Item 1.01. Entry into a Material Definitive Agreement.

On June 15, 2012, BioRestorative Therapies, Inc. (the “Company”) entered into an Assignment Agreement with the University of Utah Research Foundation (the “Foundation”) (the “Assignment Agreement”) and a Research Agreement with the University of Utah (the “University”) (the “Research Agreement”).

Pursuant to the Assignment Agreement, the Company acquired the rights to two patent applications that relate to human brown fat cell lines. In consideration for the assignment, the Company paid the Foundation \$15,000 and agreed to pay a royalty on the Patent Revenue (as defined in the Assignment Agreement).

Pursuant to the Research Agreement, in consideration of research relating to brown fat to be performed by the University, the Company has agreed to pay the University a fee at the rate of \$500,000 per annum and a royalty on Net Sales (as defined in the Research Agreement). The Research Agreement has a three year term, except that it is terminable earlier under certain circumstances.

Item 8.01. Other Events.

On June 21, 2012, the Company issued a press release (the “Press Release”) announcing the Research Agreement. A copy of the Press Release is furnished as Exhibit 99.1 hereto.

The information in the Press Release is being furnished, not filed, pursuant to this Item 8.01. Accordingly, the information in the Press Release will not be incorporated by reference into any registration statement filed by the Company under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference. The furnishing of the information in this Report is not intended to, and does not, constitute a determination or admission by the Company that the information in this Report is material or complete, or that investors should consider this information before making an investment decision with respect to any security of the Company.

Item 9.01. Financial Statements and Exhibits.
