Item 14. Indemnification of Directors and Officers

Delaware. The General Corporation Law of the State of Delaware ("DGCL") authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties. The certificates of incorporation of the Delaware registrants include a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director, except for liability for breach of duty of loyalty; for acts or omissions not in good faith or involving intentional misconduct or knowing violation of law; under Section 174 of the DGCL (unlawful dividends and stock repurchases); or for transactions from which the director derived improper personal benefit.

The certificates of incorporation of the Delaware registrants provide that these registrants must indemnify their directors and officers to the fullest extent authorized by the DGCL and must also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this section or otherwise.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our certificate of incorporation, our by laws, agreement, vote of stockholders or disinterested directors or otherwise.

The purchase agreement to be entered into between RBC Bearings Incorporated and the underwriters in connection with this offering will include provisions pursuant to which the underwriters indemnify the directors and officers of RBC Bearings Incorporated.

RBC Bearings Incorporated maintains insurance to protect itself and its directors and, officers and those of its subsidiaries against any such expense, liability or loss, whether or not it would have the power to indemnify them against such expense, liability or loss under applicable law.

Item 15. Recent Sales of Unregistered Securities

Set forth in chronological order is information regarding all securities sold and employee stock options granted since April 1, 2002 by us. Also included is the consideration, if any, received for such securities, and information relating to the section of the Securities Act of 1933, as amended, and the rules of the Securities and Exchange Commission pursuant to which the following issuances were exempt from registration. None of these securities were issued under the Securities Act. No award of options involved any sale under the Securities Act. No sale of securities involved the use of an underwriter and no commissions were paid in connection with the sales of any securities. All shares amounts set forth in this Item 15 are prior to giving effect to our 5-for-2 stock split which will be completed prior to the consummation of this offering.

1. At various times during the period from April 2002 through July 2005, we granted options pursuant to our 2001 Stock Option Plan, as amended, to purchase an aggregate of 181,396.5 shares of our Class A Common Stock to employees and directors at exercise prices of \$8.00, \$20.00 and \$30.00.

Following the reclassification of our shares, all outstanding options to purchase our Class A Common Stock will become exercisable into shares of our newly created common stock in accordance with the terms of our 2001 Stock Option Plan, as amended. With the exception of options that are exercised in connection with this offering, we expect that substantially all outstanding options to purchase common stock held by our employees will be subject to a lock-up period of not less than 180 days following the date of this prospectus.

2. During fiscal year 2005, upon the exercise of options granted pursuant to our 2001 Stock Option Plan, as amended, we issued 16,056 shares of our Class A Common Stock for an aggregate purchase price of \$34,542.80 to one of our former directors and his affiliates.

3. During fiscal year 2005, upon the exercise of options granted pursuant to our 1998 Stock Option Plan, as amended, we issued 10,000 shares of our Class A Common Stock for an aggregate purchase price of \$134,347.70 to one of our employees and, upon the exercise of warrants pursuant to a warrant agreement between us and such employee, we issued 7,504 shares of our Class A Common Stock for an aggregate purchase price of \$74,987.47 to the employee.

4. On July 29, 2002, we issued and sold 240,000 shares of Class B Exchangeable Convertible Participating Preferred Stock of RBCI for an aggregate purchase price of \$24.0 million to Dr. Hartnett and an affiliate of Whitney RBHC Investor, LLC.

5. On February 6, 2003, we issued and sold 1,008.41 shares of Class A preferred stock for \$3 per share, or an aggregate purchase price of approximately \$3.0 million to Dr. Hartnett and an affiliate of Whitney RBHC Investor, LLC. On February 10, 2002, we exercised our option to repurchase such stock for the purchase price plus all accrued dividends. Accordingly, no Class A preferred stock is outstanding as of the date hereof.

The issuances of the securities described in paragraph 1 were exempt from registration under the Securities Act under Rule 701, as transactions pursuant to compensatory benefit plans and contracts relating to compensation as provided under such Rule 701. The recipients of such options and common stock were our employees and directors, who received the securities under our compensatory benefit plans or a contract relating to compensation. Appropriate legends were affixed to the share certificates issued in such transactions. All recipients either received adequate information from us or had adequate access, through their employment with us or otherwise, to information about us.

The issuances of the securities described in paragraphs 2 through 5 were exempt from registration under the Securities Act in reliance on Section 4(2) because the issuance of securities to recipients did not involve a public offering. The recipients of securities in each such transaction represented their intention to acquire the securities for investment only and not with a view to resale or distribution

thereof, and appropriate legends were affixed to share certificates and warrants issued in such transactions. Each of the recipients of securities in the transactions described in paragraphs 2 through 5 were accredited persons and had adequate access, through employment, business or other relationships, to information about us.

Schedule II-Valuation and Qualifying Accounts

The schedule entitled "Schedule II Valuation and Qualifying Accounts" set forth on page F-39 of the Company's Consolidated Financial Statements is hereby incorporated by reference herein.

Item 17. Undertakings

1.

The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

2.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification by the registrant against such liabilities, other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding, is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

3.

The undersigned registrant hereby undertakes that

(i) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(ii) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
