Item 1.01 Entry into a Material Definitive Agreement.

On April 16, 2010, Raptor Pharmaceutical Corp. (the “Company”) signed a purchase agreement with Lincoln Park Capital Fund, LLC (“LPC”), an Illinois limited liability company, together with a registration rights agreement, whereby LPC has agreed to purchase up to \$15 million of our common stock over a 25 month period (the “Purchase Agreement” and “Registration Rights Agreement,” respectively). Under the Registration Rights Agreement, the Company agreed to file a registration statement related to the transaction with the U.S. Securities & Exchange Commission (“SEC”) covering the shares that have been issued or may be issued to LPC under the Purchase Agreement. After the SEC has declared effective the registration statement related to the transaction, we have the right over a 25-month period to sell our shares of common stock to LPC in amounts of up to \$100,000 to up to \$1,000,000 per sale, depending on certain conditions as set forth in the Purchase Agreement, up to the aggregate amount of \$15 million.

The purchase price of the shares related to the future funding under the Purchase Agreement will be based on the prevailing market prices of the Company’s shares at the time of sales without any fixed discount. The Company will control the timing and amount of any sales of shares to LPC. LPC will not have the right or the obligation to purchase any shares of our common stock on any business day that the purchase price of our common stock is below \$1.50 per share.

In consideration for entering into the Purchase Agreement, we issued to LPC 145,033 shares of common stock as a commitment fee and are required to issue up to 217,549 shares of common stock pro rata as LPC purchases the \$15 million of our common stock over the 25-month period. The Purchase Agreement may be terminated by us at any time at our discretion without any cost to us. The proceeds received by the Company under the Purchase Agreement are expected to be used for working capital to support the Company’s clinical trials for DR Cysteamine in cystinosis and Huntington’s Disease and for other general corporate purposes.

The foregoing description of the Purchase Agreement and the Registration Rights Agreement are qualified in their entirety by reference to the full text of the Purchase Agreement and the Registration Rights Agreement, a copy of each of which is attached hereto as Exhibit 10.1 and 10.2, respectively, and each of which is incorporated herein in its entirety by reference.
