**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On November 22, 2004, Mercer International Inc. ("Mercer"), its wholly owned subsidiary 0706906 B.C. Ltd. (the "Purchaser"), and KPMG Inc. ("KPMG") in its capacity as receiver of all of the assets and undertakings of Stone Venepal (Celgar) Pulp Inc. ("Celgar") entered into a definitive asset purchase agreement (the "Purchase Agreement") pursuant to which the Purchaser will acquire (the "Acquisition") substantially all of the assets of Celgar from KPMG. The assets of Celgar are comprised primarily of an NBSK pulp mill located at Castlegar, British Columbia. The pulp mill has an annual production capacity of approximately 430,000 tonnes of NBSK pulp. The purchase price for the Acquisition is \$210 million of which \$170 million is payable in cash and \$40 million is payable in shares of Mercer's stock, plus an amount for the defined working capital of Celgar on closing of the Acquisition.

The Purchase Agreement contains customary representations and warranties, closing and termination provisions. The closing of the Acquisition, which Mercer expects to occur by the first part of 2005, is subject to the satisfaction of a number of conditions customary for transactions of this nature, including receipt of certain regulatory approvals including: the expiration or earlier termination of the applicable statutory waiting periods under the *Competition Act* (Canada) and the *Hart-Scott-Rodino Antitrust Improvements Act of 1976*; a determination that the transaction is of net benefit under the *Investment Canada Act*; and the receipt of a vesting order from the applicable court vesting title to the purchased assets in the Purchaser.

The Acquisition is also subject to Mercer securing satisfactory financing (the "Financing") and closing occurring on or before February 28, 2005 with an extension available in certain circumstances.

The foregoing description does not purport to be a complete statement of the parties' rights and obligations under the Purchase Agreement and the transactions contemplated by the Purchase Agreement. The foregoing description is qualified in its entirety by reference to the Purchase Agreement, a copy of which is attached to this Current Report as Exhibit 2.1 and is incorporated herein by reference.

**ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES**

Pursuant and subject to the terms and conditions of the Purchase Agreement including, without limitation, the prior completion of the Financing, as part of the purchase consideration for the Acquisition, on closing Mercer will issue to KPMG, or to the two secured lenders of Celgar or their respective affiliates, \$40 million of shares of beneficial interest of Mercer. These shares will be issued at a price equal to the greater of: (a) U.S.\$7.75; and (b) the amount determined by dividing the aggregate sale price of all shares sold on the Nasdaq National Market during the period of 20 consecutive trading days ending on the fifth business day prior to the closing of the Acquisition by the total number of shares sold on the Nasdaq National Market during such period. However, if such calculated share price is equal to or greater than U.S.\$9.50, the share price will be U.S.\$9.50.

The Mercer shares to be issued as part of the purchase consideration for the Acquisition will be issued in reliance on Rule 144A or such other applicable exemptions from registration as may be available. These shares have not been registered under the United States *Securities Act of 1933* and may not be offered or sold in the United States absent such registration or exemption therefrom. Pursuant to the terms of the Purchase Agreement, Mercer has agreed to use its commercially reasonable efforts to have declared effective a registration statement to register such shares within 180 days of the closing of the Acquisition.
