Exhibit A

The Company anticipates significant changes in the results of its operations for the fiscal year ended September 30, 2015 compared to the fiscal year ended September 30, 2014. The following financial information are estimates being provided solely to comply with the disclosure required in paragraph 3 of Part IV of this Form 12b-25. The Company's auditors have not yet completed the audit of the Company's financial statements and therefore the estimates provided below are subject to change.

The changes are primarily related to an increase in revenues of approximately \$26.1 million, principally as a result of the acquisition of Marquis Industries, Inc. in July 2015. At the same time, there has been an increase in net loss of approximately \$10.0 million due to an increase in stock-based compensation and other non-cash expenses of approximately \$5.8 million, depreciation of approximately \$0.6 million, as well as impairment of certain intangible assets and goodwill in the third and fourth quarter of approximately \$3.7 million.
