Item 8.01 Other Events.

As previously reported in the Form 12b-25 filed by CareGuide, Inc. (the *Company*) with the Securities and Exchange Commission on April 1, 2008, the Company was unable to file its Annual Report on Form 10-K for the year ended December 31, 2007 (the *2007 Form 10-K*), by the required filing deadline of March 31, 2008, without unreasonable effort or expense. The filing of the Form 12b-25 afforded the Company an additional period of time to April 15, 2008 to file the 2007 Form 10-K and still be considered timely in making that filing. While the Company has been diligently preparing the 2007 10-K (including the financial statements contained therein), it is nonetheless unable to meet the extended filing date of April 15, 2008. The audit of the Company's 2007 financial statements is not yet complete, and the Company continues to work with its independent registered public accounting firm, to complete the 2007 audit. The Company currently anticipates that it will file the 2007 Form 10-K as promptly as practicable.
