PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 2, 2011**

GENERAL

This proxy statement is furnished in connection with the solicitation by the Board of Directors ("Board") of Activision Blizzard, Inc., a Delaware corporation, of proxies from holders of our issued and outstanding shares of common stock, par value \$0.000001 per share ("Common Stock"). The proxies being solicited will be used at the annual meeting of our stockholders to be held on Thursday, June 2, 2011, at the Equity Office facilities at 3200 Ocean Park Boulevard, Santa Monica, California 90405, at 9:00 a.m., Pacific Daylight Time, and at any adjournment or postponement of the meeting (the "Annual Meeting"). We will be mailing a notice regarding the Internet availability of these proxy materials (containing instructions on how to access the proxy materials and vote shares through the Internet) to stockholders on or prior to April 21, 2011.

All references to the "Company," "we," "us," "our," and "Activision Blizzard" in this proxy statement mean Activision Blizzard, Inc.

PROCEDURAL MATTERS

Record Date, Quorum and List of the Stockholders Entitled to Vote

Only stockholders of record at the close of business on April 5, 2011 are entitled to notice of, and to vote at, the Annual Meeting. There were 1,151,335,772 shares of our Common Stock outstanding and entitled to vote on the record date. Each such share of our Common Stock is entitled to one vote on each matter presented for action at the Annual Meeting. A majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy at the Annual Meeting in order for a quorum to be present. Proxies representing abstentions will be included for purposes of determining whether a quorum is present at the Annual Meeting, but proxies representing "broker non-votes" will not be included. A "broker non-vote" occurs when a broker, bank or other nominee who holds shares for a beneficial owner to be represented at a meeting does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

A list of the stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder, for any purpose germane to the Annual Meeting, at the Annual Meeting and during ordinary business hours at our offices at 3100 Ocean Park Blvd., Santa Monica, California 90405 for the 10 days prior to the Annual Meeting.

Required Votes

In the election of directors (proposal 1), you may vote "for" or "against," or "abstain" from voting with respect to, each nominee. Similarly, you may vote "for" or "against," or "abstain" from voting with respect to, the advisory approval of the Company's executive compensation, as disclosed in this proxy statement (proposal 2). With respect to the advisory vote on the frequency of future advisory votes on the Company's executive compensation (proposal 3), you may vote to have such an advisory vote "every year", "every two years" or "every three years", or you may "abstain" from voting with respect to the proposal.

Election of any nominee as a director (proposal 1), approval of proposal 2 and approval of proposal 3 each require the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Accordingly, shares not present and broker non-votes will not have any effect on the voting outcome with respect to the

Table of Contents

election of directors, proposal 2 or proposal 3. Shares present but not voted for one or any of the proposals (either because of an express abstention or because the vote is otherwise not cast) will have the same effect as a vote "against" a director nominee, proposal 2 or proposal 3, as the case may be.

Because the election of directors (proposal 1) and the approval of proposals 2 and 3 are each a "non-routine" proposal, if you hold your shares in street name and do not give your broker, bank or other nominee instructions as to how to vote your shares with respect to the proposal, your broker, bank or other nominee will not have authority to vote your shares, resulting in a broker non-vote with respect to that proposal. Broker non-votes will not count as voted on the proposal, or as present or represented at the meeting, and so will have no effect on the vote.

Stockholders have no dissenters' rights or rights of appraisal under Delaware law or our Certificate of Incorporation or Bylaws in connection with the election of directors (proposal 1) or proposals 2 or 3.

Proxies

Whether or not you are able to attend the Annual Meeting, you are urged to vote your shares by proxy. Stockholders of record may vote online at www.cstproxyvote.com, by calling (866) 894-0537 or, if they receive a copy of this proxy statement by mail, by completing and mailing the proxy card enclosed with that proxy statement. If you are a stockholder of record and you vote online or by telephone, your vote must be received by 4:00 p.m., Pacific Daylight Time, on June 1, 2011. If you are a stockholder of record and you choose to vote by mail, your vote will be counted so long as it is received prior to the closing of the polls at the meeting, but we urge you to complete, sign, date and return the proxy card as soon as possible. If you hold shares in street name through a broker, bank or other nominee, your broker, bank or other nominee will send you separate instructions describing the procedure for voting your shares.

The shares of our Common Stock represented by all valid proxies we receive prior to the Annual Meeting that are not properly revoked prior to being voted at the Annual Meeting will be voted at the Annual Meeting as directed. If no directions are specified, those proxies will be voted FOR each of the director nominees named in this proxy statement (proposal 1), FOR the advisory approval of the Company's executive compensation, as disclosed in this proxy statement (proposal 2), and for the frequency of future advisory votes on the Company's executive compensation to be once every YEAR (proposal 3). Any stockholder may revoke or change that stockholder's proxy at any time before the proxy is voted at the Annual Meeting by (1) sending a written notice of revocation of the proxy to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Blvd., Santa Monica, California 90405, (2) properly delivering a subsequently dated proxy or (3) voting in person at the Annual Meeting.

Attending and Voting in Person at the Annual Meeting

You should be prepared to present a valid form of photo identification, such as a driver's license, state-issued ID card or passport, to gain admittance to the Annual Meeting. In addition, if you are a stockholder of record, your ownership as of the record date will be verified by reference to our records prior to admittance into the Annual Meeting. If you hold shares in street name through a broker, bank or other nominee, you must provide proof of beneficial ownership as of the record date, such as a brokerage account statement or similar evidence of ownership. If you do not provide valid photo identification and otherwise comply with the procedures outlined above, you may not be admitted to the Annual Meeting. Directions to the Annual Meeting can be obtained by contacting our Investor Relations department by calling (310) 255-2000 or by emailing ir@activision.com.

Stockholders of record who wish to vote in person at the Annual Meeting must request a ballot at the meeting. Street-name holders who wish to vote in person at the Annual Meeting will need to obtain a proxy from the broker, bank or other nominee that is the record holder of their shares.

Costs of Proxy Solicitation

We will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card, the notice regarding the Internet availability of proxy materials and any additional solicitation materials we send to stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of our Common Stock for their expenses in forwarding the proxy materials to those beneficial owners. In addition, proxies may be solicited, personally or by telephone, by our directors, officers and regular employees without additional compensation.

Prior to joining Vivendi, Mr. Turrini served as a judge in the French administrative judicial system, was an associate at two law firms in Paris and was a managing partner of the investment bank Arjil & Company. He is a member of the Paris bar. He has degrees from the *Institut d'Études Politiques de Paris* and the *École Nationale d'Administration*.

Mr. Turrini's qualifications for election to our Board include his ability to contribute his perspective on how we can grow and expand our business, as well as his perspective on our strategy within the broader markets in which we compete, developed in part through his experience as senior executive vice president of strategy and development and executive vice president of mergers and acquisitions of Vivendi, as noted above. Further, his experience as a chief executive officer and service as a board member of companies in the communications and entertainment industries demonstrate his strong leadership skills and knowledge of the entertainment industry.

Required Vote and Board Recommendation

Each director is elected by the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. At the Annual Meeting, VGAC is expected to vote its shares FOR the election of each nominee for director in accordance with the investor agreement among Vivendi, VGAC, Vivendi Games and us.

**The Board recommends that you vote FOR the election
of each nominee for director.**

PROPOSAL 2
ADVISORY VOTE ON THE COMPANY'S EXECUTIVE COMPENSATION

General

Our stockholders are being provided the opportunity to cast a non-binding, advisory vote (commonly known as a "say on pay") on the compensation of the executive officers named in the "Summary Compensation Table" below (collectively, the "named executive officers"). This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the executive compensation policies and practices described in this proxy statement, through consideration of the following non-binding advisory resolution:

"Resolved, that the stockholders advise that they approve the compensation of the Company's named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis and the compensation tables and related narrative discussion."

Please see "Executive Compensation" for the Compensation Discussion and Analysis and the compensation tables and related narrative discussion relating to compensation paid to our named executive officers.

Required Vote and Board Recommendation

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the approval of proposal 2. While our Board and its Compensation Committee will carefully consider the outcome of the vote expressed by our stockholders when making future executive compensation decisions, the vote will not be binding upon them.

The Board recommends that you vote FOR the approval of the Company's executive compensation, as disclosed in this proxy statement.

PROPOSAL 3
ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

General

Our stockholders are being provided the opportunity to cast a non-binding, advisory vote on how often we should include an advisory vote on our executive compensation (or "say on pay") in our proxy materials for future annual meetings of our stockholders or any other meetings of our stockholders at which directors are elected. After careful consideration, our Board has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for the Company and, therefore, recommends that you vote for the choice of "every year" for future advisory votes on our executive compensation. You are not, however, voting for or against our Board's recommendation (and may, instead, vote to hold such an advisory vote every year, every two years or every three years, or may abstain from voting).

We believe that an annual advisory vote on executive compensation is consistent with our practice of seeking input and engaging in dialogue with our shareholders on corporate governance matters (including the Company's practice of having all directors elected annually) and our executive compensation philosophy, policies and practices. However, shareholders should note that, because the advisory vote on executive compensation occurs well after the beginning of the compensation year and because we have multi-year employment agreements with each of our executive officers which specify many of the elements of their compensation, in many cases it may not be appropriate or feasible to change our executive compensation programs in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of shareholders.

Required Vote and Board Recommendation

Any choice which receives the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be considered to have been approved for the purpose of proposal 3. While our Board and its Compensation Committee will carefully consider the outcome of the vote expressed by our stockholders when determining the frequency of future advisory stockholder votes on executive compensation, the vote will not be binding upon them.

The Board recommends that you vote to hold an advisory vote to approve the compensation paid to the Company's named executive officers once every YEAR.

CORPORATE GOVERNANCE MATTERS

Overview

Our Board has long adhered to governance principles designed to assure its continued vitality and excellence in the execution of its duties. Our Board has responsibility for management oversight and providing strategic guidance to the Company. Our Board believes that it must remain well-informed about the issues, problems and challenges facing the Company so that the Board members can exercise their fiduciary responsibilities to all of our stockholders. Our Board recognizes the importance of evolving our corporate governance practices and is committed to regularly reviewing specific elements of our corporate governance and making changes when the Board deems them in the best interests of the Company and stockholders.

Controlled Company Exemption

Since the consummation of the Combination, Vivendi, through its subsidiary VGAC, has held more than 50% of the voting power for the election of our directors. Accordingly, we qualify as a "controlled company" under Rule 5615(c)(1) of the NASDAQ Marketplace Rules. As a controlled company, under Rule 5615(c)(2) of the NASDAQ Marketplace Rules, we are exempt from the requirements to have:

a majority of directors who qualify as "independent directors" pursuant to Rule 5605(a)(2) of the NASDAQ Marketplace Rules;

the compensation of our executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors; and

our director nominees selected, or recommended for our Board's selection, by either a majority of the independent directors or a nominating committee composed solely of independent directors.

Board Composition and Meetings

Our Board consists of eleven members. Pursuant to our Bylaws, provided that the percentage of outstanding shares of our Common Stock owned by Vivendi together with its controlled affiliates ("Vivendi's voting interest") does not fall and remain below 50% for a period of 90 consecutive days, our Board will include:

six Vivendi Directors (*i.e.*, directors selected by Vivendi and/or its controlled affiliates which own our Common Stock);

two Executive Directors (*i.e.*, directors who are executives of the Company); and

three Independent Directors (*i.e.*, directors who are independent under the NASDAQ Marketplace Rules).

Vivendi Directors, Executive Directors and Independent Directors are selected in the manner described under " Special Nominating Subcommittees" below.

If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then our Board will include a number of Vivendi Directors proportional to Vivendi's voting interest. If, at any time while our securities are listed on NASDAQ or any other U.S. stock exchange, applicable law or listing rules require that at least a majority of our Board be "independent" as defined by the law or listing rules, then (1) the size of our Board will be increased to add the number of additional directors required to satisfy the law or listing rules and (2) those vacancies will be filled by individuals nominated by the Vivendi Directors and appointed by the affirmative vote of a majority of the directors then in office.

Table of Contents

Throughout 2010 the members of our Board were Philippe G. H. Capron, Robert J. Corti, Frédéric R. Crépin, Brian G. Kelly, Robert A. Kotick, Jean-Bernard Lévy, Robert J. Morgado, Douglas P. Morris, Stéphane Roussel, Richard Sarnoff and Régis Turrini. (On March 4, 2011, Mr. Morris resigned from our Board and Mr. Grainge was appointed to our Board as a Vivendi Director in his stead.)

Based upon information provided by each director concerning his background, employment and affiliations, our Board determined that each of Messrs. Corti, Morgado and Sarnoff was an independent director under both the NASDAQ Marketplace Rules and the criteria specified in the Corporate Governance Principles and Policies.

In accordance with our Corporate Governance Principles and Policies, a copy of which can be accessed on our website at <http://investor.activision.com/documents.cfm>, the Board must meet at least quarterly and in conjunction with the annual meeting of our stockholders. Our Board met six times during 2010, including at least once per quarter and in conjunction with the 2010 annual meeting. Each person who served on our Board during 2010 attended at least 75% of the aggregate of (1) the total number of meetings held by our Board during the period for which he was a director and (2) the total number of meetings held by each committee on which he served during the period in which he so served, in each case, during 2010.

Our Corporate Governance Principles and Policies also require that the directors qualifying as independent under the criteria specified therein meet in executive session outside of the presence of management at least four times per year. Those directors met in executive session four times during 2010.

All directors are expected to attend the Annual Meeting. All persons serving as directors at the time attended the 2010 annual meeting of stockholders.

Board Committees

Our Board has three standing committees, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, each of which operates under a written charter approved by our Board. In addition, there is a subcommittee of the Compensation Committee the Section 16 Subcommittee (see " Compensation Subcommittee for the Approval of Certain Awards" below). In accordance with our Bylaws, there are also three subcommittees composed of members of the Nominating and Corporate Governance Committee the Vivendi Nominating Committee, the Executive Nominating Committee and the Independent Nominating Committee (see " Special Nominating Subcommittees" below). In addition, from time to time, our Board may form special, *ad hoc* committees to which the Board delegates authority to administer certain of its duties.

Audit Committee

You can access the written charter that describes the Audit Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

With respect to membership on the Audit Committee, the charter currently provides that the committee must have at least three members and that:

all Audit Committee members must be determined by the Board to be independent directors under the NASDAQ Marketplace Rules and otherwise satisfy the NASDAQ Marketplace Rules with respect to audit committee membership;

no director may serve as a member of the Audit Committee if that director serves on the audit committees of more than two other public companies, unless our Board determines that the simultaneous service would not impair the ability of that director to effectively serve on the Audit Committee;

all Audit Committee members must understand fundamental financial statements;

at least one Audit Committee member must be designated by the Board as an "audit committee financial expert" as defined in the applicable rules of the SEC; and

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

no Audit Committee member can have participated in the preparation of the financial statements of Activision Blizzard or any of our current subsidiaries at any time during the three years prior to the proposed appointment of that Audit Committee member.

Further, our Corporate Governance Principles and Policies require that the Audit Committee members be independent under the criteria set forth therein and the NASDAQ Marketplace Rules require that at least one Audit Committee member meets the financial sophistication requirements set forth therein.

Table of Contents

Based upon information provided by each director concerning his background, employment and affiliations, our Board has determined that each member of the Audit Committee is an independent director under both the NASDAQ Marketplace Rules and the criteria specified in the Corporate Governance Principles and Policies and that each otherwise satisfies the NASDAQ requirements for audit committee membership (including that each meets the independence criteria set forth in Exchange Act Rule 10A-3 and is able to read and understand fundamental financial statements). Our Board has also determined that Mr. Corti is an audit committee financial expert as defined in the applicable rules of the SEC and is financially sophisticated within the meaning of the NASDAQ Marketplace Rules.

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of Activision Blizzard and our subsidiaries and the audits of our financial statements and internal control over financial reporting. The Audit Committee's responsibilities include:

selecting, evaluating and overseeing our independent registered public accounting firm, including determining that firm's compensation and evaluating that firm's independence;

overseeing our annual audit and quarterly reviews;

overseeing our financial reporting process and internal controls, including:

reviewing and discussing with the independent auditors the results of the annual audit of our financial statements, including any comments or recommendations of our independent registered public accounting firm, and, based on that review and discussions and other considerations, recommending to our Board whether our financial statements should be included in our Annual Report on Form 10-K; and

discussing with management our process for assessing and managing our exposure to risk;

overseeing policies regarding hiring employees from our independent registered public accounting firm and establishing procedures for the receipt and retention of accounting-related complaints and concerns; and

overseeing our policies relating to the ethical handling of conflicts of interest, including related party transactions.

Our independent registered public accounting firm reports directly to the Audit Committee.

Before we or any of our subsidiaries engage our independent registered public accounting firm to render audit or non-audit services, the Audit Committee must pre-approve the engagement. The chairperson of the Audit Committee may delegate to one or more members of that committee the authority to grant pre-approvals, provided the pre-approvals are reported to the Audit Committee at its next scheduled meeting.

In accordance with our Corporate Governance Principles and Policies, our Audit Committee is also responsible for evaluating any stockholder proposals submitted to us for inclusion in any proxy statement for, and consideration at, any meeting of our stockholders.

The Audit Committee's charter authorizes it to engage independent counsel or other consultants or advisors, as it deems appropriate.

In accordance with our Corporate Governance Principles and Policies, the Audit Committee must meet at least quarterly. The Audit Committee met six times during 2010, including at least once quarterly.

Compensation Committee

You can access the written charter that describes the Compensation Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

With respect to membership on the Compensation Committee, the charter currently provides that the committee must have at least three members, at least two of whom must be:

"non-employee directors" as defined in Rule 16b-3 under the Exchange Act;

"outside directors" as defined under Section 162(m) of the Internal Revenue Code ("Section 162(m)"); and

determined by the Board to be independent directors under the NASDAQ Marketplace Rules.

Further, our Corporate Governance Principles and Policies require that the Compensation Committee members who are independent directors under the NASDAQ Marketplace Rules also be independent under the criteria set forth in the Corporate Governance Principles and Policies.

Additionally, in accordance with our Bylaws, provided that Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days, the Compensation Committee must include at least one Independent Director and have a majority of Vivendi Directors and the chairperson of the committee must be a Vivendi Director. If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then the Compensation Committee will include at least a number of Vivendi Directors proportional to Vivendi's voting interest.

Based upon information provided by each director concerning his background, employment and affiliations, our Board has determined that each member of the Compensation Committee is an outside director as defined under Section 162(m). Our Board also determined that Messrs. Corti and Morgado are each a non-employee director as defined in Rule 16b-3 under the Exchange Act and an independent director under both the NASDAQ Marketplace Rules and the criteria specified in the Corporate Governance Principles and Policies. None of Messrs. Lévy, Crépin or Roussel has been determined by the Board to be a non-employee director as defined in Rule 16b-3 under the Exchange Act or an independent director under the NASDAQ Marketplace Rules or the criteria specified in the Corporate Governance Principles and Policies.

The Compensation Committee discharges our Board's responsibilities relating to compensation paid to our directors and executive officers and evaluates and makes recommendations to our Board regarding compensation under our equity incentive plans and other compensation policies, programs, agreements and arrangements. Please see "Executive Compensation Compensation Discussion and Analysis Decision-Making Approach to Executive Compensation Scope of Authority of the Compensation Committee" below for a description of the Compensation Committee's responsibilities.

The Compensation Committee may delegate its authority and duties to subcommittees, individual committee members or management, as it deems appropriate, in accordance with applicable laws, rules and regulations, provided that no subcommittee may consist of fewer than two members. Please see " Compensation Subcommittee for the Approval of Certain Awards" below for a description of the subcommittee currently maintained by the Compensation Committee. As further described in "Executive Compensation Compensation Discussion and Analysis," the Compensation Committee consults with management in formulating compensation plans, but ultimately the Compensation Committee exercises independent judgment in establishing our executive compensation program.

The Compensation Committee's charter authorizes it to engage independent counsel or other consultants or advisors, including compensation consultants, to advise the Compensation Committee

with respect to amounts compensation and benefits for our directors and our executives and other employees.

In accordance with our Corporate Governance Principles and Policies, the Compensation Committee must meet at least twice annually. The Compensation Committee met eight times during 2010.

For additional information regarding the Compensation Committee, see "Executive Compensation Compensation Discussion and Analysis" below.

Compensation Subcommittee for the Approval of Certain Awards

In order to exempt the grant of equity awards to individuals subject to Section 16 of the Exchange Act (and transactions related to such awards, such as the exercise of stock options) from certain provisions of Section 16, the grant must be approved by our entire Board or a committee composed solely of non-employee directors within the meaning of Section 16. The Section 16 Subcommittee, which is required to consist of at least two non-employee directors, was established in February 2009. The Section 16 Subcommittee's duties consist of reviewing and approving all proposed grants of equity awards to individuals subject to Section 16, but it does not have the authority to act without the prior recommendation of the entire Compensation Committee.

Nominating and Corporate Governance Committee

You can access the written charter that describes the Nominating and Corporate Governance Committee's composition and responsibilities on our website at <http://investor.activision.com/documents.cfm>.

The charter currently provides that the Nominating and Corporate Governance Committee must consist of at least three directors.

Furthermore, in accordance with our Bylaws, provided that Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days, the committee will include at least one Independent Director and have a majority of Vivendi Directors and the chairperson of the committee will be a Vivendi Director. If Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days but does not fall and remain below 10% for a period of 90 consecutive days, then the Nominating and Corporate Governance Committee will include at least a number of Vivendi Directors proportional to Vivendi's voting interest.

Based upon information provided by each director concerning his background, employment and affiliations, our Board has determined that Messrs. Morgado and Sarnoff are each an independent director under both the NASDAQ Marketplace Rules and the criteria specified in the Corporate Governance Principles and Policies. Neither of Messrs. Crépin and Lévy has been determined by the Board to be an independent director under the NASDAQ Marketplace Rules or the criteria specified in the Corporate Governance Principles and Policies.

In accordance with our Bylaws, we maintain three subcommittees of the Nominating and Corporate Governance Committee (the "Special Nominating Subcommittees") whose primary function is to nominate Board candidates in accordance with our Bylaws. Please see " Special Nominating Subcommittees" below.

The Nominating and Corporate Governance Committee's other responsibilities (which may be discharged with the assistance of the Special Nominating Subcommittees) include:

periodically evaluating the size of our Board and recommending to the Board any appropriate increase or decrease;

Table of Contents

making recommendations to our Board regarding the size and composition of each standing committee of the Board;

reviewing our Certificate of Incorporation and Bylaws as they relate to corporate governance matters and recommending changes to our Board; and

overseeing the evaluation of our Board and its committees.

The Nominating and Corporate Governance Committee's charter authorizes it to engage independent counsel or other consultants or advisors as it deems appropriate, including a search firm to assist in the identification of director candidates.

In accordance with our Corporate Governance Principles and Policies, the Nominating and Corporate Governance Committee must meet at least twice annually. The Nominating and Corporate Governance Committee met twice during 2010.

Special Nominating Subcommittees

Pursuant to our Bylaws, our Board maintains the following Special Nominating Subcommittees of the Nominating and Corporate Governance Committee:

the Vivendi Nominating Committee, which includes only Vivendi Directors;

the Executive Nominating Committee, which includes two Vivendi Directors and two Independent Directors; and

the Independent Nominating Committee, which includes only Independent Directors.

The Vivendi Nominating Committee, Executive Nominating Committee and Independent Nominating Committee nominate the Vivendi Director nominees, the Executive Director nominees and the Independent Director nominees, respectively.

The Nominating and Corporate Governance Committee will consider Independent Director candidates submitted by stockholders, as described below under "Stockholder Recommendation of Directors". In addition, stockholders may nominate Independent Directors in accordance with procedures set forth in our Bylaws, as described below under "Stockholder Proposals and Director Nominations for 2011 Annual Meeting".

The Nominating and Corporate Governance Committee considers the qualifications of potential director nominees as described below under "Director Qualifications". Pursuant to our Corporate Governance Principles and Policies and the Nominating and Corporate Governance Committee's charter, the committee, through the Special Nominating Subcommittees, identifies and evaluates potential candidates. The Special Nominating Subcommittees may consider candidates suggested by its members, other directors, senior management and stockholders and may, at the Company's expense, retain search firms, consultants and other advisors to identify, screen and/or evaluate candidates. Candidates may be interviewed in person by directors and management.

Pursuant to our Bylaws, the Vivendi Nominating Committee and the Independent Nominating Committee will be maintained as long as Vivendi's voting interest does not fall and remain below 10% for a period of 90 consecutive days and the Executive Nominating Committee will be maintained as long as Vivendi's voting interest does not fall and remain below 50% for a period of 90 consecutive days.

Pursuant to the investor agreement among Vivendi, VGAC, Vivendi Games and us, provided that Vivendi's voting interest does not fall and remain below 10% for a period of 90 consecutive days, Vivendi and its affiliates will vote their shares of our Common Stock in favor of the election of director nominees designated by each of the Independent Nominating Committee and the Executive

Nominating Committee and against all proposals to remove Independent Directors or Executive Directors except for malfeasance. For more information about the investor agreement, see "Certain Relationships and Related Transactions Relationships and Transactions Relationships and Transactions with Vivendi and its Affiliates Investor Agreement" below.

Director Qualifications

Skills and Characteristics

As described above under " Special Nominating Subcommittees," pursuant to our Bylaws, we have three Special Nominating Subcommittees the Vivendi Nominating Committee, the Executive Nominating Committee and the Independent Nominating Committee that are responsible for selecting our director nominees, so our director nomination process is largely driven by our corporate governance structure. In accordance with our Corporate Governance Principles and Policies, all director nominees, whether Vivendi Director nominees, Executive Director nominees or Independent Director nominees, should have the appropriate skills and characteristics required of Board members, assessed in the context of the perceived needs of the Board at the time. In accordance with the Nominating and Corporate Governance Committee's charter, the Nominating and Corporate Governance Committee and its Special Nominating Subcommittees, in their selection of candidates, consider the following attributes, among others: experience, knowledge, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication and independence. In addition, the committee considers the qualifications of potential nominees identified through the stockholder solicitation procedure described below based on an objective set of criteria established by the committee. These criteria are generally consistent with the attributes listed in the charter, but also include evidence of leadership ability and the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company. In selecting candidates, the Nominating and Corporate Governance Committee and the Board take diversity into account, seeking to ensure a representation of diverse perspectives and experience, although the Company's nominating procedures and policies do not prescribe specific standards for diversity.

Other Directorates

Pursuant to our Corporate Governance Principles and Policies, our directors must obtain the approval of the Nominating and Corporate Governance Committee before accepting any board membership at another publicly held company and in no case can any director serve on the boards of more than four other publicly held companies.

Offer of Resignation Upon Change in Professional Role

Pursuant to our Corporate Governance Principles and Policies, unless the Nominating and Corporate Governance Committee determines otherwise, if a Vivendi Director or an Independent Director retires, changes employment or otherwise has a significant change in his professional role or responsibilities that may reasonably be seen as affecting his ability to serve, he must offer to resign from our Board. Unless our Board or the Nominating and Corporate Governance Committee determines otherwise, or he has an agreement with us to the contrary, if an Executive Director retires, resigns or otherwise has a significant change in his professional role or responsibilities, he must offer his resignation from our Board.

Our Board or, at our Board's discretion, the Nominating and Corporate Governance Committee will consider whether the continued service of any director so offering to resign is appropriate in light of that change and, if our Board or the Nominating and Corporate Governance Committee determines that the director continues to contribute significantly to us, his membership on our Board may continue.

Table of Contents

Vacancies on our Board

Pursuant to our Bylaws, any vacancy on our Board will be filled by the affirmative vote of a majority of the remaining directors then in office, provided that, until Vivendi's voting interest falls and remains below 10% for a period of 90 consecutive days:

a vacancy created by the resignation, death or removal of a Vivendi Director may only be filled by the affirmative vote of a majority of the Vivendi Nominating Committee; and

a vacancy created by the resignation, death or removal of an Independent Director may only be filled by the affirmative vote of a majority of the Independent Nominating Committee.

In addition, until Vivendi's voting interest falls and remains below 50% for a period of 90 consecutive days, a vacancy created by the resignation, death or removal of an Executive Director may only be filled through the unanimous vote of the Executive Nominating Committee.

Stockholder Recommendation of Directors

Stockholders may submit candidates for election as directors in accordance with our Bylaws, as described under "Stockholder Proposals and Director Nominations for 2011 Annual Meeting".

In addition, in accordance with our Corporate Governance Principles and Policies, our stockholders may nominate persons to serve as Independent Directors. The Nominating and Corporate Governance Committee will review the qualifications of, and make recommendations to our Board regarding, any such nomination which is submitted to us in writing and includes the following information:

the name, address, phone number and email address of the stockholder and evidence of the stockholder's ownership of our Common Stock, including the number of shares beneficially owned and the length of time of ownership;

the name of the director candidate, the candidate's address, phone number and email address, the candidate's resume or a list of his or her qualifications to be a director of Activision Blizzard and the candidate's consent to be named a director if nominated; and

a description of any arrangements or understandings between the stockholder and the director candidate and any other persons (including their names), pursuant to which the recommendation is made.

Further, our Board has established a procedure to identify potential stockholder nominees to serve as directors pursuant to which the Nominating and Corporate Governance Committee solicits, on an annual basis, recommendations for candidates for nomination from stockholders of record that have held more than 1% of our Common Stock for at least nine months at the time of the solicitation. Candidates submitted must be independent under both the NASDAQ Marketplace Rules and the criteria specified in the Corporate Governance Principles and Policies. The Nominating and Corporate Governance Committee will consider the qualifications of any candidates submitted to it in response to those solicitations based on an objective set of criteria it established, as described above, and, in the exercise of its business judgment and subject to its fiduciary duties, will recommend to the Independent Nominating Committee a nominee from among all of the candidates that it has considered. The Independent Nominating Committee will then consider whether to nominate, and make a recommendation to our stockholders in favor of the election of, any such candidate. You can access this procedure, including the criteria used by the Nominating and Corporate Governance Committee to evaluate nominees submitted in accordance with the procedure, on our website at

<http://investor.activision.com/documents.cfm>.

No stockholders submitted candidates in response to our solicitation in advance of the Annual Meeting.

Board Leadership Structure

Our Board of Directors is led by the Chairman of the Board, with the assistance of our Co-Chairman. Neither role is occupied by the person serving as our Chief Executive Officer. The Board feels that this division is appropriate because it believes that our Chief Executive Officer's responsibility is the day-to-day management of the Company, while the primary responsibility of our Board is to oversee the Chief Executive Officer's performance of his function. Having different individuals serve as the Chairman and Co-Chairman, on the one hand, and the Chief Executive Officer, on the other, allows the Chief Executive Officer to focus on his operational responsibilities, while keeping a measure of independence between the oversight function of our Board and those operating decisions. If our Board were to select our Chief Executive Officer or another employee to serve as Chairman, in accordance with our Corporate Governance Principles and Policies, the Independent Directors would consider the appointment of a lead director.

The Board's Role in Risk Oversight

Part of our Board's supervision of our affairs includes overseeing the Company's management of various types of risk. The Board discharges these responsibilities, in part, through the Audit Committee, which is responsible for discussing with our management the guidelines and policies governing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps the Company has taken to monitor and manage such exposure. Our management team communicates regularly with the Audit Committee and the Board about these matters and, further, our internal audit and legal departments annually provide a formal report to the Audit Committee and the Board on our management's strategic risk assessment. In addition, the Compensation Committee provides oversight with respect to risks that may be created by our compensation programs. Each member of the Board is kept abreast of the Board committees' risk oversight and other activities via reports of the committee chairpersons to the full Board. The Board believes that, in light of the variety of risks that we face and their interrelated nature, oversight of risk management is ultimately the responsibility of the Board.

Stockholder Communications with our Board

To communicate directly with our full Board, the Vivendi Directors, the Executive Directors, the Independent Directors, any committee of our Board or any individual Board member, stockholders may send written correspondence addressed to such director or directors in care of our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Blvd., Santa Monica, California 90405.

In accordance with our Corporate Governance Principles and Policies, all communications addressed to our Board or one or more directors will be opened by our Corporate Secretary or his designee to determine whether the contents contain a message to one or more of our directors. Communications that relate to our accounting practices, internal accounting controls or auditing matters will be referred to the chairperson of the Audit Committee. Any other communications that are not advertising materials, promotions of a product or service, patently offensive materials or matters deemed, in the reasonable judgment of the Corporate Secretary or his designee, inappropriate for our Board will be forwarded promptly to the addressee. In the case of communications to our Board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the communication is addressed.

We continued to manage our capital with focus and discipline. In addition to significant investments in our future, including new platforms, infrastructure and service capabilities, we returned \$1.2 billion in value to our shareholders through our stock buyback program and became the first independent video game publisher to issue a dividend.

Table of Contents

We continued our deliberate shift towards digital delivery of content, which provides for more predictable revenue and cash flow and, in 2010, a majority of our profit was derived from high-margin digital channels.

We reinforced the stability of our leadership team by promoting Thomas Tippl to Chief Operating Officer, extending the term of employment of Michael Morhaime, President of Blizzard Entertainment, and hiring Eric Hirshberg as President of Activision Publishing. The compensation actions related to these actions are described herein.

Compensation Best Practices

We continue to implement and maintain best practices in our compensation programs and related areas. These practices include:

The Compensation Committee engages the services of an independent executive compensation consultant that has no other ties to the company or its management.

Our annual incentive plans are designed to recognize "top of the industry" performance, while providing the necessary safeguards to mitigate risk.

Our equity incentive plans prohibit the repricing of "underwater" equity awards.

We may recover performance-based compensation (including bonuses and long-term incentive awards) paid to executives in the event of an earnings restatement.

We prohibit our employees from hedging, or engaging in any derivatives trading with respect to, our securities.

Beginning in November 2010, a portion of the equity awards to our top leadership will have performance-based vesting.

Business Environment and Associated Talent Requirements

We operate in the entertainment software industry, which sits at the convergence of the entertainment, media, technology and consumer products sectors. Our industry features a number of characteristics, including:

a dependence on "hit titles," which constitute a disproportionate level of revenues and profits relative to other games we sell;

rising costs of development, partially due to increasingly complex technological requirements;

an increasing importance on building and growing key franchises with sustained game quality;

a global customer base; and

a consumer who wants entertainment content delivered through an increasingly varied range of distribution channels.

We believe our success in this fast-changing business environment requires executive talent with the following characteristics:

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

significant global experience managing complex brands and franchises;

an in-depth knowledge of sophisticated strategies and operational models in the digital and entertainment segments; and

an aptitude for, and experience in, managing entertainment and technology products and talent in a rapidly changing, high-risk environment.

Table of Contents

Finding top executives with these characteristics requires recruitment of executives from a variety of industries, including larger and more mature industries as well as entertainment and technology companies.

Compensation Philosophy and Objectives

To respond to these requirements for top executive talent, the Compensation Committee has established the following compensation philosophy for our named executive officers:

Attract and Retain Key Executive Talent. Employment agreements are an important element of attracting and retaining executive talent and should typically provide for a minimum commitment of three years.

Competitive Requirements. Compensation should reflect the competitive talent market from which we recruit. For executives, total direct compensation is targeted at approximately the 75th percentile of the applicable market data to attract and retain the highest caliber talent, as well as to reward outstanding performance. For information about our peer group, see " Use of Compensation Surveys and Peer Company Data" below.

Alignment with Stockholders' Interests. Our objective is to align executive compensation with the interests of stockholders through the use of performance-based incentive programs and equity. As such, a significant portion of the compensation opportunity should be variable and linked to performance that increases stockholder value.

Accountability for Achieving Clearly Defined Short- and Long-Term Goals Aligned with Our Strategy. Performance goals, both short- and long-term, should be clearly defined to provide clear alignment between our business strategy, financial results and incentive payouts.

Avoid Excessive Risk Taking. Performance goals for our incentives and compensation plans should not encourage or incentivize excessive risk taking and risk exposure.

Currently, we have employment agreements with each of our named executive officers. We believe these agreements are critical in enabling us to attract and retain talent in a highly competitive industry. The employment agreements specify base salary, annual incentive targets and certain equity awards, and include provisions regarding the consequences of termination of employment and restrictive covenants surrounding executive officer employment, including non-competition and non-solicitation provisions.

Our named executive officers each received an equity grant at the time they were hired and in connection with any contract renewal or promotion. The annualized value of each such equity grant is, when combined with base salary and annual incentives, intended to provide a total compensation package that generally targets the 75th percentile versus our peer companies and the applicable survey data. These equity grants generally vest ratably over the contract term, typically three to five years, or upon attainment of specified performance objectives, which we believe provides our executives with a more significant equity position up front, enhancing retention, and allowing the executives to benefit from stock price appreciation throughout their tenure. In addition, Mr. Morhaime's recently amended employment agreement, pursuant to which his term of employment was extended through December 2016, provides for annual equity grants, consistent with the equity plan in which he participated at Vivendi Games prior to the Combination. See " Employment Agreements" below for further information about these equity awards. Although we do not require our named executive officers to hold shares obtained from equity awards or otherwise prescribe specific stock ownership guidelines, each of our named executive officers has received a significant portion of his compensation in the form of equity grants and continues to maintain an ownership interest after he is free to sell the shares underlying such grants, and therefore we believe the interests of our named executive officers are properly aligned with those of our stockholders.

Decision-Making Approach to Executive Compensation

While decisions regarding executive compensation are generally at the sole discretion of our Compensation Committee, the committee regularly reviews materials and advice provided by our management and external compensation consultants.

Scope of Authority of the Compensation Committee

The Compensation Committee's responsibilities include:

reviewing and approving all compensation programs applicable to executive officers who are subject to Section 16 of the Exchange Act and employees whose targeted annual cash compensation exceeds \$2 million per year;

establishing and evaluating the Company's long-term strategy for employee compensation;

reviewing and approving our Chief Executive Officer's corporate goals, evaluating his performance and determining his compensation;

annually reviewing the compensation payable to our Board of Directors;

administering our long-term incentive and equity incentive plans, including:

participating in the establishment of equity grant guidelines and overall pool size; and

approving all equity awards;

reviewing and approving executive officer employment and severance agreements;

reviewing our potential risk related to compensation programs and policies;

reviewing and discussing with management the compensation-related disclosures included in the proxy statement and annual report; and

overseeing any proposals we submit to our stockholders on matters relating to executive compensation.

In accordance with our Bylaws, which require a majority of the committee's members to be Vivendi Directors, the Compensation Committee consists of two Independent Directors and three Vivendi Directors. In addition, the chairperson of the committee is a Vivendi Director. For additional information regarding the Compensation Committee, see "Corporate Governance Matters Board of Directors and Committees Compensation Committee" above. In this Compensation Discussion and Analysis, when we refer to the Compensation Committee, we are referring to the Compensation Committee serving at the time the compensation decision to which this disclosure refers was made.

Role of Executive Officers in Compensation Decisions

The role of the Compensation Committee is to align our executive compensation program with stockholders' interests and our business strategy. To achieve this alignment, the Compensation Committee regularly consults with our senior management to review our business strategies and operational goals and plans. As such, topics of discussion between management and the Compensation Committee typically

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

include, but are not limited to, recommendations on effective types of incentive rewards and overall recommendations for compensation decisions. For 2010, the Compensation Committee consulted with our named executive officers as well our Chief Human Resources Officer, Ms. Weiser, our Chief Legal Officer, Mr. Walther, and our Chief Compliance Officer and Corporate Secretary, Jeffrey Brown, in formulating compensation programs and plans.

Table of Contents

Role of Compensation Consultants in Compensation Decisions

Pursuant to the Compensation Committee's charter, the Compensation Committee may engage its own compensation consultants to help formulate director and executive compensation. The Compensation Committee has retained Frederic W. Cook & Co. Inc. ("Cook") since 2009 for advice on the appropriateness and competitiveness of our executive and director compensation programs. The Cook consultant reports directly to the Compensation Committee and regularly attends Compensation Committee meetings. Cook does no other work for the Company.

Our management team utilized Mercer (US) Inc. ("Mercer") during 2010 to provide information, analyses and advice regarding executive compensation and other employee benefits. The Mercer consultant who performs these services reports to our Chief Human Resources Officer, interacts with other members of our senior management and attends Compensation Committee meetings from time-to-time. Information provided by Mercer was used by management to assist in developing recommendations for executive compensation for 2010 and 2011.

Factors Considered in Making Compensation Decisions

In general, our senior management and the Compensation Committee evaluate a variety of factors when making compensation decisions for our executive officers, including:

the executive's skill set, experience, historical performance and expected future value to the Company, as well as the anticipated impact of an executive's departure if he or she were to leave the Company;

as a reference for internal pay equity, the level of total compensation for our other senior executives; and

to provide a general market reference, compensation data from peer companies and published surveys.

The Compensation Committee uses the information provided by management and the outside advisors described above to be better informed about Activision Blizzard and the market practices of similar companies. Compensation plans and policies are put into practice through individual employment agreements with each of our named executive officers, which are approved by the Compensation Committee at the time of the underlying hire or renewal. The Compensation Committee ultimately exercised its independent and subjective judgment in approving each of the employment agreements, targeting total direct compensation at the 75th percentile of the peer group and relevant survey data.

The Compensation Committee believes the use of employment agreements that are aligned with these compensation policies helps motivate and retain a high-performing group of executives who will continue to drive positive business results.

Use of Compensation Surveys and Peer Company Data

We annually consult third-party surveys prepared by compensation specialists with respect to companies with comparable revenues, market capitalization, industry focus, number of employees and similar business-related factors in order to discern broader compensation trends in the market. During 2010, these surveys included the Croner Software Games Survey, Radford Executive Survey, and Towers Watson Compensation Data Bank (CDB) Executive Compensation Database Survey.

In addition, we utilized compensation data obtained from SEC filings made by our 15 selected peer group companies, discussed below, including compensation elements of the named executive officers of those companies, company-wide equity usage rates over a three-year period and potential dilution from employee stock and option grants. The surveys and peer company data help us

Table of Contents

understand the competitive market for the industries in which we compete for talent, including gaming, technology, entertainment and leisure, and consumer products sectors, as well as the broader market.

The existing peer group was developed and approved by the Compensation Committee in December 2008. Since its establishment, we have used this peer group as a key reference point to help guide compensation decisions for our executive officers. The primary screening criteria for the selection of the peer group were as follows:

Industry (*i.e.*, gaming, technology, consumer packaged goods and entertainment and leisure);

Size (*i.e.*, annual revenue of approximately \$2 billion to \$10 billion and market capitalization of approximately \$8 billion to \$16 billion); and

Business characteristics (*i.e.*, consumer orientation and global operations).

At the time the peer group was established, Take-Two Interactive and Viacom were outside the revenue criteria. However, the Compensation Committee chose to include both companies because of their industry relevance and business characteristics. Since the peer group was established, despite the fact that some of the companies in the group have fallen above or below the market capitalization parameters, the Compensation Committee has determined that they continue to be appropriate and relevant comparators.

The 15 companies in our peer group represent the four key industry segments from which we have historically recruited executive talent, have similar annual revenue and market capitalization (taking into account our contemplated growth over the next few years), and operate both in the United States and internationally. The revenue in billions (except as otherwise noted) reported by each for its most recently ended fiscal year as of March 2011 is shown below:

Gaming	Technology	Consumer Packaged Goods	Entertainment and Leisure
Electronic Arts, Inc. (\$3.7)	eBay, Inc. (\$9.2)	H.J. Heinz Company (\$10.5)	Viacom, Inc. (\$9.3 (for 9 mos))
Take-Two Interactive Software, Inc. (\$0.4 (for 5 mos))	Yahoo!, Inc. (\$6.3)	Campbell Soup Company (\$7.7)	Mattel, Inc. (\$5.9)
	Symantec Corporation (\$6.0)	Clorox Corporation (\$5.2)	Hasbro, Inc. (\$4.0)
	Adobe Systems, Inc. (\$3.8)	Hershey Company (\$5.7)	Warner Music Group Corporation (\$3.0)
	Intuit, Inc. (\$3.5)		

While the peer group provides the Compensation Committee with an important general frame of reference, the Compensation Committee, where appropriate, may consider the compensation practices of other specific companies with which we compete directly for executive talent. Furthermore, we evaluate broader industry trends and practices to determine the appropriate elements of compensation and the effective design of each element.

As part of the competitive compensation assessment our Compensation Committee undertook in March 2010 and in the comparable assessment undertaken in March 2011, the Compensation Committee compared Mr. Kotick's compensation to compensation packages of CEOs in the peer group listed above, with the exception of the Take-Two CEO, who was excluded from the summary statistics in each year because he receives compensation from a third-party management company.

During 2011, the Company plans to reevaluate the current peer group in order to confirm that it continues to be appropriate and relevant in light of the rapidly evolving nature of the Company's corporate profile and competitive market dynamics.

Compensation Risk Management

The Compensation Committee, together with legal counsel and members of our human resources team, reviews the Company's incentive compensation plans annually to determine if they motivate employees to take inappropriate risks that are reasonably likely to have a material adverse effect on the Company. During 2010, this review consisted of an analysis of all of our incentive compensation

Table of Contents

programs for our executives and other employees, including plan design, eligibility, performance measures, payment targets and maximum payments, performance measurement and payment timing, and governance (including the applicable approval process). The review also included policies we have in place to mitigate compensation-related risk, such as our clawback policy and prohibitions on speculative trading in our stock by our employees.

The incentive compensation plans in which our named executive officers and other key employees participate are designed to encourage achievement of high levels of performance against challenging targets tied to achievement of the overall corporate strategy, while mitigating potential risks. The following factors help mitigate risk:

performance measures are designed to ensure that executive performance is focused on long-term stockholder value creation and do not encourage taking short-term risks at the expense of long-term results, balancing between financial, operational and qualitative targets and short- and long-term time horizons for achievement;

although bonuses under the Corporate Annual Incentive Plan (the "CAIP") are based on the achievement of annual target goals: (1) they represent just a portion of our executives' compensation, (2) financial results are capped at 125% to 200% of target and individual qualitative measures are capped at 120% of target, and (3) the Compensation Committee has discretion under the plan to reduce or eliminate payments based on individual performance;

long-term incentive awards, a significant portion of the compensation paid to our executives, are subject to a multi-year vesting schedule in order to ensure that the recipients always have significant value tied to long-term total shareholder return;

in accordance with our clawback policy, performance-based compensation may be recovered in the event of an earnings restatement, if the amounts paid were in excess of what would have been paid had the restated numbers been used; and

incentive awards generally require at least two levels of approval (including, in the case of any award to one of our executive officers, Compensation Committee approval), all incentive awards to our Chief Executive Officer are the exclusive jurisdiction of our Compensation Committee and all equity awards to any employee require Compensation Committee approval.

Further, our equity grants contain recapture provisions should a named executive officer breach his employment agreement with the Company, including post-termination obligations. "Shorting" our securities, engaging in "puts", "calls" or other hedging transactions involving our securities, or using margin accounts with our securities are prohibited.

Table of Contents*Elements of Our Compensation Program for 2010*

An overview of the elements of our compensation program and their purpose is summarized below. Not all of these elements are applicable to all named executive officers.

Compensation Element	Purpose
Salary	Compensate for day-to-day responsibilities.
Annual bonus Corporate Annual Incentive Plan	Drive annual corporate and business unit financial results as well as individual contributions toward strategic initiatives.
Long-term incentives (stock options, restricted share awards)	Create alignment with stockholders, drive long-term stockholder value and provide employee retention.
Perquisites	Provide modest supplemental benefits to attract key talent.
Retirement payments/benefits	Provide modest supplemental post-retirement income to attract key talent.
Change of control and termination of employment payments/benefits	Ensure balanced assessment of mergers and acquisitions activity and fair treatment in event of termination.
Collectively, salary compensation and annual bonuses are generally referred to as "cash compensation", while cash compensation plus the annualized value of long-term incentive awards are generally referred to as "total direct compensation".	

In addition to the compensation elements described above, Mr. Morhaime also participates in the Blizzard Bonus Plan and a profit-sharing program under the 2008 Plan (the "Morhaime Profit Sharing Plan"). The Blizzard Bonus Plan and Morhaime Profit Sharing Plan, which are described in more detail below, serve as Mr. Morhaime's primary short-term incentives and provide for a sharing of Blizzard Entertainment operating profit and a discretionary payment, thereby providing a meaningful incentive to continue to drive the profitability of this division.

Salary

Each of our named executive officers is party to an employment agreement. Salary, along with target annual incentives and long-term incentive awards, is initially determined upon the signing or renewal of each executive's employment agreement. The salary and guaranteed minimum annual salary increases, where specified, represent the outcome of negotiations with the executive. In approving executive contracts, the Compensation Committee utilized its judgment to determine the appropriate amount and form of compensation necessary to recruit, retain and motivate the executive. Salary increases are determined based on performance during the previous fiscal year, with reference to competitive market data and salaries of our other executives for internal pay equity purposes.

In March 2011, the Compensation Committee reviewed a competitive compensation assessment using our peer group and survey data to evaluate the competitiveness of our executive compensation program and to evaluate potential refinements for 2011. For information about our peer group, see " Use of Compensation Surveys and Peer Company Data" above. After considering each executive's performance for 2010, the level of total compensation for each of our senior executives and market

data, the Compensation Committee determined 2011 salaries for our named executive officers. The table below reflects those salaries, along with the salaries for 2010 and the raises to which certain executives are entitled under their contracts:

Name	Salary on 1/1/2010	Salary Adjustments During 2010	Salary approved for 2011	2011 Percentage Increase	Contractual Entitlement
Robert A. Kotick	\$ 1,007,000	None	\$1,057,350 (eff. 1/1/11)	5.0%	Minimum of avg. increase of executive team (excluding promotion increases and contract guarantees)

George Rose	\$ 540,000	None	\$540,000	0.0%	None

- (1) Mr. Tipl's base salary was increased as of February 15, 2010 in connection with our annual review of the base salary of our employees.
- (2) Mr. Tipl's base salary was increased as of March 23, 2010 in connection with his promotion to Chief Operating Officer and his agreement to continue to serve as our Chief Financial Officer until a replacement is hired. See " Employment Agreements Thomas Tipl".
- (3) The 3.3% increase approved for Mr. Hirshberg represented the equivalent of a 6.8% compound annual base salary adjustment, adjusted to reflect his September 1, 2010 date of hire and the March 6, 2011 effective date of the increase.
- (4) Mr. Morhaime's base salary was increased as of March 1, 2010 in connection with our annual review of the base salary of our employees.
- (5) Mr. Morhaime's base salary was increased as of August 1, 2010 in connection with the extension of his term of employment with us until December 2016 and his agreement to relinquish certain perquisites to which he was then entitled. See " Employment Agreements Michael Morhaime".

Corporate Annual Incentive Plan

2010 Opportunities. The Compensation Committee established the following minimum, target and maximum payout opportunities for our named executive officers under the CAIP for 2010. In setting the target levels, the Compensation Committee considered any requirements in the applicable employment agreements, competitive market data, our desired pay mix and the compensation levels of our other senior executives. If a named executive officer satisfied (but did not exceed) all performance goals, the executive officer is eligible to receive a payment equal to his target payout, although the

Table of Contents

Compensation Committee retained the discretion to reduce award payments. While actual payouts for 2010 were aligned to performance results, the payouts could have ranged as follows:

Name	2010 Corporate Annual Incentive Plan Payout Opportunity (% of Salary)		
	Minimum	Target ⁽¹⁾	Maximum ⁽²⁾
Robert A. Kotick	0%	200%	322%
Thomas Tipl ⁽³⁾	0%	115%	185%
Eric Hirshberg	0%	100%	177%
Michael Morhaime ⁽⁴⁾	0%	27%	47%
George Rose	0%	75%	127%

- (1) To maximize the tax deductibility of the payments to our executives under the CAIP for 2010, the awards were structured so that, if our 2010 operating income was at least 75% of the target operating income for the year set forth in the annual operating plan approved by our Board, the bonus to be paid to each executive would be the stated maximum, subject to the Compensation Committee's use of negative discretion. The Compensation Committee, when approving the 2010 CAIP opportunities, expressed an intent to use its ability to exercise negative discretion with respect to the amount, if any, of the bonuses ultimately paid to our named executive officers under the CAIP for 2010, including to reduce or eliminate all such bonuses if our 2010 operating income was not 85% or more of the target operating income for the year set forth in the annual operating plan approved by our Board.
- (2) The maximum percentages of salary vary for each executive based on the target opportunity as a percent of salary, mix of measures, weightings and maximum payout with respect to each measure. Maximum payout as a percent of target for each measure is shown in the tables below.
- (3) Mr. Tipl's 2010 CAIP target of 115% of his salary represents the weighted average of the 100% target he had prior to March 23, 2010 and the 120% target he had thereafter pursuant to the March 2010 amendment to his employment agreement. See " Employment Agreements Thomas Tipl".
- (4) In accordance with his employment agreement, effective January 1, 2010, Mr. Morhaime's target CAIP percentage was decreased from 75% to 27% of his base salary and he was no longer entitled to a guaranteed minimum bonus under the CAIP. In addition to the CAIP opportunity shown above, in 2010, Mr. Morhaime participated in the Blizzard Bonus Plan and the Morhaime Profit Sharing Plan, both of which are discussed in more detail below (see " Other Annual Incentive Plans and Bonus Programs for 2010").

2010 Achievement of Performance Goals and Payouts. We believe that a focus on profitability and operating cash flow provides incentives to executives to achieve goals that contribute to increasing stockholder value. For our named executive officers, 70% to 80% of their target opportunity under our CAIP for 2010 was weighted on non-GAAP measures of profitability and operating cash flow. Further, 20% to 30% of that opportunity was based on individual measures that supported the overall Company strategy and business unit objectives for the year, such as successful product launches, controlling costs, strategic hiring and process improvement. For each executive who was employed throughout 2010, these individual measures included a social responsibility goal representing 5% of that person's bonus opportunity to reflect the Company's overall focus on good corporate citizenship. These performance goals were reviewed and approved by the Compensation Committee, in each case based on each named executive officer's responsibilities and oversight. A description and the weighting of each goal for each of our named executive officers for 2010 are shown in the following tables.

Our Compensation Committee and Board established the financial goals and individual performance goals based on the financial plan for 2010. The established financial goals required significant profitability, demanded superior performance from our management team and were selected to drive accountability for Activision Blizzard and/or applicable business units for each executive. For 2010, the threshold level of 85% of targeted non-GAAP Activision Blizzard operating income that was required in order for the Company to fund the CAIP was attained.

The corporate performance measures used in the CAIP are non-GAAP financial measures. An explanation of how these measures were calculated is provided in the footnotes to the table below. For

- (1) Non-GAAP operating income measures exclude, as applicable: the impact of the change in deferred net revenues and related cost of sales with respect to certain of the Company's online-enabled games; expenses related to stock-based payments; Activision Blizzard's non-core exit operations (which are the operating results of products and operations of the historical Vivendi Games, Inc. businesses that the Company has exited or substantially wound down); costs related to the Combination (including transaction costs, integration costs and restructuring activities); the expenses related to the restructuring of our Activision Publishing operations; the amortization of intangibles and impairment of intangible assets; and the associated tax benefits.
- (2) Activision Blizzard diluted earnings per share, a non-GAAP financial measure, was calculated as non-GAAP net income divided by weighted average diluted shares.
- (3) Corresponds to segment operating income. For more information, see Note 14 in our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2010 filed with the SEC on February 25, 2011 (our "2010 10-K").
- (4) Activision Blizzard operating cash flow is an internal measure calculated by adjusting the Company's non-GAAP net income with year-over-year cash changes in working capital and capital expenditures for 2010.
- (5) The September operating income forecast was used in lieu of the annual operating plan objectives for Mr. Hirshberg's 2010 CAIP opportunity because of his September 1, 2010 date of hire.

We established performance measures for each individual and assigned a weighting, expressed as a percentage, to each performance measure, as reflected in the following table. Maximum and actual

Other Annual Incentive Plans and Bonus Programs for 2010

In addition to the CAIP discussed above, in accordance with his employment agreement, Mr. Morhaime received payments for 2010 under the Blizzard Bonus Plan and the Morhaime Profit Sharing Plan. Under the Blizzard Bonus Plan, a Blizzard Entertainment program that predates the Combination, Mr. Morhaime is eligible to receive an end-of-year bonus, the target amount of which is 37% of his base salary, the minimum of which is 18.5% of his base salary and the actual amount of which is otherwise based on a subjective determination by the Compensation Committee.

The Morhaime Profit Sharing Plan is comparable to the Blizzard Profit Sharing Plan, a program that, like the Blizzard Bonus Plan, predates the Combination and provides employees of Blizzard Entertainment with the opportunity to share in the earnings generated by Blizzard Entertainment. Rather than participating directly in the Blizzard Profit Sharing Plan, in order to maximize the deductibility of those payments as performance-based compensation under Section 162(m), Mr. Morhaime's opportunity to receive profit sharing payments is under the 2008 Plan (and is, therefore, known as the "Morhaime Profit Sharing Plan" instead). The Compensation Committee made the decision to retain a profit sharing component in Mr. Morhaime's compensation following the Combination due to Mr. Morhaime's position, as well as our strategic focus on profitability, the prevalent market practice of profit sharing programs in the gaming industry, contractual obligations and our desire to incent and reward his contribution to Blizzard Entertainment and Activision Blizzard profits. Under the Morhaime Profit Sharing Plan, Mr. Morhaime is entitled to up to 6% of the "profit sharing pool" established pursuant to the Blizzard Entertainment Profit Sharing Plan. (The Compensation Committee may exercise negative discretion with respect to his actual annual percentage interest in the pool, subject to a specified minimum percentage). For 2010, Mr. Morhaime received the maximum payment for which he was eligible under the Morhaime Profit Sharing Plan.

In addition, the Compensation Committee awarded Mr. Tippl a special performance bonus in the amount of \$1,000,000 for his ability to simultaneously fill multiple leadership roles during a time of significant organizational transition, as well as his critical role in enabling the Company to exceed its own financial goals and outperform the industry by a wide margin during 2010.

Long-Term Incentives

Our long-term incentive program is intended to drive long-term value creation, create alignment with stockholders' interests and to encourage retention of key executives. The program consists of stock options, restricted stock and restricted share units (including shares of restricted stock and restricted share units with vesting tied to performance and collectively referred to as "restricted share awards"). Stock options provide value to the executives only in the event the stock price increases, consistent with stockholder objectives. Restricted share awards provide an ownership interest in the Company, further aligning the interests of our executives with those of stockholders. Restricted share awards also serve as a retention vehicle since these grants generally vest in whole or in part based on continued employment. We believe a combination of stock options and restricted share awards serves to appropriately balance the objectives of the long-term incentive program. In granting equity to executive officers, we currently typically target delivering a certain value through a mix of approximately one-third stock options, one-third time-vesting restricted share units and one-third performance-vesting restricted share units.

As discussed above (see " Business Environment and Associated Talent Requirements Compensation Philosophy and Objectives"), we believe that entering into employment agreements with our executives is an important element to attract and retain top talent and our employment agreements

with our executives typically include a minimum commitment of three years. When we make a long-term incentive grant to an executive officer, it is typically done in connection with the initial entry into an employment agreement, the renewal of that agreement or an amendment to that agreement in connection with a promotion or other assumption of new responsibilities. By providing "upfront" grants, rather than annual awards, with target values that are based upon the length of the term of the agreement, we intend to secure long-term commitments to our multi-year business growth strategy. We may also provide supplemental long-term incentive grants to our executive officers during the term of their employment agreement, if there are circumstances that warrant doing so.

During 2010, we provided long-term incentive awards to each of our named executive officers. In connection with his promotion to Chief Operating Officer and his agreement to continue to serve as our Chief Financial Officer until a replacement is hired, Mr. Tippl received an upfront grant of equity that vests over the term of his employment agreement. In connection with the consummation of his employment with us, Mr. Hirshberg received an upfront grant of equity that vests over the term of his employment agreement. In conjunction with the extension of the term of his employment with us, Mr. Morhaim received an upfront grant of equity that vests over the term of his employment agreement. Mr. Morhaim also received an annual equity award in accordance with his employment agreement. Details of each employment agreement are described below (see "Employment Agreements"). In addition, Messrs. Kotick, Tippl and Rose each received a special equity award during 2010 to make his overall equity compensation competitive with prevailing market conditions.

As noted above, certain restricted share awards for Messrs. Kotick, Tippl and Hirshberg have been made with vesting contingent on the achievement of specified performance objectives. For Mr. Kotick, the measure is our absolute total shareholder return. For Mr. Tippl, the measure is our diluted non-GAAP earnings per share. For Mr. Hirshberg, the measure is Activision Publishing's non-GAAP operating income. Additionally, effective November 1, 2010, the Compensation Committee decided that, on a going-forward basis, all executive officers would receive restricted share units with vesting tied to performance. These restricted share units will generally cliff vest at the end of the vesting term, typically three years, with the number of units vesting prorated based upon our attainment of certain non-GAAP operating income targets during each year in the vesting term.

All equity awards, including those made to executive officers in connection with new or renewed employment agreements, are approved by our Compensation Committee and, where appropriate, the Section 16 Subcommittee. The effective date of the grant is generally the third trading day following approval, if approval is obtained during an open trading window within the meaning of our insider trading and pre-clearance policies. In the event that the Compensation Committee approves a grant when the trading window is not open because, for example, we are in a regularly scheduled quarter-end blackout period, the effective date of the grant is ordinarily delayed until the trading window is next scheduled to be open. Stock options have an exercise price equal to the NASDAQ Official Closing Price of our Common Stock on the effective date as reported on Nasdaq.com.

Retirement Arrangements

We offer a 401(k) plan to all employees in the United States, including our named executive officers. We do not maintain other retirement benefit plans for our employees, such as a qualified pension plan or a special non-qualified or supplemental deferred compensation plan. We believe that retirement arrangements are particular to, and should remain the responsibility of, each individual officer. The emphasis on minimal retirement arrangements ensures that a substantial portion of our named executive officers' long-term wealth accumulation depends on the achievement of Activision Blizzard profitability targets and the appreciation of our Common Stock.

Table of Contents

Perquisites

Similar to our philosophy on retirement arrangements, we believe that most items provided by other employers as perquisites for their executives are particular to, and should remain the responsibility of, each individual officer. As such, we provide limited perquisites to our named executive officers, although our named executive officers are eligible to participate in a number of broad-based benefits programs that are available to all of our employees (*e.g.*, they are entitled to "matching" contributions under our 401k plan and relocation assistance). Our named executive officers may receive Company-paid life and disability insurance and/or participate in insurance programs only available to our senior employees.

In addition, pursuant to his employment agreement, Mr. Morhaime is entitled to welfare benefits that are, in the aggregate, on terms and conditions no less favorable than those made available to him prior to the Combination. As such, we cover the full cost of Mr. Morhaime's health/medical insurance and the plan in which he participates pays for the full amount of covered medical expenses. In addition, were Mr. Morhaime to receive short-term disability insurance benefits, we would provide him with the difference between the amount he receives under the insurance and his base salary. The car allowance and personal financial services stipend historically provided to Mr. Morhaime were discontinued in October 2010 in accordance with his amended employment agreement. See the "Summary Compensation Table" below for further details.

Also, as part of an overall focus on increased executive security, during 2010 we paid for certain repairs and upgrades to Mr. Kotick's home security system. See the "Summary Compensation Table" below for further details.

Employment and Change-of-Control Arrangements

To attract and retain talented executives, we provide severance benefits under certain conditions, which are negotiated with each executive officer in connection with a new or renewed employment agreement. In addition, Mr. Kotick has been provided certain change-of-control protection. The Compensation Committee believes these arrangements remain consistent with market practice and will assist the relevant individuals in maintaining objectivity in the context of a potential change-of-control transaction. These benefits for each of our named executive officers are described under " Potential Payments upon Termination or Change of Control" below.

Impact of Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code

In structuring compensation programs, setting individual compensation levels and awarding bonuses and incentive plan payouts, the Compensation Committee considers the potential impact of Section 162(m). Section 162(m) generally does not allow a publicly held corporation to take a tax deduction when compensation paid to a covered employee (generally, the chief executive officer and any of the corporation's three other highest paid officers other than the chief financial officer) exceeds \$1.0 million in any taxable year unless:

the compensation is payable solely on account of the attainment of pre-established objective performance goals;

a committee of two or more outside directors determines such performance goals;

our stockholders approve the material terms of the compensation; and

the committee certifies that the employee has met the performance goals.

The tax deductibility of compensation paid to other executives is not subject to these limitations.

Table of Contents

We generally attempt to preserve the deductibility of elements of our performance-based incentives. However, we believe it is important that we retain the flexibility to structure compensation arrangements necessary to attract and retain the best executive talent, even though such elements may not be fully deductible under Section 162(m).

During 2010, the base salaries for each of our covered employees, with the exception of Mr. Kotick, were less than \$1.0 million. Therefore, we may deduct the full amount of the salary paid to each of those employees and \$1.0 million of the amount paid to Mr. Kotick. Further, payments under the CAIP and the Morhaime Profit Sharing Plan, each described above, are structured to be performance-based incentives within the meaning of the 2008 Plan and, therefore, we may deduct the amount paid thereunder, up to the \$6 million limit under the 2008 Plan on the payment of such awards to any one person for a single year. (For further detail on the CAIP structure, please see " Elements of Our Compensation Program for 2010 Corporate Annual Incentive Plan 2010 Opportunities", and for further detail on the MSPP structure, please see " Elements of Our Compensation Program for 2010 Other Annual Incentive Plans and Bonus Programs for 2010".)

Section 409A of the Internal Revenue Code

To the extent that any compensation paid or committed to any of our named executive officers constitutes a deferral of compensation within the meaning of Section 409A of the Internal Revenue Code, the Compensation Committee intends to cause that compensation to comply with the requirements of Section 409A and to avoid the imposition of penalty taxes and interest upon the person receiving the compensation.

Accounting Considerations

The Compensation Committee also takes accounting considerations, including the impact of ASC Topic 718, into account in structuring compensation programs and determining the form and amount of compensation awarded.

Table of Contents**Summary Compensation Table**

The table below presents compensation information for each of our named executive officers for services rendered during the periods indicated.

As previously discussed, we believe that entering into multi-year employment agreements with our executives is an important element to attract and retain top talent. When we make a long-term equity grant to an executive officer, it is typically done in connection with the initial entry into an employment agreement, the renewal of that agreement or an amendment to that agreement in connection with a promotion or other assumption of new responsibilities. The target value of any such equity grant is based upon the length of the term of the agreement and such grants are typically the only equity grants made to our executive officers (*i.e.*, our executive officers do not typically receive annual grants of equity). As the amounts shown in the Stock Awards and Option Awards columns in the table below represent the aggregate grant date fair value of the awards, the equity-based compensation and, as such, the total compensation for each executive will differ significantly from year-to-year depending on whether he entered into an employment agreement (or amendment thereof), and therefore received an equity incentive award, in a given year. (See " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Long-Term Incentives" for further information about our equity granting practices.)

(1)

Upon the consummation of the Combination, we changed our fiscal year end from March 31st to December 31st. 9MO 08 refers to the nine-month period from April 1, 2008 through December 31, 2008 and FY2008 refers to Activision, Inc.'s 2008 fiscal year (from April 1, 2007 through March 31, 2008).

(2)

The amount paid to Mr. Kotick for 2009 consists of a special achievement bonus paid to him for his performance during that period. The amount paid to Mr. Kotick for each of the nine-month period ended December 31, 2008 (*i.e.*, 9MO 08) and 2008 represents a cash bonus paid in accordance with his replacement bonus agreement with us (and was intended to compensate him for certain benefits he would have received upon a change of control of the Company under his prior employment agreement had the agreement not been amended to avoid the imposition of adverse tax consequences on him under Section 409A of the Internal Revenue Code). The amount paid to Mr. Tipl for 2010 represents a special performance award he received for his ability to simultaneously fill multiple leadership roles during a time of significant organizational transition, as well as his critical role in enabling the Company to exceed its own financial goals and outperform the industry by a wide margin during 2010. The amount paid to Mr. Tipl for 9MO 08 represents a bonus paid to him upon the consummation of the Combination as compensation for his contributions with respect thereto. The amount paid

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

to Mr. Hirshberg for 2010 consists of a signing bonus paid to him as inducement to enter into his employment agreement with us (see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Other Annual Incentive Plan and Bonus Programs for 2010" above). The amount paid to Mr. Morhaime for 2010 consists

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

Table of Contents

of a bonus paid to him pursuant to the Blizzard Bonus Plan (see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010" above) and the amounts paid to him for periods prior to 2010 consists of bonuses paid to him pursuant to the Blizzard Bonus Plan and the guaranteed portion of his CAIP award. The amount paid to Mr. Rose for 9MO 08 represents a bonus paid to him upon the consummation of the Combination as compensation for his contributions with respect thereto.

- (3) The amounts in the Stock Awards and Option Awards columns represent the aggregate grant date fair value of stock awards and option awards granted in the period (in each case, computed in accordance with ASC Topic 718). As such, in a year of grant, the full aggregate grant date fair value appears, rather than the portion being expensed for financial statement reporting purposes in that year.

Prior to a change in SEC guidance in 2008, our disclosure consisted of the dollar amounts recognized for financial reporting purposes in the relevant period for awards granted in and prior to that period rather than the aggregate grant date fair value of awards granted in the period. Accordingly, the amounts reported for each period prior to 2009 differ from the amounts we previously reported for those periods.

Assumptions and key variables used in the calculation of the grant date fair values:

for 2010, are discussed in footnote 19 to our audited financial statements included in our 2010 10-K;

for 2009, are discussed in footnote 19 to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2009 filed with the SEC on March 1, 2010;

for 9MO 08, are discussed in footnote 19 to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2008 filed with the SEC on February 27, 2009; and

for FY2008, are discussed in footnote 14 to Activision, Inc.'s audited financial statements included in its Annual Report on Form 10-K for the year ended March 31, 2008 filed with the SEC on May 30, 2008.

- (4) For 2010, the amounts in this column for the named executive officers represent cash incentives paid under the CAIP, as well as, for Mr. Morhaime, amounts paid to him pursuant to the Morhaime Profit Sharing Plan. For periods prior to 2010, the amounts in this column for the named executive officers other than Mr. Morhaime represent cash incentives paid under the CAIP and, for Mr. Morhaime, amounts paid to him pursuant to the Morhaime Profit Sharing Plan and the portion of his payment under the CAIP in excess of the amount which was guaranteed under his employment agreement prior to it being amended in November 2009 (which guaranteed portion is reported herein as a bonus). For a discussion of non-equity incentive plans, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Corporate Annual Incentive Plan" and " Other Annual Incentive Plan and Bonus Programs for 2010".

- (5) The other compensation for 2010 consists of the following:

Name	Company 401(k) plan "matching" contributions	Life, disability or medical insurance premiums	Dividend and Dividend Equivalent Payments(a)	Car Allowance(b)	Taxable Income Reimbursement Related to Company- Provided Merchandise(c)	Home Security(d)	Total
Robert A. Kotick	\$ 3,300	\$ 47,119	\$ 411,364			\$ 17,229	\$ 479,012
Thomas Tipl	\$ 3,300	\$ 8,031	\$ 27,671				\$ 39,002
Eric Hirshberg		\$ 1,731					\$ 1,731
Michael Morhaime	\$ 8,013	\$ 5,170		\$ 8,800	\$ 1,925		\$ 23,908
George Rose	\$ 3,300	\$ 12,979	\$ 3,750				\$ 20,029

- (a) The amounts represent dividends paid in respect of restricted shares and/or dividend equivalents paid in respect of restricted share units held by the officer, as the case may be, on the record date for the cash dividend of \$0.15 per share paid to our stockholders on April 2, 2010.

- (b) Mr. Morhaime's car allowance was discontinued in October 2010 in accordance with his amended employment agreement. (In addition, he is no longer entitled to a stipend for personal financial services (and no such amount was paid during 2010).) See " Employment Agreements Morhaime Employment Agreement" below.

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

(c) The amount represents a reimbursement for taxes Mr. Morhaime incurred on merchandise he received from Blizzard Entertainment. (The value of the merchandise is not included as it was provided as part of a broad-based program for employees of Blizzard Entertainment.)

(d) The amount represents upgrades and repairs to Mr. Kotick's home security system.

We have calculated the incremental cost to us of the compensation listed above based on the amount of payments made by us for the provision of such benefits.

(6) The grant date fair value of the restricted shares of Common Stock with vesting tied to performance awarded to Mr. Tipll in 2010 and the grant date fair value of the restricted share units with vesting tied to performance awarded to Mr. Hirshberg in 2010 each assume the highest level of performance.

(7) Mr. Hirshberg's date of hire was September 1, 2010.

(1) All grants of equity awards made to our named executive officers in 2010 were made under the 2008 Plan.

(2) The grant date fair value of the stock and option awards is computed in accordance with ASC Topic 718. Please see footnote 2 to the Summary Compensation Table for information about the assumptions and key variables used in the calculation of those grant date fair values. All options granted have an exercise price equal to the fair market value of a share of our Common Stock on the date of grant.

Table of Contents

- (3) Each of our named executive officers had an opportunity to earn a bonus for 2010 pursuant to the CAIP. None were entitled to a minimum amount thereunder (and none would have received any bonus thereunder if the Company's operating income didn't meet or exceed 85% of the target operating income for the year set forth in the annual operating plan approved by our Board). The target and maximum bonus under the CAIP for each named executive officer were based on the salary he earned for 2010 (and, thus, Mr. Hirshberg's target and maximum bonus under the CAIP for 2010 reflect that his date of hire was September 1, 2010). Targets assumed 100% financial and individual performance, while maximums assumed financial measures capped at 125% to 200% of target and individual qualitative measures capped at 120% of target. For more information about the CAIP, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Corporate Annual Incentive Plan" above.
- (4) These equity awards were approved during a "blackout period," as defined in our insider trading and pre-clearance policies, so the effective date of the awards is the first trading day after that blackout period was no longer in effect.
- (5) This represents a one-time grant of restricted share units to the executive, each representing the conditional right to receive one share of our Common Stock, made to make the executive's overall equity compensation competitive with prevailing market conditions. Please see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Long-Term Incentives". These restricted share units will vest in full on November 8, 2011, subject to the executive's continued employment through that date.
- (6) This represents restricted shares of Common Stock with vesting tied to performance that were granted to Mr. Tipl in connection with his promotion to Chief Operating Officer and his agreement to continue to serve as our Chief Financial Officer until a replacement is hired. Our reported diluted non-GAAP earnings per share for 2010 exceeded the diluted earnings per share objective in our annual operating plan for that year and, accordingly, one-fourth of the restricted shares vested on February 15, 2011. One-fourth of the restricted shares will vest on each of February 15, 2012, 2013 and 2014, in each case if the Compensation Committee determines that our reported diluted non-GAAP earnings per share for the prior year is at least equal to the diluted non-GAAP earnings per share objective in our annual operating plan for that year and subject to Mr. Tipl's continued employment through such date. In addition, if an objective for a year is not met but we "over-deliver" in a subsequent year by an amount at least sufficient to make up for the previous shortfall, all shares that previously failed to vest will vest on that subsequent vesting date along with the shares otherwise then vesting.
- (7) This represents restricted share units, each representing the conditional right to receive one share of our Common Stock, that were granted to Mr. Tipl in connection with his promotion to Chief Operating Officer and his agreement to continue to serve as our Chief Financial Officer until a replacement is hired. Employment Agreements

We believe that, to attract and retain the executive talent necessary to lead us, we should enter into an employment agreement with each of our executive officers. The following is a summary of the material terms regarding compensation set forth in the employment agreement we have entered into with each of our named executive officers, other than provisions regarding payments and benefits upon termination or a change of control, which are described under " Potential Payments upon Termination or Change of Control" below.

Robert A. Kotick

Robert A. Kotick is party to an employment agreement with us, dated as of December 1, 2007 and amended as of July 8, 2008 (as so amended, the "Kotick Employment Agreement"), pursuant to which he serves as our President and Chief Executive Officer. Mr. Kotick's term of employment under the Kotick Employment Agreement began on December 1, 2007 and will end on December 31, 2012.

Pursuant to the Kotick Employment Agreement, Mr. Kotick's annual base salary was \$950,000 on December 1, 2007 and was and will be increased automatically as of January 1st of each year, in an amount at least equal to the average percentage increase approved by the Compensation Committee for members of the executive leadership team with respect to that year (excluding any increase guaranteed to any such person by contract or due to such person's significant promotion or modification in duties). Mr. Kotick chose to forgo any base salary increase for each of 2008 and 2009. For more information about Mr. Kotick's base salary, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Salary" above.

Mr. Kotick is also entitled to receive an annual bonus under the CAIP, with a target amount of 200% of his base salary, the actual amount of which is determined by the Compensation Committee based on his achievement of mutually agreed objectives, his overall performance and the Company's financial performance and the form of which is determined by the Compensation Committee at its sole discretion. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 2010 Achievement of Performance Goals and Payouts" above. In addition, the Compensation Committee, at its sole discretion, may award Mr. Kotick a performance bonus at any time in an amount and form determined by the Compensation Committee. Mr. Kotick is also entitled to participate in all benefit plans generally available to our senior executive officers and we are required to maintain an \$8.55 million supplemental term life insurance policy for the benefit of his estate until November 30, 2017.

As an inducement to enter into the Kotick Employment Agreement, Mr. Kotick received an option to purchase 3,700,000 shares of our Common Stock. In addition, upon the consummation of the Combination, Mr. Kotick received a grant of 2,500,000 restricted shares of our Common Stock with vesting tied to performance, that vest in 20% increments on each of the first, second, third and fourth anniversaries of the consummation of the Combination, with another 20% to vest on the last day of the term of the Kotick Employment Agreement, in each case subject to our attaining the specified compound annual total stockholder return target at the end that vesting period (0% through the first, 5% through the second, 7.5% through the third, 15% through the fourth and 18% through the fifth anniversary). If we do not achieve the performance target for a vesting period, none of those restricted shares will vest for that vesting period. If, however, we later achieve the compound annual total stockholder return target for a subsequent vesting period, then all of the unvested restricted shares relating to prior vesting periods will vest on that subsequent vesting date. To date, none of the annual performance targets related to these restricted shares have been satisfied.

Further, in accordance with the Kotick Employment Agreement, upon the consummation of the Combination, options to purchase 300,000 shares of our Common Stock that would otherwise have vested on April 10, 2010 vested on July 9, 2008.

Table of Contents

Pursuant to the Kotick Employment Agreement, until the second anniversary of the expiration of the term of his employment under the agreement, Mr. Kotick is restricted from soliciting the employment of anyone then-employed by us or our affiliates (or anyone who was employed by us or them during the then-most recent six-month period). In addition, Mr. Kotick is prohibited from competing with us during the term of his employment under the Kotick Employment Agreement.

Thomas Tipl

Thomas Tipl is party to an employment agreement with us, dated as of September 9, 2005 and amended as of December 15, 2008, April 15, 2009 and March 23, 2010 (as so amended, the "Tipl Employment Agreement"), pursuant to which he served as the Chief Financial Officer of Activision Publishing until the consummation of the Combination, as our Chief Financial Officer from the consummation of the Combination until February 2009, and as our Chief Corporate Officer and Chief Financial Officer from February 2009 until March 2010, and since March 2010 serves as our Chief Operating Officer (as well as continues to serve as our Chief Financial Officer until his replacement is hired). Mr. Tipl's term of employment under the Tipl Employment Agreement began on October 1, 2005 and will end on April 15, 2014.

Pursuant to the Tipl Employment Agreement, Mr. Tipl's annual base salary was \$850,000 as of March 23, 2010 and was and will be automatically increased as of February 15th of each year by an amount at least equal to the average percentage increase approved by the Compensation Committee for members of the executive leadership team with respect to that year (excluding any increase guaranteed to any such person by contract or due to such person's significant promotion or modification in duties). For more information about Mr. Tipl's base salary, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Salary" above.

Pursuant to the Tipl Employment Agreement, Mr. Tipl is also eligible for an annual bonus under the CAIP, with a target amount of 120% of his base salary, the actual amount of which is determined at the Company's sole discretion based on his overall performance and the Company's performance. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 2010 Achievement of Performance Goals and Payouts" above. Mr. Tipl is also entitled to participate in all benefit plans generally available to our executive officers and we are required to maintain a \$3 million supplemental term life insurance policy for the benefit of his estate through the term of his employment.

As an inducement to enter into the Tipl Employment Agreement, in connection with the commencement of his employment, Mr. Tipl was paid a signing bonus of \$100,000 and granted an option to purchase 1,600,000 shares of our Common Stock. In addition, in consideration for abandoning certain long-term compensation, pension benefits and related equity participations with his prior employer when he joined the Company, in connection with the commencement of his employment Mr. Tipl was granted 193,424 restricted shares of our Common Stock. As an inducement to enter into the February 2009 amendment to the Tipl Employment Agreement pursuant to which he was promoted from Chief Financial Officer to Chief Corporate Officer and Chief Financial Officer and the term of his employment was extended until April 2014, Mr. Tipl was granted (1) an option to purchase 1,200,000 shares of our Common Stock, (2) 150,000 restricted shares, and (3) 80,000 restricted shares of our Common Stock with vesting tied to performance that vested on February 15, 2010 upon our attainment of a specified diluted non-GAAP earnings per share target. As an inducement to enter into the March 2010 amendment to the Tipl Employment Agreement pursuant to which he was promoted to Chief Operating Officer and agreed to continue to serve as our Chief Financial Officer until a replacement is hired (thereby simultaneously filling multiple leadership roles during a time of significant organizational transition), Mr. Tipl was granted (1) an option to purchase 525,000 shares and (2) 350,000 restricted share units. Mr. Tipl was also granted 225,000 restricted shares of our Common Stock with vesting tied to performance that vest ratably on each of February 15, 2011, 2012,

2013 and 2014, in each case if the Compensation Committee determines that our diluted non-GAAP earnings per share for the prior year is at least equal to the diluted non-GAAP earnings per share objective in our annual operating plan for that year. In addition, if an objective for a year is not met but we "over-deliver" in a subsequent year by an amount at least sufficient to make up for the previous shortfall, all shares that previously failed to vest will vest on that subsequent vesting date along with the shares otherwise then vesting.

Pursuant to the Tippl Employment Agreement, until the second anniversary of the termination of his employment, Mr. Tippl is restricted from soliciting the employment of anyone who was employed by us or our affiliates during the term of his employment and from inducing any of our business partners to alter its relationship with us. Mr. Tippl is also generally not permitted to seek or negotiate for other employment before the final six months of the term of employment under the Tippl Employment Agreement. In addition, Mr. Tippl is prohibited from competing with us during the term of the Tippl Employment Agreement.

Eric Hirshberg

Eric Hirshberg is party to an employment agreement with Activision Publishing, dated as of July 6, 2010 (the "Hirshberg Employment Agreement"), pursuant to which he serves as Activision Publishing's Chief Executive Officer. Mr. Hirshberg's term of employment under the Hirshberg Employment Agreement began on September 1, 2010 and will end on December 31, 2015.

Pursuant to the Hirshberg Employment Agreement, Mr. Hirshberg's annual base salary was \$750,000 on September 1, 2010 and will be increased by at least 5% annually. For more information about Mr. Hirshberg's base salary, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Salary" above.

Mr. Hirshberg is also eligible for an annual bonus under the CAIP with a target amount of 100% of his base salary, the actual amount of which is determined at the Company's sole discretion based on his overall performance and the Company's performance. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 2010 Achievement of Performance Goals and Payouts" above. While Mr. Hirshberg is not guaranteed an annual bonus for any year, if (1) the operating income objective for Activision Publishing set forth in our annual operating plan for the prior year has been met or exceeded, (2) we have not advised him prior to March 1st of the following year that he will be receiving a bonus at least equal to his target bonus for that year under the CAIP, and (3) he voluntarily resigns on or before March 8th of that following year, we must pay him an amount equal to the greater of (X) the base salary to which he would have been entitled had he remained Activision Publishing's employee through December 15, 2015 and (Y) any excess of \$10,500,000 over his aggregate earned compensation as of his termination date. For the purposes of the Hirshberg Employment Agreement, Mr. Hirshberg's "aggregate earned compensation" consists of all payments made, and the value of all benefits provided, to him during the term of his employment with Activision Publishing and the amount of any severance to which he is entitled, where the value attributable to his options to purchase shares of our Common Stock is any excess of the fair market value of the underlying shares on the termination date or expiration date, as the case may be, over the aggregate exercise price and the value attributable to his restricted share units (including those with vesting tied to performance) is the fair market value of the underlying shares when delivered to him. See " Potential Payments upon Termination or Change of Control" below for details regarding our severance obligations to Mr. Hirshberg. Mr. Hirshberg is also entitled to participate in all benefit plans generally available to our senior executive officers.

As an inducement to enter into the Hirshberg Employment Agreement, Mr. Hirshberg was (1) paid a signing bonus of \$2,000,000, (2) granted an option to purchase 350,000 shares of our Common Stock, (3) granted 540,000 restricted share units, and (4) granted 300,000 restricted share

units with vesting tied to performance that vest ratably on each of March 15, 2012, 2013, 2014, 2015 and 2016, in each case if the Compensation Committee determines that the operating income objective for Activision Publishing set forth in our annual operating plan for the prior year has been met or exceeded.

As further inducement to attract and retain Mr. Hirshberg, we have guaranteed him, subject to the satisfaction of certain corporate financial performance criteria, a minimum level of compensation over the term of the Hirshberg Employment Agreement. Specifically, if (1) he remains employed through December 31, 2015, (2) the operating income objective for Activision Publishing set forth in our annual operating plan for least four of the five years of the term has been met or exceeded, and (3) his aggregate earned compensation as of December 15, 2015 (calculated in the manner described above) has not exceeded \$19,000,000, we will pay him the shortfall in 2016 (subject to his execution of an effective and irrevocable release if his employment terminates on December 31, 2015).

Pursuant to the Hirshberg Employment Agreement, until the second anniversary of the termination of his employment, Mr. Hirshberg is restricted from soliciting the employment of anyone then-employed by us or our subsidiaries (or anyone who was employed by us or them during his final 90 days of employment). Mr. Hirshberg is also restricted from inducing any of our business partners to alter its relationship with us while he is our employee. Mr. Hirshberg is also generally not permitted to negotiate for other employment before the final six months of the term of his employment under the Hirshberg Employment Agreement. In addition, Mr. Hirshberg is prohibited from competing with us during the term of the Hirshberg Employment Agreement.

Michael Morhaime

Michael Morhaime is party to an employment agreement with us, dated as of December 1, 2007 and amended as of December 15, 2008, March 31, 2009, November 4, 2009 and October 16, 2010 (the "Morhaime Employment Agreement"), pursuant to which he serves as the President and Chief Executive Officer of Blizzard Entertainment. Mr. Morhaime's term of employment under the Morhaime Employment Agreement began on July 9, 2008 and will expire on December 31, 2016.

Pursuant to the Morhaime Employment Agreement, Mr. Morhaime's annual base salary was \$763,900 as of August 31, 2010 and will be reviewed annually. It may be increased at our discretion and any higher base salary paid to Mr. Morhaime will then be deemed to be the annual rate for purposes of the Morhaime Employment Agreement. For more information about Mr. Morhaime's base salary, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Salary" above.

Mr. Morhaime is also eligible for an annual bonus under the CAIP with a target amount of 27% of his base salary, 10% of which will be based on the Company's financial performance and 90% of which will be based on his performance and Blizzard Entertainment's financial performance. The actual amount of any such bonus paid to him is determined at the Company's discretion. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 2010 Achievement of Performance Goals and Payouts" above.

Mr. Morhaime is also eligible for additional annual performance-based cash compensation based upon Blizzard Entertainment's earnings under the Morhaime Profit Sharing Plan. Specifically, Mr. Morhaime is entitled to an amount equal to up to 6% of the profit sharing pool created pursuant to the Blizzard Profit Sharing Plan. (The Compensation Committee may exercise negative discretion with respect to his actual annual percentage interest in the pool, subject to a specified minimum percentage). Prior to October 2010, Mr. Morhaime was entitled to an amount equal to up to 5% of that pool. For more information about the Morhaime Profit Sharing Plan, see " Compensation

Table of Contents

Discussion and Analysis Elements of Our Compensation Program for 2010 Other Annual Incentive Plan and Bonus Programs for 2010" above.

Mr. Morhaime is also eligible for an annual bonus under the Blizzard Bonus Plan. The target amount of such bonus is 37% of his base salary, but is otherwise at our Chief Executive Officer's discretion. Prior to being amended in October 2010, the Morhaime Employment Agreement provided that the amount of such bonus would be at least 18.5% of Mr. Morhaime's base salary at the time the bonus is paid. As of October 16, 2010, no minimum bonus is guaranteed to Mr. Morhaime under the Blizzard Bonus Plan. For more information about the Blizzard Bonus Plan, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Other Annual Incentive Plan and Bonus Programs for 2010" above.

Mr. Morhaime is also entitled to participate in all benefit plans generally available to Blizzard Entertainment's senior executive officers (provided that in any case his benefits are in the aggregate at least as favorable to him as those provided to him by Blizzard Entertainment as of October 15, 2007). Mr. Morhaime was entitled to reimbursement of any legal fees he incurred in connection with the negotiation of the Morhaime Employment Agreement. In October 2010, Mr. Morhaime agreed to cease receiving an annual stipend to reimburse him for his personal financial, accounting, tax and legal services and to stop participating in Blizzard Entertainment's executive auto allowance program.

As an inducement to enter into the Morhaime Employment Agreement, upon the consummation of the Combination, Mr. Morhaime was granted an option to purchase 600,000 shares of our Common Stock. As an inducement to enter into the October 2010 amendment to the Morhaime Employment Agreement, pursuant to which, among other things, the term of his employment was extended until December 2016, Mr. Morhaime was granted (1) an option to purchase 300,000 shares of our Common Stock and (2) 400,000 restricted share units. In addition, the Morhaime Employment Agreement provides that we will recommend to the Compensation Committee that Mr. Morhaime be granted of an option to purchase 200,000 shares of our Common Stock and 70,000 restricted share units once per year during the term of the agreement to the extent awards are being made to our other senior executives during that year. Accordingly, in November 2010, the Compensation Committee, upon our recommendation, granted Mr. Morhaime (1) an option to purchase 200,000 shares of our Common Stock and (2) 70,000 restricted share units.

Pursuant to the Morhaime Employment Agreement, while he is our employee and during any period following the termination of his employment in which he is receiving severance from us (as well as for any period corresponding to any lump-sum severance payment he receives from us), Mr. Morhaime is restricted from soliciting the employment of anyone then-employed by us or Blizzard Entertainment and from inducing any of our business partners or Blizzard Entertainment's business partners to terminate its relationship with us or them. In addition, Mr. Morhaime is prohibited from competing with us while he is our employee. Further, during any period in which he is receiving severance from us (as well as for any period corresponding to any lump-sum severance payment he receives from us), he must make himself reasonably available to us to provide any information or other assistance we may reasonably request with respect to matters relating to Blizzard Entertainment's business about which he has knowledge as a result of his employment. For information about the severance Mr. Morhaime may receive, see " Potential Payments upon Termination or Change of Control" below.

George Rose

George Rose is party to an employment agreement with us, dated as of September 11, 2009 (the "Rose Employment Agreement"), pursuant to which he serves as our Chief Public Policy Officer. Mr. Rose's term of employment under the Rose Employment Agreement began on January 1, 2010 and ends on December 31, 2012.

Table of Contents

Pursuant to the Rose Employment Agreement, Mr. Rose is entitled to an annual base salary of \$540,000, with periodic increases at our discretion. For more information about Mr. Rose's base salary, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 Salary" above.

Mr. Rose is also eligible for an annual bonus under the CAIP with a target amount of 75% of his base salary, the actual amount of which is determined at the Company's sole discretion based on his overall performance and the Company's performance. For more information about performance-based bonuses, see " Compensation Discussion and Analysis Elements of Our Compensation Program for 2010 2010 Achievement of Performance Goals and Payouts" above. Mr. Rose is also entitled to participate in all benefit plans generally available to our executive officers and we are required to maintain a \$2 million supplemental term life insurance policy for the benefit of his estate through the term of his employment.

As an inducement to enter into the Rose Employment Agreement, Mr. Rose was granted (1) an option to purchase 460,000 shares of our Common Stock and (2) 45,000 restricted share units.

Pursuant to the Rose Employment Agreement, until the second anniversary of the termination of his employment, Mr. Rose is restricted from soliciting the employment of anyone then-employed by us or our subsidiaries (or anyone who was employed by us or them during his final 90 days of employment). Mr. Rose is also restricted from inducing any of our business partners to alter its relationship with us while he is our employee. Mr. Rose is also generally not permitted to negotiate for other employment before the final six months of the term of employment under the Rose Employment Agreement. In addition, Mr. Rose is prohibited from competing with us during the term of the Rose Employment Agreement.

For each named executive officer, in the event of a termination of employment due to death or disability, the executive or his estate will receive, in addition to any amounts to which he is entitled under applicable law, such as earned but unpaid salary, accrued but unpaid vacation, unreimbursed business expenses and any amounts then due under our benefit plans, programs or policies (collectively, "basic severance") (which for purposes of this table, are assumed to have been paid or reimbursed in full as of December 31, 2010), the following:

(a)

Mr. Kotick will receive:

in the event of his termination due to disability, subject to his execution of an effective and irrevocable release, an amount equal to 100% of his annual base salary in effect on his termination date (less, if the termination occurs following a change of control, the amount by which the aggregate value, determined as of

the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (see footnote (5)), which amount will be paid to him in equal installments over the 12-month period following his termination date;

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date; and

in the event of his termination due to disability, continuation of his supplemental life insurance benefits through November 30, 2017.

(b)

Mr. Tippl will receive:

a lump-sum payment equal to 300% of the base salary paid or payable to him for the most recent year immediately prior to termination; and

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date.

(c)

Mr. Hirshberg will receive:

in the event of his termination due to death, a lump-sum payment equal to 200% of his annual base salary in effect on his termination date, *less* any payments received or to which he becomes entitled under company-provided life insurance, if any (which payments, for purposes of this table, are assumed to be zero); and

in the event of his termination due to disability, subject to his or his legal representative's execution of an effective and irrevocable release, salary continuation through December 31, 2015 in an amount equal to 100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through that date, *less* any payments received or to which he becomes entitled under company-provided long-term disability insurance, if any (which payments, for purposes of this table, are assumed to be zero).

(d)

Mr. Rose will receive:

in the event of his termination due to death, a lump-sum payment equal to 200% of his annual base salary in effect on his termination date, *less* any payments received or to which he becomes entitled under company-provided life insurance, if any (which payments, for purposes of this table, are assumed to be zero), other than his company-provided \$2,000,000 term life policy; and

in the event of his termination due to disability, subject to his execution of an effective and irrevocable release, salary continuation through December 31, 2012 in an amount equal to 100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through that date, *less* any payments received or to which he becomes entitled under company-provided long-term disability insurance, if any (which payments, for purposes of this table, are assumed to be zero).

With the exception of a payment in respect of a bonus, Mr. Morhaim will not receive anything other than basic severance in connection with a termination due to death or disability.

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

Except as otherwise indicated, the amounts reflected in the table are in addition to any proceeds from company-provided insurance the executive or his estate would receive upon death or disability, as the case may be.

Any payment in respect of a bonus which any of our named executive officers would receive in connection with a termination of employment due to death or disability is discussed in footnote (2). The effects of a termination of employment due to death or disability on outstanding equity awards are discussed in footnote (7).

We maintain a key man life insurance policy with respect to each of Messrs. Kotick and Tippl and a key man disability insurance policy with respect to Mr. Kotick. As a result, in the event of a termination of the employment of Messrs. Kotick or Tippl due to death or the termination of Mr. Kotick due to disability, we would receive insurance proceeds to fund a portion of the additional payments and benefits owed to the executive or his estate upon that termination.

(2)

In the event of a termination of employment without cause or for good reason, or in the event of a termination of employment due to death or disability, each of our named executive officers is entitled to any earned but unpaid

Table of Contents

bonuses for prior years (of which there were none as of December 31, 2010), as well as a *pro rata* bonus for the year in which the termination occurs as follows:

(a)

Mr. Kotick will receive, subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):

a lump-sum payment equal to the annual bonus earned for the year immediately preceding the year in which the termination occurs, multiplied by a fraction, the numerator of which is the number of days worked during the year in which the termination occurs and the denominator of which is 365.

(b)

Mr. Tipll will receive, to the extent the bonus is earned:

a lump-sum payment equal to a *pro rata* portion of the annual bonus for the fiscal year in which the termination occurs.

(c)

Messrs. Hirshberg and Rose will each receive, to the extent the bonus is earned and subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):

a lump-sum payment equal to the annual bonus for the year in which the termination occurs (where all goals will be measured by actual performance), multiplied by a fraction, the numerator of which is the number corresponding to the month in which the termination occurs and the denominator of which is 12.

(d)

Mr. Morhaime will receive, to the extent the bonus is earned:

a lump-sum payment equal to any amounts he would have received under the CAIP, Morhaime Profit Sharing Plan and Blizzard Bonus Plan for the year in which the termination occurs (where all goals will be measured by actual performance), multiplied by a fraction, the numerator of which is the number of days prior to and including his termination date in the year in which the termination occurs and the denominator of which is 365.

None of our named executive officers will receive a bonus with respect to the year of termination of his employment in connection with a termination for cause or performance termination. Mr. Kotick will receive any earned but unpaid bonus for prior years in the event of a termination of his employment for cause and Mr. Tipll will receive any such bonus in the event of a performance termination.

(3)

The employment of each of our named executive officers may be terminated for "cause" if any of the following occur:

For Mr. Kotick: subject to his right to cure, a determination by our Board that he (1) engaged in an act of fraud or embezzlement in respect of us or our funds, properties or assets, (2) was convicted of a felony relating to his actions as our executive under the laws of the United States or any state thereof (provided that all rights of appeal have been exercised or have lapsed), unless such acts were committed in the reasonable, good faith belief that his actions were in our best interests and the best interests of our stockholders and would not violate criminal law, (3) engaged in willful misconduct or gross negligence in connection with the performance of his duties that has caused or is highly likely to cause us severe harm, or (4) was intentionally dishonest in the performance of his duties under his employment agreement and such dishonesty had a material adverse effect on us;

For Mr. Tipll: he (1) engaged in willful, reckless or gross misconduct, (2) subject to his right to cure, materially breached his employment agreement, (3) was convicted of, or pled no contest to, a felony or crime involving dishonesty or moral turpitude, (4) breached his duty of loyalty to us, or (5) violated our corporate governance policies;

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

For Mr. Hirshberg: he (1) engaged in willful, reckless or gross misconduct; (2) subject to his right to cure, materially breached his employment agreement or the proprietary information agreement with us; (3) subject to his right to cure, was convicted of, or pled no contest to, a felony or crime involving dishonesty or moral turpitude, (4) breached his duty of loyalty to us, or (5) violated our corporate governance policies;

For Mr. Morhaim: he (1) subject to his right to cure, failed to perform his primary duties or breached his employment agreement, in either case resulting in material and demonstrable damage to us or our affiliates, (2) subject to his right to cure, intentionally and materially failed to comply with our material policies of which he had been provided written notice and the terms of which are equally and uniformly applied to all of our executive employees, or (3) was convicted of a felony or other crime involving dishonesty or fraud or that results or would reasonably be expected to result in our becoming subject to public reprimand or sanction; and

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

Table of Contents

For Mr. Rose: our good faith determination that he (1) engaged in misconduct or gross negligence in the performance of his duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of his employment, (2) engaged in fraud, dishonesty, or any other conduct that causes or has the potential to cause, harm to us or our subsidiaries, including our business or reputation, (3) subject to his right to cure, violated any of our lawful directives or policies or any applicable laws, rules or regulations, (4) materially breached his employment agreement, (5) materially breached any proprietary information or confidentiality agreement with us or our subsidiaries, (6) was convicted of, or pled guilty or no contest to, a felony or crime involving dishonesty or moral turpitude, or (7) breached his fiduciary duties to us or our subsidiaries.

In addition, for Mr. Tippl, a "performance termination" occurs if we terminate his employment by reason of his failure to perform the functions of his position at the appropriate level.

Each of our named executive officers will receive basic severance in connection with a performance termination or a termination for cause and none of them will receive any salary-related severance or bonus with respect to the year of termination in connection with a performance termination or a termination for cause.

In addition, in the event of a termination of employment for cause, Mr. Kotick will receive:

any earned but unpaid bonuses for prior years; and

continuation of his supplemental life insurance benefits through November 30, 2017;

and, in the event of a performance termination, Mr. Tippl will receive any earned but unpaid bonuses for prior years.

The effects of a termination of employment in connection with a performance termination or a termination for cause on outstanding equity awards are discussed in footnote (7).

(4)

As described below, each named executive officer may terminate his employment for "good reason" upon the occurrence of any of the following without his consent:

For Mr. Kotick: (1) a reduction in his base salary, (2) a material reduction in certain benefits to which he is contractually entitled, (3) the assignment to him of any duties inconsistent with his position, duties, responsibilities, authority or status with us or a change in his reporting responsibilities, titles or offices as in effect prior to such assignment or change, (4) our material breach or failure to perform, when due, any of our obligations under his employment agreement, (5) any purported termination of his employment in contravention of his employment agreement or in violation of our Bylaws, or (6) a good faith determination by him that he is not able to discharge his duties effectively by reason of directives from our Board requiring him to perform duties not directly related to our operations;

For Mr. Tippl: our relocation to a location more than 25 miles from Los Angeles County which is materially adverse to him;

For Mr. Hirshberg: (1) a relocation of his principal place of business to a location more than 50 miles from our current headquarters that materially and adversely affects his commute or (2) his being assigned to serve in a position that is not a "C-level" executive office; and

For Mr. Morhaim: (1) a reduction in his base salary or any contractually guaranteed minimum bonuses or bonus opportunities, (2) a material reduction in certain benefits to which he is contractually entitled, (3) any change to the CAIP, the Blizzard Bonus Plan or the Morhaim Profit Sharing Plan that materially reduces his opportunity to earn compensation under those plans, when taken as a whole, (4) any change to the Blizzard Profit Sharing Plan that materially reduces the aggregate compensation opportunities available to Blizzard Entertainment's employees under that plan, (5) a material default by us in paying or providing him with any compensation or benefits required or any material obligations owed to him under his employment agreement, (6) our termination without cause of any member of Blizzard Entertainment's management team, (7) a change in location of his primary place of employment to a location more than 15 miles from Blizzard Entertainment's

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

existing office in Irvine, California, (8) a change in title that conveys lesser responsibility or lower status, or the imposition of any restriction or constraint upon him or the undertaking of any other act which materially diminishes his position, office, responsibility, duties or authority, (9) a change in his reporting structure and responsibilities as set forth in his employment agreement, (10) a change of control of Blizzard Entertainment, or (11) subject to certain exceptions and limitations on his authority, our engaging in conduct with respect to the operations or activities of Blizzard Entertainment which, taken individually or as a whole, prevent or materially interfere with him having authority, ability, accountability and control over the conduct of Blizzard Entertainment's strategic, operational and daily

business activities, or otherwise prevent him from effectively acting as Blizzard Entertainment's chief executive officer; and

For Mr. Rose: a relocation of his principal place of business to a location more than 50 miles from our current headquarters that materially and adversely affects his commute.

Upon a termination of the employment of one of our named executive officers by us without cause or by one of our named executive officers for good reason, that named executive officer will receive, in addition to any basic severance, the following:

(a)

Mr. Kotick:

subject to his execution of an effective and irrevocable release, an amount equal to 200% of the sum of his base salary in effect on his termination date and the target annual bonus for the year in which the termination occurs (unless such termination follows a change of control, in which case the amount will be equal to 300% of that sum, less, in the case of a change of control on or prior to December 31, 2010, the amount by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (see footnote (5)), which amount will be paid to him in equal installments over the 12-month period following his termination date;

continuation of health/medical insurance benefits for him and his family for a period of two years following his termination date; and

continuation of his supplemental life insurance benefits through November 30, 2017.

The amount in the table represents the amount Mr. Kotick would have received had he been terminated by us without cause or by him for good reason following a change of control. Had such termination not followed a change of control, his severance payment would have been \$6,042,000 (and, as such, the total amount he would have received would have been \$7,850,786).

(b)

Mr. Tippl:

salary continuation through April 15, 2014 in an amount equal to 100% of the base salary that would have been payable to him through that date (taking into account the automatic increases in base salary under his employment agreement, which increases are not reflected in this table because the amount thereof cannot be determined, as they are based upon increases approved for other members of the executive leadership team for the year in question).

(Mr. Tippl will also receive these amounts if his employment is terminated as a result of his loss of immigration status and legal ability to work for us in the United States, unless such loss results from his action or inaction.)

(c)

Mr. Hirshberg:

subject to his or his legal representative's execution of an effective and irrevocable release, a lump-sum payment equal to the greater of (X) 100% of the base salary that would have been payable to him through December 31, 2015 (taking into account the automatic increases in base salary under his employment agreement) and (Y) any excess of \$10,500,000 over his aggregate earned compensation as of his termination date, where "aggregate earned compensation" consists of all payments made, and the value of all benefits provided, to him during the term of his employment with Activision Publishing and the amount of any severance to which he is entitled, where the value attributable to his options is any excess of the fair market value of the underlying shares on the termination date over the aggregate exercise price and the value attributable to his restricted share units (including those with

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

vesting tied to performance) is the fair market value of the underlying shares when delivered to him; as of December 31, 2010, Mr. Hirshberg's aggregate earned compensation was \$2,532,934.

(Mr. Hirshberg will also receive this amount if: (1) the operating income objective for Activision Publishing set forth in our annual operating plan has been achieved with respect to a year; (2) we have not advised him prior to March 1st of the following year that he will be receiving a bonus at least equal to his target bonus for that year under the CAIP; and (3) he voluntarily resigns on or before March 8th of that following year. Please see " Employment Agreements Eric Hirshberg" above.)

Table of Contents

(d)

Mr. Morhaime:

a lump-sum payment equal to the sum of:

100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through December 31, 2016;

the sum of the following components for each year remaining in the term of his employment under his employment agreement (*i.e.*, six years as of December 31, 2010):

an amount equal to the actual annual bonus paid under each of the CAIP and Blizzard Bonus Plan for the year immediately preceding the year of termination (which, had his termination date been December 31, 2010, would have been reduced by \$195,000 in accordance with his employment agreement); and

the value of his health/medical insurance, life insurance and disability insurance benefits based upon his coverage as of December 31, 2010;

200% of the actual annual bonus compensation paid to Mr. Morhaime under the Morhaime Profit Sharing Plan for the year immediately prior to termination; and

had his termination date been December 31, 2010, (a) \$1,500,000 if his employment was terminated without cause and (b) \$300,000 if his employment was terminated for good reason.

The lump-sum payment in the table represents the amount Mr. Morhaime would have received had he been terminated without cause. Had he been terminated for good reason, the lump-sum payment would have been \$11,994,898 (and, as such, the total amount he would have received would have been 19,708,062).

(e)

Mr. Rose:

subject to his execution of an effective and irrevocable release, salary continuation through December 31, 2012 in an amount equal to 100% of the base salary (at the rate in effect on his termination date) that would have been payable to him through that date.

Any payment in respect of a bonus which any of our named executive officers would receive in connection with a termination of employment by us without cause or by that named executive officer for good reason is discussed in footnote (2). The effects of a termination of the employment of one of our named executive officers by us without cause or by that named executive officer for good reason on outstanding equity awards are discussed in footnote (7).

Pursuant to the terms of Messrs. Hirshberg and Rose's employment agreements, all benefits to which each is otherwise entitled upon a termination of employment by us without cause or by him for good reason, with the exception of the basic severance, will cease if he breaches the post-termination non-solicitation provisions of his employment agreement. Please see, respectively, " Employment Agreements Eric Hirshberg" and " Employment Agreements George Rose" above for a description of those obligations. In addition, all payments and benefits to each of Messrs. Hirshberg and Rose with the exception of the basic severance will cease if he obtains any subsequent employment or otherwise provides services of any kind for compensation.

(5)

For Mr. Kotick, in the event of a change of control:

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

(a)

As noted in footnote (4), upon a subsequent termination of employment by us without cause or by Mr. Kotick for good reason during the 12-month period following the effective date of that change of control, he will receive, in addition to any basic severance, the following:

subject to his execution of an effective and irrevocable release, an amount equal to 300% of the sum of his base salary in effect on his termination date and the target annual bonus for the year in which termination date occurs (in the case of a change of control on or prior to December 31, 2010, less the amount by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control (see (c) below), exceeds \$25 million (*i.e.*, \$0 in the case of a December 31, 2010 termination)), which amount will be paid to him in equal installments over the 12-month period following his termination date;

continuation of health/medical insurance benefits for him and his family, as applicable, for a period of two years following his termination date; and

continuation of his supplemental life insurance benefits through November 30, 2017.

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

Table of Contents

As noted in footnote (1), if he is terminated after a change of control on December 31, 2010 due to disability, the payment otherwise owed to him would be reduced by the amount by which the aggregate value, determined as of the date of the occurrence of the change of control, of the equity held by Mr. Kotick which is accelerated in accordance with his employment agreement upon the change of control, exceeds \$25 million (*i.e.*, \$0 in the case of a December 31, 2010 termination).

(b)

The amounts shown represent:

the value of any unvested options, the vesting of which accelerates upon Mr. Kotick's termination, measured as the excess, if any, of the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010 over the exercise price of the options; and

the value of any restricted shares or restricted share units as to which the restrictions lapse upon Mr. Kotick's termination, measured as the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010.

(c)

If there had been a change of control on December 31, 2010 (whether or not he was subsequently terminated):

20 percent of the options granted to him on December 5, 2007 (*i.e.*, 740,000 additional options) would have immediately vested and all options vested as of that date would have remained exercisable until their original expiration date and the options granted to him on or prior to June 15, 2007 would have remained exercisable until their original expiration date; and

20 percent of the restricted shares with vesting tied to performance granted to him on July 9, 2008 (*i.e.*, 500,000 restricted shares) would have immediately vested.

If, following that change of change of control, he had been terminated due to his death, as discussed in footnote (7):

the remaining 20 percent of the options granted to him on December 5, 2007 (*i.e.*, 740,000 additional options) would have immediately vested and remained exercisable until their original expiration date.

If, following that change of control, he had been terminated due to his disability, by us without cause or by him for good reason, there would have been no further impact on his outstanding equity awards.

In addition, if the NASDAQ Official Closing Price of our Common Stock on the date of the change of control is greater than the exercise price of any of his vested options, Mr. Kotick will have the right to forfeit the options in exchange for a cash payment equal in value to the number of shares of our Common Stock underlying those options multiplied by the amount that the NASDAQ Official Closing Price exceeds the exercise price of the options. For purposes of this table, no value is attributed this provision of his employment agreement, as Mr. Kotick could obtain the same value by exercising those options and selling the shares purchased upon exercise in the open market. Further, no value is attributed to the potential acceleration of options, as per share of the options is greater than \$12.44.

(d)

Pursuant to his employment agreement, Mr. Kotick is entitled to be grossed-up in respect of any excise taxes for which he is responsible in respect of payments by us to him as a result of a change of control. Assuming that a change of control occurred on December 31, 2010, any payment owed to him under the employment agreement as a result of that change of control would not have exceeded the necessary safe harbor cap under the Internal Revenue Code to trigger a gross-up payment for him.

For purposes of Mr. Kotick's employment agreement, a change of control is defined to include: (a) the acquisition of 25% or more of our outstanding voting stock (except if, after that acquisition, the person or group which acquired that stock beneficially owns fewer

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

shares than Vivendi and its affiliates in the aggregate and does not have, by virtue of that beneficial ownership or by contract the right to elect a majority of the Board), (b) the failure of the directors who constituted the Board at the time of the Combination (or replacements who are approved by a majority of such directors) to constitute a majority of the Board, or (c) a consolidation, merger or sale of all or substantially all of our assets in which our stockholders do not retain in excess of 65% of the combined voting power of the corporation or other person or entity resulting from that transaction in substantially the same proportion as their ownership of the voting securities of Activision Blizzard immediately before the transaction. No change of control will be deemed to have occurred upon the acquisition of additional control of Activision Blizzard by Vivendi or by any one person or more than one person acting as a group that beneficially owns, directly or indirectly, more than 50% of our total outstanding voting stock.

Table of Contents

(6) The amounts shown represent the estimated cost to us for continuation of health/medical insurance benefits and, if applicable, life insurance benefits for the required period, based on the cost to the Company of providing those benefits as of December 31, 2010. See footnotes (1), (3), (4) and (5) for a description of the termination scenarios for which these amounts are relevant.

(7) The amounts shown represent:

the value of any unvested options, the vesting of which accelerates upon termination, measured as the excess, if any, of the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010 over the exercise price of the options; and

the value of any restricted shares or restricted share units as to which the restrictions lapse upon termination, measured as the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010.

The outstanding equity awards that continue to vest in accordance with their vesting schedules do not have any additional value attributed to them in this table over the value based on the \$12.44 stock price on December 31, 2010 because the market price of our Common Stock at the time of vesting cannot be determined. Assuming the stock price on the date of vesting is equal to the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010, the value of the vesting is as described below and reflects only the intrinsic value on that date.

The effects of termination on the outstanding equity awards held by each named executive officer as of December 31, 2010 are as follows:

(a) For Mr. Kotick, with respect to equity awards governed by his employment agreement, on the date of termination:

in the event of a termination of employment due to death or disability or in the event of a termination of employment without cause or for good reason, subject to his execution of an effective and irrevocable release (other than in the event of a termination of his employment due to death):

provided that any such termination that is either due to disability, without cause or for good reason does not follow a change of control, 40 percent of the options granted to him on December 5, 2007 will immediately vest (*i.e.*, the remaining 1,480,000 unvested options) and all options vested as of that date will remain exercisable until their original expiration date, the options granted to him prior to January 1, 2007 will remain exercisable until the earlier of the fifth anniversary of his termination date and their original expiration date and the options granted to him on June 15, 2007 will remain exercisable until their original expiration date; and

provided that any such termination does not follow a change of control, had his termination date been December 31, 2010, any unvested portion of his restricted shares with vesting tied to performance would have been treated as follows:

if the performance target for the relevant performance period (*i.e.*, the period ending on July 9, 2011) had been met as of the day prior to his termination date, the restricted shares that would have vested on July 9, 2011 had Mr. Kotick remained employed through that date would have immediately vested;

if the performance target for the relevant performance period was not met as of the day prior to his termination date but had been met as of July 9, 2011, the restricted shares that would have vested on July 9, 2011 had Mr. Kotick remained employed through that date would vest on July 9, 2011;

if the performance target for the subsequent performance period (*i.e.*, the period ending on July 9, 2012) had been met as of the day prior to his termination date, the restricted shares that would have vested on July 9, 2012 had Mr. Kotick remained employed through that date would have immediately vested;

if the performance target for the subsequent performance period (*i.e.*, the period ending on July 9, 2012) was not met as of the day prior to his termination date but had been met as of July 9, 2011, the restricted shares that would have vested on July 9, 2012 had Mr. Kotick remained employed through that date would vest on July 9, 2011; and

Table of Contents

to the extent any restricted shares do not vest in the manner described in the preceding bullet points, if the performance target for any subsequent performance period (*i.e.*, the period ending on July 9, 2012 or December 31, 2012) has been met as of the last day of such performance period, then a pro-rated portion of the remaining restricted shares will vest on such date, where the pro-rated portion is determined using a fraction, the numerator of which is the number of days beginning on July 9, 2008 and ending on the termination date and the denominator of which is the number of days beginning on July 9, 2008 and ending on December 31, 2012 (*i.e.*, the expiration date of the agreement).

(For purposes of this table, no value is attributed to this potential acceleration of options, as per share of the options (*i.e.*, \$13.29) is greater than \$12.44. Further, no value is attributed to this potential acceleration of the restricted shares with vesting tied to performance, as the performance metric for neither the performance period ending on July 9, 2011 nor the performance period ending on July 9, 2012 was met as of December 31, 2010 and any other potential post-termination vesting would have occurred after December 31, 2010.)

in the event of a termination of employment for cause, on the date of termination:

his options, whether or not vested, will be cancelled; and

the unvested portion of his restricted shares with vesting tied to performance will be cancelled.

in the event of a termination of employment for any other reason, on the date of termination:

his options will cease to vest and, to the extent vested, will generally remain exercisable for 30 days; and

the unvested portion of his restricted shares with vesting tied to performance will be cancelled.

As of December 31, 2010, the outstanding equity awards governed by Mr. Kotick's employment agreement were as follows: (1) vested options to purchase 3,344,406 shares of our Common Stock, (2) unvested options to purchase 1,480,000 shares of our Common Stock, and (3) 2,500,000 restricted shares. Please see " Outstanding Equity Awards at December 31, 2010" for further details about these awards.

For the effects of a change of control and any subsequent termination on Mr. Kotick's outstanding equity awards see footnote (5).

(b)

For Mr. Tippl, with respect to equity awards governed by his employment agreement:

in the event of a termination of employment due to death or disability, on the date of termination:

his options will cease to vest; and, to the extent vested, will generally remain exercisable for 30 days; and

his unvested restricted shares (other than those with vesting tied to performance) and the unvested restricted share units granted to him pursuant to his agreement will vest such that the value of the aggregate number of shares he has received upon the vesting of his restricted shares and restricted share units but has yet to sell, if any, and the newly-vested shares and units (based on the fair market value of the shares or shares underlying the units, as the case may be, on the date of termination) is equal to \$1,500,000 less the amount, if any, of the after-tax proceeds of any such shares already sold by him as of

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

the date of termination, and the remainder of his restricted shares and restricted share units (including those with vesting tied to performance) will be cancelled; based on the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010, if he had been terminated on that date, all of his unvested restricted shares and restricted share units (including those with vesting tied to performance) would have been canceled.

in the event of a termination of employment for cause or as a result of a performance termination, on the date of termination:

his options, whether or not vested, will be cancelled; and

because he abandoned certain long-term compensation, pension benefits and related equity participations with his prior employer when he joined the Company, his unvested restricted shares (other than those with vesting tied to performance) and the unvested restricted share units granted to him pursuant to his agreement will vest such that the value of the aggregate number of shares he has received upon the vesting of his restricted shares and restricted share units but has yet to sell, if any, and the newly-vested shares and units (based on the fair market value of the shares or shares underlying the units, as the case may be, on the date of termination) is equal to \$1,500,000 less the amount, if any, of the after-tax

Table of Contents

proceeds of any such shares already sold by him as of the date of termination, and the remainder of his restricted shares and restricted share units (including those with vesting tied to performance) will be cancelled; based on the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010, all of his unvested restricted shares and restricted share units (including those with vesting tied to performance) would have been canceled.

in the event of a termination of employment without cause or for good reason (or as a result of his loss of immigration status and legal ability to work for us in the United States, unless such loss results from his action or inaction):

if his aggregate earned value (defined as the aggregate of the value of restricted shares (other than those with vesting tied to performance) and restricted share units granted to him pursuant to his agreement vested prior to termination (as determined by reference to the NASDAQ Official Closing Price on the vesting date) and the value of exercised stock options (where all options are deemed to have been exercised upon vesting)) is equal to or exceeds the valuation limit determined by multiplying (x) 2.5 by the number that is equal to the sum of his initial base salary and target annual bonus (\$1,968,750) by (y) the number of full and partial years worked as of the date of termination, Mr. Tippel's remaining unvested restricted shares, restricted share units and stock options will be canceled; otherwise, Mr. Tippel's restricted shares (other than those with vesting tied to performance, which will be canceled), the restricted share units granted to him pursuant to his agreement and his stock options will continue to vest until his aggregate earned value in respect of that equity exceeds the valuation limit (or he begins to compete with us, in which case the vesting will cease as of the day he begins the competitive activity and any options which are then vested will generally remain exercisable for 30 days); based on the NASDAQ Official Closing Price of \$12.44 per share of our Common Stock on December 31, 2010, Mr. Tippel's aggregate earned value exceeded the valuation limit of \$10,005,565 and his remaining unvested restricted shares, restricted share units and stock options would have been canceled.

in the event of a termination of employment for any other reason, on the date of termination:

his options, whether or not vested, will be cancelled; and

his unvested restricted shares and restricted share units will be cancelled.

As of December 31, 2010, the outstanding equity awards governed by Mr. Tippel's employment agreement were as follows: (1) vested options to purchase 1,271,112 shares of our Common Stock, (2) unvested options to purchase 1,485,000 shares of our Common Stock, (3) 120,000 restricted shares, and (4) 350,000 restricted share units. Please see " Outstanding Equity Awards at December 31, 2010" for further details about these awards.

(c)

For Mr. Hirshberg, with respect to equity awards governed by his employment agreement:

in the event of a termination of employment with cause, on the date of termination:

his options, whether or not vested, will be cancelled; and

his unvested restricted share units will be cancelled.

in the event of a termination of employment for any other reason, on the date of termination:

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

his options will cease to vest and, if any of the options are then vested and the NASDAQ Official Closing Price of per share of our Common Stock on his termination date is greater than the exercise price per share of his options (*i.e.*, \$11.88), he will receive a lump-sum payment equal to that excess multiplied by the number of shares for which the options are then vested; and

his unvested restricted share units will be cancelled.

As of December 31, 2010, the outstanding equity awards governed by Mr. Hirshberg's employment agreement were as follows: (1) unvested options to purchase 350,000 shares of our Common Stock and (2) 840,000 unvested restricted share units. Please see " Outstanding Equity Awards at December 31, 2010" for further details about these awards.

(d)

For Mr. Rose, with respect to equity awards governed by his employment agreement:

in the event of a termination of employment due to death, on the date of termination:

his options will cease to vest and, to the extent vested, will generally remain exercisable for one year;
and

Table of Contents

his unvested restricted share units will be cancelled.

in the event of a termination of employment with cause, on the date of termination:

his options, whether or not vested, will be cancelled; and

his unvested restricted share units will be cancelled.

in the event of a termination of employment for any other reason, on the date of termination:

his options will cease to vest and, to the extent vested, will generally remain exercisable for 30 days; and

his unvested restricted share units will be cancelled.

As of December 31, 2010, the outstanding equity awards governed by Mr. Rose's employment agreement were as follows: (1) vested options to purchase 153,334 shares of our Common Stock, (2) unvested options to purchase 306,666 shares of our Common Stock, and (3) 30,000 unvested restricted share units. Please see " Outstanding Equity Awards at December 31, 2010" for further details about these awards.

(e)

Awards Not Governed by Employment Agreements. As of December 31, 2010, each of our named executive officers held certain equity awards that were not governed by the executive's employment agreement and, instead, were consistent with our standard form of award agreement. Specifically:

Restricted Shares and Restricted Share Units held by Messrs. Kotick, Tipl, Morhaime and Rose. Each of Messrs. Kotick, Tipl, Morhaime and Rose were granted restricted shares and/or restricted share units which, in the event his employment agreement terminates for any reason prior to the date on which those awards have vested, will be cancelled on the date of termination. As of December 31, 2010, the outstanding restricted share awards with such terms were as follows:

160,000 unvested restricted share units granted to Mr. Kotick;

225,000 unvested restricted shares with vesting tied to performance and 15,000 unvested restricted share units granted to Mr. Tipl;

470,000 unvested restricted share units granted to Mr. Morhaime; and

13,000 unvested restricted share units granted to Mr. Rose.

Options held by Messrs. Tipl, Morhaime and Rose. Each of Messrs. Tipl, Morhaime and Rose were granted options which, on the date of termination of employment:

in the event of his termination due to death or disability, will cease to vest and, to the extent vested, will generally remain exercisable for one year; and

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

in the event of a termination of employment for cause, whether or not vested, will be cancelled immediately;

in the event of a termination of employment for any other reason, will cease to vest and, to the extent vested, will generally remain exercisable for 30 days.

As of December 31, 2010, the outstanding options with such terms were as follows:

vested options to purchase 80,000 shares of our Common Stock granted to Mr. Tippl;

vested options to purchase 356,667 shares of our Common Stock and unvested options to purchase 923,333 shares of our Common Stock granted to Mr. Morhaime;

vested options to purchase 753,334 shares of our Common Stock granted to Mr. Rose.

Table of Contents**DIRECTOR COMPENSATION****General**

Directors of Activision Blizzard who are not employed by us or any of our subsidiaries, or by Vivendi or any of its controlled affiliates (collectively, the "unaffiliated directors"), receive a mix of compensation, which includes an annual cash retainer, specific cash fees for services rendered and equity awards. Directors of Activision Blizzard who are employed by us or any of our subsidiaries are not entitled to receive any compensation for their services on our Board. Directors of Activision Blizzard who are employed by Vivendi or any of its controlled affiliates are, pursuant to our Bylaws, entitled to receive the equity needed to satisfy our stock ownership requirements for non-employee directors, but otherwise receive no compensation for their service on our Board. All of our directors are reimbursed by us or Vivendi for expenses incurred in attending Board, Board committee and stockholder meetings.

The Compensation Committee reviews the compensation plans and policies applicable to all directors annually and makes recommendations to our Board regarding those plans and policies. In April 2010, the Compensation Committee engaged Cook to consider whether the director compensation program adopted in July 16, 2008 remained competitive. Cook provided the Compensation Committee with information about the compensation paid by the Company's peer group to its non-employee directors. In light of the extra responsibilities placed on the unaffiliated directors and the fact that their compensation had not been increased in the prior two years, the Compensation Committee recommended a 10% increase with respect to all aspects of the compensation then-payable to unaffiliated Board members. On June 3, 2010, our Board approved compensation changes consistent with the Compensation Committee's recommendation.

Cash Compensation

The following table sets forth a summary of the cash compensation program that was in effect for our unaffiliated directors prior to June 3, 2010 and the cash compensation that has been in effect for such directors since then:

	Prior to June 3, 2010	Current program (effective since June 3, 2010)
Annual Retainer	\$ 50,000	\$ 55,000
For Serving as Chairperson of the Audit Committee	\$ 25,000	\$ 27,500
For Serving as Chairperson of the Compensation Committee	\$ 20,000	\$ 22,000
For Serving as Chairperson of the Nominating and Corporate Governance Committee	\$ 15,000	\$ 16,500
For Serving as an Audit Committee Member	\$ 10,000	\$ 11,000
For Serving as a Compensation Committee or Nominating and Governance Committee Member	\$ 5,000	\$ 5,500
For each Board or Committee Meeting Attended in Person or by Telephone	\$ 3,000	\$ 3,300
Per Day for Special Assignments	\$ 5,000	\$ 5,500

Equity Compensation and Stock Ownership Guidelines

Our director compensation program is closely linked with stockholders' interests through the grant of equity awards and the promulgation of stock ownership guidelines. Our Board believes that directors more effectively represent our stockholders, whose interests our Board is charged with protecting, if they are stockholders themselves. Pursuant to our Corporate Governance Principles and Policies, all directors receiving shares of our Common Stock as a part of their annual director compensation are

Table of Contents

required to retain those shares for a period of eighteen months after the date of grant or receipt. As of April 1, 2011, each of our directors was in compliance with these guidelines.

Under the equity compensation program for our unaffiliated directors (as amended on June 3, 2010 as described above), upon an unaffiliated director's initial election to our Board and re-election to our Board following each ten-year period of continuous service, that director receives options to purchase 44,000 shares of our Common Stock and 22,000 restricted share units that vest in eight equal installments (on a quarterly basis for the two years following the date of grant, subject to continued service on our Board). In addition, upon the annual re-election of an unaffiliated director to our Board, that director receives options to purchase 22,000 shares of our Common Stock and 11,000 restricted share units that vest in four equal installments (on a quarterly basis for the year following the date of grant, subject to continued service on our Board). All options granted have an exercise price equal to the fair market value of a share of our Common Stock on the date of grant.

Pursuant to our director compensation program and our Corporate Governance Principles and Policies, each non-affiliated director is required, within four years following his initial election to our Board, to own shares of our Common Stock (including any restricted shares of Common Stock or restricted share units payable in shares of our Common Stock) having an aggregate value at least equal to five times the amount of the annual cash retainer that we then pay that director for regular service on our Board. (This ownership requirement was increased from three times that retainer in June of 2010.) The value of shares owned by each non-affiliated director will be calculated as of January 2nd of each applicable year (or if that date is not a trading date, the next trading date) based on (a) the higher of: (i) the closing price of our Common Stock as quoted on the NASDAQ National Market on that day, and (ii) the closing price of our Common Stock as quoted on the NASDAQ National Market on the date of grant (or if that date is not a trading date, the next trading date), for any shares awarded to the director by us, and (b) the actual cost to the director for any other shares (including shares acquired upon exercise of a stock option). Non-affiliated directors are subject to these guidelines for as long as they continue to serve on our Board. As of January 3, 2011, each of our non-affiliated directors who, as of that date, had been a member of our Board for four or more years was in compliance with these guidelines.

In addition, in accordance with our Corporate Governance Principles and Policies, each of our directors (including the unaffiliated directors) is required, within eighteen months following the director's initial election to our Board, to acquire no less than 7,000 shares of our Common Stock. As of April 1, 2011, each of our directors who, as of that date, had been a member of our Board for 18 or more months was in compliance with these guidelines.

Indemnification

We maintain a directors and officers insurance policy that insures all of our directors from any claim arising out of an alleged wrongful act by them in their capacity as directors of Activision Blizzard.

In addition, we have entered into indemnification agreements with our unaffiliated directors containing provisions that, in certain respects, provide broader indemnification than the indemnification required by the Delaware General Corporation Law. The indemnification agreements require us, among other things, to indemnify those directors against certain liabilities that may arise by reason of their status or service as directors, provided that they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, our best interests (and, with respect to any criminal action, suit or proceeding, that they had no reasonable cause to believe that their conduct was unlawful). The indemnification agreements also require us to advance expenses incurred by our unaffiliated directors as a result of any proceeding against them as to which they could be indemnified. We believe that these agreements are necessary to attract and retain qualified persons as directors.

Table of Contents**Compensation for 2010**

The following table sets forth a summary of certain information regarding the compensation of our directors for 2010 other than Mr. Kotick, as the compensation he received as an employee of the Company is included in the "Summary Compensation Table" above and he does not receive any additional compensation for his Board service. Mr. Kelly also receives no additional compensation for his Board service and the information in the table reflects his compensation as an employee of the Company.

- (1) The amounts in the Stock Awards and Option Awards columns represent the aggregate grant date fair value of stock awards and option awards granted in 2010 to each person who served on our Board during 2010 who is not a named executive officer (in each case, computed in accordance with ASC Topic 718). As such, in a year of grant, the full aggregate grant date fair value appears, rather than the portion being expensed for financial statement reporting purposes in that year. Assumptions and key variables used in the calculation of these grant date fair values are discussed in footnote 19 to our audited financial statements included in our 2010 10-K.

Assumptions and key variables used in the calculation of these grant date fair values are discussed in footnote 19 to our audited financial statements included in our 2010 10-K.

- (4) None of Messrs. Capron, Crépin, Lévy, Morris, Roussel or Turrini participated in our cash compensation program for directors in connection with his service on our Board for 2010, as each was a Vivendi Director.

- (5) The amounts represent dividend equivalents paid in respect of restricted share units held by the director on the record date for the cash dividend of \$0.15 per share paid to our stockholders on April 2, 2010.

- (6) Mr. Kelly was party to an employment agreement with us, which was dated as of December 1, 2007 and expired on March 31, 2011. At the time of the Combination, it was anticipated that Mr. Kelly would have a less active role in the operational leadership of the Company. His employment agreement with the Company was amended commensurately, providing for a reduction in his annual base salary to \$450,000 as of April 1, 2008 (with annual increases at the discretion of the Compensation Committee) and the elimination of any entitlement to an annual bonus, unless otherwise determined by the Compensation Committee in its sole discretion. Mr. Kelly received an aggregate salary of \$451,236 during 2010 and has not received any equity or other long-term incentive compensation since the Combination, with the exception of a special grant of restricted share units in 2010. The Compensation Committee awarded Mr. Kelly a special performance bonus of \$2 million for 2010 as, regardless of expectations at the time of the Combination, he played an important and active role in the Company as an advisor to management throughout 2010.

In addition, pursuant his employment agreement, Mr. Kelly was entitled to participate in all benefits plans generally available to our senior executive officers and we were required to maintain a \$6 million supplemental term life insurance policy for the benefit of his estate through the term of his employment. As a result, during 2010, he also received other compensation consisting of \$6,940 in insurance premiums paid by us with respect to life and long-term disability insurance for his benefit and \$3,300 in "matching" contributions by us to his account under our 401(k) plan.

Finally, Mr. Kelly received dividend equivalents in the amount of \$109,091 paid in respect of restricted share units he held on the record date for the cash dividend of \$0.15 per share paid to our stockholders on April 2, 2010.

Policies and Procedures

Charter and Bylaw Provisions Relating to Vivendi and Its Affiliates

Our Certificate of Incorporation and our Bylaws, which were amended in connection with the Combination, include various provisions governing transactions and other relationships between us and Vivendi. These provisions are summarized in this section.

Transactions with Vivendi and its Controlled Affiliates

Our Certificate of Incorporation provides that no contract, agreement, arrangement or transaction (or any amendment, modification or termination thereof) between us, on the one hand, and Vivendi and its controlled affiliates, on the other hand, will be void or voidable solely for the reason that Vivendi or its controlled affiliates is a party thereto, or solely because any of our directors or officers who are affiliated with Vivendi are present at or participate in the meeting of our Board or committee of the Board which authorizes the contract, agreement, arrangement, transaction, amendment, modification or termination or solely because his or their votes are counted for that purpose, but that any contract, agreement, arrangement or transaction (or any amendment, modification or termination thereof) will be governed by the provisions of our Certificate of Incorporation, our Bylaws, Delaware law and any other applicable law.

In addition, our Certificate of Incorporation provides that, unless Vivendi's voting interest (1) equals or exceeds 90% or (2) is less than 35%, with respect to any merger, business combination or similar transaction involving us or any of our subsidiaries, on the one hand, and Vivendi or its controlled affiliates, on the other hand, in addition to any approval required by Delaware law or our Bylaws, the approval of the transaction requires the affirmative vote of the holders of a majority of the shares of our Common Stock, other than Vivendi and its controlled affiliates, that are present and entitled to vote at the meeting called to approve the transaction.

Our Certificate of Incorporation also provides that, to the fullest extent permitted by law, neither Vivendi, its controlled affiliates, nor any of their respective officers or directors will be liable to us or our stockholders for breach of any fiduciary duty or duty of loyalty or failure to act in (or not opposed to) the best interests of Activision Blizzard or the derivation of any improper personal benefit by reason of the fact that Vivendi, its controlled affiliates or an officer or director of Vivendi or any of its controlled affiliates in good faith takes any action or exercises any rights or gives or withholds any consent in connection with any agreement or contract between us, on the one hand, and Vivendi and its controlled affiliates, on the other hand.

Our Bylaws require that, until July 9, 2013, any transaction or agreement between us or any of our subsidiaries, on the one hand, and Vivendi or any of its controlled affiliates, on the other hand, including any merger, business combination or similar transaction involving those parties, must, in addition to any approval required by law, be approved by (1) the affirmative vote of a majority of the votes present or otherwise able to be cast at a meeting of our Board and (2) the affirmative vote of at least a majority of the Independent Directors (as defined in our Bylaws).

A "controlled affiliate" of Vivendi is an affiliate as defined under the Exchange Act that is controlled, directly or indirectly, by Vivendi.

Business Activities

Under our Certificate of Incorporation, neither Vivendi nor any of its controlled affiliates may engage, directly or indirectly, in any "competing business," which is defined as the business of developing or publishing (1) interactive games for video game consoles or personal computers or (2) massive multi-player online role playing games. The businesses conducted by Vivendi and its controlled affiliates as of the consummation of the Combination (and reasonable enhancements,

Table of Contents

extensions and derivations of those businesses) are not considered to be competing businesses. In addition, our Certificate of Incorporation contains procedures pursuant to which certain businesses Vivendi or its controlled affiliates may acquire would not be considered competing businesses.

Vivendi and its affiliates are not otherwise obligated to refrain from engaging in the same or similar business activities or lines of business as we do. Our Certificate of Incorporation also provides that, to the fullest extent permitted by law, neither Vivendi nor any of its officers or directors will be liable to us or our stockholders for breach of any fiduciary duty by reason of those activities or because that person participated in them.

Corporate Opportunities

Our Certificate of Incorporation provides that, in the event that Vivendi acquires knowledge of a potential corporate opportunity for both Activision Blizzard and Vivendi, Vivendi will have no duty to communicate or offer the corporate opportunity to us; provided, however, that if that corporate opportunity is offered to an officer or director of Activision Blizzard who is also an officer, director or employee of Vivendi, expressly in that person's capacity as a director or officer of Activision Blizzard, then the corporate opportunity will not be pursued by Vivendi.

Subject to the provisions of our Certificate of Incorporation described in the prior paragraph, to the fullest extent permitted by law, (1) Vivendi will not be liable to us or our stockholders for breach of any fiduciary duty as a stockholder of Activision Blizzard by reason of the fact that Vivendi acquires or seeks the corporate opportunity for itself, directs the corporate opportunity to another person or entity, or otherwise does not communicate information regarding the corporate opportunity to us, and (2) a director or officer of ours who is also a director, officer or employee of Vivendi who acts in a manner consistent with these standards will have satisfied and fulfilled his fiduciary duty to us and our stockholders with respect to the corporate opportunity.

The provisions of our Certificate of Incorporation described above under the headings " Business Activities" and " Corporate Opportunities" expire on the date that Vivendi and its controlled affiliates cease to beneficially own at least 10% of the outstanding shares of our Common Stock and no person who is a director or officer of Activision Blizzard is also a director or officer of Vivendi.

Review, Approval or Ratification of Transactions with Related Persons

Related Party Transaction Policy

We have a Related Party Transaction Policy pursuant to which the Audit Committee evaluates transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which (1) we directly or indirectly were, are or will be a participant, (2) the amount involved exceeds \$120,000, and (3) a related person had, has or will have a direct or indirect interest. For the purposes of that policy, a "related person" is (a) one of our executive officers or directors, a person nominated for election to our Board, or any such person's immediate family member, (b) an entity that any of them controls or in which any of them has a substantial business ownership, or (c) any person who beneficially owns more than 5% of our Common Stock or any such person's immediate family member. Our Related Party Transaction Policy does not cover any employee benefit plan, program, agreement or arrangement that has been approved by the Compensation Committee or recommended by that committee for approval by our Board. Nor does it cover any dealings with Vivendi or any of its affiliates.

Under our Related Party Transaction Policy, our Chief Legal Officer is generally responsible for making an initial determination as to whether something is a related party transaction within the meaning of the policy and notifying the Audit Committee if he concludes that it is. The Audit Committee evaluates each related person transaction taking into consideration the following factors:

the purpose of and benefits to us;

Table of Contents

the terms of the transaction and whether the terms are arm's-length and in the ordinary course of our business;

the direct or indirect nature of the related person's interest in the transaction;

the size and expected term of the transaction;

whether the transaction was initiated by us or the related person;

applicable law and listing standards;

the availability of comparable goods or services from non-related persons;

the potential for reputational harm;

our Certificate of Incorporation and Bylaws; and

other facts and circumstances the Audit Committee believes to be relevant.

The Audit Committee may approve or ratify the related party transaction if it determines that the transaction is in the best interests of the Company and consistent with law and our Certificate of Incorporation and Bylaws. If the Audit Committee does not then approve or ratify the transaction, it may be voided, terminated or amended.

Code of Conduct and Conflicts of Interest

Our Code of Conduct addresses the handling of actual and potential conflicts of interest between our interests and the interests of our employees, including our executive officers, and our directors, which may include related party transactions. In accordance with our Code of Conduct, such conflicts of interest should be avoided and if an executive officer or director believes, after consultation with our Chief Legal Officer or Chief Compliance Officer, that he may have a conflict of interest, he should consult with the Audit Committee, which is responsible for determining whether a conflict actually exists.

Combination of Activision and Vivendi Games and Post-Closing Tender Offer

On July 9, 2008, the parties to the Business Combination Agreement dated December 1, 2007 (the "Business Combination Agreement") Activision Blizzard (then known as Activision, Inc.), Sego Merger Corporation, Vivendi, VGAC and Vivendi Games consummated the Combination. In that transaction:

a wholly owned subsidiary of ours merged with Vivendi Games and VGAC, a wholly owned subsidiary of Vivendi and the former sole stockholder of Vivendi Games, received approximately 591,000,000 newly issued shares of our Common Stock; and

VGAC purchased approximately 126,000,000 newly issued shares of our Common Stock.

Edgar Filing: Activision Blizzard, Inc. - Form DEF 14A

Vivendi and its subsidiaries owned approximately 54% of the issued and outstanding shares of our Common Stock following the consummation of the Combination and owned approximately 61% of the issued and outstanding shares of our Common Stock as of December 31, 2010.

Upon the consummation of the Combination, our Certificate of Incorporation and Bylaws were amended and restated to provide for, among other things, (1) the change of our name to Activision Blizzard, Inc., (2) the change of our fiscal year end to December 31, (3) an increase in the authorized number of shares of our Common Stock, (4) certain majority and minority stockholder protections, and (5) certain changes to the structure of our Board. As a result of these amendments, among other things, Vivendi is entitled to appoint a majority of our Board. For more information about our corporate governance, see "Corporate Governance Matters" above and " Investor Agreement" below.

Table of Contents

Most of the transactions with Vivendi described below were entered into in connection with the Combination before Vivendi and the Company were related parties.

Credit Facility Provided by Vivendi

On April 29, 2008, we entered into a senior unsecured credit agreement with Vivendi, which we and Vivendi amended in connection with the consummation of the Combination. That credit agreement was terminated effective July 23, 2010 but, prior to that termination, Vivendi provided us with a revolving credit facility thereunder in an aggregate amount of up to \$475 million at any time to be used for general corporate purposes. We did not borrow any amounts under the revolving facility in 2010. Any unused amounts under the revolving facility were subject to a commitment fee of 0.42% per annum and we paid Vivendi an aggregate of \$1,124,958 during 2010 with respect thereto.

Voting and Lock-Up Agreements

On December 1, 2007, in connection with entering into the Business Combination Agreement, we and Vivendi entered into voting and lock-up agreements with Mr. Kotick, our Chief Executive Officer, and Mr. Kelly, the Co-Chairman of our Board. Among other things, these agreements governed the voting of Messrs. Kotick and Kelly on the Combination and restricted transfers by each of more than a third of his Activision, Inc. shares and other Activision, Inc. equity securities until 120 days after the consummation of the Combination. These agreements also provide Messrs. Kotick and Kelly with certain registration rights which were effective as of the consummation of the Combination, including the right to require us to file a registration statement with the SEC relating to the sale of their securities and the right to participate in any proposed registered public offering of our securities.

Investor Agreement

In connection with the consummation of the Combination, on July 9, 2008, we, Vivendi, VGAC and Vivendi Games entered into an investor agreement. The investor agreement contains various agreements among the parties regarding, among other things:

Vivendi's and VGAC's agreement to vote their respective shares of our Common Stock in favor of (1) the nominees proposed for election as directors of Activision Blizzard by the Independent Nominating Committee, subject to certain limited exceptions, and (2) the nominees proposed for election as directors of Activision Blizzard by the Executive Nominating Committee, in each case, as long as those nominees are nominated in accordance with our Certificate of Incorporation and Bylaws (for more information, see "Corporate Governance Matters Special Nominating Subcommittees" above);

our agreement to reimburse Vivendi for stock-settled equity award expenses and to make payments in respect of the exercise of cash-settled equity awards, in each case as they relate to certain equity awards granted by Vivendi and its controlled affiliates to Vivendi Games' employees prior to the consummation of the Combination;

our agreement to provide Vivendi with our quarterly consolidated financial statements, to use reasonable best efforts to comply with Vivendi's consolidation and financial reporting process and to provide to Vivendi with that financial and tax-related information with respect to us and our subsidiaries as is reasonably necessary in order for Vivendi to comply with certain reporting obligations and regulatory requirements;

our grant of certain registration rights to Vivendi and its affiliates, including demand and piggyback registration rights and our agreement to indemnify certain parties for certain liabilities in connection with those registrations; and

Vivendi's and VGAC's agreements to provide us with at least five business days notice of their intention to enter into any agreement to consummate a "control block sale" (as that term is defined in the investor agreement) and to provide certain other information related thereto.

Table of Contents

In accordance with the investor agreement, during 2010:

we reimbursed Vivendi for an aggregate of \$179,338 in respect of expenses it incurred relating to certain stock-settled equity awards granted by it and its controlled affiliates to Vivendi Games' employees prior to the consummation of the Combination;

we paid an aggregate of \$865,586 to former employees of Vivendi Games in connection with their exercise of cash-settled equity awards granted by Vivendi and its controlled affiliates to Vivendi Games' employees prior to the consummation of the Combination and an aggregate of \$67,169 of dividend equivalents in respect of those awards; and

Vivendi reimbursed us for an aggregate of \$849,512 in respect expenses we incurred relating to our reporting obligations to Vivendi.

In addition, in accordance with the investor agreement and the employment agreement between us and our former Chief Merger Officer, Jean-Francois Grollemund, dated July 16, 2008, we were obligated to reimburse, on a quarterly basis, Vivendi or any of its controlled affiliates for contributions made by Vivendi or any of its controlled affiliates to the French social security system in respect of the employment of Mr. Grollemund (but in no event in excess of the maximum amount of the social security contributions required under applicable law). During 2010, we paid to Vivendi \$31,326 for reimbursement of those social security contributions. Mr. Grollemund's employment ended on December 31, 2009.

Tax Sharing Agreement

Also in connection with the consummation of the Combination, on July 9, 2008, we entered into a tax sharing agreement with Vivendi Games and Vivendi Holding I Corp., a subsidiary of Vivendi ("VHIC"). The tax sharing agreement sets forth various agreements among the parties relating to, among other things:

the joining of Activision Blizzard or certain of our subsidiaries in the filing of certain consolidated, combined or unitary income or franchise tax returns that VHIC may elect or be required to file;

the payment by us and our subsidiaries to VHIC of amounts representing certain tax liabilities attributable to us and our subsidiaries;

the payment by VHIC to us of (or the offsetting of certain of our obligations to pay VHIC with) amounts in respect of fifty percent of the tax liability associated with certain distributions that may be made by non-U.S. subsidiaries of Vivendi Games to us (or certain of our U.S. subsidiaries) during the five-year period following the consummation of the Combination;

VHIC's indemnification of us for certain tax liabilities imposed on us arising in periods prior to the consummation of the Combination in respect of Vivendi Games or its subsidiaries or resulting from VHIC's failure to pay the Vivendi group's tax liabilities and our indemnification of VHIC for certain tax liabilities imposed on the Vivendi group for our failure to pay our tax liabilities;

the control of certain tax contests with certain taxing authorities; and

the resolution of certain tax disputes between the parties.

In addition, the agreement specifies certain procedural matters that will apply in any tax contest with any taxing authority. During 2010, there were no amounts paid to Vivendi in accordance with the tax sharing agreement and Vivendi paid us an aggregate of \$565,313 in accordance with the agreement.

Cash Management Services Agreement

On June 19, 2008, we entered into a cash management services agreement with Vivendi which was effective as of the consummation of the Combination on July 9, 2008 and amended as of February 2,

Table of Contents

2010. Pursuant to that cash management services agreement, Vivendi provides certain treasury-related services to certain of our subsidiaries. The agreement has a term of three years, subject to possible extensions, and may be terminated by either party on not less than three months prior written notice. Vivendi charges us a fee based on Vivendi's estimated cost of providing these services and we reimburse Vivendi for its out-of-pocket expenses incurred in connection with the services. We also license software from Vivendi on a royalty-free basis in connection with certain of these services. We paid Vivendi an aggregate of \$425,000 during 2010 in accordance with the cash management services agreement.

Foreign Exchange Contracts and Swaps

We use derivative financial instruments, primarily currency forward contracts and swaps, to reduce risks arising from foreign currency fluctuations. Vivendi is our principal counterparty for these arrangements. The gross notional amount of outstanding foreign exchange swaps for which Vivendi is the counterparty was \$138 million at December 31, 2010.

Relationships with Universal Music Group and its Affiliates

Our subsidiaries are party to a number of agreements with Universal Music Group, a wholly owned subsidiary of Vivendi, and its affiliates. These agreements pertain to the licensing of master recordings and compositions for our games and for marketing and promotional purposes. During 2010, we paid an aggregate of \$11,814,953 in royalties and other fees (including fees relating to the marketing of artists whose music was licensed for our games) to Universal Music Group and its affiliates for those uses.

Relationships with Directors and Executive Officers

Purchase of Tickets to Sporting and Cultural Events

From time to time, we purchase tickets to sporting and cultural events for use in furtherance of our business. During 2010, with the authorization of the Audit Committee, we purchased tickets to certain sporting events from Mr. Kotick. The tickets were purchased from Mr. Kotick at his actual cost (*i.e.* their face value), without any mark-up. The aggregate amount paid to Mr. Kotick for such tickets during the year was \$302,498.

Use of Private Aircraft

Mr. Kotick indirectly, through a controlled entity that is an FAA-certified charter operator, owns private aircraft. Mr. Kotick charters such aircraft for travel in connection with our business at arm's-length market charter rates. We then reimburse Mr. Kotick for 80% of the hourly flight charge he pays to charter aircraft from his controlled entity and 100% of the amount his controlled entity charges for certain "pass through" costs incurred in obtaining goods and services for Mr. Kotick's charters, in each case solely with respect to Company-related business travel. During 2010, the amount we reimbursed Mr. Kotick for business use of aircraft owned by his controlled entity was \$370,256. We do not reimburse Mr. Kotick for non-business use of private aircraft. This use of private aircraft in connection with our business was authorized by the Audit Committee, which believes that this arrangement provides us with substantial value, since the net cost to us is significantly less than the cost that we would incur if we were to charter aircraft for such travel at market rates.

AUDIT COMMITTEE REPORT

Management is responsible for our system of internal control over financial reporting. Our independent registered public accounting firm, PricewaterhouseCoopers LLP, is responsible for performing an independent audit of our consolidated financial statements and the effectiveness of our internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States), and to issue a report thereon. The Audit Committee is responsible for overseeing management's conduct of the financial reporting process and our system of internal control over financial reporting.

The Audit Committee has reviewed and discussed with both management and our independent registered public accounting firm all annual financial statements prior to their issuance. In connection with these reviews, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accounting firm of matters required to be discussed pursuant to Public Company Accounting Oversight Board auditing standard AU 380, including the quality of our accounting principles, the reasonableness of significant judgments and the clarity of disclosure in the financial statements. The Audit Committee also discussed with our independent registered public accounting firm matters relating to such firm's independence, including a review of audit and non-audit fees and the written disclosures and letter from PricewaterhouseCoopers LLP to the Audit Committee as required by applicable requirements of the Public Company Accounting Oversight Board (Independence Discussions with Audit Committees).

Taking all of these reviews and discussions into account, all of the Audit Committee members, whose names are listed below, recommended to our Board that it approve the inclusion of our audited financial statements in our Annual Report on Form 10-K for the period ended December 31, 2010 for filing with the SEC.

Pre-Approval Policies and Procedures

In accordance with the Audit Committee charter, the Audit Committee pre-approves all audit and non-audit services provided by the independent auditor. The Audit Committee charter provides that pre-approval of audit and permitted non-audit fees may be made by the Audit Committee or by one or more members of the Audit Committee as designated by the chair of the Audit Committee, although no such designation has yet been made. Any approval granted pursuant to any such delegation must be reported to the Audit Committee at its next scheduled meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than 10% of our Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock and other equity securities. Those persons are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of Section 16(a) forms furnished to us and written representations from certain reporting persons that no Forms 5 were required, we believe that during 2010, all of our executive officers, directors and persons who beneficially owned more than 10% of our Common Stock complied with all filing requirements of Section 16(a) of the Exchange Act on a timely basis.

AVAILABILITY OF PROXY MATERIALS ON THE INTERNET

In lieu of distributing a printed copy of proxy materials for the Annual Meeting to each of our stockholders, we are making this proxy statement and our annual report for the period ended December 31, 2010 available to our stockholders on the Internet. Each of our stockholders who, as of the date on which such notice is mailed, has not requested to receive all proxy materials from us in printed form or via email will receive a notice regarding the Internet availability of those materials, which will include instructions on how to access them, as well as how to vote online.

If you received the notice and would prefer to receive a copy of the materials for the Annual Meeting or future annual meetings of our stockholders via email or would prefer to receive a printed copy of those materials via mail, in each case at no charge, please follow the instructions for obtaining the materials on the notice.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

The SEC has adopted rules that permit companies to deliver a single notice regarding the availability of proxy materials on the Internet or a single copy of proxy materials to multiple stockholders sharing an address, unless a company has received contrary instructions from one or more of the stockholders at that address. In accordance with those rules, we may deliver a single notice or copy of proxy materials to multiple stockholders sharing an address but, upon request, will promptly deliver a separate notice or a separate copy of proxy materials to one or more stockholders at a shared address to which a single notice or a single copy of proxy materials was delivered. Stockholders may request a separate notice or a separate copy of proxy materials by calling our Investor Relations department at (310) 255-2000 or by mailing a request to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405. Stockholders at a shared address who receive multiple notices or multiple copies of proxy materials may request to receive a single notice or a single copy of proxy materials in the future in the same manner as described above.

Except as noted below, to be timely we must receive a proposal submitted pursuant to Rule 14a-8 at our principal executive offices on or before December 19, 2011. However, if the date of the 2012 annual meeting is advanced by more than 30 days or delayed by more than 30 days from the anniversary date of the 2011 Annual Meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials for the 2012 annual meeting. Any proposals under Rule 14a-8 should be sent to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Boulevard, Santa Monica California 90405.

Under our Bylaws, nominations for directors and proposals of business other than those to be included in our proxy materials following the procedures described in Rule 14a-8 may be made by stockholders who are entitled to vote at the meeting if notice is timely given, if the notice contains the information required by our Bylaws and if that business is a proper matter for stockholder action under the Delaware General Corporation Law. The stockholder must also be a stockholder of record of Activision Blizzard at the time of the giving of the notice. Except as noted below, to be timely a notice with respect to the 2012 annual meeting must be delivered in writing to our Corporate Secretary no earlier than February 6, 2012 and no later than March 7, 2012. However, if the date of the 2012 annual meeting is advanced by more than 30 days or delayed by more than 30 days from the anniversary date of the 2011 Annual Meeting, the notice must be submitted by the later of the 90th day before the 2012 annual meeting or the 10th day following the day on which public announcement of the date of the meeting is first made. Our Bylaws specify requirements relating to the content of the notice that stockholders must provide to our Corporate Secretary. Any proposal of business or nomination under our Bylaws should be mailed to our Corporate Secretary at Activision Blizzard, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.
