On March 4, 2008, our board of directors appointed Ryder Gaston as president of our company.

For the last 11 months Mr. Gaston has worked as an executive level consultant for our company helping to establish and increase sales. During this timeframe sales have improved more than 500% to 1.05 million dollars in the 2nd quarter of this fiscal year as reported in our interim financial statements for the period ended December 31, 2007. For the previous 5 years, Mr. Gaston worked for Computer Associates a large software company where he played a

pivotal role in helping generate millions of dollars in revenue and built a national practice for security investigative services. While employed there Mr. Gaston increased revenue from \$250K to \$8M in the first year.

With the ability to leverage strong relationships in the fortune 500 and 1000 markets, Mr. Gaston consistently over achieved sales revenue goals. Mr. Gaston also held various operational and management positions with the United States Air Force and two large security consulting firms.
