Statement Regarding Compliance with Instruction E of Form S-8

This Registration Statement is being filed by FirstEnergy Corp., an Ohio Corporation (the "Company"), for the purpose of registering additional securities of the same class as other securities for which a registration statement on Form S-8 has already been filed. Accordingly, pursuant to General Instruction E to Form S-8, the contents of the Company's Registration Statement on Form S-8 (Commission File No. 333-48651) registering 6,000,000 shares of common stock for issuance under the FirstEnergy Corp. Savings Plan (formerly known as the Ohio Edison System Savings Plan) (the "FirstEnergy Savings Plan"), are hereby incorporated by reference.

Contemporaneously with the filing of this Registration Statement, the Company is filing with the Securities and Exchange Commission (the "Commission") Post-Effective Amendment No. 1 to the 2001 Registration Statement pursuant to which the Company registered, among other offers and sales of its shares of common stock, the offer and sale of 133,867 shares of common stock pursuant to the GPU Companies Employee Savings Plan for Nonbargaining Employees, the GPU Companies Employee Savings Plan for Employees Represented by IBEW System Council U-3, the GPU Companies Employee Savings Plan for Employees Represented by IBEW Local 459 and UWUA Local 180 and the GPU Companies Employee Savings Plan for Employees Represented by IBEW Local 777 (collectively, the "GPU Plans"). The GPU Plans were merged into the FirstEnergy Savings Plan on January 7, 2003 and, as a result, the FirstEnergy Savings Plan is the successor to the GPU Plans. The Carryover Shares were not sold pursuant to the GPU Plans and, following the filing of Post-Effective Amendment No. 1 to the 2001 Registration Statement, the Carryover Shares are no longer available for new offers or sales under the GPU Plans.

Consequently, in accordance with the Instruction and Interpretation: (i) the Company is carrying over from the 2001 Registration Statement and registering the offer and sale of 133,867 shares of common stock under the FirstEnergy Savings Plan pursuant to this Registration Statement; (ii) registration fees in the amount of \$1,130 allocable to the Carryover Shares and paid in connection with the 2001 Registration Statement are carried over to this Registration Statement; (iii) the 2001 Registration Statement is being amended on a post-effective basis to describe the merger of the GPU Plans into the FirstEnergy Savings Plan; (iv) in addition to the shares being carried over pursuant to (i) above, the Company is registering for the first time the offer and sale of 6,866,133 shares of common stock under the FirstEnergy Savings Plan pursuant to this Registration Statement, so that this Registration Statement registers a total of 7,000,000

## Edgar Filing: FIRSTENERGY CORP - Form S-8

shares of common stock to be offered and sold under the FirstEnergy Savings Plan; and (v) in addition to the registration fees being carried over pursuant to (ii) above, the registration fee allocable to the newly registered shares in the amount of \$18,558.26 has been paid to the Commission in connection with this Registration Statement.

and made a part hereof from their respective dates of filing (such documents, and the documents enumerated above, being hereinafter referred to as "Incorporated Documents").

Any statement contained in an Incorporated Document shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed Incorporated Document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

### Item 5. Interests of Named Experts and Counsel.

The validity of the securities being registered will be verified by Gary D. Benz, Esq., the Company's Associate General Counsel. As of November 14, 2003, Mr. Benz owned 2,761 shares of the Company's common stock. Mr. Benz is eligible to participate in the FirstEnergy Savings Plan, pursuant to which the Company's common stock will be issued.

With respect to the unaudited consolidated financial information of FirstEnergy Corp. for the three-month periods ended March 31, 2003 and 2002, for the three-month and six-month periods ended June 30, 2003 and 2002 and for the three-month and nine-month periods ended September 30, 2003 and 2002, incorporated by reference in this Registration Statement, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated May 9, 2003, except as to Note 1, which is as of August 18, 2003, August 18, 2003, and November 13, 2003 for the quarters ended March 31, 2003, June 30, 2003 and September 30, 2003, respectively, incorporated by reference herein, state that they did not audit and they do not express an opinion on that unaudited consolidated financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their reports on the unaudited consolidated financial information because those reports are not a "report" or a "part" of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Act.

### Item 8. Exhibits.

The exhibits listed on the accompanying Exhibit Index are filed or incorporated by reference as part of this Registration Statement.

The Company hereby undertakes that it will submit or has submitted the FirstEnergy Savings Plan and any amendments thereto to the Internal Revenue Service in a timely manner and has made or will make all changes required by the Internal Revenue Service in order to qualify the FirstEnergy Savings Plan under Section 401 of the Internal Revenue Code of 1986, as amended.

### Item 9. Undertakings

The Company hereby undertakes:

4

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

## Edgar Filing: FIRSTENERGY CORP - Form S-8

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that clauses (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of the annual report pursuant to Section 15(d) of the Exchange Act for the FirstEnergy Savings Plan) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling

precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
