Item 3. Source and Amount of Funds or Other Consideration

Of the 7,108,860 Shares beneficially owned in aggregate by the Reporting Persons, 6,050,036 Shares were acquired on the Closing Date in the Formation Transactions and 1,058,824 Shares were acquired on the Closing Date in the Concurrent Private Placement.

Shares and OP Units Acquired in the Formation Transactions

Shares. Pursuant to the Farallon Contribution Agreement (as defined and further described in Item 6 below), the Farallon Funds acquired Shares in the Formation Transactions upon the Farallon Contributors' contribution to the Operating Partnership of their ownership interests in four entities indirectly holding certain real estate-related assets. In addition, pursuant to the TMG Contribution Agreement (as defined and further described in Item 6 below), the Farallon Funds acquired additional Shares upon a third party's contribution to the Operating Partnership of its ownership interests in one of the aforementioned four entities. In total, in the Formation Transactions the Farallon Funds received an aggregate of 6,050,036 Shares.

OP Units. In addition, in the Formation Transactions FCP received 1,813,518 OP Units. As further described in Item 6 below, FCP has the right, beginning 14 months after the completion of the IPO, to cause the Operating Partnership (i) to redeem some or all of such OP Units for cash equal to the number of OP Units redeemed times the then-current market value of one Share or (ii) at the Company's election, to exchange some or all of such OP Units for newly issued Shares on a one-to-one basis.

Shares Acquired in the Concurrent Private Placement

The Farallon Funds paid cash to acquire Shares from the Company in the Concurrent Private Placement. The net investment cost for the Shares acquired by each of the Farallon Funds in the Concurrent Private Placement is set forth below:

| Entity | Shares Acquired | Approximate Net Investment Cost |
|----------|-----------------|---------------------------------|
| FCP | 332,619 | \$5,654,523.00 |
| FCIP | 653,062 | \$11,102,054.00 |
| FCIP III | 73,143 | \$1,243,431.00 |

The consideration for such acquisitions was obtained as follows: (i) with respect to FCP, from working capital and/or from borrowings pursuant to margin accounts maintained in the ordinary course of business by such entity at Goldman, Sachs & Co.; and (ii) with respect to FCIP and FCIP III, from working capital. FCP holds certain securities in its margin accounts at Goldman, Sachs & Co., and the accounts may from time to time have debit balances. It is not possible to determine the amount of borrowings, if any, used to acquire the Shares.

Item 4. Purpose of Transaction

As described in the Preliminary Note and Item 3 above, the Company issued Shares to each of the Farallon Funds, and the Operating Partnership issued OP Units to FCP, in the Formation Transactions and the Company issued additional Shares to the Farallon Funds in the Concurrent Private Placement. In connection with the Formation Transactions and the Concurrent Private Placement, the Farallon Funds entered into various agreements as described in Item 6 below.

The purpose of the acquisition of the Shares is for investment. One of the Farallon Individual Reporting Persons, Fried, is a member of the Company's board of directors.

Although no Reporting Person has any specific plan or proposal to acquire, transfer or dispose of Shares, consistent with its investment purpose, each Reporting Person at any time and from time to time may acquire additional Shares or other securities of the Company or, subject to the terms of the Farallon Lock-Up Agreement (as defined and further described in Item 6 below), transfer or dispose of any or all of its Shares, depending in any case upon an ongoing evaluation of the Reporting Persons' investment in the Shares, prevailing market conditions, other investment opportunities, liquidity requirements of the Reporting Persons and/or other investment considerations.

Pursuant to the Farallon Lock-Up Agreement, the Farallon Funds have agreed not to sell or otherwise transfer or encumber, or enter into any transaction that transfers, any Shares, or securities convertible or exchangeable into Shares, owned by them at the completion of the IPO and the Concurrent Private Placement or thereafter acquired by them, for a period of 365 days after the completion of the IPO without the prior consent of Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc. and Morgan Stanley & Co. Incorporated as the representatives of the underwriters of the IPO (the "Underwriter Representatives"); provided that, commencing on the date that is 180 days after the completion of the IPO, the Farallon Funds may sell Shares representing up to 25 percent of the aggregate number of Shares and OP Units issued to the Farallon Funds in the Formation Transactions and the Concurrent Private Placement pursuant to a Farallon Demand Registration (as defined and further described in Item 6 below) or distribute such amount of Shares to their limited partners, members or stockholders.

In addition, as further described in Item 6 below, FCP has the right, beginning 14 months after the completion of the IPO, to cause the Operating Partnership (i) to redeem some or all of its OP Units for cash equal to the number of OP Units redeemed times the then-current market value of one Share or (ii) at the Company's election, to exchange some or all of its OP Units for newly issued Shares on a one-to-one basis, subject to adjustment.

None of the Reporting Persons has made a determination regarding a maximum or minimum number of Shares or other securities of the Company which it may hold at any point in time.

Also, consistent with their investment intent, certain Reporting Persons may engage in communications with, without limitation, one or more shareholders of the Company, one or more officers of the Company and/or one or more members of the board of directors of the Company regarding the Company, including but not limited to its operations. During the course of such communications, the Reporting Persons may advocate or oppose one or more courses of action.

Except to the extent the foregoing may be deemed a plan or proposal, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

Under the Nominee Indemnity Agreements, the Farallon Funds made certain representations and warranties to the Company and the Operating Partnership regarding, among other matters, the Farallon Funds’ investment intent with respect to the Shares and OP Units received by them in the Formation Transactions. Pursuant to the Nominee Indemnity Agreements, the Farallon Funds agreed to indemnify the Company and the Operating Partnership for breaches of (i) the foregoing representations and warranties by the Farallon Funds, (ii) the representations and warranties made in the Farallon Contribution Agreement by the Farallon Contributors, (iii) the representations and warranties made in the TMG Contribution Agreement by TMG and (iv) certain representations and warranties of Victor

The foregoing indemnity obligation of the Farallon Funds under the Nominee Indemnity Agreements is limited to claims made within one year of the closing of the IPO and is subject to a deductible equal to one percent of the aggregate total consideration received by the Farallon Funds under the Farallon Contribution Agreement and to a maximum, in the case of each Farallon Fund, of 10 percent of such Farallon Fund's aggregate total consideration under the Farallon Contribution Agreement and the TMG Contribution Agreement or, in the case of claims relating to a specific property, 10 percent of such Farallon Fund's aggregate total consideration allocable to that property under the Farallon Contribution Agreement and the TMG Contribution Agreement.

The foregoing summary of the Nominee Indemnity Agreements is qualified in its entirety by the full terms and conditions of such agreements. The Farallon Nominee Indemnity Agreement is filed as Exhibit 10.15 to the Registration Statement, which exhibit is incorporated herein by reference. The Farallon-TMG Nominee Indemnity Agreement is filed as Exhibit 10.16 to the Registration Statement, which exhibit is incorporated herein by reference.

Pledge Agreements

Each of the Farallon Funds entered into two Pledge Agreements, dated as of the Closing Date (each a "Pledge Agreement" and, together, the "Pledge Agreements"), with the Operating Partnership, pursuant to which such Farallon Fund, in order to secure its indemnity obligations under the Nominee Indemnity Agreements, pledged Shares and, if applicable, OP Units to the Operating Partnership with a value, based on the per Share offering price in the IPO, equal to, in the case of one Pledge Agreement, 10 percent of such Farallon Fund's aggregate consideration under the Farallon Contribution Agreement and, in the case of the other Pledge Agreement, 10 percent of such Farallon Fund's aggregate consideration under the TMG Contribution Agreement. Except in limited circumstances, the Shares and OP Units pledged pursuant to the Pledge Agreements will be the sole recourse of the Operating Partnership for claims of indemnification against the Farallon Funds.

The foregoing summary of the Pledge Agreements is qualified in its entirety by the full terms and conditions of such agreements. A form of Pledge Agreement is filed as Exhibit H to Exhibit 10.12 to the Registration Statement, which Exhibit H is incorporated herein by reference.

The Farallon Funds entered into a Subscription Agreement, dated as of February 15, 2010 (the "Subscription Agreement"), with the Company and Victor J. Coleman, pursuant to which the Farallon Funds irrevocably subscribed to purchase an aggregate number of Shares in the Concurrent Private Placement with a value of \$18 million, based on the per Share offering price in the IPO. Pursuant to the Subscription Agreement, on the Closing Date the Company issued to the Farallon Funds an aggregate of 1,058,824 Shares.

Registration Rights Agreement

The Farallon Funds entered into a Registration Rights Agreement, dated as of the Closing Date (the "Registration Rights Agreement"), between the Company and the initial holders named therein. Pursuant to the Registration Rights Agreement, subject to certain limitations, commencing not later than 14 months after the IPO, the Company will file one or more shelf registration statements covering the resale of the Shares issued in the Formation Transactions and the Concurrent Private Placement and the Shares issued or issuable, at the option of the Company, in exchange for OP Units issued in the Formation Transactions. The Company may, at its option, satisfy its obligations to prepare and file a resale shelf registration statement by filing a registration statement registering its issuance of Shares to the holders of the OP Units upon redemption of such OP Units and, if applicable, the resale of such Shares by their holders. Any offering under a resale shelf registration statement will be underwritten at the written request of holders of at least 10 percent in aggregate of the securities originally issued in the Formation Transactions, provided that the Company is not obligated to effect more than two such underwritten offerings in addition to the demand registration described in the following paragraph.

The Registration Rights Agreement also provides that, commencing on the date that is 180 days after the completion of the IPO, the Farallon Funds have the right, on one occasion, to demand that the Company register Shares representing up to 25 percent of the aggregate number of Shares and OP Units issued to the Farallon Funds in the Formation Transactions and the Concurrent Private Placement for resale in an underwritten offering registered pursuant to the Securities Act (a "Farallon Demand Registration"). The Farallon Funds may also register Shares on a registration statement filed with respect to an underwritten offering of Shares by the Company for its own account, provided that a shelf registration statement is not on file and effective. The Company has agreed to indemnify all sellers of registrable securities against certain liabilities, including liabilities under the Securities Act.

The foregoing summary of the Registration Rights Agreement is qualified in its entirety

by the full terms and conditions of such agreement. A form of the Registration Rights Agreement is filed as Exhibit 10.2 to the Registration Statement, which exhibit is incorporated herein by reference.

Lock-Up Agreements

Farallon Lock-Up Agreement

The Farallon Funds entered into an agreement, dated February 15, 2010 (the “Farallon Lock-Up Agreement”), with the Underwriter Representatives. The Farallon Lock-Up Agreement provides that the Farallon Funds, subject to certain exceptions, will not sell or otherwise transfer or encumber, or enter into any transaction that transfers, any Shares, or securities convertible or exchangeable into Shares, owned by them at the completion of the IPO and the Concurrent Private Placement, or thereafter acquired by them, for a period of 365 days after the completion of the IPO without the prior consent of the Underwriter Representatives; provided that, commencing on the date that is 180 days after the completion of the IPO, the Farallon Funds may sell Shares representing up to 25 percent of the aggregate number of Shares and OP Units issued to them in the Formation Transactions and the Concurrent Private Placement pursuant to a Farallon Demand Registration or distribute such amount of Shares to their limited partners, members or stockholders.

The foregoing summary of the Farallon Lock-Up Agreement is qualified in its entirety by the full terms and conditions of such agreement. A form of the Farallon Lock-Up Agreement is included as Exhibit B-2 attached to Exhibit 10.18 to the Registration Statement, which Exhibit B-2 is incorporated herein by reference.

Fried Lock-Up Agreement

Fried, a Farallon Individual Reporting Person, in his capacity as a director of the Company, entered into an agreement, dated May 20, 2010 (the “Fried Lock-Up Agreement”), with the Underwriter Representatives. The Fried Lock-Up Agreement provides that Fried, subject to certain exceptions, will not sell or otherwise transfer or encumber, or enter into any transaction that transfers, any Shares, or securities convertible or exchangeable into Shares, owned by him at the completion of the IPO and the Concurrent Private Placement, or thereafter acquired by him, for a period of 180 days after the completion of the IPO, without the prior consent of the Underwriter Representatives. The Fried Lock-Up Agreement provides that Fried may transfer or dispose of his Shares during the 180-day lock-up period in the case of gifts or for estate planning purposes where the transferee agrees to a similar lock-up agreement for the remainder of the lock-up period.

The foregoing summary of the Fried Lock-Up Agreement is qualified in its entirety by the full terms and conditions of such agreement. The Fried Lock-Up Agreement is attached as Exhibit 3 hereto, which exhibit is incorporated herein by reference.

Exemption from REIT Ownership Limits

As described in the Prospectus under the caption “Description of Stock—Restrictions on Ownership and Transfer,” the Company’s charter contains limits on the ownership of Shares that

are intended to assist the Company in complying with certain provisions of the U.S. Internal Revenue Code governing the maintenance of REIT status. The Company's board of directors has granted to the Farallon Funds (the "Farallon Excepted Holders") an exemption from these Share ownership limits, subject to various conditions and limitations.

During the time that such waiver of the above ownership limits is effective, each Farallon Excepted Holder will be subject to an increased ownership limit applicable to it. As a condition to the Company's grant of the increased ownership limit, the Farallon Excepted Holders made certain representations and covenants to the Company, including representations that, to their best knowledge, as a result of their ownership of Shares, no other person (other than the Operating Partnership) will actually, beneficially or constructively own Shares in excess of the REIT ownership limit and that, at the time of the pricing of the IPO, the Farallon Excepted Holders do not actually or constructively own, or reasonably anticipate so owning, in excess of 9.9% of the outstanding equity interests of any of the tenants that the Company expects to have at the closing of the IPO. Following the IPO, before the Company enters into or acquires a lease with a new tenant, the Company will be obligated to disclose the new tenant to the Farallon Excepted Holders and the Farallon Excepted Holders will have one business day to inform the Company as to whether they actually or constructively own, or reasonably anticipate so owning, more than 9.9% of the equity interests in such tenant. If the Farallon Excepted Holders do own such an interest and the Company enters into a lease with that tenant, the rent from that tenant would fail to qualify under REIT income tests. If this rent prevents the Company from satisfying the REIT gross income tests, then the Company's charter would require that the number of Shares owned by the Farallon Excepted Holders in excess of the REIT ownership limit be automatically transferred to a trust. If this occurs, and the Farallon Excepted Holders gave the Company advance notice of their tenant ownership as described above, the Company would be obligated to indemnify the Farallon Excepted Holders for any damages resulting from the transfer of Shares to the trust.

The foregoing summary of the Farallon Excepted Holders' exemption from the REIT ownership limits is qualified in its entirety by the description of such exemption as set forth in the Prospectus under the caption "Description of Stock—Restrictions on Ownership and Transfer," which description is incorporated herein by reference.

Equity Incentive Plan; Director Compensation

Fried, a Farallon Individual Reporting Person, in his capacity as a non-employee director of the Company, will be eligible to receive awards under the Company's equity incentive plan (the "2010 Plan"). In addition, the Company has approved a compensation program for non-employee directors consisting of annual retainer fees and long-term equity awards.

The foregoing summary of the 2010 Plan is qualified in its entirety by the full terms and conditions of such document. The 2010 Plan is filed as Exhibit 10.4 to the Registration Statement, which exhibit is incorporated herein by reference. The foregoing summary of the Company's director compensation program is qualified in its entirety by the description of such program as set forth in the Prospectus under the caption "Executive Compensation—Director Compensation," which description is incorporated herein by reference.

* * * * *

Except as described above, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons or between such persons and any other person with respect to any securities of the Company, including but not limited to the transfer or voting of any securities of the Company, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.

Re: Proposed Public Offering by Hudson Pacific Properties, Inc.

Dear Sirs:

The undersigned, a stockholder and/or an officer and/or a director of Hudson Pacific Properties, Inc., a Maryland corporation (the "Company"), understands that Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), Morgan Stanley & Co. Incorporated ("Morgan Stanley") and Barclays Capital ("Barclays") and each of the other Underwriters named in Schedule A to the Underwriting Agreement (as defined below) (collectively, the "Underwriters"), for whom Merrill Lynch, Morgan Stanley and Barclays are acting as representatives (in such capacity, the "Representatives") propose to enter into an Underwriting Agreement (the "Underwriting Agreement") with the Company and Hudson Pacific Properties, L.P., a Maryland limited partnership, providing for the public offering (the "Public Offering") of shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"). In recognition of the benefit that the Public Offering will confer upon the undersigned as a stockholder and/or an officer and/or a director of the Company, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with each Underwriter that, during a period of 180 days from the date of the Underwriting Agreement (the "Lock-up Period"), the undersigned will not, without the prior written consent of the Representatives, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise dispose of or transfer any shares of the Company's Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition, or file, or cause to be filed, any registration statement under the Securities Act of 1933, as amended (the "1933 Act") with respect to any of the foregoing (collectively, the "Lock-Up Securities") or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Lock-Up Securities, whether any such swap or transaction is to be settled by delivery of Common Stock or other securities, in cash or otherwise.

Subject to the conditions set forth below, the restrictions set forth in the preceding sentence shall not apply to:

(1)(i) gifts or other dispositions by will or intestacy (including, without limitation, any disposition from a revocable trust, family trust or similar trust arrangement providing for the distribution of assets

upon death or intestacy); (ii) transfers made to (x) limited partners, members, stockholders or affiliates of the undersigned or (y) any corporation, partnership, limited liability company or other entity all of the equity interests of which are owned, directly or indirectly, by the undersigned; (iii) bona fide gifts, sales, distributions, contributions or other dispositions, in each case that are made exclusively between and among the undersigned and (w) members of the undersigned's family, (x) affiliates of the undersigned that are controlled by the undersigned, or (y) a trust the beneficiaries of which are, (A) a limited liability company the membership interest holders of which are, or (B) a partnership the partners of which are, exclusively the undersigned and/or members of the undersigned's family; or (iv) donations or transfer to charitable organizations; provided, however, that in the case of any gift, sale, distribution, contribution, transfer or other disposition pursuant to this clause (1), it shall be a pre-condition that (a) the recipient, transferee or donee, as applicable, executes and delivers to the Representatives a signed lock-up agreement for the balance of the Lock-up Period, (b) no filing by any party under the Securities Exchange Act of 1934, as amended, shall be required or shall be voluntarily made in connection with such transfer or distribution, (c) each party shall agree to not voluntarily make, any public announcement of the transfer or disposition and (d) the undersigned notifies the Representatives at least three business days prior to the proposed gift, sale, distribution, contribution, transfer or other disposition; or

(2) transactions relating to shares of Common Stock acquired by the undersigned in the open market after completion of the Public Offering; provided, however, that (a) any subsequent sale of the shares of Common Stock acquired in the open market are not required to be reported in any public report or filing with the Securities and Exchange Commission, or otherwise and (ii) the undersigned does not otherwise voluntarily effect any public filing or report regarding such sales.

Notwithstanding the foregoing, if: (1) during the last 17 days of the Lock-up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or (2) prior to the scheduled expiration of the Lock-up Period, the Company announces that it will release earnings results or becomes aware that material news or a material event will occur during the 16-day period beginning on the 180th day of the Lock-up Period, the restrictions imposed by this lock-up agreement shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as applicable, unless the Representatives waive, in writing, such extension.

The undersigned hereby acknowledges and agrees that written notice of any extension of the Lock-up Period pursuant to the previous paragraph will be delivered by the Representatives to the Company and the undersigned (in accordance with the notice provisions of the Underwriting Agreement) and that any such notice properly delivered will be deemed to have been given to, and received by, the undersigned. The undersigned further agrees that, prior to engaging in any transaction or taking any other action that is subject to the terms of this lock-up agreement during the period from the date of this lock-up agreement to and including the 34th day following the expiration of the initial 180th day of the Lock-up Period, it will give notice thereof to the Company and will not consummate such transaction or take any such action unless it has received written confirmation from the Company that the Lock-up Period (as such may have been extended pursuant to the previous paragraph) has expired.

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Lock-Up Securities except in compliance with the foregoing restrictions.

Very truly yours,
