Hudson has adopted each of an Employee Stock Option Plan (the "1994 Plan"), the 1997 Stock Option Plan (the "1997 Plan"), and the 2004 Stock Incentive Plan (the "2004 Plan") pursuant to which an aggregate of 4,916,102 shares of common stock are currently reserved for issuance upon the exercise of options designated as either (i) options intended to constitute incentive stock options ("ISOs") under the Internal Revenue Code of 1986, as amended, (ii) nonqualified options or (iii), in the case of the 2004 Plan, for issuance upon the granting of restricted stock, deferred stock or other stock-based awards. ISOs may be granted under either of the 1994 Plan, 1997 Plan or 2004 Plan to employees and officers of Hudson. Non-qualified options may be granted to consultants, directors (whether or not they are employees), employees or officers of Hudson. Stock appreciation rights may also be issued in tandem with stock options.

Each of the 1994 Plan, the 1997 Plan and the 2004 Plan is intended to qualify under Rule 16b-3 under the Exchange Act and is administered by the Compensation/Stock Option Committee of the Board of Directors. The Committee, within the limitations of each of the 1994 Plan, the 1997 Plan and the 2004 Plan, determines the persons to whom awards, including options, will be granted, the number of shares to be covered by each award, and if the award is options,

Edgar Filing: HUDSON TECHNOLOGIES INC /NY - Form DEF 14A

whether the options granted are intended to be ISOs, the duration and rate of exercise of each option, the exercise price per share and the manner of exercise and the time, manner and form of payment upon exercise of an option. The 1994 Plan expired December 31, 2004. Unless sooner terminated, the 1997 Plan will expire on June 11, 2007, and the 2004 Plan will expire on September 10, 2015.

ISOs granted under either of the 1997 Plan or 2004 Plan may not be granted at a price less than the fair market value of the common stock on the date of grant (or 110% of fair market value in the case of persons holding 10% or more of the voting stock of Hudson). The aggregate fair market value of shares for which ISOs granted to any employee are exercisable for the first time by such employee during any calendar year (under all stock option plans of Hudson) may not exceed \$100,000. Non-qualified options granted under the 1997 Plan may not be granted at a price less than the par value of Hudson's common stock, and non-qualified options under the 2004 Plan may not be granted at a price less than the fair market value of the common stock on the date of grant. Options granted under the 1994 Plan, 1997 Plan and the 2004 Plan will expire not more than ten years from the date of grant (five years in the case of ISOs granted to persons holding 10% or more of the voting stock of Hudson). Except as otherwise provided by the committee with respect to non-qualified options, all options granted under the 1994 Plan, the 1997 Plan and the 2004 Plan are not transferable during an optionee's lifetime but are transferable at death by will or by the laws of descent and distribution. In general, upon termination of employment of an optionee, all options granted to such person which are not exercisable on the date of such termination immediately terminate, and any options that are exercisable terminate 90 days following termination of employment.

-13-

As of December 31, 2004, the Company had options outstanding to purchase 536,202 shares of Common Stock under the 1994 Plan. As of December 31, 2004, the Company had options outstanding to purchase 1,750,688 shares of Common Stock under the 1997 Plan and 129,312 shares reserved under the 1997 Plan. In addition non-employee directors receive 10,000 nonqualified stock options per year of service under the Company's Stock Option Plans.

In addition to the standard annual director's remuneration, Mr. Schell receives \$2,500 and 10,000 stock options for serving as a director and a consultant to the Company. The additional stock options are issued with an exercise price equal to that of the other directors' option grants.

In 2004, the Company granted to Harry C. Schell nonqualified options to purchase 30,000 shares of Common Stock at exercise prices ranging from \$.95 to \$1.13 per share. In addition, in 2004, the Company granted to each of Dominic J. Monetta, Otto C. Morch and Vincent P.
