Item 1.01. Entry into a Material Definitive Agreement.

On December 9, 2016, Johnson Controls, Inc. (the "Company") and U.S. Bank National Association, a national banking association, as trustee (the "Trustee"), entered into that certain (i) Supplemental Indenture No. 1 (the "2006 Supplemental Indenture") in respect of the Indenture, dated as of January 17, 2006, between the Company and the Trustee (the "2006 Base Indenture"), (ii) Supplemental Indenture No. 3 (the "2009 Supplemental Indenture") in respect of the Indenture, dated as of March 16, 2009, between the Company and the Trustee (the "2009 Base Indenture") and (iii) Supplemental Indenture No. 1 (the "1995 Supplemental Indenture" and together with the 2006 Supplemental Indenture and the 2009 Supplemental Indenture, the "Supplemental Indentures") in respect of the Indenture, dated as of February 22, 1995, between the Company and the Trustee (the "1995 Base Indenture" and together with the 2006 Base Indenture and the 2009 Base Indenture, the "Base Indentures").

The Supplemental Indentures eliminate various covenants, event of default provisions and other provisions under the Base Indentures and the notes issued thereunder (collectively, the "Proposed Amendments"). The summaries of the Supplemental Indentures do not purport to be complete and are qualified in their entirety by reference to the full text of the Supplemental Indentures, which are attached to this Current Report on Form 8-K as Exhibits 4.1, 4.2, and 4.3 respectively, and are incorporated by reference into this Item 1.01.

Each Supplemental Indenture became effective upon execution. The Proposed Amendments are expected to become operative on or about the second business day following the expiration date of the previously announced offers by Johnson Controls International plc ("JCI plc") to exchange notes of certain series (the "existing notes") issued by the Company and another wholly owned subsidiary of JCI plc for new notes issued by JCI plc and the related solicitation of consents to amend the indentures governing the existing notes (the "exchange offers"). The exchange offers will expire on December 23, 2016, unless extended.
