Section 8: Other Events

Item 8.01. Other Events

U.S. Energy Corp. published a press release dated January 18, 2011 announcing that on January 12, 2011, the Colorado Mined Land Reclamation Board (MLRB) upheld the Colorado Division of Reclamation Mining and Safety's (DRMS) approval of the Company's notice of intent to conduct prospecting operations at the Mount Emmons Project. In rejecting High Country Citizens' Alliance's appeal, the MLRB's decisive 4-1 vote allows prospecting activities to occur at the Mount Emmons Project in Gunnison County.

Section 9: Financial Statements and Exhibits

Item 9.01. Financial Statements and Exhibits.

Exhibit 99.1. Press Release dated January 18, 2011.

Safe Harbor Statement

Information provided in the exhibit hereto contains statements which may constitute "forward-looking" statements, usually containing the words "believe," "estimate," "project," "anticipate," "expect," "target," "goal," or similar expressions. Forward looking statements in the exhibit relate to Thompson Creek Metals potential advancement of the Mt. Emmons Project. These statements are made pursuant to the safe harbor provision of the Private Securities Litigation Reform Act of 1995. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, future trends in commodity and/or mineral prices, the availability of capital, competitive factors, and other risks described in the Company's filings with the SEC (including, without limitation, the Form 10-K for the year ended December 31, 2009 and the Form 10-Q filed on November 8, 2010. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revision or changes after the date of this release.

The forward-looking statements referenced above are made only as of the date of the exhibit. We undertake no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
