## INTRODUCTION

This Rule 13e-3 Transaction Statement on Schedule 13E-3 is being filed jointly by Blackhawk Bancorp, Inc., a Wisconsin corporation (the "Company"), and Blackhawk State Bank, a Wisconsin-chartered commercial bank and wholly-owned subsidiary of the Company (the "Bank"), pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended, and Rule 13e-3 thereunder. We are proposing that the Company's shareholders adopt amendments to the Company's articles of incorporation that will result in a reverse/forward stock split transaction. If the split transaction is completed, our shareholders of record who hold only fractional shares after giving effect to the 1-for-1,000 reverse stock split will receive a payment of \$15.25 per share for each pre-split share. If the split transaction is completed, shareholders of record with less than 1,000 shares prior to the reverse stock split will have no interest in the company and will become entitled only to a cash payment for their shares. The Company expects to pay approximately \$1,000,000 to its shareholders in the aggregate in the reverse stock split. After the Company completes the reverse stock split and identifies those shareholders entitled to payment for their pre split shares, it will complete a forward stock split in which each share of common stock will be converted into 1,000 shares of common stock post-split. As a result, shareholders of record who hold 1,000 or more shares prior to the split transaction will ultimately hold the same number of shares following the split transaction. The effect of the split transaction will be to reduce the number of shareholders of record to less than 300, which will allow the Company to suspend its reporting obligations.

This Schedule 13-E is being filed with the Securities and Exchange Commission concurrently with a preliminary proxy statement filed by the Company pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, pursuant to which the holders of the common stock will be given notice of the special meeting at which they will be asked to approve the reverse and forward stock splits, and to transact any other business properly brought before the special meeting.

The information contained in the proxy statement is hereby expressly incorporated herein by reference and the responses to each item are qualified in their entirety by reference to the information contained in the proxy statement. As of the date hereof, the proxy statement is in preliminary form and is subject to completion or amendment. This Schedule 13E-3 will be amended to reflect such completion or amendment of the proxy statement.

All parenthetical references under the various Items contained in this Schedule 13E-3 are references to the corresponding Items contained in Regulation M-A under the Exchange Act.
