Proposal

Information about the Proposal

The Record Holder intends to submit, for a shareholder vote at the Annual Meeting, the following proposal described below. Other than as described below or elsewhere in this Notice, neither the Record Holder nor any other Participant has any material interest in the Proposal.

Proposal

The following is the text of the proposed resolution:

RESOLVED, that the Management Agreement between Neuberger Berman High Yield Strategies Fund, Inc. (the "Fund") and Neuberger Berman Management LLC, dated August 6, 2010, as amended or novated (the "Management Agreement"), and all other advisory and management agreements between the Fund and Neuberger Berman Investment Advisers LLC (the "Manager") shall be terminated by the Fund, pursuant to the right of stockholders as embodied in Section 15(a)(3) of the Investment Company Act of 1940 (the "1940 Act") and as required to be included in such agreements, such termination to be effective no more than sixty (60) days following the date hereof.

Supporting Statement

As of March 1, 2019, the Fund has traded at an average discount to net asset value (NAV) of 12.5% over the last three years. In fact, the Fund has not traded at or above NAV for more than six years. In December 2018, the Fund's discount to NAV reached ~20%. Due to these reasons and what we perceive to be years of underperformance by the Fund and the existing Manager, the Record Holder believes that it is in the best interests of shareholders of the Fund to terminate the Management Agreement. The Record Holder is seeking to terminate the Management Agreement in accordance with the provisions of Section 13 thereof. Under Section 13 of the Management Agreement and pursuant to the 1940 Act, the Management Agreement may be terminated at any time, by either party thereto, without the payment of any penalty, upon sixty (60) days' prior written notice to the other party by a vote of "a majority of the outstanding voting securities of the Fund." For these purposes, and in accordance with the 1940 Act, the vote of a "a vote of a majority of the outstanding voting securities of the Fund" at the 2019 annual shareholders meeting of the Fund means the affirmative vote of the lesser of: (i) 67% or more of shares of the voting securities present at such meeting, if the holders of more than 50% of the outstanding shares of voting securities are present or represented by proxy, or (ii) more than 50% of the outstanding shares of voting securities.

The 1940 Act provides a temporary exemption to the approval requirements of an investment advisory agreement, in the event that a prior advisory contract is terminated, which allows the Board of Trustees (the "Board") (including a majority of the independent directors) to approve an interim investment advisory contract. Such an interim contract is required to be approved within ten business days after the date that the termination of the prior advisory contract becomes effective, with the compensation received under the interim contract to be no greater than the compensation the adviser would have received under the previous contract. The Board would then have 150 days to obtain shareholder approval for that new investment advisory contract at a subsequent meeting of shareholders (which would be the subject of a separate proxy solicitation). Although the failure to approve an interim or permanent investment advisory agreement could potentially require the Fund to become internally managed, we believe any reasonably designed process to select a new manager would identify a number of suitable, alternative advisers willing to advise the Fund on attractive terms.

The Record Holder believes that the Fund should dissociate itself from the Manager because this existing advisor's long-term performance has been abysmal. Although a change in adviser may result in some amount of lost time or

incremental expense, we believe this cost is far outweighed by the potential benefits of replacing the existing advisor.
