Section 1- Registrant s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On July 18, 2011 we entered into a Bridge Loan Agreement with an Investor (Investor) in connection with the financing of Snowy Ridge Wind Park Limited, our 50% owned subsidiary. Wind Works has guaranteed 100% of the obligation under the Bridge Loan Agreement and has pledged its equity interest in Snowy Ridge (through its wholly owned subsidiary, Zero Emission People LLC) as further security for the bridge loan.

The Snowy Ridge financing represents a portion of the \$15.335 million funding commitment made by the Investor to fund development and comply with contractual deposit commitments in relation to the development of the project pursuant to the Feed-In-Tariffs awarded to Snowy Ridge by the Ontario Power Authority. The Investor will continue to fund various development expenses subject to completion of the Investor`s due diligence and execution of a definitive agreement.

For a more detailed description of the funding agreement with Investor, you are urged to review the Bridge Loan in its entirety which is set forth on Exhibit 10.1.
