PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of InsWeb Corporation, a Delaware corporation ("InsWeb"), for use at its annual meeting of stockholders to be held on June 21, 2004, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The date of this Proxy Statement is May 7, 2004, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

SOLICITATION AND VOTING OF PROXIES

The cost of soliciting proxies will be borne by InsWeb. In addition to soliciting stockholders by mail, InsWeb will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of InsWeb registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. InsWeb may use the services of its officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, InsWeb has retained American Stock Transfer & Trust Co., a registrar and transfer agent firm, for assistance in connection with the annual meeting at no additional cost except for reasonable out-of-pocket expenses.

On April 26, 2004, there were 4,688,943 shares of InsWeb's Common Stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of Common Stock held by him or her. InsWeb's bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a stockholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before the time it is exercised by delivering to the Secretary of InsWeb a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Compensation Committee Interlocks and Insider Participation

None of our Compensation Committee members is an officer or employee of the Company. None of our executive officers serves as a member of the Board of Directors or compensation committee of any entity that has one or more of its executive officers serving on our compensation committee.

Compensation of Directors

Effective April 2003, each non-employee director receives an annual retainer of \$30,000 payable on a quarterly basis, and fees of \$2,500 for each regularly scheduled Board meeting attended. The chairman of the Audit Committee will receive an additional fee of \$2,500 for each regularly scheduled Audit Committee meeting attended. The annual retainer relates to the twelve-month period from

April 2003 through March 2004. In addition, each director will be reimbursed for reasonable expenses incurred in attending meetings of the Board.

All directors receive an annual grant of options to purchase 5,000 shares, with the date of grant being on or about July 1 of each year that they serve. All options granted to directors are fully vested and exercisable at the time of grant. The per-share exercise price of each such option will equal the fair market value of a share of Common Stock on the date of grant. Options granted to directors have a term of ten years from the date of grant.

Employment Contracts and Termination of Employment and Change of Control Arrangements

In July 2002, InsWeb entered into an employment agreement with Mark P. Guthrie, InsWeb's President and Chief Executive Officer. The agreement has no specific term, provided either party may terminate Mr. Guthrie's employment with InsWeb at any time with or without cause. The agreement fixes Mr. Guthrie's base salary at \$275,000 per year, subject to periodic review by the Board of Directors, and also entitles him to such incentive-based compensation as the Board of Directors may award from time to time as well as other benefits provided to other InsWeb senior executives. The agreement requires Mr. Guthrie to devote his full time and attention to the affairs of InsWeb. If InsWeb terminates Mr. Guthrie's employment other than for "cause" (which is defined to include conviction of a felony or a crime involving moral turpitude, commission of an act of theft or fraud against InsWeb, or repeated failure or inability to perform his duties under the agreement) or if Mr. Guthrie voluntarily terminates his employment for "good reason" following certain specified actions by InsWeb (including a decrease in his base salary or benefits, a material reduction in his duties or responsibilities, or a relocation of his place of work that is more than 30 miles), Mr. Guthrie will be entitled to receive severance payments equal to his then current base salary for a period equal to 12 months. Upon any other termination of Mr. Guthrie's employment, he will be entitled only to accrued salary through the date of termination and any other vested benefits.

InsWeb's 1997 Stock Option Plan provides that, in the event of a change in control of InsWeb, any outstanding option that is not assumed or substituted by the acquiring corporation will become fully vested. Further, the option agreements applicable to options granted under the 1997 Stock Option Plan typically provide for full acceleration of vesting if, within 12 months following a change in control, the optionee's employment is terminated without cause or the optionee resigns for "good reason," as defined in the option agreement.

Certain Relationships And Related Transactions

Negotiated Common Stock Repurchases

In February 2003, InsWeb repurchased 1,071,542 shares of its common stock held by SOFTBANK America, Inc. for an aggregate purchase price of \$1.8 million, or \$1.70 per share. With the closing of this transaction, total SOFTBANK Corporation's holdings of InsWeb common stock have been reduced to 353,032 shares.

Finance All K.K. (InsWeb Japan K.K.)

In 1998, InsWeb entered into a joint venture agreement with SOFTBANK Corp., a strategic partner and stockholder, to develop, implement and market an online insurance marketplace in Japan and the Republic of Korea. The joint venture was carried out exclusively through InsWeb Japan K.K., a Japanese corporation, in which InsWeb owned a 25% interest until a reorganization in March 2001, under which a holding company was created to control InsWeb Japan K.K. and other companies in which InsWeb did not have a financial interest. In this reorganization, InsWeb's shares in InsWeb Japan K.K. were exchanged for shares in the holding company, Finance All K.K. At December 31, 2002, InsWeb's ownership interest in Finance All K.K. was approximately 9%. After Finance All K.K. became

Edgar Filing: INSWEB CORP - Form DEF 14A

a publicly traded company in 2003, InsWeb sold its investment in Finance All K.K. for a cash sales price of \$8.9 million.

Marketing agreements

For 2003, 2002 and 2001, InsWeb recognized \$338,000, \$1,085,000 and \$3,333,000, respectively in marketing expense under a marketing agreement with Yahoo! Inc. SOFTBANK Corp., a stockholder of InsWeb, is also an affiliate of Yahoo!.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires InsWeb's executive officers, directors and persons who beneficially own more than 10% of InsWeb's Common Stock to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Such persons are required by SEC regulations to furnish InsWeb with copies of all Section 16(a) forms filed by such persons.

Based on InsWeb's review of reports furnished to InsWeb and representations from certain reporting persons, InsWeb believes that reports of changes in ownership (Form 4) were timely filed.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The current members of the Compensation Committee are Messrs. Chookaszian, Orr and Puccinelli. The Compensation Committee is responsible for setting and administering the policies governing annual compensation of the executive officers of InsWeb. The Compensation Committee reviews the performance and compensation levels for executive officers and sets salary levels. The Compensation Committee acts pursuant to a written charter that has been adopted by the Board of Directors. A copy of this charter is attached to this Proxy Statement as Appendix B.

The goals of InsWeb's executive officer compensation policies are to attract, retain and reward executive officers who contribute to InsWeb's success, to align executive officer compensation with InsWeb's performance and to motivate executive officers to achieve InsWeb's business objectives. InsWeb uses salary, bonus compensation and option grants to attain these goals. The Compensation Committee reviews compensation surveys prepared by management of InsWeb and by outside compensation consultants to compare InsWeb's compensation package with that of similarly sized high technology companies in InsWeb's geographic area. In preparing the performance graph set forth in the section entitled "Comparison of Stockholder Return," InsWeb has selected the AMEX Internet Index as its published industry index; however, the companies included in InsWeb's salary surveys are not necessarily those included in this index, because companies in the index may not compete with InsWeb for executive talent, and companies which do compete for executive officers may not be publicly traded.

Base salaries of executive officers are reviewed annually by the Compensation Committee and adjustments are made based on (i) salary recommendations from the President and Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, (iii) financial results of InsWeb for the previous year and (iv) reports to the Compensation Committee from outside compensation consultants concerning competitive salaries, scope of responsibilities of the officer position and levels paid by similarly-sized high technology companies in InsWeb's geographic area. InsWeb seeks to compensate the executive officers between the median and 75% percentile range of compensation levels paid by similarly sized high technology companies in InsWeb's geographical area.

InsWeb strongly believes that equity ownership by executive officers provides incentives to build stockholder value and aligns the interests of executive officers with those of the stockholders, and therefore makes periodic grants of stock options under the 1997 Stock Option Plan and the Senior Executive Nonstatutory Stock Option Plan. Historically, the size of an option grant to an executive officer has generally been determined with reference to similarly sized high technology companies in InsWeb's geographical area, the responsibilities and expected future contributions of the executive officer, previous grants to that officer, as well as recruitment and retention considerations. To assist InsWeb in retaining and motivating key employees, option grants generally vest over a three-year period from the date of grant. During 2003, the Compensation Committee approved stock option grants to certain of the executive officers consistent with these criteria. See "Option Grants in Last Fiscal Year."

Mr. Guthrie's compensation as Chief Executive Officer was established pursuant to his employment agreement, the terms of which were set by arms-length bargaining, approved by the Compensation Committee and ratified by the Board of Directors in July 2002. This agreement provides certain change-of-control benefits and severance benefits generally consistent with similar benefits provided to other executive officers.

REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee during fiscal 2003 were Messrs. Orr, Fisher and Puccinelli. Mr. Fisher resigned as a member of the Audit Committee in April 2004, and was replaced by Mr. Corroon. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors. A copy of this charter is attached to this Proxy Statement as Appendix A.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity, in all material respects, of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

AUDIT FEES

The following table sets forth the aggregate fees billed to InsWeb for the years ended December 31, 2002 and 2003 by InsWeb's principal accounting firm, Ernst & Young LLP:

	2002	2003
Audit Fees(1)	\$ 225,565	\$ 275,395
Audit-Related Fees(2)	15,750	72,500
Tax Fees(3)	40,320	55,052
	\$ 281,635	\$ 402,947

-
- (1) Audit fees include the audit of InsWeb's financial statement (including required quarterly reviews) and other procedures required to be performed by the independent auditors to be able to form an opinion on the Company's consolidated financial statements.
- (2) Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent auditors. Audit-related services in 2002 and 2003 consisted of the audit of the Company's employee benefit plan. Audit-related services in 2003 also included consultations related to the Sarbanes-Oxley Act of 2002.
- (3) Tax fees include tax return preparation, tax compliance, tax planning and tax advice.

The Audit Committee considered the role of Ernst & Young LLP in providing non-audit services to InsWeb and has concluded that such services are compatible with Ernst & Young's independence as InsWeb's auditors.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee the authority to approve permitted services, provided that the chair reports any decisions to the Audit Committee at its next scheduled meeting.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

InsWeb has a classified Board of Directors consisting of two Class I directors (Messrs. Puccinelli and Guthrie), two Class II directors (Messrs. Corroon and Orr), and two Class III directors (Messrs. Enan and Chookaszian) who will serve until the Annual Meetings of Stockholders to be held in 2006, 2004 and 2005, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting dates.

The term of the Class II directors will expire on the date of the upcoming annual meeting. One Class II director, Ronald D. Fisher, resigned from the Board on April 22, 2004 and will not stand for election. Accordingly, two persons are to be elected to serve as the Class II directors of the Board of Directors at the meeting. Management's nominees for election by the stockholders to the position are the current Class II Directors, Mr. Corroon and Mr. Orr. Please see "Information About InsWeb-Management" above for information concerning the nominees. If elected, the nominees will serve as directors until InsWeb's Annual Meeting of Stockholders in 2007 and until their successors are elected and qualified. If a nominee declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although InsWeb knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as InsWeb may designate.

If a quorum is present, the two nominees for Class II director receiving the highest number of votes will be elected as Class II directors. Abstentions and broker non-votes have no effect on the vote.

The Board of Directors recommends a vote "FOR" the nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors of InsWeb has selected Ernst & Young LLP as independent auditors to audit the consolidated financial statements of InsWeb for the fiscal year ending December 31, 2004. Ernst & Young LLP has acted in such capacity since its appointment in fiscal year 2001. A representative of Ernst & Young LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting of stockholders at which a quorum representing a majority of all outstanding shares of Common Stock of InsWeb is present, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Neither abstentions nor broker non-votes will have any effect on the outcome of the proposal.

The Board of Directors recommends a vote "FOR" ratification of the appointment of Ernst & Young LLP as InsWeb's independent auditors for the fiscal year ending December 31, 2004.

**STOCKHOLDER PROPOSALS TO BE PRESENTED
AT NEXT ANNUAL MEETING**

Under InsWeb's bylaws, in order for stockholder business to be properly brought before a meeting by a stockholder, such stockholder must have given timely notice thereof in writing to the Secretary of InsWeb. To be timely, such notice must be delivered to or mailed and received at InsWeb's principal executive offices, not less than 30 days nor more than 60 days prior to the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made.

In connection with InsWeb's next annual meeting of stockholders, under the Securities and Exchange Commission Rule 14a-4, management may solicit proxies that confer discretionary authority to vote with respect to any non-management proposal unless InsWeb has received notice of the proposal not later than March 20, 2004.

Proposals of stockholders intended to be included in InsWeb's proxy statement for the next annual meeting of the stockholders of InsWeb must be received by InsWeb at its offices at 11290 Pyrites Way, Suite 200, Gold River, California 95670, no later than January 3, 2005, and satisfy the conditions established by the Securities and Exchange Commission for stockholder proposals to be included in InsWeb's proxy statement for that meeting.

TRANSACTION OF OTHER BUSINESS

At the date of this Proxy Statement, the Board of Directors knows of no other business that will be conducted at the 2004 Annual Meeting of Stockholders of InsWeb other than as described in this Proxy Statement. If any other matter or matters are properly brought before the meeting, or any adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.

By Order of the Board of Directors

General Counsel*

CHARTER OF THE AUDIT COMMITTEE OF THE

BOARD OF DIRECTORS

I. STATEMENT OF POLICY

This Charter specifies the scope of the responsibilities of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of InsWeb Corporation (the "Company") and the manner in which those responsibilities shall be performed, including its structure, processes and membership requirements.

The primary purpose of the Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements and to assist the Board in fulfilling its oversight responsibilities by reviewing and reporting to the Board on the integrity of the financial reports and other financial information provided by the Company to any governmental body or to the public, and on the Company's compliance with legal and regulatory requirements. The Committee shall also review the qualifications, independence and performance, and approve the terms of engagement of the Company's independent auditor and prepare any reports required of the Committee under rules of the Securities and Exchange Commission ("SEC").

The Company shall provide appropriate funding, as determined by the Committee, to permit the Committee to perform its duties under this Charter, to compensate its advisors and to compensate any registered public accounting firm engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Committee, at its discretion, has the authority to initiate special investigations, and hire special legal, accounting or other outside advisors or experts to assist the Committee, as it deems necessary to fulfill its duties under this Charter. ¹

SEC Release 34-47137 proposes a definition of "affiliated person" as "a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with," the Company, deeming a person to be in "control" of the Company if such person is (a) a director or executive officer of the Company, (b) beneficially owns or controls, directly or indirectly, 10% or more of any class of the Company's equity securities or is otherwise an affiliate of the Company or any subsidiary of the Company or (c) a director, executive officer, partner, member, principal or designee of an affiliate of the Company.

Each member of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. In addition, at least

one member shall have past employment experience in finance or accounting, professional certification in accounting, or other comparable experience or background resulting in the individual being financially sophisticated, which may include being or having been a chief executive, chief financial or other senior officer with financial oversight responsibilities.

The members of the Committee shall be appointed by the Board and shall serve until their successors are duly elected and qualified or their earlier resignation or removal. Any member of the Committee may be replaced by the Board. Unless a chairman is elected by the full Board, the members of the Committee may designate a chairman by majority vote of the full Committee membership. The Committee may form and delegate authority to subcommittees, or to one or more members of the Committee, when appropriate.

MEETINGS

The Committee shall meet as often as it determines, but not less frequently than quarterly. The Committee shall meet with management and the independent auditor in separate executive sessions as appropriate. The Committee shall meet with the independent auditor and management on a quarterly basis to review the Company's financial statements and financial reports. The Committee shall maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The Committee will also record summaries of its recommendations to the Board in written form, which will be incorporated as part of the minutes of the Board meeting at which those recommendations are presented.

iii. Review and discuss earnings press releases and other information provided to securities analysts and rating agencies, including any "pro forma" or adjusted financial information.

iv. Periodically meet separately with management and with the independent auditor.

v. Review with management and the independent auditor any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.

vi. When applicable, review with management its assessment of the effectiveness and adequacy of the Company's internal control structure and procedures for financial reporting ("Internal Controls"), review with the independent auditor the attestation to and report on

vii. Review and discuss with management and the independent auditor any off-balance sheet transactions or structures and their effect on the Company's financial results and operations, as well as the disclosure regarding such transactions and structures in the Company's public filings.

c. Risk Management, Related Party Transactions, Legal Compliance and Ethics

i. Review with the chief executive and chief financial officer of the Company any report on significant deficiencies in the design or operation of the Internal Controls that could adversely affect the Company's ability to record, process, summarize or report financial data, any material weaknesses in Internal Controls identified to the auditors, and any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's Internal Controls.

ii. Review and approve any related-party transactions, after reviewing each such transaction for potential conflicts of interests and other improprieties.

INSWEB CORPORATION

**CHARTER OF THE COMPENSATION COMMITTEE OF THE
BOARD OF DIRECTORS**

I. PURPOSE

This Charter specifies the scope of the responsibilities of the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of InsWeb Corporation (the "Company") and the manner in which those responsibilities shall be performed, including its structure, processes and membership requirements.

The primary purpose of the Committee is to discharge the Board's responsibilities relating to compensation and benefits of the Company's executive officers (i.e., the Chairman of the Board, the Chief Executive Officer, the Chief Financial Officer, and all other "Senior Executives") and directors. In carrying out these responsibilities, the Committee shall review all components of executive officer and director compensation for consistency with the Committee's compensation philosophy in effect from time to time.

The Committee is also responsible for producing an annual report on executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations.

II. ORGANIZATION AND MEMBERSHIP REQUIREMENTS

The Committee shall be comprised of at least three directors, each of whom shall satisfy the independence requirements of Nasdaq. A director shall not serve as a member of the Committee if the Chief Executive Officer or another executive officer of the Company serves on the compensation committee of another company that employs that director as an executive officer.

The members shall be appointed by the Board and shall serve until their successors are duly elected and qualified or their earlier resignation or removal. Unless a chairman is elected by the Board, the members of the Committee may designate a chairman by the majority vote of the full Committee membership. The Committee may from time to time delegate duties or responsibilities to subcommittees or to one member of the Committee.

The Committee shall have the authority to obtain advice or assistance from consultants, legal counsel, accounting or other advisors as appropriate to perform its duties hereunder and to determine the terms, costs and fees for such engagements. Without limitation, the Committee shall have the sole authority to retain or terminate any consulting firm used to evaluate director, CEO or executive compensation, and to determine and approve the terms of the engagement fees and costs for such engagements. The fees and costs of any consultant or advisor engaged by the Committee to assist it in performing any duties hereunder shall be borne by the Company.

III. MEETINGS

The Committee shall meet as often as it deems appropriate, but not less frequently than once each year, to review the compensation of the executive officers and other employees of the Company, and otherwise perform its duties under this charter.

A majority of the members shall represent a quorum of the Committee, and, if a quorum is present, any action approved by at least a majority of the members shall represent the valid action of the Committee.

The Committee shall maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The Committee will also record its summaries of

recommendations to the Board in written form, which will be incorporated as part of the minutes of the Board meeting at which those recommendations are presented.

IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES

To fulfill its responsibilities and duties, the Committee shall:

1. Review and approve the Company's overall compensation policy and its administration.
2. Review and approve all compensation for the Chief Executive Officer, including incentive-based and equity-based compensation.
3. Review and approve annual performance objectives and goals relevant to compensation for the Chief Executive Officer and evaluate the performance of the Chief Executive Officer in light of these goals and objectives.
4. Consider, in determining the long-term incentive component of compensation for the Chief Executive Officer, the Company's performance and relative shareholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the Company's Chief Executive Officer in past years.
5. Review and approve incentive-based or equity-based compensation plans in which the Company's executive officers participate.
6. Approve all employment, severance, or change-in-control agreements, special or supplemental benefits, or provisions including the same, applicable to executive officers.
7. Periodically review and advise the Board concerning both regional and industry-wide compensation practices and trends in order to assess the adequacy and competitiveness of the Company's compensation programs for the CEO, other executive officers and directors relative to comparable companies in the Company's industry.
8. Review and propose to the Board from time to time changes in director compensation and director retirement policies.
9. Prepare an annual report on executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations.
10. Perform such other activities consistent with this Charter, the Company's Bylaws and governing law, as the Committee or the Board deems necessary or appropriate.
11. Make regular reports to the Board of Directors regarding the foregoing.
12. Review and reassess the adequacy of this Charter and recommend any proposed changes to the Board for approval.
13. Review and evaluate the Committee's own performance on an annual basis.
