the named Insured.

VALUATION

Section 6. Any loss of Money, or loss payable in Money, shall be paid, at the option of the Insured, in the Money of the country in which the loss was sustained or in the United States of America dollar equivalent determined at the rate of exchange at the time of payment of such loss.

Securities

The Underwriter shall settle in kind its liability under the this bond on account of a loss of any securities or, at the option of the Insured, shall pay to the Insured the cost of replacing such securities, determined by the market value thereof at the time of such settlement. However, if prior to such settlement the Insured shall be compelled by the demands of a third party or by market rules to purchase equivalent securities, and gives written notification of this to the Underwriter, the cost incurred by the Insured shall be taken as the value of those securities. In the case of a loss of subscription, conversion or redemption privileges through the misplacement or loss of securities, the amount of such loss shall be the value of such privileges immediately preceding the expiration thereof. If such securities cannot be replaced or have no quoted market value, or if such privileges have no quoted market value, their value shall be determined by agreement or arbitration.

If the applicable coverage of this bond is subject to a Deductible Amount and/or is not sufficient in amount to indemnify the Insured in full for the loss of securities for which claim is made hereunder, the liability of the Underwriter under this bond is limited to the payment for, or the duplication of, so much of such securities as has a value equal to the amount of such applicable coverage.

Books of Account and Other Records

In case of loss of, or damage to, any books of account or other records used by the Insured in its business, the Underwriter shall be liable under this bond only if such books or records are actually reproduced and then for not more than the cost of the blank books, blank pages or other materials plus the cost of labor for the actual transcription or copying of the data which shall have been furnished by the Insured in order to reproduce such books and other records.

Property other than Money, Securities or Records

In case of loss of, or damage to, any Property other than Money, securities, books of account or other records, or damage covered under Insuring Agreement (B)(2), the Underwriter shall not be liable for more than the actual cash value of such Property, or of items covered under Insuring Agreement (B)(2). The Underwriter may, at its election, pay the actual cash value of, replace or repair such property. Disagreement between the Underwriter and the Insured as to the cash value or as to the adequacy of repair or replacement shall be resolved by arbitration.

ASSIGNMENT -SUBROGATION -RECOVERY -COOPERATION Section 7.

(b) In the event of payment under this bond, the Underwriter shall be subrogated to all of the Insured's rights of recovery therefore against any person or entity to the extent of such payment.

(c) Recoveries, whether effected by the Underwriter or by the Insured, shall be applied net of the expense of such recovery first to the satisfaction of the Insured's loss which would otherwise have been paid but for the fact that it is in excess of either the Single or Aggregate Limit of Liability, secondly, to the Underwriter as reimbursement of amounts paid in settlement of the Insured's claim, and thirdly, to the Insured in satisfaction of any Deductible Amount. Recovery on account of loss securities as set forth in the second paragraph of Section 6 or recovery from reinsurance and/or indemnity of the Underwriter shall not be deemed a recovery as used herein.

1. submit to examination by the Underwriter and subscribe to the same under oath; and
2. produce for the Underwriter's examination all pertinent records; and
3. cooperate with the Underwriter in all matters pertaining to the loss. a.

(e) The Insured shall execute all papers and render assistance to secure to the Underwriter the rights and causes of action provided for herein. The Insured shall do nothing after discovery of loss to prejudice such rights or causes of action.

LIMIT OF LIABILITY UNDER THIS BOND AND PRIOR INSURANCE

Section 8. With respect to any loss set forth in sub-section (c) of Section 4 of this bond which is recoverable or recovered in whole or in part under any other bonds or policies issued by the Underwriter to the Insured or to any predecessor in interest of the Insured and terminated or cancelled or allowed to expire and in which the period for discovery has not expired at the time any such loss thereunder is discovered, the total liability of the Underwriter under this bond and under such other bonds or policies shall not exceed, in the aggregate, the amount carried hereunder on such loss or the amount available to the Insured under such other bonds or policies, as limited by the terms conditions thereof, for any such loss if the latter amount be the larger.

If the coverage of this bond supersedes in whole or in part the coverage of any other bond or policy of insurance issued by an Insurer other than the Underwriter and terminated, canceled or allowed to expire, the Underwriter, with respect to any loss sustained prior to such termination, cancellation or expiration and discovered within the period permitted under such other bond or policy for the discovery of loss thereunder, shall be liable under this bond

OWNERSHIP

Joint Insured Bond Agreement

THIS AGREEMENT, dated this 26th day of January, 2007, between Boulder Total Return Fund Inc. ("BTF"), Boulder Growth & Income Fund, Inc. ("BIF") and First Financial Fund, Inc. ("FF") (each a "Fund"). RECITALS

- A. The parties hereto are registered managed investment companies under the Investment Company Act of 1940, as amended (the "1940 Act").
- B. By the terms of Rule 17g-1 (the "Rule") promulgated by the Securities and Exchange Commission under the 1940 Act, each of the parties hereto is required to provide and to maintain in effect a bond against larceny and embezzlement by officers and employees having direct or indirect access to its funds and securities.
- C. The parties (i) desire to use a joint insured bond because the premium for such a bond is less than the total premiums which would be applicable if each party obtained an individual bond, and (ii) intend to establish their relative rights and obligations with respect to the premiums, claims and other matters set forth herein.
- D. A majority of those members of the board of directors of each of the

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form 40-17G

parties hereto who are not "interested persons" of such party as defined by section 2(a)(19) of the 1940 Act (collectively, the "Non-Interested Directors"), have approved the portion of the premium payable by each party, after giving due consideration to all relevant factors, as required by the Rule.

- E. The parties have determined that the allocation of the proceeds payable under the joint insured bond as set forth herein (which takes into account the amount of bond required for each party by the Rule if it maintained a single insured bond) is equitable.

NOW THEREFORE, the parties hereto, in consideration of the mutual covenants and promises contained herein, agree as follows:

1. Existing Bond. The parties presently have a bond in the face amount of \$2,175,000 issued by The Travelers Insurance Company ("Travelers") insuring it against larceny and embezzlement of its securities and funds by persons who may, singly or jointly with others, have access, directly or indirectly, to such securities or funds that satisfied the requirements of the Rule (the "Bond"). The expiration date of the Bond is February 19, 2007 (the "Expiration Date") and the premium for same has been fully paid by each party, pro rata.
2. Intention to Renew Bond. Travelers has indicated that, based on the aggregate current assets of parties, the premium to renew the Bond for a period of three (3) years, beginning on February 19, 2007 and ending on February 19, 2010, will be \$13,146, which premium shall be paid by each party pro rata. Upon payment of the premium, the Bond shall become the "Joint Bond". The Joint Bond shall name each Fund as an insured, and shall comply with the requirements for such bonds established by the Rule.
3. Amount. The Joint Bond shall initially be in the amount of \$2,175,000, which represents, as of the date of this agreement, the amount of coverage required by the Rule based upon the assets of BTF, BIF and FF as set forth below. The amount of the Joint Bond and the coverage of each Fund shall be adjusted from time to time to reflect changes in the amount of coverage required by the Rule and the addition of other jointly managed registered investment companies as insureds under the Joint Bond.
4. Ratable Allocation of Premiums. The premium for the Joint Bond shall be allocated to each Fund based on the proportion of the coverage provided for such Fund to the coverage provided for all Funds under the Joint Bond.
5. Ratable Allocation of Proceeds.
 - (a) If only one party is damaged in a single loss for which recovery is received under the Bond, the full amount of the Joint Bond may be used by such party, if doing so would not materially prejudice the remaining parties.
 - (b) If more than one party is damaged in a single loss for which recovery is received under the Joint Bond, each party shall receive that portion of the recovery which represents the loss sustained by that party, unless the recovery is inadequate fully to indemnify all parties, in which case:
 - (i) Each party sustaining a loss shall first be allocated an amount equal to the lesser of its actual loss or the pro

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form 40-17G

rata coverage of such party required under the Rule, based upon the same formula used to allocate premiums among the parties;

(ii) Any remaining proceeds shall then be allocated to the party sustaining a loss not fully covered by the allocation under subparagraph (i); provided, however, if more than one party has sustained a loss not fully covered by the allocation under subparagraph (i), any remaining proceeds shall be allocated to each party based upon the same formula used to allocate premiums among the parties.

6. Claims and Settlements. Each party shall, within five days after the making of any claim under the Joint Bond, provide the other parties with written notice of the amount and nature of such claim. Each party effecting a settlement of any claim shall, within five days after the settlement, provide the other parties with written notice of the terms of settlement of any claim made under the Joint Bond by such party. If more than one party shall agree to a settlement of a claim made under the Joint Bond with respect to a single loss affecting them, notice of the settlement shall also include calculation of the amounts to be received under paragraph 5 hereof. The officers of each party designated as responsible for filing notices required by paragraph (g) of the Rule, as such Rule may be amended from time to time, shall give and receive any notice required hereby.
7. Termination. Any party may terminate this Agreement (except with respect to losses occurring prior to such withdrawal) by giving at least ten days written notice to the other parties. The party terminating the Agreement shall be removed as a named insured under the Joint Bond and shall be entitled to receive any portion of the premium specified under the Joint Bond that is refunded by the insurance company as a result of such party's election to terminate its participation under this Agreement. However, if all parties to this Agreement elect to terminate the Joint Bond, any premiums refunded by the insurance company issuing the Joint Bond shall be divided among the parties in proportion to the share of the total premium actually paid by the respective party.
8. No Assignment. This agreement is not assignable.
9. Miscellaneous. The obligations of the each Fund are not personally binding upon, nor shall resort be had to the private property of, any of the directors, shareholders, officers, employees or agents of the Funds, but only the relevant Fund's property shall be bound. No Fund shall be liable for the obligations of any other Fund.

IN WITNESS WHEREOF, each of the parties hereto has duly executed this agreement as of the day and year first above written.
