PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD JANUARY 22, 2014

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished to you as a holder of outstanding shares of SofTech common stock, par value \$.10 per share, in connection with the solicitation of proxies by the Board of Directors of SofTech, for use at the Annual Meeting of Shareholders to be held at our corporate offices located at 650 Suffolk Street, Suite 415, Lowell, Massachusetts, USA, 01854, on Wednesday, January 22, 2014 at 10:00 a.m. local time. Accompanying this Proxy Statement is the Board of Directors' Proxy for the Annual Meeting which you may use to indicate your vote as to the proposals described in this Proxy Statement. Our Annual Report on Form 10-K for the year ended May 31, 2013 also accompanies this Proxy Statement, but does not constitute part of these proxy soliciting materials. We anticipate that this Proxy Statement and the accompanying proxy will be mailed to our shareholders on or about December 6, 2013.

Voting of Shares by Proxy

Shareholders may vote in person or by proxy. Execution of a proxy will not in any way affect a shareholder's right to attend the Annual Meeting and vote in person. Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before it is voted. Proxies may be revoked by (1) filing with our Corporate Secretary, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a date later than the date of such proxy, (2) duly executing a later dated proxy relating to the same shares and delivering it to our Corporate Secretary before the taking of the vote at the Annual Meeting, or (3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). If your shares are held in street name, that is, you hold your shares in an account with a bank, broker or other holder of record, you

must obtain a proxy, executed in your favor, from your broker or other holder of record, to be able to vote at the Annual Meeting. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to SofTech, Inc., 650 Suffolk Street, Suite 415, Lowell, MA 01854, attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

Record Date

The close of business on November 22, 2013 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. As of the record date, we had outstanding 875,135 shares of common stock, par value \$.10 per share. A shareholder is entitled to cast one vote for each share held on the record date on all matters to be considered at the Annual Meeting.

Quorum and Votes Required

The representation in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business at the Annual Meeting. Votes withheld from a nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

Directors are elected by a plurality of the votes cast by shareholders entitled to vote at the Annual Meeting. On all other matters being submitted to shareholders, the affirmative vote of a majority of shares present, in person or represented by proxy, and voting on each such matter at the Annual Meeting is required for approval.

An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to shareholders is tabulated separately. Abstentions and broker non-votes are included in the number of shares present or represented for purposes of determining whether there is a quorum, but are not considered as shares voting or as votes cast with respect to any matter presented at the Annual Meeting. As a result, abstentions and broker non-votes will not have any effect on the proposals to elect directors and to ratify the appointment of McGladrey LLP as our independent public accountants for the fiscal year ending May 31, 2014.

The persons named as the proxies, Joseph P. Mullaney and Amy E. McGuire, were selected by the Board of Directors and are our executive officers. All properly executed proxies returned in time to be counted at the Annual Meeting will be voted. Any shareholder giving a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name in the space provided on the proxy. In addition to the election of Directors, the shareholders will consider and vote upon ratifying the appointment of McGladrey LLP as our independent public accountants for the fiscal year ending May 31, 2014.

All proxies will be voted in accordance with the shareholders' instructions, and if no choice is specified, the enclosed proxy card (or any signed and dated copy thereof) will be voted in favor of the matters set forth in the accompanying notice of Annual Meeting of shareholders.

Business to be Transacted

At the Annual Meeting, the shareholders will consider and vote upon the following proposals:

.

Election of Director: To elect one Class I Director. Directors are elected by a plurality of the votes of the shares of common stock present in person or represented by properly executed proxy, and entitled to vote at the Annual Meeting.

.

Ratification of the appointment of McGladrey LLP as our independent public accountants for the fiscal year ending May 31, 2014: To be approved, this proposal must receive the affirmative vote of a majority of the shares present in person or represented by properly executed proxy, and entitled to vote at the Annual Meeting.

Board of Directors Recommendation for Voting on the Proposals

The Board of Directors recommends a vote FOR the nominee for the Class I Director, and a vote FOR ratification of the appointment of McGladrey LLP as our independent public accountants for the fiscal year ending May 31, 2014.

By order of the Board of Directors

SECTION 1

QUESTIONS AND ANSWERS

Section 1 - Questions and Answers about the Annual Meeting

1.

Q: What is the record date and what does it mean?

A:

The record date for the Annual Meeting is November 22, 2013. Shareholders of record as of the close of business on November 22, 2013 are entitled to notice of and to vote at the Annual Meeting or any adjournments thereof.

2.

Q: How do I vote?

A:

You may vote either in person or by proxy. If you choose to vote by proxy, sign and date the proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR each nominee and in favor of ratification of the appointment of our independent public accountants. You have the right to revoke your proxy at any time before the Meeting by:

(1) filing with our Corporate Secretary before the taking of the vote at the Annual Meeting a written notice of revocation bearing a date later than the date of such proxy;

(2) duly executing a later dated proxy relating to the same shares and delivering it to our Corporate Secretary before the taking of the vote at the Annual Meeting; or

(3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy).

If your shares are held in street name, that is, you hold your shares in an account with a bank, broker or other holder of record you must obtain a proxy executed in your favor from your broker or other holder of record to be able to vote at the Annual Meeting. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to SofTech, Inc., 650 Suffolk Street, Suite 415, Lowell, MA 01854, Attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

3.

Q: What is the difference between a record shareholder and a shareholder who holds shares in street name ?

A

If your shares of stock are registered in your name on the books and records of our transfer agent, Registrar and Transfer Company, Cranford, NJ, you are a record shareholder. If you own shares beneficially through a broker, bank or other nominee who is the record holder, your shares are held in street name.

4.

Q: How many shares can vote?

A:

As of the close of business on Record Date, there were 875,135 shares of Common Stock issued and outstanding. Every holder of Common Stock as of the close of business on the Record Date is entitled to one vote for each share held on the Record Date on all matters to be considered at the Annual Meeting.

5.

Q: What is a quorum ?

A:

The presence of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, whether in person or by proxy, constitutes a quorum at the Annual Meeting. There must be a quorum for the

Annual Meeting to be held.

6.

Q: What votes are required to pass the proposals?

A:

Directors are elected by a plurality of the votes cast by shareholders entitled to vote at the Annual Meeting. On all other matters being submitted to shareholders, the affirmative vote of a majority of shares present, in person or represented by proxy, and voting on each such matter at the Annual Meeting is required for approval.

7.

Q: What may I vote on?

A:

You may vote on each of the following proposals:

1. ELECTION OF DIRECTORS

There is one nominee for election as a Class I Director this year (to serve until the annual meeting of shareholders in 2016).

Your Board unanimously recommends a vote FOR the nominee.

2. RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

Ratification will require the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote at the Meeting. If the shareholders do not ratify the selection of the Company's independent public accountants, the Board of Directors may reconsider its selection.

Your Board unanimously recommends that shareholders vote FOR ratifying the appointment of McGladrey LLP as the Company's independent public accountants.

8.

Q: Is my vote confidential?

A:

Proxy cards, ballots and voting tabulations that identify individual shareholders are mailed and returned directly to the Company's transfer agent, Registrar and Transfer, and handled in a manner that protects your voting privacy. Your vote will not be disclosed *except* to permit Registrar and Transfer to tabulate and certify the vote and except as required by law.

9.

Q: What does it mean if I get more than one proxy card?

A:

If your shares are registered differently and are in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all of your shares are voted. We encourage you to have all accounts registered in the same name and address (whenever possible).

You can accomplish this by contacting our transfer agent, Registrar and Transfer at (908) 497-2300.

10.

Q: Who can attend the Annual Meeting?

A:

All shareholders that held shares of SofTech on November 22, 2013 can attend.

11.

Q: How will voting on any other business be conducted?

A:

Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business is presented at the Annual Meeting, your signed proxy card gives authority to Joseph P. Mullaney, President and CEO, and Amy E. McGuire, CFO, to vote on such matters at their discretion.

12.

Q: Can a shareholder nominate someone to be a director of SofTech?

A:

Our bylaws do not provide a procedure for shareholders to nominate directors. The Board of Directors does not currently have a standing nominating committee. The Board of Directors currently has the responsibility of selecting individuals to be nominated for election to the Board of Directors. Qualifications considered by the Directors in nominating an individual may include, without limitation, independence, integrity, business experience and acumen, education, accounting and financial expertise, reputation, civic and community relationships and industry knowledge and relationships. In nominating an existing director for re-election to the Board of Directors, the Directors will consider and review an existing director's Board and Committee attendance, performance and length of service.

13.

Q: Who is soliciting proxies?

A:

The enclosed proxy is being solicited by the Board of Directors of SofTech on behalf of SofTech. The cost of the solicitation shall be borne by SofTech. It is anticipated that solicitations of proxies for the meeting will be made only by use of the mails; however, we may use the services of our directors, officers and employees to solicit proxies personally or by telephone, without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of our shares held of record by such persons, and we will reimburse such persons for their reasonable out-of-pocket expenses incurred in the performance of that task.

14.

Q: How much will this proxy solicitation cost?

A:

The total cost is estimated to be about \$15,000, consisting primarily of legal, printing, postage, and service fees related to the use of the Notice & Access model. None of these funds will be used as compensation for solicitation.

SECTION 5

BOARD of DIRECTORS

Our Board of Directors

Concurrent with the Annual Meeting, the size of the Board of Directors (Board) will be set at three directors. Under our Articles of Organization, as amended, our Board is divided into three classes with staggered three year terms. The directors in each class serve a term of three years and until their successors are elected and qualified.

Class I Directors (term expiring at this Annual Meeting of Shareholders):

Joseph P. Mullaney, age 56, has served as President, Chief Executive Officer and Director since the consummation of the Recapitalization Transaction. From January 2008 through March 2011, Mr. Mullaney was a management consultant for several technology, renewable energy and telecom companies. From January 2007 through December 2007, Mr. Mullaney served as Chief Executive Officer and Chief Financial Officer of Boston Communications Group, Inc., and repositioned that troubled entity for a successful sale at double its then current market value. From June 2001 through December 2006, Mr. Mullaney served as President and Chief Executive Officer of the Company.

During this period, Mr. Mullaney developed and implemented the turnaround strategy that ended three consecutive years of negative cash flow totaling almost \$10 million and resulted in twelve straight years of positive cash flow.

Mr. Mullaney has a BS from Stonehill College and an MBA from Northeastern University. Mr. Mullaney's extensive entrepreneurial and executive experience, his in-depth knowledge of our Company in his executive capacity and his proven ability to raise funds and provide access to capital makes him uniquely qualified to serve as President, CEO and as a member of our Board.

Hank Nelson, age 55, was the Chairman of the Audit Committee and has served on the Compensation Committee since March 2011. In 2008, Mr. Nelson founded Monadnock Advisors, LLC, a business advisory and investment banking firm focused on the lower to mid-sized companies in technology, health care and business services markets, and currently serves as its principal. From 2004 to 2008, Mr. Nelson was the CEO of Clearstory Systems and also served as a Board member. From 2001 through 2006, he was the CEO and a member of the Board of Directors of INSCI Corporation. He serves as a member of the Board of Advisors for three technology companies. Mr. Nelson has a BS from Northeastern University. Mr. Nelson's significant leadership, management and operating experience, and significant financial, accounting and corporate governance expertise enable him to make critical contributions as a member of our Board. Mr. Nelson's term as a director will expire at this Annual Meeting.

Class II Director (term expiring at the Annual Meeting of Shareholders expected to be held in the fourth quarter of 2014):

J. Phillip Cooper, age 69, is the Chairman of the Compensation Committee and has served on the Audit Committee since the consummation of the Recapitalization Transaction. Mr. Cooper is the former Vice Chairman, EVP, and CFO of Charles River Associates (NASDAQ: CRAI), from which he retired in June, 2006. Mr. Cooper has held numerous CEO positions at several technology companies, including Newstar Technologies in Toronto, Ontario; Clinical Information Advantages, Inc. in Waltham, MA; and Applied Expert Systems in Cambridge, MA. Currently, Mr. Cooper is a member of Boston Harbor Angels, a member of the Board of Advisors of The Capital Network and serves as a Director or Advisor for three technology companies. Mr. Cooper has a B.Com from the University of Toronto and a Ph.D. from MIT. Mr. Cooper's significant public company experience, leadership and management experience in the technology industry, and expertise in the fields of marketing, business development, deal structuring and negotiation, acquisition and strategic partnering, and financial engineering enable him to make critical contributions as a member of our Board.

Class III Director (term expiring at the Annual Meeting of Shareholders expected to be held in 2015):

Robert B. Anthonyson, age 67, has served as Vice President of Business Development and Director since the consummation of the Recapitalization Transaction completed in March 2011. From 2003 through March 2011 Mr. Anthonyson was the general partner of Layne & Barton, LLC, a consulting firm providing real estate brokerage and advisory services. Previously, Mr. Anthonyson was a founder of AVID Systems, a developer of RFID-based technology that allows automated payment when entering or exiting parking garages (sold to Amtech Corp.), co-founder of Dynamics Associates (sold to Interactive Data Corp. then owned by Chase), a patent holder, and technologist. Mr. Anthonyson also served as the project manager of the award-winning \$80M park and underground garage project that transformed Boston's downtown financial district. Mr. Anthonyson currently serves as a Director of FireStar Software. Mr. Anthonyson has a BS and MS from MIT and an MBA from Stanford University. Mr. Anthonyson's extensive knowledge of, and experience in, the software and technology industry, experience as a founder of several companies and leadership background make him uniquely qualified to serve as VP of Business Development and as a member of our Board.

As described above, the Board currently consists of two non-employee directors (which will be reduced to one after the Meeting upon the retirement of Mr. Nelson from the Board) and two employee directors. The Class I Director has been nominated for election to the Board at this Meeting, to serve until the annual meeting of shareholders expected to be held in 2016 or until his respective successor is elected and qualified. During fiscal 2013, there were eight meetings of the Board of Directors of the Corporation. Attendance at Board meetings and Board committees was in person. All of the directors attended 100% of the meetings of the Board and Board committees on which he served. The Board usually meets in scheduled meetings in person.

The Corporation has not adopted a formal policy on directors' attendance at its annual meetings of shareholders, although all board members are invited and encouraged to attend and, historically, most have done so. All four board members attended the Annual Meeting of Shareholders held in 2012.

Structure and Operation of the Board

The following is a brief description of the functions of the Board:

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of

Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives.

Since March 2011, Joseph Mullaney has served as our President and Chief Executive Officer. We do not currently have a lead independent director. At this time, our Board believes that Mr. Mullaney's combined role as President, Chief Executive Officer and Director enables us to benefit from Mr. Mullaney's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our shareholders are best served by our current leadership structure.

Nomination of Directors

Our bylaws do not provide a procedure for shareholders to nominate directors. The Board of Directors does not currently have a standing nominating committee. Instead, the Board of Directors currently has the responsibility of selecting individuals to be nominated for election to the Board of Directors. The Board of Directors does not have a formal policy regarding diversity, the Directors seek a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board of Directors, to the Company and to its shareholders. Qualifications considered by the Directors in nominating an individual may include, without limitation, independence, integrity, business experience, education, accounting and financial expertise, reputation, civic and community relationships and industry knowledge. In nominating an existing director for re-election to the Board of Directors, the Directors will consider and review an existing director's Board and Committee attendance, performance and length of service. *For information concerning the procedures to be followed by security holders in recommending candidates, see Section 10 Other Matters Shareholder Proposals; Deadline for Submission and Recommendations for Director.*

Audit Committee Related Function

The Board has formed an Audit Committee composed of two non-employee Directors: Messrs. Cooper and Nelson, who are independent as that term is defined in rules promulgated by the SEC and in accordance with the standards of the Nasdaq stock market. At this time, the Audit Committee does not have a charter. The Audit Committee is appointed by and reports to our Board of Directors. Its responsibilities include, but are not limited to, the appointment, compensation and dismissal of our independent public accountants, review of the scope and results of our independent public accountants audit activities, evaluation of the independence of our independent public accountants and review of our accounting controls and policies, financial reporting practices and internal audit control procedures and related reports.

Report of Audit Committee on Audit Related Matters

In discharging its responsibility for oversight of the audit process, the Audit Committee obtained from the Company's independent public accountants, McGladrey LLP, a formal written statement describing any relationships between the independent public accountants and the Company that might bear on their independence, consistent with the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In addition, the Audit Committee discussed with the independent public accountants any relationships that might impact the auditors' objectivity and independence. The Audit Committee is satisfied as to their independence.

The Audit Committee of the Company reported the following:

1.

The Audit Committee has reviewed and discussed the audited financial statements as of and for the fiscal year ended May 31, 2013, with management and the independent public accountants. Management has the responsibility for preparation of the Company's financial statements and the independent public accountants have the responsibility for auditing those statements;

2.

The Audit Committee has discussed with the independent public accountants the matters required to be discussed by Accounting Standards 61, as amended, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T.

3.

The Audit Committee has received the written disclosures and the letter from the independent public accountants required by applicable requirements of the PCAOB regarding the independent public accountants' communications with the Audit Committee concerning independence and has discussed with the independent public accountants the independent public accountants' independence; and

Compensation Committee Related Function

The current Board has formed a Compensation Committee composed of two non-employee Directors: Messrs. Cooper and Nelson, who are independent as that term is defined in rules promulgated by the SEC and in accordance with the standards of the Nasdaq stock market. At this time, the Compensation Committee does not have a charter. The Compensation Committee is appointed by and reports to our Board of Directors. The Compensation Committee has the responsibility of reviewing and establishing compensation for executive officers and making policy decisions concerning salaries and incentive compensation for executive officers of SofTech.

Executive Compensation Programs. The Company's compensation programs are aimed at enabling it to attract and retain the best possible executive talent and rewarding those executives commensurate with their ability and performance. The Company's compensation programs consist primarily of base salary, bonus plan, and stock option plan.

Base Salary. Base salaries for executive officers are determined in the same manner as that of other salaried employees. Salary guidelines are established by comparing the responsibilities of the individual's position in relation to similar positions in other software development companies of similar size. Individual salaries were determined this year by considering respective levels of responsibility, position and industry comparables.

Bonus Plan. The President, Vice President of Business Development and Chief Financial Officer participate in incentive plans which compensate these individuals in the form of cash bonuses. Awards under these plans are based on the attainment of specific Company and individual performance measures established by the Board at the beginning of the fiscal year.

Incentive Compensation Plan. The 2011 Equity Incentive Plan (the 2011 Plan) was approved by our shareholders at the Annual Meeting held on May 24, 2011. The 2011 Plan replaced our 1994 Stock Option Plan (the 1994 Plan), which was restricted from issuing any new options after 2004. During fiscal year 2011 all options previously issued under the 1994 Plan were either exercised or expired. Under the 2011 Plan, 150,000 shares of our common stock are reserved for issuance. Additionally, any shares subject to any award under the 2011 Plan that expires or is terminated unexercised or is forfeited will be available for awards under the 2011 Plan.

Director Compensation. The Board of Directors administers the 2011 Equity Incentive Plan. No option may be exercised after the expiration of ten years from its date of grant. Each non-employee Director will receive an annual fee of \$12,000 paid on a quarterly basis in arrears. In addition, in order to align their interests with those of the shareholders, each non-employee Director will be granted an option to purchase 5,000 shares of common stock upon his or her initial appointment to the Board of Directors, and will be granted annually (beginning in 2012) an option to purchase 1,000 shares of common stock so long as such Director holds such position. All such options shall have an exercise price equal to the fair market value of our common stock on the date of grant. These options will vest monthly on a pro rata basis over three years from the date of grant. In the event a Director resigns, stock options

already vested may be exercised within 90 days and all unvested stock options will be forfeited. Directors Cooper and Nelson were each granted an option to purchase 5,000 shares on June 7, 2011.

SofTech, Inc. Equity Incentive Plans

2011 Equity Incentive Plan

The 2011 Equity Incentive Plan (the 2011 Plan) was approved by our shareholders at the Annual Meeting held on May 24, 2011. The 2011 Plan replaced our 1994 Stock Option Plan (the 1994 Plan), which was restricted from issuing any new options after 2004. During fiscal year 2011 all options previously issued under the 1994 Plan were either exercised or expired. Under the 2011 Plan, 150,000 shares of our common stock are reserved for issuance. Additionally, any shares subject to any award under the 2011 Plan that expires or is terminated unexercised or is forfeited will be available for awards under the 2011 Plan.

All employees, officers, directors, consultants and advisors of the Company or any of its affiliates capable of contributing to the successful performance of the Company are eligible to be participants in the 2011 Plan. Based on the number of our current employees, directors and consultants, there are approximately 60 individuals who currently would be eligible to participate in the 2011 Plan, although we currently do not expect to make broad-based grants to all employees of the Company and its subsidiaries. We may grant stock options, restricted stock, restricted stock units, stock equivalents and awards of shares of common stock that are not subject to restrictions or forfeiture under the 2011 Plan. We may not in any fiscal year grant to any participant stock options, SARs or other awards with respect to which performance goals apply covering more than 50,000 shares.

The 2011 Plan is administered by the Compensation Committee of the Board of Directors whose members are independent from Company management (the Committee). The Committee has the authority to adopt administrative rules and practices governing the operation of the 2011 Plan and to interpret its provisions. The Committee may, subject to applicable law, delegate to one or more of our executive officers the power to make awards to participants who are not executive officers or Directors, subject to a maximum number of shares fixed by the Committee. The Board may at any time also take any such action.

Except as may be limited by the 2011 Plan or applicable law, the Committee selects participants to receive awards and determines the terms and conditions of each award, including the number of shares of common stock subject to awards, the price, if any, a participant pays to receive or exercise an award, the time or times when awards vest or may be exercised, settled or forfeited, any performance goals, restrictions or other conditions to vesting, exercise, or settlement of awards, and the effect on awards of the disability, death, or termination of service of participants. Awards may be made to participants who are foreign nationals or employed outside the United States on terms the Committee deems appropriate.

Upon an equity restructuring or other corporate transaction that affects the common stock such that an adjustment is required in order to preserve the benefits intended to be provided by the 2011 Plan, the Committee shall equitably adjust any or all of the number and kind of shares in respect of which awards may be made under the 2011 Plan, the number and kind of shares subject to outstanding awards, the exercise price with respect to any of the foregoing, and the limit on individual grants. The Committee may act to preserve the participants' rights in the event of a change in control of the Company as the Committee may consider equitable to participants and in the best interests of the Company, including without limitation: accelerating any time period relating to the vesting, exercise, or settlement of awards, providing for payment to participants of cash or other property with a fair market value equal to the amount that would have been received upon the vesting, exercise, or settlement of awards in connection with the change in control, adjusting the terms of awards in a manner determined by the Committee to reflect the change in control, causing awards to be assumed, or new rights substituted therefor, by another entity, or terminating awards.

We may not, without shareholder approval, amend any outstanding option or SAR to reduce the exercise price or replace it with a new award exercisable for common stock at a lower exercise price. Subject to the prohibition on repricing, the Committee may not amend, modify or terminate any outstanding award for which the respective participant's consent would be required unless the terms of the award permit such action, the Committee determines that such action is required by law, or the Committee determines that the action would not materially and adversely affect the participant. The Board of Directors may amend, suspend or terminate the 2011 Plan, subject to any shareholder approval it deems necessary or appropriate.

We have granted options to purchase 10,000 shares of our common stock under the 2011 Plan. These options were granted to our two non-employee directors as part of our director compensation policy. For more information, see EXECUTIVE AND DIRECTOR COMPENSATION Director Compensation above.

Mullaney, who was appointed as our President and Chief Executive Officer and elected as a member of our board of directors upon consummation of the Recapitalization Transaction; Robert B. Anthonyson, who was appointed as our Vice President of Business Development and elected as a member of our board of directors upon consummation of the Recapitalization Transaction; J. In connection with the private placement, we also entered into the Registration Rights Agreement with the Selling Shareholders, pursuant to which we agreed to file with the SEC a registration statement to cover the resale of the 384,588 shares of common stock issued in the private placement, within 90 calendar days after the closing of the private placement. We agreed to use our reasonable best efforts to have the registration statement declared effective as promptly as reasonably possible. We also agreed to use our reasonable best efforts to keep the registration statement continuously effective until the earlier of (i) such time as all of the shares have been sold by the Selling Shareholders and (ii) the date that all the shares may be sold immediately without registration under the Securities Act and without restrictions under Rule 144 of the Securities Act. 8.1 Shareholder Proposals

Deadline for Submission of Shareholder Proposals and Recommendations for Director

Under the federal securities laws, the deadline for submitting shareholder proposals for inclusion in the Company's proxy statement and form of proxy for the Company's 2014 Annual Meeting of Shareholders is July 11, 2014. Proposals must be submitted to the Corporate Secretary of the Company at its offices, 650 Suffolk Street, Suite 415, Lowell, Massachusetts 01854.

If a shareholder of the Company wishes to present a proposal before the 2014 Annual Meeting of Shareholders or wishes to nominate a candidate for election to the Company's Board of Directors, such shareholder must also give written notice to the Corporate Secretary of the Company at the address noted above. The Corporate Secretary must receive such notice not less than 60 days nor more than 90 days prior to the 2014 Annual Meeting of Shareholders; provided that, in the event that less than 70 days notice or prior public disclosure of the date of the 2014 Annual Meeting of Shareholders is given or made, notice by the shareholder must be received not later than the close of business on the 10th day following the date on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever occurs first. If a shareholder gives notice of such a proposal or nomination after the applicable deadline, the shareholder will not be permitted to present the proposal or nomination to the shareholders for a vote at the meeting.

The notice should set forth: (a) for each nominee (i) information as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, and (ii) written consent of the nominee to be named in the proxy statement and to serve as director if so elected; (b) a brief description of any proposed business including (i) the text of such proposal and any accompanying resolutions, (ii) the reasons for conducting such business at the meeting, (iii) any material interest held by the proposing shareholder or any beneficial owner on whose behalf the proposal is made; and (c) proposing stockholder and/or beneficial owner information including, (i) name and address, (ii) the class and number of shares of capital stock held, (iii) a representation that they are the holder of record, are entitled to vote, and intend to appear in person or by proxy and propose such business or nomination, and (iv) a representation of intention to either deliver proxy statements to holders of the necessary percentage of shares or to solicit proxies in support of the proposal. The shareholder can alternatively satisfy the notice requirement by submitting proposals in compliance with SEC requirements and inclusion of such proposal within a proxy statement prepared by us.

8.2 Expenses Of Solicitation

All costs of solicitation of proxies will be borne by us. In addition to solicitations by mail, certain of our Directors, officers and regular employees, without additional remuneration, may solicit proxies in person or by telephone or telegraph. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and we will reimburse them for their reasonable out-of-pocket costs. Solicitation by our officers and employees may also be made of some stockholders in person or by mail, telephone or telegraph following the original solicitation.

8.3 Incorporation By Reference

To the extent that this proxy statement has been or will be specifically incorporated by reference into any filing made by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, the sections of the proxy statement entitled "Report of the Board of Directors on Executive Compensation," and "Report of the Board of Directors on Audit Related Matters" shall not be deemed to be so incorporated, unless specifically provided in any such filing.
