This prospectus relates to the public offering of up to 86,088,095 shares of common stock which we may issue to the holders of units of limited partnership interests, or O.P. units, in our four controlled operating partnerships, in exchange or redemption for an equal number of O.P. units under the terms of existing agreements between us and these holders who we refer to as the "selling stockholders." We will not receive any proceeds from any possible sale of the common shares by the selling stockholders. For information regarding the selling stockholders, see "Selling Stockholders" beginning on page 2 of this prospectus.

We are registering the shares of common stock being offered by this prospectus in order to permit the selling stockholders to sell them without restriction, in the open market or otherwise. However, the registration of such shares does not necessarily mean that any of the O.P. units will be submitted for exchange or redemption or that any of the shares of common stock to be issued in exchange or redemption for the O.P. units will be offered or sold by the selling stockholders.

The selling stockholders may offer their shares of common stock through public or private transactions, on or off the United States exchanges, at prevailing market prices, or at privately negotiated prices. This offering is not being underwritten.

The common stock is listed on the American Stock Exchange and the Pacific Exchange and trades on these stock exchanges with the symbol "MSW". On April 28, 2006 the closing price of one share of common stock, as quoted on the American Stock Exchange, was \$11.90.

OUR COMPANY

Mission West acquires, markets, leases, and manages research and development ("R&D") properties primarily located in the Silicon Valley portion of the San Francisco Bay Area. As of December 31, 2005, we owned and managed 107 properties totaling approximately 7.8 million rentable square feet through four limited partnerships, or operating partnerships, for which we are the sole general partner. R&D property is designed for research and development and office uses and, in some cases, includes space for light manufacturing operations with loading docks. We believe that we have one of the largest portfolios of R&D properties in the Silicon Valley. For federal income tax purposes we have operated as a self-managed, self-administered and fully integrated REIT since fiscal 1999.

In May 1998, Mission West, Carl E. Berg, his brother Clyde J. Berg, certain members of their respective immediate families, and certain entities in which Carl E. Berg and/or Clyde J. Berg held controlling or other ownership interests (collectively referred to as the "Berg Group") and certain other persons, including John T. Kontrabecki, entered into an acquisition agreement to effect an UPREIT transaction, which provided among other things, for our acquisition of interests as the sole general partner in each of the four operating partnerships named Mission West Properties, L.P., Mission West Properties, L.P. I, Mission West Properties, L.P. II, and Mission West Properties, L.P. III. In July 1998, the parties amended the acquisition agreement and agreed to consummate our acquisition of the general partner interests in each of the operating partnerships effective for financial and income tax accounting and reporting purposes as of July 1, 1998. At that time, all existing limited partnership interests in the operating partnerships were reclassified into 59,479,633 O.P. units which could be exchanged for shares of our common stock pursuant to the terms of an exchange rights agreement. Under the terms of the acquisition agreement, the operating partnerships and we also agreed to enter into a Pending Projects Acquisition Agreement, which permitted the acquisition by the operating partnerships of approximately 1.0 million additional rentable square feet upon the completion and leasing of a number of the pending development projects owned by certain members of the Berg Group. The acquisition agreement also gave us an option to acquire, through the operating partnerships, future R&D Property developments on Silicon Valley land owned by members of the Berg Group under the terms of the Berg Land Holdings Option Agreement and provided that the Berg Group members could elect to receive cash or O.P. units upon our exercise of the option. Since July 1, 1998, we have acquired approximately 3.1 million additional rentable square feet of R&D properties from the Berg Group under the Pending Projects Acquisition Agreement and the Berg Land Holdings Option Agreement for a total cost of approximately \$633.0 million. We have issued a total of 27,962,025 O.P. units and assumed debt totaling approximately \$308.0 million to acquire these properties.

RISK FACTORS

An investment in our common stock is risky. Prior to making a decision about investing in our common stock, you should carefully consider the specific risks discussed under Item 1A. "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2005, filed on March 16, 2006, and in our other filings with the SEC, which are incorporated by reference in this prospectus, together with all of the other information contained in this prospectus, any applicable prospectus supplement, or otherwise incorporated by reference in this prospectus. The risks and uncertainties described in our SEC filings are not the only ones facing us. Additional risks and uncertainties not presently known to us, or that we currently see as immaterial, may also harm our business. If any of the risks or uncertainties described in the applicable prospectus supplement or our SEC filings or any such additional risks and uncertainties actually occur, our business, results of operations, cash flows and financial condition could be materially and adversely affected. In that case, the trading price of our common stock could decline, and you might lose all or part of your investment.

USE OF PROCEEDS

All net proceeds from the sale of the shares of common stock will go to the stockholders who offer and sell their shares. Accordingly, we will not receive any of the proceeds from sales of their shares by the selling stockholders.

THE SELLING STOCKHOLDERS

This prospectus relates to the resale of shares of common stock that we might issue to the selling stockholders in exchange or redemption for O.P. units they held at the time of the UPREIT transaction or acquired subsequently under the Pending Projects Acquisition Agreement or the Berg Land Holdings Option Agreement. Most of the selling stockholders are members of the Berg Group. We might issue such shares under two alternatives. First, the exchange rights agreement permits every limited partner in the operating partnerships to tender O.P. units to us, and, at our election, to receive in exchange common stock on a one-for-one basis at then-current market value, an equivalent amount of cash, or a combination of cash and common stock, subject to the 9% overall ownership limit imposed on non-Berg Group stockholders under our charter document, or the overall 20% Berg Group ownership limit contained in the acquisition agreement, as the case may be. This exchange ratio is subject to adjustment for stock splits, stock dividends, recapitalizations of our common stock and similar types of corporate actions. In addition, once in each 12-month period beginning each December 29, the limited partners, other than Carl E. Berg and Clyde J. Berg, may exercise a put right to sell their O.P. units to the operating partnerships at a price equal to the average market price of the common stock for the 10-trading day period immediately preceding the date of tender. Upon any exercise of the put rights, we will have the opportunity for a period of 15 days to elect to fund the purchase of the O.P. units and purchase additional general partner interests in the operating partnerships for cash, unless the purchase price exceeds \$1.0 million in the aggregate for all tendering limited partners, in which case, the operating partnerships or we will be entitled, but not required, to reduce proportionally the number of O.P. units to be acquired from each tendering limited partner so that the total purchase price is not more than \$1 million.

Edgar Filing: MISSION WEST PROPERTIES INC - Form 424B3

Under the exchange rights agreement, the holders of not less than 5% of the O.P. units are able to request resale registrations of shares of common stock acquired on exchange of O.P. units on a Form S-3, or any equivalent form of registration statement. We are obligated to effect no more than two such registrations in any 12-month period. We are obligated to assist the O.P. Unit holders in obtaining a firm commitment underwriting agreement for such resale from a qualified investment-banking firm. If registration on Form S-3, or an equivalent form, is not available for any reason, we are obligated to effect a registration of the shares to be acquired on exercise of the exchange rights on a Form S-11 registration statement, or an equivalent form, in an underwritten public offering, upon demand by the holders of no fewer than 500,000 O.P. units. All holders of O.P. units are entitled to participate in such registration. We have agreed to bear all costs of such registrations other than selling expenses, including commissions and separate counsels' fees of the O.P. unit holders. We are not required to effect any registration for resale on Form S-3, or equivalent form of shares of common stock issuable to the holders of O.P. units if the request is for less than 250,000 shares.

If we determine, in our sole discretion, that it would be detrimental to us or our stockholders to offer or sell, or continue to offer or sell, any shares of common stock under this prospectus, we may deliver to the selling stockholders a certificate to this effect signed by the President of Mission West Properties stating that in the good faith judgment of our board of directors, and specifying a period of between 10 and 120 days in which the selling stockholders must suspend sales of common stock under this prospectus (though not necessarily by other means). We may exercise this right just once during any 12-month period.

A total of 93,398,705 shares of our common stock issuable in exchange for the O.P. units outstanding at July 1, 1998 and the O.P. units to be issued pursuant to the pending projects acquisition agreement were registered under the Securities Act pursuant to a registration statement on Form S-4 filed with the SEC on May 15, 1998 and declared effective on November 23, 1998 (the "S-4 Registration Statement"). The following table sets forth certain information regarding the selling stockholders and the shares of common stock beneficially owned by each of them. Except as otherwise described below, none of the selling stockholders has held any office with, been employed by, or otherwise had a material relationship with us or our affiliates within the past three years, and the address of each selling stockholder is c/o Mission West Properties, Inc., 10050 Bandley Drive, Cupertino, California 95014.

PLAN OF DISTRIBUTION

Each selling stockholder and any of his or her pledgees, donees, transferees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading facility on which our common stock is traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholder may use any one or more of the following methods when selling shares of common stock:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

Edgar Filing: MISSION WEST PROPERTIES INC - Form 424B3

- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- broker-dealers may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;
- through options;
- by pledge to secure debts and other obligations;
- to cover short sales made pursuant to this prospectus;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

- 4 -

Broker-dealers engaged by the selling stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholder does not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

The selling stockholder may from time to time pledge or grant a security interest in some or all of the shares owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the selling security holder list to include the pledgee, transferee or other successors in interest as selling stockholder under this prospectus.

The selling stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus. This prospectus may also be used by transferees of the selling stockholder, including broker-dealers or other transferees who borrow or purchase the shares to settle or close out short sales of shares of common stock. The selling stockholder will act independently of us in making decisions with respect to the timing, manner, and size of each sale or non-sale related transfer.

The selling stockholder may enter into hedging transactions with broker-dealers in connection with distributions of the shares or otherwise. In such transactions, broker-dealers or other financial institutions may engage in short sales of the shares in the course of hedging the positions they assume with the selling stockholder. The selling stockholder may also sell shares short and deliver the shares to close out such short positions. The selling stockholder may also enter into option or other transactions with broker-dealers, which require the delivery to the broker-dealer of the shares. The broker-dealer may then resell or otherwise transfer such shares pursuant to this prospectus. The selling stockholder may also pledge or loan the shares to a broker-dealer. The broker-dealer may sell the shares so loaned, or upon a default, the broker-dealer may sell the pledged shares pursuant to this prospectus. In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

Edgar Filing: MISSION WEST PROPERTIES INC - Form 424B3

The selling stockholder and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by the selling stockholder.

If the selling stockholder uses this prospectus for any sale of the common stock, they will be subject to the prospectus delivery requirements of the Securities Act. The selling stockholder will be responsible to comply with the applicable provisions of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations thereunder promulgated, including, without limitation, Regulation M, as applicable to the selling stockholder in connection with resales of its shares under this registration statement.

We are required to pay all fees and expenses incident to the registration of the shares of common stock, but we will not receive any proceeds from the sale of the common stock. We have agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

We have received an opinion of counsel from Bingham, McCutchen, LLP, East Palo Alto, California concerning the validity of the shares of common stock offered for sale by this prospectus. A partner of Bingham, McCutchen, LLP who rendered services with respect to this opinion indirectly owns 6,667 shares of common stock.

RECENT DEVELOPMENTS

In March 2006, we entered into a lease termination agreement with one tenant with respect to a lease for approximately 92,692 rentable square feet that expires in 2006. The tenant paid us a termination fee of approximately \$676,000, which we have recorded as revenue in the current period.

- 6 -

Also, in March 2006, one of our tenants, JDS Uniphase, entered into an assignment of lease agreement with an unrelated party, M & M Real Estate Control & Restructuring, LLC ("M&M"), in connection with leases for approximately 252,332 rentable square feet located in San Jose, California. M&M assumed all of JDS Uniphase's remaining obligations under these leases, acquired certain personal property of JDS Uniphase located on the premises and received a payment of approximately \$11,147,000. At the same time, we entered into a consent for assignment of lease with both parties, and a mutual release agreement with JDS Uniphase, pursuant to which all of the JDS Uniphase's obligations under these leases have been effectively transferred to M&M. For financial accounting purposes, we will report this transaction as a lease termination and record approximately \$11,147,000 as revenue in 2006. JDS Uniphase continues to be a

Edgar Filing: MISSION WEST PROPERTIES INC - Form 424B3

tenant with respect to 80,641 rentable square feet at the same location. M&M must continue to perform all of the obligations under the assumed JDS Uniphase leases and has the right to sublease any or all of the 252,332 square feet vacated by JDS Uniphase for the remainder of the current lease terms, which expire in 2006 and 2007.

On April 4, 2006, the Audit Committee of the Board of Directors of the Company determined not to renew its engagement of BDO Seidman, LLP ("BDO") as the Company's independent registered public accounting firm, and decided to engage Burr, Pilger & Mayer LLP ("BPM") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. BDO's audit reports on the Company's consolidated financial statements and management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting as of and for the years ended December 31, 2005 and 2004 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's consolidated financial statements for each of the two most recent fiscal years ended December 31, 2005 and 2004 and through March 31, 2006, there were no disagreements between the Company and BDO on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO, would have caused BDO to make reference in connection with their opinion to the subject matter of the disagreement. During the two most recent fiscal years and through March 31, 2006, there have been no "reportable events" as defined in Regulation S-K, Item 304(a)(1)(v).

In April 2006 the Maryland Supreme Court issued its ruling in Republic Properties Corporation ("RPC") v. Mission West Properties, L.P. ("MWP"), in the Circuit Court of Maryland for Baltimore City Case No. 24-C-00-005675. The ruling upheld an earlier Maryland Appeals Court ruling in favor of MWP, finding that the Circuit Court of Maryland could not assert personal jurisdiction in the RPC suit. All litigation in the Maryland portion of this dispute over the Hellyer Avenue limited partnership is now concluded in our favor. A lawsuit in the Santa Clara County, California Superior Court is still unresolved, as disclosed under Part I, Item 3 "Legal Proceedings" in our Annual Report on Form 10-K filed with the SEC on March 16, 2006.
