Dear Stockholders:

NOTICE IS HEREBY GIVEN to you as a stockholder of record of TheDirectory.com, Inc., a Utah corporation (the “Company,” “we,” “us” or “our”), that the Board of Directors has unanimously approved, and the holders of a majority of the voting power of our outstanding capital stock have executed a Written Consent in Lieu of a Meeting of Stockholders (the “Written Consent”) approving an amendment to our Restated Articles of Incorporation, as amended, to increase the number of authorized shares, \$0.001 par value per share, from a total number of 6,001,200,000 shares to a total number of 30,001,200,00 shares.

The Board has fixed the close of business on November 13, 2014 as the record date for the determination of stockholders who are entitled to receive the accompanying information statement (the “Information Statement”), which is expected to be first mailed on or about December 2, 2014.

Questions and Answers

The following are some of the questions, and answers to those questions, that you, as a stockholder of the Company, may have regarding the stockholder action. The information in this section does not provide all of the information that may be important to you with respect to the stockholder action. Therefore, you should carefully read this Information Statement in its entirety.

1. Why did you send me this Information Statement and the accompanying notice?

We sent you this Information Statement and the accompanying notice because Section 14(c) of the Exchange Act and the rules and regulations promulgated thereunder and Section 704 of the Utah Revised Business Corporation Act require that we give you advance notice of the actions taken. This Information Statement and the accompanying notice are being sent to stockholders of record at the close of business on the Record Date.

2. What action was taken by the Written Consent of Stockholders in lieu of a Special Meeting?

Pursuant to the Written Consent, holders of a majority of the voting power of outstanding capital stock, approximately 56.5%, consisting of 0 shares of common stock and 640,000 shares of Series A Convertible Preferred Stock, approved the amendment to the Company's Restated Articles of Incorporation, as amended, to increase the number of authorized shares from a total number of 6,001,200,000 shares to a total number of 30,001,200,000 shares, consisting of 30,000,000,000 shares of common stock and 1,200,000 shares of preferred stock. Additional information regarding the stockholder action is set forth below in the section entitled "Authorized Share Increase."

3. How many shares of voting stock were outstanding on November 13, 2014 (the "Record Date")?

On the Record Date, the date we received the consent of our Board of Directors and the consent of the holders of a majority of the voting power of our outstanding capital stock, there were 4,929,462,636 shares of common stock and 640,000 shares of Series A Convertible Preferred Stock outstanding.

4. What majority is required to be voted in favor of the stockholder action?

For the amendment of the Company's Restated Articles of Incorporation, a majority of the votes cast at a meeting at which a quorum is present is required. Under the Utah Revised Business Corporation Act and our Bylaws, however, we are permitted to obtain approval of an amendment of the Company's Restated Articles of Incorporation by written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes that would be necessary to approve such action at a meeting at which all shares entitled to vote thereon were present and voted. As of the Record Date, 4,929,462,636 shares of our common stock were issued and outstanding. Each share of our common stock is entitled to one vote. As of the Record Date, 640,000 shares of Series A Convertible Preferred Stock were issued and outstanding. Each share of Series A Convertible Preferred Stock is entitled to 10,000 votes. Because stockholders entitled to cast a number of votes equal to 56.5% of our total voting stock approved the amendment to the Company's Restated Articles of Incorporation, as amended, to increase the number of authorized shares to a total number of 30,001,200,000 shares, consisting of 30,000,000,000 shares of common stock, par value \$0.001 per share, and 1,200,000 shares of preferred stock, par value \$0.001 per share, no action by the other stockholders is required for amendment.

5. When will the stockholder action be effected?

In accordance with Section 14(c) of the Exchange Act and the rules and regulations promulgated thereunder, the stockholder action to amend the Company's Restated Articles of Incorporation cannot be effected until at least 20 calendar days following the mailing of this Information Statement to our stockholders. Under Utah law, the Authorized Share Increase will become effective upon the filing of an amendment to our Restated Articles of Incorporation, as amended, with the Secretary of State of the State of Utah. We anticipate the stockholder action to take effect on December 22, 2014.

6. Am I entitled to dissenter's rights in connection with the stockholder action?

No. Utah law does not provide for dissenter's rights with respect to this stockholder action.

Authorized Share Increase

Pursuant to the Written Consent, our stockholders approved an amendment to the Company's Restated Articles of Incorporation, as amended, to increase the number of authorized shares, \$0.001 par value per share, from a total number of 6,001,200,000 shares to a total number of 30,001,200,000 shares, consisting of 30,000,000,000 shares of common stock and 1,200,000 shares of preferred stock.

General

Our Board of Directors has unanimously adopted a resolution approving, declaring advisable and recommending to the stockholders to approve an amendment to the Company's Restated Articles of Incorporation, as amended, to increase the number of authorized shares, \$0.001 par value per share, to a total number of 30,001,200,000 shares, consisting of 30,000,000,000 shares of common stock, par value \$0.001 per share and 1,200,000 shares of preferred stock, par value \$0.001 per share (the "Authorized Share Increase").

The Written Consent, executed by the holders of a majority of the voting power of outstanding capital stock, approximately 56.5%, consisting of 0 shares of common stock and 640,000 shares of Series A Convertible Preferred Stock, grants the Board the authority, without further action by the stockholders, to carry out the amendment to the Restated Articles of Incorporation, as amended. The Authorized Share Increase will become effective upon the filing of an amendment to our Restated Articles of Incorporation, as amended, with the Secretary of State of the State of Utah.

The amendment to our Restated Articles of Incorporation, as amended, to effect the Authorized Share Increase will not change the terms of our common or Series A Convertible Preferred Stock. After the Authorized Share Increase, the par value of our common and Series A Convertible Preferred Stock will remain unchanged at \$0.001 per share and shares of common and Series A Convertible Preferred Stock will have the same voting rights and will be identical in all other respects to the common or Series A Convertible Preferred Stock currently authorized.

Certain of our officers and directors have an interest in this Authorized Share Increase as a result of their ownership of shares of stock of the Company, as discussed in further detail in the section entitled "*Security Ownership of Certain Beneficial Owners and Management*" set forth below.

Effective Date of Authorized Share Increase

The Authorized Share Increase will become effective upon the filing of the Articles of Amendment with the Secretary of State of the State of Utah.

The text of the form of the Articles of Amendment relating to this stockholder action, which we will file with the Secretary of State of the State of Utah to effect the Authorized Share Increase, is attached to this Information Statement as Appendix A.

Background and Reasons for the Authorized Share Increase

We currently have authorized 6,001,200,000 shares of all classes of authorized stock, consisting of 6,000,000,000 shares of common stock and 1,200,000 of preferred stock. As of November 13, 2014, we had 4,929,462,636 shares of common stock and 640,000 shares of Series A Convertible Preferred Stock outstanding. The Board believes our current authorized share capital is insufficient for the Company's needs for the next two to five years.

The Board approved the Authorized Share Increase for the following reasons:

The Board believes we do not currently have enough authorized shares of common stock to raise sufficient funds to carry out our business and growth plans, which contemplate strategic acquisitions, debt reduction and to facilitate our current expansion plans. The Board believes these initiatives may increase our revenues and provide growth for the Company.

Having additional authorized shares will also allow us the flexibility to raise capital, if necessary, in the future or to issue shares for other purposes such as acquiring assets or businesses. If we do not have sufficient authorized shares available, we will not have the flexibility to issue shares at a time when the Board believes the market conditions are optimal and we might miss an opportunity to make an acquisition while we go through the process of obtaining shareholder approval for an increase at the time an acquisition is identified. Having sufficient authorized shares will permit us to act quickly in situations where issuing shares would be in the best interests of the Company and its shareholders.

Material Effects of Proposed Authorized Share Increase

The amendment to our Restated Articles of Incorporation, as amended, to effect the Authorized Share Increase will not change the terms of our common or preferred stock. After the Authorized Share Increase, the par value of our common or preferred stock will remain unchanged at \$0.001 per share and shares of common or preferred stock will have the same voting rights and will be identical in all other respects to the common or preferred stock currently authorized. Immediately following the Authorized Share Increase, we will continue to have the same number of stockholders and we will still be subject to the periodic reporting requirements of the Exchange Act.

The Authorized Share Increase will permit us to issue 24,000,000,000 additional shares of common stock or other securities that could be converted into common stock such as options, warrants, preferred stock or debt over our current limit of 6,000,000,000. To the extent that we issue new shares of common stock, or additional shares are issued based upon the exercise of newly issued options or warrants, the ownership percentage of each share will decrease. This dilution may have the effect of reducing our stock price.

The Authorized Share Increase will affect the shares of all of our stockholders uniformly. To the extent that the Authorized Share Increase has the potential to dilute the ownership percentage of shares, it does so to the same extent for all stockholders of common stock.

Procedure for Effecting Authorized Share Increase

If at such time the Board determines it is in the best interests of our Company and our stockholders to effect the Authorized Share Increase, we will file the Articles of Amendment with the Secretary of State of the State of Utah at such time as the Board of Directors deems appropriate to effect the Authorized Share Increase. The Board of Directors may delay effecting the Authorized Share Increase without re-soliciting stockholder approval. The Authorized Share Increase would become effective at such time as the Articles of Amendment are filed with the Secretary of State of the State of Utah. Upon the filing of the Articles of Amendment, all of our existing common and preferred stock will be converted into new common and preferred stock as set forth in the amendment.

As soon as practicable after the effective date of the Authorized Share Increase, stockholders will be notified that the Authorized Share Increase has been effected.

No Dissenter's Rights

Under the Utah Revised Business Corporation Act, stockholders will not be entitled to dissenter's rights with respect to the amendment to our Restated Articles of Incorporation, as amended, to effect the Authorized Share Increase, and we do not intend to independently provide stockholders with any such right.

Based solely on our review of the copies of such forms we have received and written representations from certain reporting person that they filed all required reports, we believe that all of our officers, directors and greater than 10% stockholders complied with all Section 16(a) filing requirements applicable to them with respect to transactions during fiscal year 2014.

Householding

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for us. Under this procedure, multiple stockholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify us that they wish to continue receiving multiple copies. We have undertaken householding to reduce our printing costs and postage fees.

We will only deliver one copy of this Information Statement to multiple security holders sharing an address unless we have received contrary instructions from one or more of such security holders. Upon written or oral request, we will promptly deliver a separate copy of this Information Statement and any annual reports, information statements and proxy materials to any security holder at a shared address to which a single copy of this Information Statement was delivered, or deliver a single copy of this Information Statement, and any future annual reports, information statements and proxy materials to any security holder or holders sharing an address to which multiple copies are now delivered. You should direct any such requests to the corporate secretary at our executive offices at TheDirectory.com, Inc., 2701 N Rocky Pointe Dr., Suite 950, Tampa, Florida, 33607 and at the following telephone number: (727) 417-7807.

If you wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of proxy materials, by notifying us in writing at: Secretary, TheDirectory.com, Inc., 2701 N Rocky Pointe Dr., Suite 950, Tampa, Florida, 33607 or by contacting us at (727) 417-7807. You also may request additional copies of the proxy materials by notifying us in

writing at the same address or contacting us at (727) 417-7807, and we will undertake to deliver such additional copies promptly. If you share an address with another stockholder and currently are receiving multiple copies of the proxy materials, you may request householding by notifying us at the above referenced address or telephone number.

By Order of the Board of Directors.
