Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 14, 2018, upon the recommendation of the Compensation Committee, the Board of Directors of Markel Corporation approved the amended and restated Markel Corporation Executive Bonus Plan (the 2018 Plan). The Executive Bonus Plan previously had included provisions so that payments under the plan could qualify for the performance-based exception to the deduction limit under section 162(m) of the Internal Revenue Code of 1986, as amended, including, among others, provisions that:

- limited the aggregate maximum amount payable under the plan to any participant for any plan year to the lesser of 250 percent of the participant's base salary as in effect at the end of the plan year or \$3,500,000;
- restricted the Committee from decreasing performance criteria after an award has been made;
- restricted the Committee from increasing the amount of an award that would otherwise be payable upon achievement of the performance criteria;
- required the Committee to certify in writing that performance criteria have been met;
- required that all Committee members be "outside directors" as described in Code section 162(m); and
- required that the plan be submitted to the Company's shareholders for approval.

The Tax Cuts and Jobs Act, enacted in December 2017, eliminated the performance-based exception to the section 162(m) deduction limit. As a result, the 2018 Plan eliminates the plan provisions relating to that exception that are no longer required.

In addition, the 2018 Plan expands the performance criteria available for use under the plan to include total shareholder return and any other performance criteria that the Compensation Committee may select in its discretion. The Company cannot currently determine the benefits, if any, to be paid under the 2018 Plan in the future to the officers of the Company, including the Company's principal executive officers, principal financial officer and other named executive officers. This brief description of the changes included in the 2018 Plan is qualified in its entirety by reference to the full text of the plan, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 14, 2018, the Board amended and restated the Company's Bylaws, effective as of May 14, 2018 (as amended and restated, the Amended and Restated Bylaws), to implement proxy access for the nomination of directors.

Article I, Section 12 of the Amended and Restated Bylaws now permits a shareholder, or a group of up to 20 shareholders, owning 3% or more of the outstanding shares of the Company's stock eligible to vote in the election of directors continuously for at least three years (for each such shareholder), to nominate and include in the Company's annual meeting proxy materials director candidates to occupy up to two or 20% of the Board seats (whichever is greater), provided that the shareholder or group of shareholders satisfies the requirements under Article I, Section 12 of the Amended and Restated Bylaws.

The Amended and Restated Bylaws also make clarifications, updates and other, non-substantive changes in certain other provisions, including the advance notice provisions in Article I, Section 11.

This brief description of the amendments to the Company's Bylaws is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws, a copy of which is filed herewith as Exhibit 3.1 and incorporated herein by reference.
