PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
Wednesday, February 16, 2005

Our annual meeting of stockholders will be held on Wednesday, February 16, 2005 at the Garden City Hotel, Garden City, New York at 10:00 a.m. Our Board of Directors is soliciting your proxy to vote your shares of common stock at the annual meeting. This proxy statement, which was prepared by our management for the Board, contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being sent to stockholders on or about January 7, 2005.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting on the election of directors.

We do not expect you to vote on any other matters at the meeting.

In addition, our management will report on our performance during fiscal 2004 and respond to your questions.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on January 3, 2005. Each share of stock is entitled to one vote.

How do I vote?

You can vote in two ways:

by attending the meeting or

by completing, signing, dating and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the vote is taken at the meeting. You can do this by (1) properly completing another proxy with a later date and returning it to us prior to the meeting or filing with our corporate secretary a written notice revoking your proxy, or (2) voting again at the meeting.

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the nominee directors.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Company, and their telephone number is 800-937-5449.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including the election of directors. When a brokerage firm votes its customer's unvoted shares, these shares are counted for purposes of establishing a quorum. At our meeting these shares will be counted as voted by the brokerage firm in the election of directors.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares of common stock as of January 3, 2005 must be present at the meeting. This is referred to as a quorum. On January 3, 2005, there were 28,946,702 shares of common stock outstanding and entitled to vote.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Shares not voted will have no effect on the vote for election of directors.

The employment agreements also provide for cost of living adjustments, life insurance and medical care reimbursement for the executive and his spouse. In addition, the employment agreements provide, following the disability of the executive, for lifetime medical insurance for the executive and his spouse and, following the death of the executive, for such insurance for his spouse.

The employment agreements further provide that in the event there is a change in the control of the company, as defined therein, each executive has the option, exercisable within one year after such event, to terminate his employment agreement. Upon such termination, he has the right to receive as a lump sum payment the compensation (including incentive bonus, if any) remaining to be paid for the balance of the term of the agreement. In addition, we will provide the executive with a tax gross-up payment to cover any excise tax due.

Stock and Compensation Plans*Stock Option Plans*

We maintain various stock option plans under which options generally vest 50% one year after date of grant and 100% two years after date of grant. The purchase price of the shares of common stock subject to each option granted is not less than 100% of the fair market value at the date of grant. The term of each option is generally ten years and is determined at the time of grant by the Board of Directors or its Compensation Committee. The participants in these plans are officers and employees of the company and its subsidiaries or affiliates, except that our 1998 Employee and Director Stock Option Plan may also include directors and consultants.

Name of Plan	Shares Issuable for Exercisable Options as of November 30, 2004	Range of Exercise Prices of Outstanding Options	Shares Issuable under Options Available for Grant at November 30, 2004

Compensation Plans

Senior Management Incentive Compensation Plan. Our Senior Management Incentive Compensation Plan (the "Incentive Plan"), which was adopted by the Board of Directors in November 1997 and approved by the stockholders in February 1998, provides for annual bonuses to Messrs. Blau and Balemian based upon company performance. Under the Incentive Plan, each of Messrs. Blau and Balemian is entitled to receive a bonus based upon our consolidated pretax earnings, as defined, for each fiscal year. In the case of Mr. Blau, the annual bonus equals 4% of the first \$5,000,000 of consolidated pretax earnings, plus 5% of the amount of consolidated pretax earnings in excess of \$5,000,000. In the case of Mr. Balemian, the annual bonus equals 2.5% of the first \$3,000,000 of consolidated pretax earnings, plus 3.5% of the next \$2,000,000 of consolidated pretax earnings, plus 5% of the amount of consolidated pretax earnings in excess of \$5,000,000.

Upon a Change in Control of the company (as defined in the Incentive Plan), bonuses will be paid, with respect to the portion of our then current fiscal year before the Change in Control, based upon performance for that portion of the year.

Outside Director Stock Award Plan. We have an Outside Director Stock Award Plan (the "Outside Director Plan"), which was approved by stockholders in 1994, under which 330,000 shares of common stock may be issued to non-employee directors. Annually, at the time of each annual meeting of stockholders, each eligible director is awarded shares of our common stock having a value of \$10,000, which shares vest in equal installments over a three-year period. During fiscal 2004, 4,650 shares of common stock were issued under the Outside Director Plan. As of November 30, 2004, an aggregate of 217,534 shares of common stock remained available for future grants under the Outside Director Plan.

Employee Stock Ownership Plan. In May 1983, we adopted an Employee Stock Ownership Plan, as amended ("ESOP" or "Plan"). Our employees and employees of our subsidiaries are eligible to participate in the Plan, provided they are not members of a collective bargaining unit. The ESOP has a Trustee, U.S. Trust Company, N.A. (the "Trustee"), who votes the securities held by the Plan (other than securities of the company which have been allocated to employees' accounts).

The annual contributions to the Plan are to be in such amounts as the Board of Directors in its sole discretion shall determine. Historically, the Board of Directors has authorized contributions in an amount sufficient to satisfy the Plan's obligations with respect to the Loan Agreement described below. Each employee who participates in the Plan has a separate account and the annual contribution by us to an employee's account is not permitted to exceed the lesser of \$40,000 (or such other limit as may be the maximum permissible pursuant to the provisions of Section 415 of the Internal Revenue Code and Regulations issued thereunder) or 100% of such employee's annual compensation, as defined under the Plan. No contributions are required of, nor are any accepted from, any employee.

Contributions to the Plan are invested primarily in the company's securities. The Trustee has the right to purchase the company's securities on behalf of employees. The Trustee is considered the shareholder for the purpose of exercising all owners' and shareholders' rights, with respect to the company's securities held in the Plan, except for voting rights, which inure to the benefit of each participant who can vote all shares of common stock held in his account, even if said shares are not vested. As of November 30, 2004, there were 2,707,606 shares of common stock in the Plan, of which 2,483,573 were allocated to employees and 224,033 were unallocated.

The Trustee is empowered to borrow funds for the purpose of purchasing the company's securities. The securities so purchased are required to be held in an acquisition indebtedness account, to be released and made available for allocation as principal and interest are repaid. The ESOP has entered into a loan agreement, the proceeds of which were used to purchase our common stock. The loan is guaranteed by us and is being repaid in quarterly installments through 2007. As of November 30, 2004, the Plan had outstanding borrowings of \$3,000,000.

Supplemental Executive Retirement Plan

Effective October 1, 1996, we adopted the Griffon Corporation Supplemental Executive Retirement Plan ("SERP") for certain of our officers.

The normal retirement age under the SERP is 72. No benefit is payable unless a participant is vested at the time of termination of employment. A participant's right to receive a benefit vests after 20 years of service and one year of participation in the SERP, or upon a Change of Control (as defined in the SERP).

The SERP provides an annual benefit upon termination equal to the sum of .25% of Average Base Salary and 1.5% of Average Bonus/Incentive Compensation multiplied by completed years of service (up to a maximum of 30). "Average" means the average of the three highest paid years out of the last ten prior to retirement. The benefit is reduced by any Social Security benefit attributable to the employment of the participant. Benefits are adjusted for early retirement and retirement after the normal retirement date. Retirement benefits are payable for life, with a guarantee of 10 years of payments. In addition, the SERP provides a pre-retirement death benefit payable for 10 years to the participant's beneficiary.

The following tables show the projected annual benefits payable at age 72 under the SERP before the reduction for Social Security benefits. A participant's SERP benefit would be the total of the applicable amounts from each table, minus the Social Security benefit attributable to the participant's employment. The number of years of service of the participants as of November 30, 2004 are: Mr. Blau, 32; Mr. Balemian, 31; and Mr. Alesia, 31.

(1) Average of a participant's base salary for the highest three years out of the last ten prior to retirement.

(2) Average of a participant's bonus/incentive compensation for the highest three years out of the last ten prior to retirement.

Certain Transactions

Edward I. Kramer, our Vice President, is a member of the law firm of Kramer, Coleman, Wactlar & Lieberman, P.C., our general counsel for fiscal 2004. During fiscal 2004, we paid approximately \$410,000 in legal fees to this firm. Legal fees paid by us to this law firm were approved by the Board of Directors.

Compensation Committee Interlocks and Insider Participation

During fiscal 2004, our Compensation Committee consisted of Messrs. Henry A. Alpert, Abraham M. Buchman, Dr. Bertrand M. Bell and Rear Admiral Clarence A. Hill, Jr. (Ret.). None of these persons were our officers or employees during fiscal 2004 nor had any relationship requiring disclosure in this Proxy Statement.

Filings made by companies with the Securities and Exchange Commission sometimes "incorporate information by reference." This means the company is referring you to information that has been previously filed with the SEC and that this information should be considered as part of the filing you are reading. The Compensation Committee Report, Audit Committee Report and Stock Performance Graph in this proxy statement are not incorporated by reference into any other filings with the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation of our executive officers is generally determined by the Compensation Committee of the Board of Directors, subject to applicable employment agreements and incentive plans. Each member of the Compensation Committee is a director who is not employed by us or any of our affiliates. The following report with respect to certain compensation paid or awarded to our executive officers during fiscal 2004 is furnished by the directors who comprised the Compensation Committee during fiscal 2004.

Executive Compensation Objectives

Our compensation programs are intended to enable us to attract, motivate, reward and retain the management talent required to achieve corporate objectives, and thereby increase shareholder value. It is our policy to provide incentives to senior management to achieve both short-term and long-term objectives and to reward exceptional performance and contributions to the development of our businesses. To attain these objectives, our executive compensation program includes a competitive base salary, cash incentive bonuses and stock-based compensation. See "Management Employment Agreements" and "Management Stock and Compensation Plans."

Stock options are granted to employees, including our executive officers, by the Compensation Committee under our stock option plans. The Committee believes that stock options provide an incentive that focuses the executive's attention on managing our company from the perspective of an owner with an equity stake in the business. Options are awarded with an exercise price equal to the fair market value of common stock on the date of grant, have a maximum term of ten years and generally become exercisable for half of the option shares one year from the date of grant and for all of the option shares two years from the date of grant. Among our executive officers, the number of shares of common stock subject to options granted to each individual generally depends upon the level of that officer's responsibility. The largest grants are generally awarded to the most senior officers who, in the view of the Compensation Committee, have the greatest potential impact on our profitability and growth. Previous grants of stock options are reviewed but are not considered the most important factor in determining the size of any executive's stock option award in a particular year.

From time to time, the Compensation Committee utilizes the services of independent consultants to perform analyses and to make recommendations to the Committee relative to executive compensation matters.

Determining Executive Officer Compensation

The Compensation Committee annually establishes, subject to the approval of the Board of Directors, and the terms of any applicable employment agreements and our Senior Management Incentive Plan ("Incentive Plan"), the salaries which will be paid to our executive officers during the coming year. In setting salaries, the Compensation Committee takes into account several factors, including competitive compensation data, the extent to which an individual may participate in the stock plans maintained by us, and qualitative factors bearing on an individual's experience, responsibilities, management and leadership abilities, and job performance.

For fiscal 2004, pursuant to the terms of his employment agreement with us and the Incentive Plan, Mr. Robert Balemian, our President and Chief Financial Officer, received a base salary and an incentive bonus based on our Consolidated Pretax Earnings. See "Management Employment Agreements" and "Management Senior Management Incentive Compensation Plan." Mr. Patrick L. Alesia, our Vice President and Treasurer received a base salary, a cash bonus and a grant of stock options under our 1998 Employee and Director Stock Option Plan. Mr. Edward I. Kramer, our Vice President, Administration and Secretary, received a base salary. The Compensation Committee determined that the base salaries paid to Messrs. Alesia and Kramer, the bonus paid to Mr. Alesia and the grant of stock options to Mr. Alesia were appropriate given our financial performance, the substantial contributions made by them to such performance and the compensation levels of executives at comparable companies.

Compensation of Chief Executive Officer

For fiscal 2004, pursuant to the terms of his employment agreement with us and the Incentive Plan, Mr. Harvey R. Blau, our Chairman and Chief Executive Officer, received a base salary and an incentive bonus based on our Consolidated Pretax Earnings. See "Management Employment Agreements" and "Management Stock and Compensation Plans."

AUDIT COMMITTEE REPORT

As required by its written charter, which sets forth its responsibilities and duties, a copy of which is attached as Exhibit A to this Proxy Statement, the Audit Committee reviewed and discussed our audited financial statements as of and for the year ended September 30, 2004 with management.

The Audit Committee reviewed and discussed with representatives of PricewaterhouseCoopers LLP, our independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, (edification of Statements on Auditing Standards, AU §380), as amended. The Audit Committee has also received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standard No. 1, "Independence Discussions with Audit Committees", as amended by the Independence Standards Board, and has discussed with PricewaterhouseCoopers LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2004 for filing with the Securities and Exchange Commission.

The Audit Committee has also reviewed and discussed the fees paid to PricewaterhouseCoopers LLP during the last fiscal year for audit and non-audit services, which are set forth below under "Audit and Related Fees" and has considered whether the provision of the non-audit services is compatible with maintaining PricewaterhouseCoopers LLP's independence and concluded that it is.

William H. Waldorf (Chairman)
Abraham M. Buchman
Martin S. Sussman
Joseph J. Whalen

Audit Committee Financial Expert

The Board has determined that Joseph J. Whalen, a member of the Audit Committee since 1999, qualifies as an "Audit Committee Financial Expert", as defined by Securities and Exchange Commission Rules, based on his education, experience and background.

Pre-Approval Policies

Our Audit Committee has adopted a statement of principles with respect to the pre-approval of services provided by the independent registered public accounting firm, a copy of which is attached as Exhibit A to this Proxy Statement. In accordance with the statement of principles, the Audit Committee determined that all non-prohibited services to be provided by the independent registered public accounting firm are to be approved in advance pursuant to a proposal from such independent registered public accounting firm and a request by management for approval.

MISCELLANEOUS INFORMATION

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Exchange Act of 1934, as amended, requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities ("Reporting Persons") to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and the New York Stock Exchange. These Reporting Persons are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC and The New York Stock Exchange. Based solely upon our review of the copies of the forms we have received, we believe that all Reporting Persons complied on a timely basis with all filing requirements applicable to them with respect to transactions during fiscal 2004.

Matters to be Considered at the Meeting

The Board of Directors does not intend to present to the meeting any matters not referred to in the form of proxy. If any proposal not set forth in this Proxy Statement should be presented for action at the meeting, and is a matter which should come before the meeting, it is intended that the shares represented by proxies will be voted with respect to such matters in accordance with the judgment of the persons voting them.

Cost of Solicitation

The cost of soliciting proxies in the accompanying form, which we estimate to be \$65,000, will be paid by us. In addition to solicitations by mail, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy material to their principals, and we may reimburse them for their expenses in so doing. To the extent necessary in order to assure sufficient representation, our officers and regular employees may request the return of proxies personally, by telephone or telegram. The extent to which this will be necessary depends entirely upon how promptly proxies are received, and stockholders are urged to send in their proxies without delay.

Deadline for Submission of Stockholder Proposals for the 2006 Annual Meeting

Proposals of stockholders intended to be presented at the 2006 Annual Meeting of Stockholders pursuant to SEC Rule 14a-8 must be received at our principal office not later than September 9, 2005 to be included in the proxy statement for that meeting.

In addition, our by-laws require that we be given advance notice of stockholder nominations for election to the Board of Directors and of other matters which stockholders wish to present for action at an

annual meeting of stockholders. The required notice must be delivered to the Secretary of the company at our principal offices not less than 90 days and not more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. These requirements are separate from and in addition to the SEC requirements that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

Pursuant to our by-laws, if notice of any stockholder proposal is received after November 18, 2005, then the notice will be considered untimely and we are not required to present such proposal at the 2006 Annual Meeting. If the Board of Directors chooses to present a proposal submitted after November 18, 2005 at the 2006 Annual Meeting, then the persons named in proxies solicited by the Board of Directors for the 2006 Annual Meeting may exercise discretionary voting power with respect to such proposal.

We will provide without charge to any stockholder as of the record date, copies of our Annual Report on Form 10-K, upon written request delivered to Edward I. Kramer, Secretary, at the Company's offices at 100 Jericho Quadrangle, Jericho, New York 11753.

Directors,
EDWARD I. KRAMER
Secretary

AUDIT COMMITTEE STATEMENT OF PRINCIPLES

I.

Statement of Principles

The Audit Committee is required to approve in advance all services performed by the independent auditor in order to assure that the providing of such services does not impair the auditor's independence. Such services may be audit, audit-related, tax or other services. Approval may be given in any of the following methods:

A. General Approval given annually in advance pursuant to a proposal from the independent auditor and request by management for approval. Normally includes audit, audit-related and tax services, given at a meeting addressing the annual engagement proposal from the independent auditor.

B. General Pre-approval given annually in advance in an amount to be used as budget for one or more unanticipated engagements as requested by management. Normally includes minor audit, audit-related and tax services for which specific proposals are not available at the time of the annual General Approval.

C. Specific Pre-approval given from time to time as conditions may dictate for specific engagements not anticipated and already approved, pursuant to a proposal from the independent auditor and request by management. Normally includes services which are not included in the definitions of audit, audit-related or tax services or are in excess of the cumulative amounts set forth in General Pre-approval.

II.

Delegation

The Audit Committee does not delegate its responsibilities to approve or pre-approve any service provided by the independent auditor. In cases where Specific Pre-Approval is required, the Committee may delegate its authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting for affirmation. Until changed by a majority vote of the members of the Audit Committee, the members authorized to have pre-approval authority are William H. Waldorf and Martin S. Sussman.

III.

Services

A. Audit Services The annual Audit Services engagement terms and fees will be subject to the General Approval of the Audit Committee. The Audit Committee may approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure or other matters. In addition to the annual Audit Services engagement proposal approved by the Audit Committee, the Committee may grant General Pre-approval for other Audit Services, which are those services that only the independent auditor reasonably can provide.

B. Audit-related Services These are services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by an independent auditor. The Audit Committee believes that the performance of Audit-related Services does

not impair the independence of the auditor. All Audit-related Services are to be given either General Approval or General Pre-approval by the Audit Committee.

C. Tax Services The Audit Committee believes that the independent auditor can provide Tax Services to the Company such as tax compliance, tax planning and tax advice without impairing the auditor's independence. All Tax Services are to be given either General Approval or General Pre-approval by the Audit Committee.

D. Other Services The Audit Committee may grant Specific Pre-approval to those permissible services which do not fall within the above-defined categories of service. Such services are normally routine and recurring services that would not impair the independence of the auditor. The SEC's rules and relevant guidance will be consulted from time to time to determine the precise definitions of such services and the applicability of any exceptions to prohibited services.

IV.

Procedures

Requests of management and proposals from the independent auditor to provide services that require approval by the Audit Committee shall be submitted to the Committee or an individual to which authority has been delegated. Requests for approval must include (i) a statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence and that the fees requested are reasonable, and (ii) if the request is not for Audit Services, a statement from counsel for the Company that the services to be performed are not prohibited services under the Sarbanes-Oxley Act of 2002.
