Dissenting shareholders do not have any statutory appraisal rights as a result of the action taken. This Information Statement is being distributed pursuant to the requirements of Sections 14(c) and 14(f) of the Securities Exchange Act of 1934.

The entire cost of furnishing this Information Statement will be borne by the Company. The Company will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

INFORMATION RELATING TO THE COMPANY'S COMMON STOCK

The shares of Class A Common Stock and Class B Common Stock are the only class of voting securities of the Company outstanding. Each share of Class A Common Stock is entitled to one vote per share on all matters submitted to a vote of the shareholders. Each share of Class B Common Stock is entitled to five (5) votes per share on all matters submitted to a vote of the shares. As of the Record Date, the Company had 5,875,795 shares of the Class A Common Stock outstanding and 104,505 shares of Class B Common Stock outstanding.

CHANGES OF CONTROL OF THE COMPANY

On December 31, 2001 Park Street Acquisition Corporation ("Park Street"), a Florida corporation, acquired 2,000,000 shares of Class A Convertible Preferred Stock ("Preferred Stock") of Fountain Pharmaceuticals, Inc. (the "Company") from Fountain Holdings LLC ("Holdings") and all Common Stock Purchase Warrants (the "Warrants") in the name of Holdings to purchase shares of the Company's Class A Common Stock. The Preferred Stock converts into 1,264,151 shares of Class A Common Stock. The aggregate purchase price paid to Holdings was Twenty Thousand (\$20,000) Dollars ("Purchase Price"), allocated \$8,000 towards the purchase of the Preferred Stock and \$12,000 towards the purchase of the Warrants. Simultaneously with the closing, Park Street and the Company agreed to retire the Warrants. Park Street has also returned the Preferred Stock to the Company. As of the Record Date no shares of Preferred Stock are issued or outstanding.

Joseph S. Schuchert, Jr. ("Schuchert"), the principal shareholder of Holdings, in consideration of the Purchase Price, released and discharged the Company from its obligations due to him pursuant to a Credit Agreement dated as of December 31, 1998, and from any other debts or obligations owing Schuchert by the Company. As of September 30, 2001 the Company owed Schuchert \$1,454,733 of principal and interest.

2

Simultaneously with the transactions described above, Park Street acquired directly from the Company 3,500,000 shares of the Company's Class A Common Stock and 100,000 shares of the Company's Class B Common Stock for an aggregate purchase price of \$180,000. The proceeds of this transaction were utilized by the Company to retire all of its remaining liabilities. As a result of the foregoing, Park Street became the "control person" of the Company as that term is defined in the Securities Act of 1933, as amended.

In connection with these transactions, the Board of Directors of the Company nominated Brendon K. Rennert to the Board of Directors and all former officers and directors delivered their letters of resignation to the Company. Mr. Rennert was named CEO, President and Secretary of the Company.

As a result of the transactions described above, there are no shares of

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

Preferred Stock issued and outstanding and Park Street owns 95.7% of the Class B Common Stock and 59.6% of the Class A Common Stock.

By virtue of Park Street's ownership of the Company's aforementioned securities, it is able to elect new directors and officers either at a meeting of the shareholders or by written consent.

APPROVAL OF AMENDMENT AND RESTATEMENT OF THE COMPANY'S
CERTIFICATE OF INCORPORATION

The Company's sole director approved an amendment and restatement to the Company's Certificate of Incorporation to (a) change the name of the Company to "SiriCOMM, Inc."; (b) combine the outstanding shares of Common Stock into a single class of Common Stock; (c) reverse split the outstanding shares of the Company's Common Stock one-for-sixty (the "Reverse Split"); (d) reduce the par value of the Company's Common Stock resulting from the Reverse Split from \$.06 to \$.001; (e) increase the number of shares of Common Stock the Company is authorized to issued from 916,667 to 50,000,000; and (f) increase the number of shares of Preferred Stock, \$.001 par value the Company is authorized to issue

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

from 2,000,000 to 5,000,000. The sole board member, who holds approximately 59.6% of the Company's Common Stock and who holds approximately 95.7% of the Class B Common Stock has approved these actions and has consented to the taking of these actions without a meeting. A copy of the restated and amended Certificate of Incorporation substantially in the form it will be filed with the Secretary of the State of Delaware is attached hereto as Appendix A.

9

Change of Corporate Name

The Company has entered into a Securities Exchange Agreement ("Securities Exchange Agreement") with shareholders owning 100% of SiriCOMM, Inc., a Missouri corporation ("SiriCOMM") regarding acquisition by the Company of all of the issued and outstanding common stock of SiriCOMM. At present it is anticipated that a closing will occur on or about May 13, 2002 and the sole director believes it is prudent to take the necessary corporate actions necessary to consummate the Acquisition. Information concerning SiriCOMM is set forth under the caption "The SiriCOMM Acquisition," below. In the event the closing does not occur, the Company will maintain its present name.

The change of corporate name will become effective upon the filing with the Secretary of State of an amendment and restatement to the Company's Certificate of Incorporation which states that, upon the filing of the Certificate of Amendment the name of the Corporation will be "SiriCOMM, Inc."

Combination of Outstanding Shares of Common Stock into a Single Class

The Company has two classes of Common Stock authorized and outstanding. At present there are 5,875,796 shares of Class A Common Stock issued and outstanding and 104,505 shares of Class B Common Stock issued and outstanding. The Company's sole officer and director owns 59.6% and 95.7% of the outstanding shares of Class A and Class B Common Stock, respectively. The two classes have the same relative rights, except that the Class B Common Stock has a disproportionate voting right whereby each share of Class B Common Stock represents five votes.

As a result of the combination each share of Class B Common Stock outstanding at the effective time of the combination and Reverse Split will, without any action on the part of the holder thereof become one-sixtieth share of New Common Stock, defined below.

The sole officer and director of the Company does not believe it is in the Company's best interest to have a class of Common Stock with a disproportionate voting right and is willing to surrender these disproportionate rights and feels the elimination of the Class B Common Stock will simplify the capitalization of the Company.

One-For-Sixty Reverse Split and Reduction of Par Value

As a result of the Reverse Split, each share of Common Stock outstanding at the effective time of the Reverse Split, will, without any action on the part of the holder thereof, become one-sixtieth share of Common Stock. The amendment will also decrease the par value per share of the Company's common stock to \$.001. The decrease in the par value per share will reduce the Company's capital stock accounts. For purposes of this description, the Common Stock, as presently constituted, is referred to as the "Old Common Stock" and the Common Stock resulting from the Reverse Split is referred to as the "New Common Stock."

10

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

The Reverse Split will become effective upon the filing with the Secretary of State of an amendment and restatement to the Company's Certificate of Incorporation which states that, upon the filing of the Certificate of Amendment, each share of Old Common Stock then issued and outstanding would automatically become and be converted into one-sixtieth share of New Common Stock.

Principal Effects of the Reverse Split

The principal effects of the Reverse Split will be as follows:

Based upon the 5,980,301 shares of Old Common Stock (including the shares of Class B Common Stock) outstanding on the Record Date, the Reverse Split would decrease the outstanding shares of Old Common Stock by 98.3%, and, upon the effectiveness of the Reverse Split and the completion of the Acquisition approximately 11,660,003 shares of New Common Stock would be outstanding.

The Company will obtain a new CUSIP number for the New Common Stock at the time of the Reverse Split. Following the effectiveness of the Reverse Split, each sixty shares of Old Common Stock, without any action on the part of the holder, will represent one share of New Common Stock.

Subject to the provisions for elimination of fractional shares, as described below, consummation of the Reverse Split will not result in a change in the relative equity position or voting power of the holders of Old Common Stock.

The Certificate of Restatement and Amendment of the Company's Certificate of Incorporation will be filed with the Secretary of State of Delaware ten days after the mailing of this Information Statement. The Reverse Split would become effective as of the date of such filing (the "Effective Date").

Purposes of the Reverse Stock Split

The Reverse Split will decrease the number of shares of Old Common Stock outstanding and presumably increase the per share market price for the New Common Stock. Theoretically, the number of shares outstanding should not, by itself, affect the marketability of the stock, the type of investor who acquires it, or the Company's reputation in the financial community, but in practice this is not necessarily the case, as many investors look upon a stock trading at or under \$1.00 per share as unduly speculative in nature and, as a matter of policy, avoid investment in such stocks.

Many leading brokerage firms are reluctant to recommend lower-priced securities to their clients and a variety of brokerage house policies and practices currently tend to discourage individual brokers within firms from dealing in lower-priced stocks. Some of those policies and practices pertain to the payment of brokers' commissions and to time consuming procedures that make the handling of lower priced stocks unattractive to brokers from an economic standpoint. In addition, the structure of trading commissions also tends to have an adverse impact upon holders of lower priced stocks because the brokerage

commission on a sale of a lower priced stock generally represents a higher percentage of the sales price than the commission on a relatively higher priced issue.

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

In addition, there are not a sufficient number of authorized but unissued shares of Common Stock to consummate the Acquisition. The sole director believes that the Reverse Split and Acquisition is in the best interest of the Company and its shareholders. The Company requires additional capital for its operations and does not believe that it will be able to raise the necessary capital unless the price of the Common Stock is higher than the current Common Stock price levels. However, no assurance can be given that the Reverse Split will result in any increase in the Common Stock price or that the Company will be able to complete any financing following the Reverse Split.

Exchange of Certificate and Elimination of Fractional Share Interests

On the Effective Date, each sixty shares of Old Common Stock will automatically be combined and changed into one share of New Common Stock. No additional action on the part of the Company or any shareholder will be required in order to effect the Reverse Split. Shareholders will be requested to exchange their certificates representing shares of Old Common Stock held prior to the Reverse Split for new certificates representing shares of New Common Stock. Shareholders will be furnished the necessary materials and instructions to effect such exchange promptly following the Effective Date. Certificates representing shares of Old Common Stock subsequently presented for transfer will not be transferred on the books and records of the Company but will be returned to the tendering person for exchange. Shareholders should not submit any certificates until requested to do so. In the event any certificate representing shares of Old Common Stock is not presented for exchange upon request by the Company, any dividends that may be declared after the Effective Date of the Reverse Split with respect to the Common Stock represented by such certificate will be withheld by the Company until such certificate has been properly presented for exchange, at which time all such withheld dividends which have not yet been paid to a public official pursuant to relevant abandoned property laws will be paid to the holder thereof or his designee, without interest.

No fractional shares of New Common Stock will be issued to any shareholder. Accordingly, shareholders of record who would otherwise be entitled to receive fractional shares of New Common Stock, will, upon surrender of their certificates representing shares of Old Common Stock, receive a cash payment in lieu thereof equal to the fair value of such fractional share. Holders of less than sixty shares of Old Common Stock as a result of the Reverse Split will on the Effective Date no longer be shareholders of the Company. The Board of Directors had determined that the fair value of the Common Stock will be based on the closing price of the Common Stock on the OTC-Bulletin Board on the Effective Date (as adjusted to reflect the Reverse Split) or, if there are no reported sales on such date, the average of the last reported high bid and low asked price on such day shall be used.

12

Federal Income Tax Consequences of the Reverse Split

The combination of each sixty shares of the Old Common Stock into one share of New Common Stock should be a tax-free transaction under the Internal Revenue Code of 1986, as amended, and the holding period and tax basis of the Old Common Stock will be transferred to the New Common Stock received in exchange therefor.

Generally, cash received in lieu of fractional shares will be treated as a sale of the fractional shares (although in unusual circumstances such cash might possibly be deemed a dividend), and shareholders will recognize gain or loss based upon the difference between the amount of cash received and the basis in the surrendered fractional share.

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

This discussion should not be considered as tax or investment advice, and the tax consequences of the Reverse Split may not be the same for all shareholders. Shareholders should consult their own tax advisors to know their individual Federal, state, local and foreign tax consequences.

Change in Authorized Capital Stock

The sole director has approved an amendment to the Company's Certificate of Incorporation which would change the number of authorized shares of Common Stock, and the par value to \$.001 per share. The number of authorized common shares would be increased to 50,000,000 shares. In addition, the amendment will eliminate the Class A Preferred Stock and increase the number of authorized shares of Preferred Stock from 2,000,000 to 5,000,000 shares. As of the Record Date there were no shares of Preferred Stock issued or outstanding.

Discussion of the Amendment

On the Record Date, there were 5,980,301 shares of Common Stock outstanding, including 104,505 shares of Class B Common Stock. Pursuant to the Securities Exchange Agreement, the Company is obligated to issue the equivalent of 577,391,565 shares of Old Common Stock to the SiriCOMM shareholders. Additionally, pursuant to the Securities Exchange Agreement, the Company has agreed to issue the equivalent of 116,228,160 shares to retire \$500,000 of convertible debentures issued by SiriCOMM. Accordingly, after the amendment and closing with SiriCOMM, the new combined entity will have approximately 11,660,003 shares of New Common Stock issued and outstanding.

Under the Company's Certificate of Incorporation, the Board of Directors of the Company has authority to issue authorized and unissued shares of Common and Preferred Stock without obtaining approval from the holders of the Common Stock. The holders of the Company's Common Stock and Preferred Stock do not have preemptive rights. The Preferred Stock provisions give the Board of Directors broad authority to issue shares of Preferred Stock in one or more series and to determine such matters as the dividend rate and preference, voting rights, conversion privileges, redemption provisions, liquidation preferences

13

and other rights of each series. Each share of Common Stock is entitled to one vote. The holders of any series of preferred stock issued in the future will be entitled to such voting rights as may be specified by the Board of Directors.

Because of the broad powers granted to the Board of Directors to issue shares of Preferred Stock and determine the rights, preferences and privileges of the holders of such series, the Board of Directors has the power to issue shares of Preferred Stock in a manner which could be used as a defensive measure against a hostile takeover or to keep the Board of Directors in power. However, the Board of Directors has no present plans to issue shares for such purpose.

The Board of Directors of the Company believes it will benefit the shareholders to have additional unreserved shares available for issuance in order that adequate shares may be available for the possible issuance of Common Stock, convertible Preferred Stock or convertible debt securities in connection with a possible financing of the Company's business or an acquisition, although, except for the Securities Exchange Agreement with SiriCOMM and 100,000 New Common Shares reserved for issuance upon the conversion of an outstanding convertible debenture, the Company has no plans, arrangements, understanding or commitments with respect to the issuance of such shares.

Approval Required

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

The approval of a majority of the outstanding stock entitled to vote will be necessary to approve the proposed amendment. As discussed above, the Company's sole director, who holds approximately 59.6% of the votes of the Company's outstanding Common Stock and 95.7% of the outstanding Class B Common Stock has consented to this amendment. He has executed a written consent voting those shares in favor of the proposed amendment. The sole director does not intend to solicit any proxies or consents from any other shareholders in connection with this action.

APPROVAL OF THE COMPANY'S 2002 INCENTIVE STOCK OPTION PLAN

The Company's sole director adopted a 2002 Equity Incentive Plan (the "Plan"). The written consent approved the Plan. There are no awards outstanding under the Plan. A complete copy of the Plan is attached hereto as Appendix B.

Shareholders should note that certain disadvantages may result from the adoption of the Plan, including a reduction in their interest of the Company with respect to earnings per share, voting, liquidation value and book and market value per share if options to acquire shares of Common Stock are granted and subsequently exercised.

Board of Directors
SiriCOMM, Inc.
Joplin, Missouri

We have audited the accompanying balance sheet of SiriCOMM, Inc. (A Development Stage Enterprise) as of November 30, 2001. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of SiriCOMM, Inc. (A Development Stage Enterprise) as of November 30, 2001, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statement has been prepared assuming the Company will continue as a going concern. As discussed in Note 4, the Company has not yet generated revenues from operations, has deficit equity accumulated during the development stage and has debt obligations coming due in the next year that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 4. The financial statement does not include any adjustments that might result from the

outcome of this uncertainty.

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations and Development Stage Enterprise

The Company is considered a development stage enterprise, as there has been no revenue generated from the Company's principal operations. The Company was organized in January 2000 as a broadband wireless applications service provider, serving the marine and highway transportation industries. The Company is integrating multiple technologies including satellite communications, the Internet, wireless networking, and productivity enhancing software. The Company plans to receive and transmit data on a high-speed network between multiple wireless local area networks installed in strategic locations. The Company will charge a monthly fee to subscribers for access to a suite of productivity software, the Internet, e-mail, and proprietary company intranet information through wireless hand held devices. The Company expects completion of the development stage to occur in 2002.

Use of Estimates

The preparation of this financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are depreciated over the estimated useful life of each asset. Annual depreciation is primarily computed using the straight-line method.

Income Taxes

The Company's stockholders have elected to have the Company's income taxed as an "S" Corporation under provisions of the Internal Revenue Code and a similar section of the state income tax law; therefore, taxable income or loss is reported to the individual stockholders for inclusion in their respective tax returns. No provision for federal and

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

state income taxes is included in the financial statement.

Other Assets

Loan fees represent amounts paid to secure financing. These costs are being amortized over the life of the loan using the straight-line method.

Note 2: Notes Payable

Bank revolving credit agreement, \$100,000 maximum borrowings; interest payable at maturity accruing at prime plus 1/2 percent; due on demand, or if demand is not made, September 18, 2001; secured by all receivables of the company, and personally guaranteed by stockholders of the Company.	\$ 98,079
Note payable to individual, with interest at 4%, due March 15, 2002; unsecured. At the holder's option, this debt can be converted into 3.5% of the Company's then outstanding shares of common stock.	250,000
Note payable to investment firm, with interest at 4%, due March 15, 2002; unsecured. At the holder's option, this debt can be converted into 4.25% of the Company's then outstanding shares of common stock.	250,000

	\$ 598,079
	=====

Subsequent to November 30, 2001, the Company refinanced the bank revolving credit agreement (Note 3).

Note 3: Related Party Transactions and Subsequent Events

During 2001, the Company and the majority stockholder were defendants in a suit filed by a former stockholder. This suit was settled on December 21, 2001. As part of the settlement agreement, the Company agreed to reimburse the former stockholder \$22,000 for out-of-pocket expenses and \$15,000 in compensation for services previously performed and purchased all his shares of Company stock for the treasury for \$253,524. The Company paid \$10,000 in cash and issued a note payable to be paid \$10,000 per month for 29 consecutive months. The payments include interest at 2 1/2% per annum. The settlement payable is included in liabilities at its discounted value at date of settlement in the accompanying financial statement. The financial statement also reflects the out-of-pocket expenses, the compensation and the purchase of the shares for the treasury.

On December 18, 2001, the existing bank revolving credit agreement and a note payable to the bank held by two stockholders individually were converted into one note. The note in the amount of \$126,079 bears interest at 7%, is due on demand, but if demand is not made, June 20, 2002, and is secured by substantially all assets of the Company and a guarantee by the majority stockholder.

Due to stockholder consists of noninterest-bearing advances from the majority common stockholder.

Note 4: Management's Consideration of Going Concern Matters

The Company has not yet earned any revenues from operations, has deficit equity accumulated during the development stage and has debt obligations coming due in the short-term. The financial statement has been prepared assuming the Company will continue as a going concern, realizing assets and liquidating liabilities in the ordinary course of business. Management is considering several alternatives for mitigating these conditions during the next year. These plans include completion of the development of the Company's principal products and services and marketing thereof, seeking additional financing from various sources and possibly entering into a reverse merger with an existing publicly-traded company. Although not currently planned, realization of assets and incursion or satisfaction of liabilities in other than the ordinary course of business to meet liquidity needs could incur losses not reflected in the financial statement.

ARTICLE IV - GENERAL PROVISIONS RELATING TO AWARDS

4.1 AUTHORITY TO GRANT AWARDS. The Committee may grant to those Eligible Persons of the Company or any of its Affiliates as it shall from time

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

to time determine, Awards under the terms and conditions of this Plan. Subject only to any applicable limitations set out in this Plan, the number of shares of Stock to be covered by any Award to be granted to an Eligible Person shall be determined by the Committee.

4.2 SHARES SUBJECT TO PLAN. The total number of shares of Stock set aside for Awards may be granted under the Plan shall be 3,000,000 shares. The shares may be treasury shares or authorized but unissued shares. The maximum number of shares subject to options or stock appreciation rights which may be issued to any eligible person under the plan during each plan year shall be determined by the Committee. The maximum number of shares subject to restricted stock awards which may be granted to any eligible person under the plan during each plan year shall be determined by the Committee. The maximum number of shares subject to performance stock awards which may be granted to any eligible person during each plan year shall be determined by the Committee. The number of shares stated in this Section 4.2 shall be subject to adjustment in accordance with the provisions of Section 4.5. In the event that any outstanding Award shall expire or terminate for any reason or any Award is surrendered, the shares of Stock allocable to the unexercised portion of that Award may again be subject to an Award under the Plan.

4.3 NON-TRANSFERABILITY. Awards shall not be transferable by the Eligible Person otherwise than by will or under the laws of descent and distribution, and shall be exercisable, during the Eligible Person's lifetime, only by him. Restricted Stock shall be purchased by and/or become vested under a Restricted Stock Agreement during the Eligible Person's lifetime, only by him.

5

Any attempt to transfer an Award other than under the terms of the Plan and the Agreement shall terminate the Award and all rights of the Eligible Person to that Award.

4.4 REQUIREMENTS OF LAW. The Company shall not be required to sell or issue any Stock under any Award if issuing that Stock would constitute or result in a violation by the Eligible Person or the Company of any provision of any law, statute, or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, upon exercise of any Option or pursuant to any Award, the Company shall not be required to issue any Stock unless the Committee has received evidence satisfactory to it to the effect that the holder of that Option or Award will not transfer the Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The determination by the Committee on this matter shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any Stock covered by this Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the Stock issuable on exercise of an Option or pursuant to an Award is not registered, the Company may imprint on the certificate evidencing the Stock any legend that counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause the exercise of an Option or vesting under an Award, or the issuance of shares pursuant thereto, to comply with any law or regulation of any governmental authority.

4.5 CHANGES IN THE COMPANY'S CAPITAL STRUCTURE.

(a) The existence of outstanding Options or Awards shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock ahead of or affecting the Stock or its rights, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise. If the Company shall effect a subdivision or consolidation of shares or other capital readjustment, the payment of a Stock dividend, or other increase or reduction of the number of shares of the Stock outstanding, without receiving compensation for it in money, services or property, then (a) the number, class, and per share price of shares of Stock subject to outstanding Options under this Plan shall be appropriately adjusted in such a manner as to entitle an Eligible Person to receive upon exercise of an Option, for the same aggregate cash consideration, the equivalent

6

total number and class of shares he would have received had he exercised his Option in full immediately prior to the event requiring the adjustment; and (b) the number and class of shares of Stock then reserved to be issued under the Plan shall be adjusted by substituting for the total number and class of shares of Stock then reserved, that number and class of shares of Stock that would have been received by the owner of an equal number of outstanding shares of each class of Stock as the result of the event requiring the adjustment.

(b) If the Company is merged or consolidated with another corporation and the Company is not the surviving corporation, or if the Company is liquidated or sells or otherwise disposes of substantially all its assets while unexercised Options remain outstanding under this Plan:

- (i) subject to the provisions of clause (c) below, after the effective date of the merger, consolidation, liquidation, sale or other disposition, as the case may be, each holder of an outstanding Option shall be entitled, upon exercise of the Option, to receive, in lieu of shares of Stock, the number and class or classes of shares of stock or other securities or property to which the holder would have been entitled if, immediately prior to the merger, consolidation, liquidation, sale or other disposition, the holder had been the holder of record of a number of shares of Stock equal to the number of shares as to which the Option shall be so exercised;
- (ii) the Board of Directors may waive any limitations set out in or imposed under this Plan so that all Options, from and after a date prior to the effective date of the merger, consolidation, liquidation, sale or other disposition, as the case may be, specified by the Board of Directors, shall be exercisable in full; and
- (iii) all outstanding Options may be canceled by the Board of Directors as of the effective date of any merger, consolidation, liquidation, sale or other disposition, if (i) notice of cancellation shall be given to each holder of an Option and (ii) each holder of an Option shall have the right to exercise that Option in full (without regard to any limitations set out in or imposed under this Plan or the Option Agreement granting that Option) during a period set by the Board of Directors preceding the

effective date of the merger, consolidation, liquidation, sale or other disposition and, if in the event all outstanding Options may not be exercised in full under applicable securities laws without registration of the shares of Stock issuable on exercise of the Options, the Board of Directors may limit the exercise of the Options to the number of shares of Stock, if any, as may be issued without registration. The method of choosing which Options may be exercised, and the number of shares of Stock for which Options may be exercised, shall be solely within the discretion of the Board of Directors.

(c) After a merger of one or more corporations into the Company or after a consolidation of the Company and one or more corporations in which the

7

Company shall be the surviving corporation, each Eligible Person shall be entitled to have his Restricted Stock and shares earned under a Performance Stock Award appropriately adjusted based on the manner the Stock was adjusted under the terms of the agreement of merger or consolidation.

(d) In each situation described in this Section 4.5, the Committee will make similar adjustments, as appropriate, in outstanding Stock Appreciation Rights.

(e) The issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe for them, or upon conversion of shares or obligations of the Company convertible into shares or other securities, shall not affect, and no adjustment by reason of such issuance shall be made with respect to, the number, class, or price of shares of Stock then subject to outstanding Awards.

4.6 ELECTION UNDER SECTION 83(B) OF THE CODE. No Employee shall exercise the election permitted under Section 83(b) of the Code without written approval of the Committee. Any Employee doing so shall forfeit all Awards issued to him under this Plan.

ARTICLE V - OPTIONS AND STOCK APPRECIATION RIGHTS

5.1 TYPE OF OPTION. The Committee shall specify at the time of grant whether a given Option shall constitute an Incentive Option or a Nonqualified Option. Incentive Stock Options may only be granted to Employees.

5.2 OPTION PRICE. The price at which Stock may be purchased under an Incentive Option shall not be less than the greater of: (a) 100% of the Fair Market Value of the shares of Stock on the date the Option is granted or (b) the aggregate par value of the shares of Stock on the date the Option is granted. The Committee in its discretion may provide that the price at which shares of Stock may be purchased under an Incentive Option shall be more than 100% of Fair Market Value. In the case of any 10% Stockholder, the price at which shares of Stock may be purchased under an Incentive Option shall not be less than 110% of the Fair Market Value of the Stock on the date the Incentive Option is granted. The price at which shares of Stock may be purchased under a Nonqualified Option shall be such price as shall be determined by the Committee in its sole discretion but in no event lower than the par value of the shares of Stock on the date the Option is granted.

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

5.3 DURATION OF OPTIONS AND SARS. No Option or SAR shall be exercisable after the expiration of ten (10) years from the date the Option or SAR is granted. In the case of a 10% Stockholder, no Incentive Option shall be exercisable after the expiration of five years from the date the Incentive Option is granted.

5.4 AMOUNT EXERCISABLE -- INCENTIVE OPTIONS. Each Option may be exercised from time to time, in whole or in part, in the manner and subject to the conditions the Committee, in its sole discretion, may provide in the Option Agreement, as long as the Option is valid and outstanding, and further provided

8

that no Option may be exercisable within six (6) months of the date of grant, unless otherwise stated in the Option Agreement. To the extent that the aggregate Fair Market Value (determined as of the time an Incentive Option is granted) of the Stock with respect to which Incentive Options first become exercisable by the optionee during any calendar year (under this Plan and any other incentive stock option plan(s) of the Company or any Affiliate) exceeds \$100,000, the portion in excess of \$100,000 of the Incentive Option shall be treated as a Nonqualified Option. In making this determination, Incentive Options shall be taken into account in the order in which they were granted.

5.5 EXERCISE OF OPTIONS. Each Option shall be exercised by the delivery of written notice to the Committee setting forth the number of shares of Stock with respect to which the Option is to be exercised, together with:

(a) cash, certified check, bank draft, or postal or express money order payable to the order of the Company for an amount equal to the option price of the shares,

(b) Stock at its Fair Market Value on the date of exercise, (if approved in advance by the Committee),

(c) an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee),

(d) an election to have shares of Stock, which otherwise would be issued on exercise, withheld in payment of the exercise price (if approved in advance by the Committee), and/or

(e) any other form of payment which is acceptable to the Committee, including without limitation, payment in the form of a promissory note, and specifying the address to which the certificates for the shares are to be mailed.

As promptly as practicable after receipt of written notification and payment, the Company shall deliver to the Eligible Person certificates for the number of shares with respect to which the Option has been exercised, issued in the Eligible Person's name. If shares of Stock are used in payment, the aggregate Fair Market Value of the shares of Stock tendered must be equal to or less than the aggregate exercise price of the shares being purchased upon exercise of the Option, and any difference must be paid by cash, certified check, bank draft, or postal or express money order payable to the order of the Company. Delivery of the shares shall be deemed effected for all purposes when a stock transfer agent of the Company shall have deposited the certificates in the United States mail, addressed to the Eligible Person, at the address specified by the Eligible Person.

Whenever an Option is exercised by exchanging shares of Stock owned by the Eligible Person, the Eligible Person shall deliver to the Company

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

certificates registered in the name of the Eligible Person representing a number of shares of Stock legally and beneficially owned by the Eligible Person, free of all liens, claims, and encumbrances of every kind, accompanied by stock powers duly endorsed in blank by the record holder of the shares represented by the certificates (with signature guaranteed by a commercial bank or trust company or by a brokerage firm having a membership on a registered national

9

stock exchange). The delivery of certificates upon the exercise of Options is subject to the condition that the person exercising the Option provide the Company with the information the Company might reasonably request pertaining to exercise, sale or other disposition.

5.6 STOCK APPRECIATION RIGHTS. All Eligible Persons shall be eligible to receive Stock Appreciation Rights. The Committee shall determine the SAR to be awarded from time to time to any Eligible Person. The grant of an SAR to be awarded from time to time shall neither entitle such person to, nor disqualify such person, from participation in any other grant of awards by the Company, whether under this Plan or any other plan of the Company. If granted as a stand-alone SAR Award, the terms of the Award shall be provided in a Stock Appreciation Rights Agreement.

5.7 STOCK APPRECIATION RIGHTS IN TANDEM WITH OPTIONS. Stock Appreciation Rights may, at the discretion of the Committee, be included in each Option granted under the Plan to permit the holder of an Option to surrender that Option, or a portion of the part which is then exercisable, and receive in exchange, upon the conditions and limitations set by the Committee, an amount equal to the excess of the Fair Market Value of the Stock covered by the Option, or the portion of it that was surrendered, determined as of the date of surrender, over the aggregate exercise price of the Stock. The payment may be made in shares of Stock valued at Fair Market Value, in cash, or partly in cash and partly in shares of Stock, as the Committee shall decide in its sole discretion. Stock Appreciation Rights may be exercised only when the Fair Market Value of the Stock covered by the Option surrendered exceeds the exercise price of the Stock. In the event of the surrender of an Option, or a portion of it, to exercise the Stock Appreciation Rights, the shares represented by the Option or that part of it which is surrendered, shall not be available for reissuance under the Plan. Each Stock Appreciation Right issued in tandem with an Option (a) will expire not later than the expiration of the underlying Option, (b) may be for no more than 100% of the difference between the exercise price of the underlying Option and the Fair Market Value of a share of Stock at the time the Stock Appreciation Right is exercised, (c) is transferable only when the underlying Option is transferable, and under the same conditions, and (d) may be exercised only when the underlying Option is eligible to be exercised.

5.8 CONDITIONS OF STOCK APPRECIATION RIGHTS. All Stock Appreciation Rights shall be subject to such terms, conditions, restrictions or limitations as the Committee deems appropriate, including by way of illustration but not by way of limitation, restrictions on transferability, requirement of continued employment, individual performance, financial performance of the Company or payment of any applicable employment or withholding taxes.

5.9 PAYMENT OF STOCK APPRECIATION RIGHTS. The amount of payment to which the Eligible Person who reserves an SAR shall be entitled upon the exercise of each SAR shall be equal to the amount, if any by which the Fair Market Value of the specified shares of Stock on the exercise date exceeds the Fair Market Value of the specified shares of Stock on the date of grant of the SAR. The SAR shall be paid in either cash or Stock, as determined in the discretion of the Committee as set forth in the SAR agreement. If the payment is in Stock, the number of shares to be paid shall be determined by dividing the

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

amount of such payment by the Fair Market Value of Stock on the exercise date of such SAR.

10

5.10 EXERCISE ON TERMINATION OF EMPLOYMENT. Unless it is expressly provided otherwise in the Option or SAR agreement, Options and SAR granted to Employees shall terminate one day less than three months after severance of employment of the Employee from the Company and all Affiliates for any reason, with or without cause, other than death, retirement under the then established rules of the Company, or severance for disability. Whether authorized leave of absence or absence on military or government service shall constitute severance of the employment of the Employee shall be determined by the Committee at that time.

5.11 DEATH. If, before the expiration of an Option or SAR, the Eligible Person, whether in the employ of the Company or after he has retired or was severed for disability, or otherwise dies, the Option or SAR shall continue until the earlier of the Option's or SAR's expiration date or one year following the date of his death, unless it is expressly provided otherwise in the Option or SAR agreement. After the death of the Eligible Person, his executors, administrators or any persons to whom his Option or SAR may be transferred by will or by the laws of descent and distribution shall have the right, at any time prior to the Option's or SAR's expiration or termination, whichever is earlier, to exercise it, to the extent to which he was entitled to exercise it immediately prior to his death, unless it is expressly provided otherwise in the Option or SAR's agreement.

5.12 RETIREMENT. Unless it is expressly provided otherwise in the Option Agreement, before the expiration of an Incentive Option, the Employee shall be retired in good standing from the employ of the Company under the then established rules of the Company, the Incentive Option shall terminate on the earlier of the Option's expiration date or one day less than one year after his retirement; provided, if an Incentive Option is not exercised within specified time limits prescribed by the Code, it will become a Nonqualified Option by operation of law. Unless it is expressly provided otherwise in the Option Agreement, if before the expiration of a Nonqualified Option, the Employee shall be retired in good standing from the employ of the Company under the then established rules of the Company, the Nonqualified Option shall terminate on the earlier of the Nonqualified Option's expiration date or one day less than one year after his retirement. In the event of retirement, the Employee shall have the right prior to the termination of the Nonqualified Option to exercise the Nonqualified Option, to the extent to which he was entitled to exercise it immediately prior to his retirement, unless it is expressly provided otherwise in the Option Agreement. Upon retirement, an SAR shall continue to be exercisable for the remainder of the term of the SAR agreement.

5.13 DISABILITY. If, before the expiration of an Option or SAR, the Employee shall be severed from the employ of the Company for disability, the Option or SAR shall terminate on the earlier of the Option's or SAR's expiration date or one day less than one year after the date he was severed because of disability, unless it is expressly provided otherwise in the Option or SAR agreement. In the event that the Employee shall be severed from the employ of the Company for disability, the Employee shall have the right prior to the termination of the Option or SAR to exercise the Option, to the extent to which he was entitled to exercise it immediately prior to his retirement or severance of employment for disability, unless it is expressly provided otherwise in the Option Agreement.

5.14 SUBSTITUTION OPTIONS. Options may be granted under this Plan from time to time in substitution for stock options held by employees of other corporations who are about to become employees of or affiliated with the Company or any Affiliate as the result of a merger or consolidation of the employing corporation with the Company or any Affiliate, or the acquisition by the Company or any Affiliate of the assets of the employing corporation, or the acquisition by the Company or any Affiliate of stock of the employing corporation as the result of which it becomes an Affiliate of the Company. The terms and conditions of the substitute Options granted may vary from the terms and conditions set out in this Plan to the extent the Committee, at the time of grant, may deem appropriate to conform, in whole or in part, to the provisions of the stock options in substitution for which they are granted.

5.15 RELOAD OPTIONS. Without in any way limiting the authority of the Board of Directors or Committee to make or not to make grants of Options hereunder, the Board of Directors or Committee shall have the authority (but not an obligation) to include as part of any Option Agreement a provision entitling the Eligible Person to a further Option (a "Reload Option") in the event the Eligible Person exercises the Option evidenced by the Option Agreement, in whole or in part, by surrendering other shares of Stock in accordance with this Plan and the terms and conditions of the Option Agreement. Any such Reload Option (a) shall be for a number of shares equal to the number of shares surrendered as part or all of the exercise price of such Option; (b) shall have an expiration date which is the greater of (i) the same expiration date of the Option the exercise of which gave rise to such Reload Option or (ii) one year from the date of grant of the Reload Option; and (c) shall have an exercise price which is equal to one hundred percent (100%) of the Fair Market Value of the Stock subject to the Reload Option on the date of exercise of the original Option. Notwithstanding the foregoing, a Reload Option which is an Incentive Option and which is granted to a 10% Stockholder, shall have an exercise price which is equal to one hundred ten percent (110%) of the Fair Market Value of the Stock subject to the Reload Option on the date of exercise of the original Option and shall have a term which is no longer than five (5) years.

Any such Reload Option may be an Incentive Option or a Nonqualified Option, as the Board of Directors or Committee may designate at the time of the grant of the original Option; provided, however, that the designation of any Reload Option as an Incentive Option shall be subject to the one hundred thousand dollar (\$100,000) annual limitation on exercisability of Incentive Stock Options described in the Plan and in Section 422(d) of the Code. There shall be no Reload Options on a Reload Option. Any such Reload Option shall be subject to the availability of sufficient shares under Section 4.2 herein and shall be subject to such other terms and conditions as the Board of Directors or Committee may determine which are not inconsistent with the express provisions of the Plan regarding the terms of Options.

5.16 NO RIGHTS AS STOCKHOLDER. No Eligible Person shall have any rights as a stockholder with respect to Stock covered by his Option until the date a stock certificate is issued for the Stock.

12

ARTICLE VI - RESTRICTED STOCK AWARDS

6.1 RESTRICTED STOCK AWARDS. The Committee may issue shares of Stock to an Eligible Person subject to the terms of a Restricted Stock Agreement. The Restricted Stock may be issued for no payment by the Eligible Person or for a payment below the Fair Market Value on the date of grant. Restricted Stock shall be subject to restrictions as to sale, transfer, alienation, pledge or other encumbrance and generally will be subject to vesting over a period of time

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

(b) a requirement that the holder of shares of Restricted Stock forfeit, or in the case of shares sold to an Eligible Person, resell back to the Company at his cost, all or a part of such shares in the event of termination of the Eligible Person's employment during any period in which the shares remain subject to restrictions;

(c) a prohibition against employment of the holder of Restricted Stock by any competitor of the Company or its Affiliates, or against such holder's dissemination of any secret or confidential information belonging to the Company or an Affiliate;

(d) unless stated otherwise in the Restricted Stock Agreement,

(i) if restrictions remain at the time of severance of employment with the Company and all Affiliates, other than for reason of disability or death, the Restricted Stock shall be forfeited; and

(ii) if severance of employment is by reason of disability or death, the restrictions on the shares shall lapse and the Eligible Person or his heirs or estate shall be 100% vested in the shares subject to the Restricted Stock Agreement.

6.3 STOCK CERTIFICATE. Shares of Restricted Stock shall be registered in the name of the Eligible Person receiving the Restricted Stock Award and deposited, together with a stock power endorsed in blank, with the Company. A copy of the Plan and agreement is on file in the office of the Secretary of the Company."

6.4 RIGHTS AS STOCKHOLDER. Dividends paid in Stock in the Company or rights to acquire Stock in the Company shall be added to and become a part of the Restricted Stock.

6.5 LAPSE OF RESTRICTIONS. By accepting a Stock Award and executing a Restricted Stock Agreement, the Eligible Person agrees to remit when due any federal and state income and employment taxes required to be withheld.

6.6 RESTRICTION PERIOD. No Restricted Stock Award may provide for restrictions continuing beyond ten (10) years from the date of grant.

ARTICLE VII - PERFORMANCE STOCK AWARDS

7.1 AWARD OF PERFORMANCE STOCK. The Committee may award shares of Stock, without any payment for such shares, to designated Eligible Persons if specified performance goals established by the Committee are satisfied. The terms and provisions herein relating to these performance based awards are intended to satisfy Section 162(m) of the Code and regulations issued thereunder. The designation of an employee eligible for a specific Performance Stock Award shall be made by the Committee in writing prior to the beginning of the period for which the performance is measured (or within such period as permitted by IRS regulations). The Committee shall establish the maximum number of shares of Stock to be issued to a designated Employee if the performance goal or goals are met. The Committee reserves the right to make downward adjustments in the maximum amount of an Award if in its discretion unforeseen events make such adjustment appropriate.

14

7.2 PERFORMANCE GOALS. Performance goals determined by the Committee may be based on specified increases in cash flow, net profits, Stock price, Company, segment or Affiliate sales, market share, earnings per share, return on assets, and/or return on stockholders' equity.

7.3 ELIGIBILITY. The employees eligible for Performance Stock Awards are the senior officers (i.e., chief executive officer, president, vice presidents, secretary, treasurer, and similar positions) of the Company and its Affiliates, and such other employees of the Company and its Affiliates as may be designated by the Committee.

7.4 CERTIFICATE OF PERFORMANCE. The Committee must certify in writing that a performance goal has been attained prior to issuance of any certificate for a Performance Stock Award to any Employee. If the Committee certifies the entitlement of an Employee to the Performance Stock Award, the certificate will be issued to the Employee as soon as administratively practicable, and subject to other applicable provisions of the Plan, including but not limited to, all legal requirements and tax withholding. However, payment may be made in shares of Stock, in cash, or partly in cash and partly in shares of Stock, as the Committee shall decide in its sole discretion. If a cash payment is made in lieu of shares of Stock, the number of shares represented by such payment shall not be available for subsequent issuance under this Plan.

ARTICLE VII - BONUS STOCK AWARDS

8.1 AWARD OF BONUS STOCK. The committee may award shares of Stock to Eligible Persons, without any payment for such shares and without any specified performance goals. The Committee reserves the right to issue such amount of shares to Eligible Persons as the Committee deems fit.

ARTICLE IX - ADMINISTRATION

The Plan shall be administered by the Committee. All questions of interpretation and application of the Plan and Awards shall be subject to the determination of the Committee. A majority of the members of the Committee shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by a majority of the members shall be as effective as if it had been made by a majority vote at a meeting properly called and held. This Plan shall be administered in such a manner as to permit the Options which are designated to be Incentive Options to qualify as Incentive Options. In carrying out its authority under this Plan, the Committee shall have full and final authority and

15

discretion, including but not limited to the following rights, powers and authorities, to:

(a) determine the Eligible Persons to whom and the time or times at which Options or Awards will be made,

(b) determine the number of shares and the purchase price of Stock covered in each Option or Award, subject to the terms of the Plan,

(c) determine the terms, provisions and conditions of each Option and Award, which need not be identical,

(d) accelerate the time at which any outstanding Option or SAR may be exercised, or Restricted Stock Award will vest,

(e) define the effect, if any, on an Option or Award of the death, disability, retirement, or termination of employment of the Employee,

(f) prescribe, amend and rescind rules and regulations relating to administration of the Plan, and

(g) make all other determinations and take all other actions deemed necessary, appropriate, or advisable for the proper administration of this Plan.

The actions of the Committee in exercising all of the rights, powers, and authorities set out in this Article and all other Articles of this Plan, when performed in good faith and in its sole judgment, shall be final, conclusive and binding on all parties.

ARTICLE X - AMENDMENT OR TERMINATION OF PLAN

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

The Board of Directors of the Company may amend, terminate or suspend this Plan at any time, in its sole and absolute discretion; provided, however, that to the extent required to qualify this Plan under Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended, no amendment that would (a) materially increase the number of shares of Stock that may be issued under this Plan, (b) materially modify the requirements as to eligibility for participation in this Plan, or (c) otherwise materially increase the benefits accruing to participants under this Plan, shall be made without the approval of the Company's stockholders; provided further, however, that to the extent required to maintain the status of any Incentive Option under the Code, no amendment that would (a) change the aggregate number of shares of Stock which may be issued under Incentive Options, (b) change the class of employees eligible to receive Incentive Options, or (c) decrease the Option price for Incentive Options below the Fair Market Value of the Stock at the time it is granted, shall be made without the approval of the Company's stockholders. Subject to the preceding sentence, the Board of Directors shall have the power to make any changes in the Plan and in the regulations and administrative provisions under it or in any outstanding Incentive Option as in the opinion of

16

counsel for the Company may be necessary or appropriate from time to time to enable any Incentive Option granted under this Plan to continue to qualify as an incentive stock option or such other stock option as may be defined under the Code so as to receive preferential federal income tax treatment.

ARTICLE XI - MISCELLANEOUS

11.1 NO ESTABLISHMENT OF A TRUST FUND. No property shall be set aside nor shall a trust fund of any kind be established to secure the rights of any Eligible Person under this Plan. All Eligible Persons shall at all times rely solely upon the general credit of the Company for the payment of any benefit which becomes payable under this Plan.

11.2 NO EMPLOYMENT OBLIGATION. The granting of any Option or Award shall not constitute an employment contract, express or implied, nor impose upon the Company or any Affiliate any obligation to employ or continue to employ any Eligible Person. The right of the Company or any Affiliate to terminate the employment of any person shall not be diminished or affected by reason of the fact that an Option or Award has been granted to him.

11.3 FORFEITURE. Notwithstanding any other provisions of this Plan, if the Committee finds by a majority vote after full consideration of the facts that an Eligible Person, before or after termination of his employment with the Company or an Affiliate for any reason (a) committed or engaged in fraud, embezzlement, theft, commission of a felony, or proven dishonesty in the course of his employment by the Company or an Affiliate, which conduct damaged the Company or Affiliate, or disclosed trade secrets of the Company or an Affiliate, or (b) participated, engaged in or had a material, financial or other interest, whether as an employee, officer, director, consultant, contractor, stockholder, owner, or otherwise, in any commercial endeavor in the United States which is competitive with the business of the Company or an Affiliate without the written consent of the Company or Affiliate, the Eligible Person shall forfeit all outstanding Options and all outstanding Awards, and including all exercised Options and other situations pursuant to which the Company has not yet delivered a stock certificate. Clause (b) shall not be deemed to have been violated solely by reason of the Eligible Person's ownership of stock or securities of any publicly owned corporation, if that ownership does not result in effective control of the corporation.

Edgar Filing: FOUNTAIN PHARMACEUTICALS INC - Form SC 14F1/A

The decision of the Committee as to the cause of an Employee's discharge, the damage done to the Company or an Affiliate, and the extent of an Eligible Person's competitive activity shall be final. No decision of the Committee, however, shall affect the finality of the discharge of the Employee by the Company or an Affiliate in any manner.

11.4 TAX WITHHOLDING. The Company or any Affiliate shall be entitled to deduct from other compensation payable to each Eligible Person any sums required by federal, state, or local tax law to be withheld with respect to the grant or exercise of an Option or SAR, lapse of restrictions on Restricted Stock, or award of Performance Stock. In the alternative, the Company may require the Eligible Person (or other person exercising the Option, SAR or receiving the Stock) to pay the sum directly to the employer corporation. If the Eligible Person (or other person exercising the Option or SAR or receiving the Stock) is required to pay the sum directly, payment in cash or by check of such sums for

17

taxes shall be delivered within 10 days after the date of exercise or lapse of restrictions. The Company shall have no obligation upon exercise of any Option or lapse of restrictions on Stock until payment has been received, unless withholding (or offset against a cash payment) as of or prior to the date of exercise or lapse of restrictions is sufficient to cover all sums due with respect to that exercise. The Company and its Affiliates shall not be obligated to advise an Eligible Person of the existence of the tax or the amount which the employer corporation will be required to withhold.

11.5 WRITTEN AGREEMENT. Each Option and Award shall be embodied in a written agreement which shall be subject to the terms and conditions of this Plan and shall be signed by the Eligible Person and by a member of the Committee on behalf of the Committee and the Company or an executive officer of the Company, other than the Eligible Person, on behalf of the Company. The agreement may contain any other provisions that the Committee in its discretion shall deem advisable which are not inconsistent with the terms of this Plan.

11.6 INDEMNIFICATION OF THE COMMITTEE AND THE BOARD OF DIRECTORS. With respect to administration of this Plan, the Company shall indemnify each present and future member of the Committee and the Board of Directors against, and each member of the Committee and the Board of Directors shall be entitled without further act on his part to indemnify from the Company for, all expenses (including attorney's fees, the amount of judgments and the amount of approved settlements made with a view to the curtailment of costs of litigation, other than amounts paid to the Company itself) reasonably incurred by him in connection with or arising out of any action, suit, or proceeding in which he may be involved by reason of his being or having been a member of the Committee and/or the Board of Directors, whether or not he continues to be a member of the Committee and/or the Board of Directors at the time of incurring the expenses, including, without limitation, matters as to which he shall be finally adjudged in any action, suit or proceeding to have been found to have been negligent in the performance of his duty as a member of the Committee or the Board of Directors. However, this indemnity shall not include any expenses incurred by any member of the Committee and/or the Board of Directors in respect of matters as to which he shall be finally adjudged in any action, suit or proceeding to have been guilty of gross negligence or willful misconduct in the performance of his duty as a member of the Committee and the Board of Directors. In addition, no right of indemnification under this Plan shall be available to or enforceable by any member of the Committee and the Board of Directors unless, within 60 days after institution of any action, suit or proceeding, he shall have offered the Company, in writing, the opportunity to handle and defend same at its own expense. This right of indemnification shall inure to the benefit of the heirs,

executors or administrators of each member of the Committee and the Board of Directors and shall be in addition to all other rights to which a member of the Committee and the Board of Directors may be entitled as a matter of law, contract, or otherwise.

11.7 GENDER. If the context requires, words of one gender when used in this Plan shall include the others and words used in the singular or plural shall include the other.

11.8 HEADINGS. Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms of the Plan.

18

11.9 OTHER COMPENSATION PLANS. The adoption of this Plan shall not affect any other stock option, incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of incentive or other compensation for employees of the Company or any Affiliate.

11.10 OTHER OPTIONS OR AWARDS. The grant of an Option or Award shall not confer upon the Eligible Person the right to receive any future or other Options or Awards under this Plan, whether or not Options or Awards may be granted to similarly situated Eligible Persons, or the right to receive future Options or Awards upon the same terms or conditions as previously granted.

11.11 GOVERNING LAW. The provisions of this Plan shall be construed, administered, and governed under the laws of the State of Delaware.
