Dear Fellow Stockholder:

Otter Creek Partners I, LP and the other participants in this solicitation (collectively, the "Otter Creek Entities" or "we") are the beneficial owners of an aggregate of 1,427,050 shares of common stock of Conseco, Inc. ("Conseco" or the "Company"), representing approximately 0.8% of the outstanding shares of common stock of the Company. For the reasons set forth in the attached Proxy Statement, we believe that the Board of Directors of the Company (the "Board") has not acted in the best interests of its stockholders since the emergence of the Company from reorganization in September 2003. Six of the Company's nine director nominees, including Philip R. Roberts, have been on the Board since the Company's reorganization in 2003. During this time period, as shown in the stock performance graph in the Company's Annual Report Form 10-K, filed on March 31, 2009, the common stock of the Company has lost 76% of its value. We believe the overall strength of the Board would be improved with the addition to the Board of Roger Keith Long. The Otter Creek Entities are therefore seeking your support at the annual meeting of stockholders of the Company (the "Annual Meeting") scheduled to be held on May 12, 2009 at 8:00 a.m. local time at the Conseco Conference Center located at 11825 North Pennsylvania Street, Carmel, Indiana 46032, for the following:

1. To elect Roger Keith Long to the Company's Board of Directors instead of Philip R. Roberts and to elect eight other nominees for a one-year term ending in 2010;
2. To approve the adoption of a Section 382 Stockholders Rights Plan;
3. To vote against the approval of the Company's Amended and Restated Long-Term Incentive Plan;
4. To ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2009; and
5. To consider such other matters, if any, as may properly come before the Annual Meeting.

We are not seeking control of the Board. Rather, we are seeking one (1) out of nine (9) seats on the Board to ensure that the interests of the stockholders, the true owners of the Company, are vigorously represented in the boardroom by qualified and independent representatives. Through the attached Proxy Statement, we are soliciting proxies to elect not only Roger Keith Long as a director, but also the candidates who have been nominated by the Company other than Philip R. Roberts. This gives stockholders the ability to vote for the total number of directors up for election at the Annual Meeting. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if our nominee is elected.

The Otter Creek Entities urge you to carefully consider the information contained in the attached Proxy Statement and then to support our efforts by signing, dating and returning the enclosed **GOLD** proxy card today.

If you have already voted a proxy card furnished by the Company's management, you have every right to change your vote by signing, dating and returning a later dated proxy.

**PROXY STATEMENT
OF
OTTER CREEK PARTNERS I, LP**

PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

Otter Creek Partners I, LP, a Delaware limited partnership ("Otter Creek Partners"), Otter Creek Management, Inc., a Delaware corporation ("Otter Creek Inc."), Otter Creek International Ltd., a British Virgin Islands investment corporation ("Otter Creek International"), and Roger Keith Long (collectively, with Otter Creek Partners, Otter Creek Inc. and Otter Creek International, the "Otter Creek Entities" or "we") are stockholders of Consecoco, Inc., a Delaware corporation ("Consecoco" or the "Company"). The Otter Creek Entities are the participants in this solicitation. We believe that the Board of Directors of the Company ("the Board") has not acted in the best interests of its stockholders since its emergence from reorganization in September 2003. Six of the Company's nine director nominees, including Philip R. Roberts, have been on the Board since the Company's reorganization in 2003. During this time period, as shown in the stock performance graph in the Company's Annual Report Form 10-K, filed on March 31, 2009, the common stock of the Company has lost 76% of its value. We believe the overall strength of the Board would be improved by the addition to the Board of Roger Keith Long. We are therefore seeking your support at the annual meeting of stockholders of the Company scheduled to be held on May 12, 2009 at 8:00 a.m. local time at the Consecoco Conference Center, located at 11825 North Pennsylvania Street, Carmel, Indiana 46032, for the following, including any adjournments or postponements thereof and any meeting which may be called in lieu thereof (the "Annual Meeting"), for the following:

3. To vote against the approval of the Company's Amended and Restated Long-Term Incentive Plan;
4. To ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2009; and
5. To consider such other matters, if any, as may properly come before the Annual Meeting.

This Proxy Statement is soliciting proxies to elect not only Mr. Long, but also the candidates who have been nominated by the Company other than Philip R. Roberts. This gives stockholders who wish to vote for Mr. Long the ability to vote for nine (9) nominees in total.

As of April 27, 2009, the approximate date on which this Proxy Statement and the enclosed **GOLD** proxy card are first being distributed to stockholders, the Otter Creek Entities are the beneficial owners of an aggregate of 1,427,050 shares of common stock of the Company, par value \$0.01 per share (the "Shares"), which currently represent approximately 0.8% of the issued and outstanding Shares.

The Company has set the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting as March 16, 2009 (the "Record Date"). The mailing address of the principal executive offices of the Company is 11825 North Pennsylvania Street, Carmel, Indiana 46032. THIS SOLICITATION IS BEING MADE BY THE OTTER CREEK ENTITIES AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OR MANAGEMENT OF THE COMPANY. THE OTTER CREEK ENTITIES ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING. SHOULD OTHER MATTERS, WHICH THE OTTER CREEK ENTITIES ARE NOT AWARE OF IN A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED GOLD PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

THE OTTER CREEK ENTITIES URGE YOU TO SIGN, DATE AND RETURN THE GOLD PROXY CARD IN FAVOR OF THE ELECTION OF MR. LONG.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY CONSECO'S MANAGEMENT TO THE COMPANY, YOU MAY REVOKE THAT PROXY AND VOTE FOR THE ELECTION OF MR. LONG AND THE CANDIDATES WHO HAVE BEEN NOMINATED BY THE COMPANY OTHER THAN PHILIP R. ROBERTS BY SIGNING, DATING AND RETURNING THE ENCLOSED GOLD PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. REASONS FOR THE SOLICITATION

We have decided to nominate Roger Keith Long for election to the Board due to our concerns regarding the loss of significant stockholder value over the past five years. During this time period, as shown in the stock performance graph in the Company's Annual Report Form 10-K, filed on March 31, 2009, the common stock of the Company has lost 76% of its value. Despite raising over \$1 billion in fresh capital since its 2003 reorganization, we believe the Company finds itself in a challenged liquidity position which has led to restructuring of its credit lines at higher interest rates and with further restrictions on the Company to incur additional indebtedness. We believe the Company is in a challenged liquidity position because it states that (i) managing capital and liquidity to maintain compliance with debt covenants is one of its major goals for 2009, (ii) it has significant indebtedness which will require over \$165 million in cash to service in 2009, and (iii) its liquidity and ability to meet its holding company obligations may be constrained by the ability of its insurance subsidiaries to distribute cash, on pages 4, 22 and 92, respectively, of its Annual Report Form 10-K, filed on March 31, 2009. We believe that the election of a truly independent director with a fresh perspective and a willingness to explore all alternatives will significantly enhance the ability of the Company's stockholders to regain lost stockholder value and create future gains. Mr. Long is truly independent and has extensive experience relevant to the Company and the insurance industry. If elected to the Board, Mr. Long would be an "independent director" as that term is defined in the listing standards of the New York Stock Exchange. Mr. Long has previously served as a Director and Chairman of the Board of Directors of two publicly held insurance companies.

The Otter Creek Entities are the beneficial owners of an aggregate of 1,427,050 shares of the Company's common stock, representing approximately 0.8% of the outstanding shares. We invested in the Company because of the demographically driven opportunity to become the premier provider of senior products to middle income America. In order to seize this opportunity, Consecos must rebuild its image with fair and honest pricing and clear and concise product descriptions. Consecos also needs to build balance sheet strength and communicate that strength to a customer base becoming increasingly aware of the importance of financial conservatism. We believe Consecos stockholders deserve better.

Mr. Long brings both operational and strategic experience with a strong track record of public company board service in the insurance industry. Mr. Long has demonstrated an ability to conduct a thorough strategic review and an implementation of an effective governance program. Mr. Long will act with uncompromised independence and a total commitment to stockholder interests. We are not seeking control of the Board.

Mr. Long, if elected, will comprise a minority of the Board and will be wholly independent, with no vested interest in any single strategic direction, other than taking the steps necessary to enhance stockholder value and capitalize on the opportunities available to the Company.

***Mr. Long will serve you, the stockholders and true owners of Consecos
and will bring expertise and objectivity to Consecos.***

CONSECO STOCKHOLDERS HAVE AN ALTERNATIVE: MR. LONG IS A HIGHLY QUALIFIED & INDEPENDENT DIRECTOR CANDIDATE

The Otter Creek Entities have nominated a candidate who is committed to taking the necessary steps to enhance stockholder value. Mr. Long has the necessary experience and skillset to execute on that commitment, both operationally and strategically. As Chairman of the Board of Financial Industries Corporation, a publicly traded life insurance company, Mr. Long and his fellow Directors installed new management and oversaw an extensive effort to restate 10 years worth of prior financial records and statements. Mr. Long and his fellow Directors also completed a restructuring of the investment portfolio of Financial Industries Corporation. Mr. Long is independent of management and the current Board and is committed to selecting and executing the right plans, operationally and strategically, for the optimization of value for all Consecos stockholders and the realization of a share price worthy of Consecos intrinsic value.

The following are highlights of the relevant operational and strategic experience of Mr. Long:

Mr. Long is the sole owner and President of Otter Creek Management, a company providing investment advisory services since May of 1991. Mr. Long has worked in the securities industry since 1973. From 1973 to 1979, Mr. Long was employed as a portfolio manager at Lionel D. Edie & Co., a subsidiary of Merrill Lynch. In 1979, Mr. Long joined Delphi Capital Management, a subsidiary of Mesrirow & Co., where he served as a portfolio manager and investment analyst. He joined Kidder Peabody & Co.'s Chicago office in 1982 as a fixed income analyst specializing in arbitrage trading. In 1983, Mr. Long joined Morgan Stanley & Co. in New York, as a fixed income analyst and arbitrage trader. He was promoted to Vice President in 1985 and Principal in 1987. In 1991, Mr. Long left Morgan Stanley & Co. to organize Otter Creek Management.

Mr. Long served as Director and Chairman of the Board of Directors of Financial Industries Corporation, a publicly traded Austin, Texas based life insurance company, from August 2003 until its sale in July 2008. Mr. Long has also served as a Director and Chairman of the Board of Financial Institutions Insurance Group, Ltd., a property and casualty insurance company specializing in fidelity bond and director and officer liability insurance for financial institutions from June 1991 until September 1996, when the company was sold.

Mr. Long received a B.S. and MBA degree, both in Finance, from Indiana University. He served in the US Army from 1970 to 1971.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We are seeking your support at the Annual Meeting to elect Roger Keith Long to the Board. The Board is currently composed of ten (10) directors and nine (9) directors are up for election at the Annual Meeting to serve one-year terms expiring at the 2010 annual meeting of stockholders and until their successors have been selected and qualified. We are seeking your support at the Annual Meeting to elect Mr. Long instead of Philip R. Roberts. Your vote to elect Mr. Long will have the legal effect of replacing one (1) incumbent director of the Company with Mr. Long. If elected, Mr. Long will represent a minority of the members of the Board. We are not seeking control of the Board. Rather, we are seeking one (1) out of nine (9) seats on the Board to ensure that the interests of the stockholders, the true owners of the Company, are vigorously represented in the boardroom by independent representatives and not current management.

THE OTTER CREEK NOMINEE

We have nominated one (1) highly qualified nominee, who, if elected, will exercise his independent judgment in accordance with his fiduciary duties as a director in all matters that come before the Board. Mr. Long is independent of the Company in accordance with the SEC and New York Stock Exchange rules on board independence. If elected, and subject to their fiduciary duties as directors, Mr. Long would work with the other members of the Board to take those steps that they deem are necessary or advisable to maximize value for all stockholders.

Set forth below is the name, age, citizenship, business address, present principal occupation and employment and material occupations, positions, offices or employments for the past five years of Mr. Long. This information has been furnished to us by Mr. Long.

Roger Keith Long (Age 60) is currently the sole stockholder, Director and President of Otter Creek Management, Inc. which is a company providing investment advisory services and the general partner of Otter Creek Partners I, LP. Otter Creek Partners I, LP is a limited partnership that invests in securities. Mr. Long has held these positions since Otter Creek Partners I, LP began operations in May 1991. Mr. Long was a Director and the Chairman of the Board of Directors of Financial Industries Corporation, a publicly traded life insurance company, from August 2003 through its sale in July 2008. Mr. Long has also served as a Director and Chairman of the Board of Financial Institutions Insurance Group, Ltd, a publicly traded property and casualty insurance company, from June 1991 through its sale in September 1996. Mr. Long received a B.S. and MBA degree, both in Finance, from Indiana University. The principal business address of Mr. Long is c/o Otter Creek Management, Inc., 222 Lakeview Avenue, Suite 1130, West Palm Beach, Florida 33401. Mr. Long is not currently a party to any legal proceedings that are adverse to the Company or its subsidiaries. Mr. Long is a U.S. Citizen.

Mr. Long, if elected, intends to act in accordance with his fiduciary duty and recuse himself from voting should any conflict of interest arise in the future.

Mr. Long will not receive any compensation from the Otter Creek Entities for his services as a director of the Company. Other than as stated herein, there are no arrangements or understandings between the Otter Creek Entities and Mr. Long or any other person or persons pursuant to which the nomination of Mr. Long described herein is to be made, other than the consent by Mr. Long to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. Mr. Long is not a party adverse to the Company or any of its subsidiaries and does not have a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Edgar Filing: CONSECO INC - Form DEFN14A

If elected to the Board, Mr. Long would strongly encourage the Board to perform a strategic review of the Company's business model, sales and marketing strategy, obligations and executive personnel in the context of the existing and expected competitive environments in order to determine what changes should be made to increase the Company's profitability. Based on his review of the Company's public filings, Mr. Long currently believes that the Company may benefit from a restructuring of its current indebtedness. If elected to the Board, Mr. Long would strongly encourage a thorough review of the Company's indebtedness to determine how to restructure it in a manner that is in the best interest of the Company and its stockholders.

Mr. Long, if elected, will represent a minority of the Board. If elected, Mr. Long will, subject to his fiduciary duty as a director, work with the other members of the Board to take those steps that they deem are necessary to maximize stockholder value. Although Mr. Long will not be able to adopt any measures without the support of at least some members of the current Board, we believe that the election of Mr. Long will send a strong message to the Board regarding the meaningful change desired by the Company's stockholders.

**YOU ARE URGED TO VOTE FOR THE ELECTION OF MR. LONG
ON THE ENCLOSED GOLD PROXY CARD.**

PROPOSAL NO. 2

**COMPANY PROPOSAL TO APPROVE THE
SECTION 382 STOCKHOLDERS RIGHTS PLAN**

As discussed in further detail in the Company's proxy statement, on January 20, 2009, the Board adopted a Section 382 Stockholders Rights Plan (the "Rights Plan"). The Rights Plan approval proposal is an opportunity for stockholders to approve the decision by the Board to adopt the Rights Plan. If the stockholders do not approve the Rights Plan at the Annual Meeting, the Rights Plan will expire on that date. The Company is asking stockholders to approve the Rights Plan.

We do not object to the proposal to approve the Rights Plan.

PROPOSAL NO. 3

**COMPANY PROPOSAL TO APPROVE THE
AMENDED AND RESTATED LONG-TERM INCENTIVE PLAN**

As discussed in further detail in the Company's proxy statement, on March 31, 2009, the Board unanimously approved the Amended and Restated Long-Term Incentive Plan (the "Plan") to be effective upon the approval thereof by the stockholders of the Company at the Annual Meeting. The Company is asking stockholders to approve the Plan.

While we believe that management of the Company should be properly incented, we object to the proposal to approve the Plan. We believe that the approval of the Plan would result in dilution of the stockholders' investment that would be excessive given the (i) total number of Shares reserved under the Plan and (ii) current low price of the Shares, which would result in a low employee exercise price under the Plan. We believe that an additional 15,846,268 Shares, which represents an almost 10% dilution, should not be authorized for issuance to management at a time when the value of the Shares has experienced such a dramatic decline. If elected to the Board, Mr. Long would encourage the development of an incentive plan that represented both (i) less total Shares and (ii) exercise prices that were less dilutive to stockholder economics and which more strongly encouraged employees to increase the fair market value of the Shares.

**YOU ARE URGED TO VOTE AGAINST THE APPROVAL OF THE AMENDED AND RESTATED LONG-TERM INCENTIVE
PLAN ON THE ENCLOSED GOLD PROXY CARD.**

PROPOSAL NO. 4

**COMPANY PROPOSAL TO RATIFY THE APPOINTMENT
OF PRICEWATERHOUSECOOPERS LLP
AS ITS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

As discussed in further detail in the Company's proxy statement, prior to the Annual Meeting, the Company's Board, upon the recommendation of the Company's Audit and Enterprise Risk Committee, selected PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm for the Company for the year ending December 31, 2009. The Company is asking stockholders to ratify the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm for the Company for the year ending December 31, 2009.

We do not object to the proposal to ratify the selection of PricewaterhouseCoopers LLP to serve as independent registered public accounting firm for the Company for the year ended December 31, 2009.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each Share is entitled to one vote. Stockholders who sell Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Shares after the Record Date. Based on publicly available information, we believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Shares.

Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, (i) will be voted FOR the election of Mr. Long to the Board and FOR the election of the candidates who have been nominated by the Company other than Philip R. Roberts, (ii) will vote FOR the proposal to approve the adoption of the Section 382 Stockholders Rights Plan, (iii) will vote AGAINST the proposal to approve the Company's Amended and Restated Long-Term Incentive Plan, (iv) will vote FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP to serve as independent registered public accounting firm for the Company for 2009, and (v) will be voted in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

This Proxy Statement is soliciting proxies to elect not only Mr. Long, but also the candidates who have been nominated by the Company other than Philip R. Roberts. This gives stockholders who wish to vote for Mr. Long and such other persons the ability to do so. Under applicable proxy rules, we are required either to solicit proxies only for Mr. Long, which could result in limiting the ability of stockholders to fully exercise their voting rights with respect to the Company's nominees, or to solicit for Mr. Long and for fewer than all of the Company's nominees, which enables a stockholder who desires to vote for Mr. Long to also vote for those of the Company's nominees for whom we are soliciting proxies. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if Mr. Long is elected.

QUORUM

In order to conduct any business at the Annual Meeting, a quorum must be present in person or represented by valid proxies. The presence in person or by proxy of the holders of a majority of the outstanding Shares entitled to vote at the Annual Meeting is necessary to constitute a quorum. Shares present which are properly withheld as to voting, and Shares present with respect to which a broker indicates that it does not have authority to vote ("broker non-votes"), will not be counted for any purpose other than determining the presence of a quorum at the Annual Meeting.

VOTES REQUIRED FOR APPROVAL

Vote required for the election of directors. According to the Company's proxy statement, the election of directors, because it is a contested election, will be determined by the plurality of the votes cast by the holders of Shares represented (in person or by proxy) and entitled to vote at the Annual Meeting provided a quorum is present. Consequently, the nine nominees who receive the greatest number of votes cast will be elected as directors of the Company. Abstentions will not count either in favor of, or against, election of a nominee.

Vote required for approval of the Section 382 Stockholders Rights Plan. According to the Company's proxy statement, the vote required to approve the Section 382 Stockholders Rights Plan is the affirmative vote of the majority in voting power of the Shares present, or represented by proxy, and entitled to vote on the proposal at the Annual Meeting. Abstentions from voting will have the same legal effect as voting against the approval of the Section 382 Stockholders Rights Plan.

Edgar Filing: CONSECO INC - Form DEFN14A

Vote required for approval of the Amended and Restated Long-Term Incentive Plan. According to the Company's proxy statement, the vote required to approve the Amended and Restated Long-Term Incentive Plan is the affirmative vote of the holders of a majority in voting power of the Shares that are present, or represented by proxy, and entitled to vote on the proposal at the Annual Meeting. Abstentions from voting will have the same legal effect as voting against the approval of the Amended and Restated Long-Term Incentive Plan.

Vote required for the ratification of the appointment of PricewaterhouseCoopers LLP. According to the Company's proxy statement, the vote required to approve the ratification of the appointment of PricewaterhouseCoopers LLP as its independent registered public accounting firm is the affirmative vote of the holders of a majority of the Shares represented and entitled to vote at the Annual Meeting. Abstentions from voting will have the same legal effect as voting against ratification of the appointment of PricewaterhouseCoopers LLP.

We believe that there are no dissenter's rights of appraisal on the matters to be voted on in this Proxy Statement.

DISCRETIONARY VOTING

If you hold your Shares in street name (that is, if you hold your Shares through a broker, bank or other holder of record), you may be able to vote by telephone or via the Internet. Please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to see which voting options are available to you.

REVOCATION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Otter Creek Partners, c/o D.F. King & Co., Inc. 48 Wall Street, 22nd Floor, New York, NY 10005 or to the Secretary of the Company at 11825 North Pennsylvania Street, Carmel, Indiana 46032, or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Otter Creek Partners, c/o D.F. King & Co., Inc. 48 Wall Street, 22nd Floor, New York, NY 10005 so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date and the number of outstanding Shares represented thereby.
