Item 14. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the "DGCL") authorizes a corporation to indemnify its directors and officers against liabilities arising out of actions, suits and proceedings to which they are made or threatened to be made a party by reason of the fact that they have served or are currently serving as a director or officer to a corporation. The indemnity may cover expenses (including attorneys' fees) judgments, fines and amounts paid in settlement actually and reasonably incurred by the director or officer in connection with any such action, suit or proceeding. Section 145 permits corporations to pay expenses (including attorneys' fees) incurred by directors and officers in advance of the final disposition of such action, suit or proceeding. In addition, Section 145 provides that a corporation has the power to purchase and maintain insurance on behalf of its directors and officers against any liability asserted against them and incurred by them in their capacity as a director or officer, or arising out of their status as such, whether or not the corporation would have the power to indemnify the director or officer against such liability under Section 145.

Provisions in our amended and restated certificate of incorporation and amended and restated bylaws limit or eliminate the personal liability of our directors to the fullest extent permitted by the DGCL, as it now exists or may in the future be amended. Consequently, a director will not be personally liable to us or our stockholders for monetary damages or breach of fiduciary duty as a director, except for liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

any unlawful payments related to dividends or unlawful stock purchases, redemptions or other distributions; or

any transaction from which the director derived an improper personal benefit.

These limitations of liability do not alter director liability under the federal securities laws and do not affect the availability of equitable remedies such as an injunction or rescission.

In addition, our amended and restated bylaws provide that:

we will indemnify our directors, officers and, in the discretion of our board of directors, certain employees to the fullest extent permitted by the DGCL, as it now exists or may in the future be amended; and

we will advance reasonable expenses, including attorneys' fees, to our directors and, in the discretion of our board of directors, to our officers and certain employees, in connection with legal proceedings relating to their service for or on behalf of us, subject to limited exceptions.

We have entered into indemnification agreements with each of our directors and certain of our executive officers. These agreements provide that we will indemnify each of our directors and certain of our executive officers to the fullest extent permitted by Delaware law.

We also maintain general liability insurance which covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers, including liabilities under the Securities Act.

Item 15. Recent Sales of Unregistered Securities

In the three completed fiscal years preceding the filing of this registration statement, we have issued the following securities that were not registered under the Securities Act:

(a) Issuances of Capital Stock.

On December 31, 2011, we issued and sold an aggregate of 222,554 shares of Series G preferred stock to twenty-five investors, at a price of \$18.00 per share, in the initial closing of our Series G private placement. Between May 25, 2012 and September 7, 2012, we issued and sold an additional 1,046,999 shares of Series G preferred stock to fifty-four investors, at a price of \$10.50 per share, in the second closing of our Series G private placement. As a result of the second closing of our Series G private placement, we agreed to amend the per share price of the initial closing of our Series G private placement from \$18.00 per share to \$10.50 per share and, as a result an additional 158,973 shares of Series G preferred stock was issued to the investors of the initial closing of our Series G private placement. As a result, a total of 1,428,526 shares of Series G preferred stock was issued by our company. Of the total proceeds received under our Series G private placement, \$4.2 million was recorded (of which \$3.0 million was booked as a receivable) during the six-month period ending June 30, 2012, and the \$3.0 million receivable was collected and the remaining proceeds from the private placement were received during the second half of 2012.

No underwriters were used in the foregoing transactions. All sales of securities described above were made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act (and/or Regulation D promulgated thereunder) of the Securities Act for

Edgar Filing: APPLIED OPTOELECTRONICS, INC. - Form S-1/A

transactions by a registrant not involving a public offering. All of the foregoing securities are deemed restricted securities for the purposes of the Securities Act.

Upon the completion of our initial public offering, each share of redeemable Series A preferred stock converted into approximately 3.1731 shares of common stock, each share of Series C preferred stock converted into approximately 2.3107 shares of common stock, each share of Series D preferred stock converted into approximately 2.5360 shares of common stock, each share of Series E preferred stock converted into approximately 3.6186 shares of common stock, each share of Series F preferred stock converted into approximately 1.2000 shares of common stock, and each share of Series G preferred stock converted into 1.0000 share of common stock.

(b) Grants and Exercises of Stock Options and RSUs

From January 1, 2010 to the filing of our registration statement on Form S-8 on November 19, 2013 ("Form S-8"), we granted stock options to purchase an aggregate of 1,311,327 shares of common stock with exercise prices ranging from \$6.00 to \$13.13 per share, to employees, officers, directors and consultants pursuant to our stock option plans. Options to purchase 18,053 shares of common stock have been exercised for consideration aggregating \$108,042.00 from January 1, 2010 to the filing of our Form S-8. From January 1, 2010 to the filing of our Form S-8, we granted 33,000 restricted stock units to directors pursuant to our stock option plans. The issuance of common stock upon exercise of the options and the RSU grants were exempt either pursuant to Rule 701, as a transaction pursuant to a compensatory benefit plan, or pursuant to Section 4(2) of the Securities Act or Regulation S of the Securities Act, as a transaction by a registrant not involving a public offering. The shares of common stock issued upon exercise of options and the RSU grants are deemed restricted securities for the purposes of the Securities Act.

(c) Issuances and Exercises of Warrants

On November 2, 2012, we issued warrants to our U.S. lender to purchase 6,667 shares of Series G preferred stock, with an exercise price of \$10.50 per share and an expiration date equal to thirty days after the expiration of the initial lock-up period agreed to between our company and its underwriters in connection with our initial public offering. As of the filing of this registration statement, none of the warrants described above have been exercised.

On May 17, 2011, we issued warrants to Alliance Management Consulting Co. Ltd. to purchase 10,000 shares of our common stock in partial consideration of certain services provided to us. The exercise price of the warrants is \$6.00 per share and expired upon the closing of our initial public offering. Prior to such expiration, warrants were exercised for 10,000 shares of common stock.

On December 31, 2011, we issued warrants to purchase 33,385 shares of Series G preferred stock, with an exercise price of \$18.00 per share in connection with the initial closing of our Series G private placement, to the investors of the initial closing of our Series G private placement. However, the warrants were terminated as a result of the second closing of our Series G private placement in which we agreed to amend the per share price of the initial closing of our Series G Private Placement from \$18.00 per share to \$10.50 per share. As of the filing of this registration statement, none of the warrants described above have been exercised.

On December 31, 2011, we issued warrants to eight individuals and entities to purchase 6,081 shares of Series G preferred stock in connection with eight promissory notes we entered

into with such individuals and entities. The exercise price of the warrants is \$18.00 per share and expired upon the closing of our initial public offering. Prior to such expiration, warrants were exercised for 2,778 shares of Series G preferred stock.

No underwriters were used in the foregoing transactions. All sales of securities described above were made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act (and/or Regulation D promulgated thereunder) of the Securities Act for transactions by a registrant not involving a public offering. All of the foregoing securities are deemed restricted securities for the purposes of the Securities Act.

Item 16. Exhibits and Financial Statement Schedules

(a) Exhibits

See the Exhibit Index on the page immediately following the signature page for a list of exhibits filed as part of this registration statement on Form S-1, which Exhibit Index is incorporated herein by reference.

(b) Financial Statement Schedules

Schedules not listed above have been omitted because the information required to be set forth therein is not applicable or is shown in the financial statements or notes thereto.

Item 17. Undertakings

The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreements certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 14 of this registration statement, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
