INCORPORATION BY REFERENCE

Simulations Plus, Inc., a California corporation (the "Company") is currently subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and, in accordance therewith, files reports, proxy and Proxy Statements and other information with the Securities and Exchange Commission (the "Commission"). In addition, such materials may be accessed electronically at the Commission's site on the World Wide Web, located at <http://www.sec.gov>. The Company intends to furnish its shareholders with annual reports containing audited financial statements and such other periodic reports as the Company may determine to be appropriate or as may be required by law.

A copy of the Company's 2007 Annual Report on Form 10-KSB including financial statements for the years ended August 31, 2007 and 2006, is being mailed to all shareholders herewith. Except for any portion of the Form 10-KSB which is specifically incorporated by reference into this Proxy Statement, the Form 10-KSB is not to be regarded as proxy solicitation material or as a communication by means of which any solicitation is being made. THE COMPANY WILL PROVIDE ANY SHAREHOLDER WITH A COPY OF ANY EXHIBIT TO THE FORM 10-KSB/A PURSUANT TO THE REQUEST PROCEDURE DESCRIBED IN THE FORM 10 KSB.

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided to shareholders to explain the use of this Proxy Statement for this Meeting:

3

RECORD DATE

Only shareholders of record at the close of business on December 20, 2007 are entitled to vote at the Meeting. The Company's Common Stock is its only class of voting securities. As of December 20, 2007, the Company had issued and outstanding 16,039,400 shares of Common Stock of record.

REVOCABILITY OF PROXIES

A PROXY FOR USE AT THE MEETING IS ENCLOSED. ANY STOCKHOLDER WHO EXECUTES AND DELIVERS A PROXY HAS THE RIGHT TO REVOKE IT AT ANY TIME BEFORE ITS EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY AN INSTRUMENT REVOKING IT OR A DULY EXECUTED PROXY BEARING A LATER DATE. IN ADDITION, A STOCKHOLDER MAY REVOKE A PROXY PREVIOUSLY EXECUTED BY ATTENDING THE MEETING AND ELECTING TO VOTE IN PERSON.

VOTING AND SOLICITATION

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

Proxies are being solicited by the Board of Directors of the Company. The cost of this solicitation will be borne by the Company. Solicitation will be primarily by mail, but may also be made by telephone, fax transmission or personal contact by certain officers and directors of the Company, who will not receive any compensation therefore. Shares of Common Stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. IN THE ABSENCE OF SPECIFIC INSTRUCTIONS TO THE CONTRARY, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR EACH OF THE PROPOSALS DESCRIBED ABOVE. No business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders is expected to come before the Meeting. Should any other matter requiring a vote of shareholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

Each share of Common Stock is entitled to one vote for each share held as of record, and there are no preemptive rights. The law of the state of California and the Company's current Certificate of Incorporation (the "Certificate of Incorporation") and Bylaws do provide for cumulative voting for the election of directors or any other purpose.

The effect of cumulative voting is that the holders of a majority of the outstanding shares of Common Stock may not be able to elect all of the Company's directors. No shareholder will be entitled to cumulate votes for a candidate, however, unless that candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting, prior to the voting, of an intention to cumulate votes. A favorable vote consists of a simple majority of the shares entitled to vote at the meeting. The Company believes that as of December 15, 2007, the approximate number of shareholders of record of its common stock was 16,039,400 and that there were approximately 3,038 beneficial owners. This includes shares held in nominee or "street" accounts.

4

Only shareholders of record at the close of business on December 20, 2007, will be entitled to vote at the meeting. On December 20, 2007, there were 16,039,400 shares of the Common Stock issued and outstanding. Shareholders are entitled to one vote per share on all matters being submitted to shareholders at the meeting, other than with respect to the election of directors, for which cumulative voting is currently required under certain circumstances by applicable provisions of California Law. Under cumulative voting, each shareholder may give any one candidate whose name is placed in nomination prior to the commencement of voting a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shareholder's shares are normally entitled, or distribute such number of votes among as many candidates as the shareholder sees fit.

The Board of Directors knows of only two shareholders who owned more than five percent of the outstanding voting securities of the Company as of the record date: Walter S. Woltosz and Virginia E. Woltosz. See "Beneficial Ownership of Common Stock."

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

QUORUM; ABSTENTIONS; BROKER NON-VOTES

Shares representing 50% of the voting power of the 16,039,400 shares of Common Stock outstanding on the Record Date, which have voting rights, must be represented at the Meeting to constitute a quorum for conducting business. In the absence of a quorum, the shareholders present in person or by proxy, by majority vote and without further notice, may adjourn the meeting from time to time until a quorum is attained. At any reconvened meeting following such adjournment at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified.

The required quorum for the transaction of business at the Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

The Company will count abstentions for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). Accordingly, abstentions will have the same effect as a vote against the proposal.

Further, the Company intends to count broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business, although broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a proposal.

5

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's next Annual Meeting of Shareholders for the fiscal year ending August 31, 2008, must be received by the Company no later than August 20, 2008, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

INFORMATION RELATING TO VARIOUS PROPOSALS

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors acts as a whole in determining the persons to be nominated as members of the Board of Directors. The Board of Directors identifies, screens and reviews potential directors for nominees for election to the Board at the Annual Meeting and candidates to fill any vacancies on the Board. When considering a potential candidate for membership on the Company's Board, the Board of Directors considers relevant business and industry experience and demonstrated character and judgment. The Board of Directors has not received any recommended nominations from any of the Company's shareholders in connection with this Annual Meeting.

INFORMATION REGARDING NOMINEES

The Board of Directors has nominated the persons named below for election as directors of the Company to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified.

In order to be elected as a director, a nominee will have to receive a majority of the votes cast for that nominee, assuming a quorum (which consists of a majority of the shares entitled to vote at the meeting) is present at the meeting. See "Voting," above.

At the time of the Annual Meeting, the Board of Directors will consist of five incumbent members who are seeking to be elected at the meeting to hold office until the next meeting of shareholders and until their successors are elected and qualified. The Company's Bylaws presently provide for a Board of no less than three and no more than five directors, with the number of directors currently fixed at five.

Walter S. Woltosz, Virginia E. Woltosz, Dr. David Z. D'Argenio, Dr. Richard R. Weiss, and H. Wayne Rosenberger, all of whom are incumbent directors, have been nominated by the Board of Directors for election as directors of the Company. All of the nominees have informed the Company that they are willing to serve, if

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

elected, and management has no reason to believe that any of the nominees will be unavailable. In the event a nominee for director should become unavailable for election, the persons named in the proxy will vote for the election of any other person who may be recommended and nominated by the Board for the office of director. EXECUTIVE COMPENSATION

Overview

The goal of our named executive officer compensation program is the same as our

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

goal for operating the company--to create long-term value for our shareowners. Toward this goal, we have designed and implemented our compensation programs for our named executives to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our shareowners and to encourage them to remain with the company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary and annual bonus, equity incentive compensation, and 401(k) matching retirement benefits. In deciding on the type and amount of compensation for each executive, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each executive in a manner we believe optimizes the executive's contribution to the company.

DETERMINING COMPENSATION. We rely upon our judgment in making compensation decisions, after reviewing the performance of the company and carefully evaluating an executive's performance during the year against established goals, leadership qualities, operational performance, business responsibilities, career with the company, current compensation arrangements and long-term potential to enhance shareowner value.

The following table sets forth certain information concerning compensation paid or accrued for the fiscal year ended August 2007, 2006 and 2005 by the Company to or for the benefit of the Company's CEO, President, Chief Financial Officer, Vice President, Sales and Marketing, and President of Words+, Inc. - subsidiary (the "named executive officers"). For the fiscal year ended August 2007, No other executive officers of the Company received total annual compensation for the fiscal year ended August 31, 2007, 2006 and 2005 that exceeded \$100,000.

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of the Company's compensation program is to attract and retain talented and dedicated professionals to manage and execute the Company's strategic plans and tactical operations. Although the Company's salaries have been and remain significantly lower than those of similar public companies, management and the board of directors believe that the award of options has fairly rewarded loyal, long-term employees who have contributed to the Company's growth and financial success.

The CEO's compensation is determined by the Compensation Committee as described below under Employment and Other Compensation Agreements. The salaries of all other officers are determined by the CEO and the Compensation Committee together. Option grants are determined by the CEO and CFO with the approval of the board of directors.

The CEO's bonus has been determined from the original underwriting agreement and carried forward in subsequent employment agreements through the end of fiscal year 2007. Beginning on September 1, 2007 (fiscal year 2008), the CEO's employment contract was renewed without an annual bonus, at his request and with the agreement of the Compensation Committee.

Bonuses for all other employees are determined through a calculation of two factors, one for longevity and one for performance, with the greater emphasis on performance. Supervisors provide an evaluation of each employee in four areas: attendance, attitude, productivity, and skill level with respect to the position they occupy. A scoring system is used and bonuses are awarded based on this system and the total budget for bonuses as determined by the CEO and CFO with the approval of the board of directors.

The Company provides 401(k) matching up to 4% of employees' salaries or wages, regardless of their position within the Company.

There are no perquisites or other benefits of any kind for any officer or any other employee or director of the Company.

The following table provides a summary of grants made during fiscal year 2007. No such grants were made to any executive officer or employee.

EMPLOYMENT AND OTHER COMPENSATION AGREEMENTS

The Board of Directors renewed its employment agreement with Walter Woltosz commencing September 1, 2007 for two years. The agreement provided for an annual salary of \$250,000. Pursuant to such agreement, Mr. Woltosz was entitled to such health insurance and other benefits that are not inconsistent with that which we customarily provide to our other management employees and to reimbursement of customary, ordinary and necessary business expenses incurred in connection with the rendering of services to the Company. The agreement also provides that we may terminate the agreement without cause upon 30 days written notice, and that our only obligation to Mr. Woltosz would be for a payment equal to the greater of (i) 12 months of salary or (ii) the remainder of the term of the employment agreement from the date of notice of termination. Further, the agreement provides that we may terminate the agreement for cause (as defined) and that our only obligation to Mr. Woltosz would be limited to the payment of Mr. Woltosz' salary and benefits through and until the effective date of any such termination.

As part of the agreement with the original underwriter and as partial compensation for the sale of Words+ to Simulations Plus in 1996, commencing with our fiscal year ending 1997 and for each fiscal year thereafter, Walter and Virginia Woltosz are entitled to receive bonuses not to exceed \$150,000 and \$60,000, respectively, equal to 5% of our net annual income before taxes. However, under the new agreement effective as of September 1, 2007, at his request, Walter Woltosz will receive no bonus. The bonus to Virginia Woltosz remains the same. The net income before tax for FY07 was \$2,825,787, thus we accrued bonuses in the total amount of \$201,289: \$141,289 for Walter Woltosz and \$60,000 for Virginia Woltosz. These bonuses are due and payable within 10 days after the filing of the annual report, and were paid on November 30, 2007 accordingly.

If the shareholders do not ratify the selection of Rose, Snyder and Jacobs, the selection of our independent registered accounting firm will be reconsidered by the Board; however, the Board may select Rose, Snyder and Jacobs, notwithstanding the failure of the shareholders to ratify its selection.

VOTE REQUIRED

Approval of Proposal 2 requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.
Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR approval of Proposal 2.

PROPOSAL 3: TO AMEND AND RESTATE THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 SHARES TO 50,000,000 SHARES

The number of shares of the Company's common stock authorized has been 20,000,000 since the date of incorporation. As a result of our two stock splits, the total of the number of shares issued, and the number of potential shares that could be issued underlying stock options (both issued and potentially issued under the 2007 Stock Option Plan), is now about 19,000,000. Authorizing additional shares will provide a cushion to allow for such events as additional stock splits, shares issued as acquisitions, and future stock option plans.

DISCUSSION OF ANTI-TAKEOVER EFFECTS OF INCREASED NUMBER OF AUTHORIZED SHARES:

The proposed increase in the number of authorized shares of the Company's common stock has been made by the board of directors because the current number of outstanding shares plus those underlying unexercised stock options is approaching the current limit of 20,000,000 shares. The original authorization of 20,000,000 shares has sufficed for over 11 years, through two stock splits as well as all options issued during that time. The board of directors has determined that future needs may require additional shares to be issued for any of the following events: acquisitions, mergers, stock options, or stock dividends.

At this time, there are no specific plans for any of these to occur; however, because the annual shareholders' meeting is imminent, and because more than one year will transpire before the next annual meeting, this is an opportune time to vote on increasing the number of authorized shares in order to be prepared for any contingency. The number of shares proposed was selected to provide an adequate number for the foreseeable future to avoid the need for repeated votes. Neither management nor the board of directors have any knowledge of any specific effort to accumulate the Company's securities or to obtain control of the Company by means of a merger, tender offer, solicitation in opposition to management or otherwise. The proposal to increase the number of authorized shares is not part of any plan to adopt any anti-takeover measures and neither the board of directors nor management presently intend to propose any anti-takeover measures in future proxy solicitations.

The Company currently has authorized 10,000,000 shares of preferred stock, none of which has been issued. Issuance of these shares could be used by the board of directors as an anti-takeover measure. Such an action may be beneficial to management in a hostile tender offer and may have an adverse impact on shareholders who may want to participate in such a tender offer. Such an action could also have a favorable impact for current shareholders by preventing a hostile takeover that might adversely affect their interests.

Cumulative voting for directors is provided under the Company's bylaws.

PLANS, PROPOSALS OR ARRANGEMENTS FOR THE ISSUANCE OF SHARES FROM THE INCREASE IN

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

AUTHORIZED SHARES OF COMMON STOCK:

There are no plans, proposals or arrangements for issuance of shares from the increase in authorized shares of common stock. The board of directors believes that increasing the number of authorized shares at this time takes advantage of the timing of the annual shareholders' meeting, and that the increase in the number of authorized shares should be such that it will cover the needs of the Company for the foreseeable future.

VOTE REQUIRED

Approval of Proposal 3 requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.
Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR approval of Proposal 3.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters to be presented at the Annual Meeting other than those described above. However, if any other matters properly come before the meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board of Directors.

ORGANIZATION:

The audit committee shall be composed of directors, the majority of whom are independent of the management of the corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

STATEMENT OF POLICY:

The audit committee shall provide assistance to the corporate management in fulfilling their responsibility to the shareholders, potential shareholders, and investment community on matters relating to corporate finances. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent registered accounting firm ("independent auditors"), and the financial management of the corporation.

In carrying out these responsibilities, the audit committee will:

- o Review and recommend to the management the independent auditors to be selected to audit the financial statements of the corporation and its subsidiaries.

- o Review with the independent auditors, the company's management, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Further, the committee periodically should review company policy.

- o Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.

- o Provide sufficient opportunity for independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

- o Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
