- The reporting person did not purchase or sell any shares of common stock in the settlement of this award. Although the reporting person's phantom stock could be settled only in cash, the SEC has nevertheless taken the position that the cash settlement of phantom stock is reportable on Form 4 in both Table II (as a disposition of the phantom stock derivative security), and Table I (on two lines) as a deemed acquisition and simultaneous disposition of the underlying stock on which the value of the settlement is based. Accordingly, the amounts shown in Table I are reported solely to comply with the SEC's reporting principles and do not represent actual purchases or sales of shares of common stock.
