ITEM 5. OTHER EVENTS AND REQUIRED FD DISCLOSURE.

On May 27, 2004, Positron Corporation ("Positron") issued a press release announcing that it had entered into a series of agreements with IMAGIN Diagnostic Centres, Inc. ("IMAGIN") pursuant to which IMAGIN has agreed to provide over the next seven months an aggregate financing to Positron of \$2 million. When the financing is completed and if all conversion rights are exercised, IMAGIN will control approximately one-half of Positron's common stock. In the first stage of the financing, IMAGIN has agreed to purchase an aggregate of \$700,000 face amount of Positron's 10% convertible secured notes, \$400,000 of which were purchased on May 27, 2004. The notes are due May 21, 2006.

Pursuant to the terms of the agreements, Positron has granted to IMAGIN a security interest in all of its assets to secure the payment of the notes. The notes are initially convertible into a new Series C Preferred Stock that in turn

is convertible into an aggregate of 35,000,000 million shares of Positron's common stock.

IMAGIN also agreed, in a second stage of the financing, to purchase an aggregate of \$1.3 million of Positron's 10% secured convertible notes. IMAGIN has agreed to purchase the notes over a six and a half month period, commencing July 15, 2004. The notes are initially convertible into a new Series D Preferred Stock that, in turn, is convertible into 55,000,000 shares of the company's common stock.

Full convertibility of the Series C and Series D Preferred shares into Positron's common stock will require an amendment to Positron's Articles of Incorporation which must be approved by Positron's shareholders. Positron has agreed to promptly seek such approval.

In connection with the financing, IMAGIN has entered into an additional agreement to purchase an aggregate of 10 PET scanners at a purchase price of \$1.3 million each. IMAGIN's obligations to purchase these scanners are subject to obtaining all necessary Canadian regulatory approvals for the importation into and use of the equipment in Canada. The purchase is also subject to IMAGIN obtaining the necessary financing. There is no certainty that the necessary regulatory approvals can or will be obtained or that IMAGIN will be able to obtain the necessary financing.

Also in connection with the transaction, Patrick G. Rooney, Chairman and CEO of Cipher Holding Corporation and Jack McConnaughy, Chairman and CEO of JEMC Corporation, a private investment firm and former Chairman and CEO of Peabody International Corporation, will be joining Positron's board of directors. Positron has agreed to pay a \$200,000 fee to IMAGIN upon completion of the financing.
