Purposes of The Annual Meeting

At the annual meeting, NIGHTHAWK stockholders will be asked to vote on:

Item Election of Directors. You will have the opportunity to elect four (4) members of the board of directors for a term of one year. The following four (4) persons are our nominees for election:

Max Polinsky

Patrick Gorman

Herbert Jacobson

Tomas Revesz

Item Appointment of Auditors. You will be asked to ratify the selection of Gelfond Hochstadt Pangburn PC as our independent auditors for the year ending December 31, 2002 and approve their selection for fiscal 2003.

Item Approval of Stock Option Plan. Ratify the adoption of the NightHawk Systems, Inc. 2003 Stock Option Plan previously approved by the Board of Directors, and as amended herein.

If other business is properly raised at the meeting or if we need to adjourn the meeting, you will vote on these matters, too.

THE NIGHTHAWK BOARD RECOMMENDS THAT NIGHTHAWK STOCKHOLDERS VOTE FOR THE NOMINEES FOR DIRECTOR, RATIFY THE SELECTION OF GELFOND HOCHSTADT PANGBURN PC AS OUR INDEPENDENT AUDITORS FOR THE YEARS ENDING DECEMBER 31, 2002 AND DECEMBER 31, 2003, AND RATIFY THE ADOPTION OF THE NIGHTHAWK SYSTEMS, INC. 2003 STOCK OPTION PLAN.

Record Date; Shares Entitled To Vote; Quorum

The NIGHTHAWK board of directors has fixed the close of business on September 15, 2003 as the record date for NIGHTHAWK stockholders entitled to notice of and to vote at the annual meeting. Holders of our common stock are entitled to vote at the annual meeting. As of the record date, there were 24,341,656 shares of NIGHTHAWK common stock outstanding, which were held by approximately 178 holders of record and approximately 645 beneficial owners. Stockholders are entitled to one vote for each share of NIGHTHAWK common stock they own.

The holders of a majority of the outstanding shares of NIGHTHAWK stock issued and entitled to vote at the annual meeting must be present in person or by proxy to establish a quorum for business to be conducted at the

annual meeting. Abstentions and "non-votes" are treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. "Non-votes" occur when a proxy:

- is returned by a broker or other stockholder who does not have authority to vote;*
- does not give authority to a proxy to vote; or*
- withholds authority to vote on one or more proposals.*

Table of Contents

Votes Required

The votes required for each of the proposals are as follows:

Election of Directors. The four (4) nominees for director who receive the most votes will be elected. So, if you do not vote for a particular nominee or you indicate "withhold authority to vote" for a particular nominee on your proxy card, your abstention will have no effect on the election of directors.

Approval of Independent Accountants. The proposal to ratify the selection of our independent public accountants must receive the affirmative vote of a majority of the shares of NIGHTHAWK common stock represented and voting at the meeting. If you are present in person or represented by proxy at the meeting and abstain from voting, it has the same effect as if you voted against this proposal. In addition, if you do not instruct your broker on how to vote on this proposal, your broker will not be able to vote for you. This will have no effect on the proposal, however, because those shares for which brokers are not able to vote will not be considered as voting at the annual meeting and for purposes of ratifying the selection of our independent public accountants.

Approval of Performance Stock Option Plan. The proposal to ratify the adoption of the performance based stock option plan must receive a majority of the votes of the shares of NIGHTHAWK common stock represented and voting at the meeting. If you are present in person or represented by proxy at the meeting and abstain from voting, it has the same effect as if you voted against this proposal. In addition, if you do not instruct your broker on how to vote on this proposal, your broker will not be able to vote for you. This will have no effect on the proposal, however, because those shares for which brokers are not able to vote will not be considered as voting at the annual meeting and for purposes of ratifying the adoption of the performance stock option plan.

Voting of Proxies

All valid, unrevoked proxies will be voted as directed. In the absence of instructions to the contrary, properly executed proxies will be voted in favor of each of the proposals listed in the notice of annual meeting and for the election of the nominees for director set forth herein.

Votes cast in person or by proxy at the annual meeting will be tabulated at the annual meeting.

If any matters other than those addressed on the proxy card are properly presented for action at the annual meeting, the persons named in the proxy will have the discretion to vote on those matters in their best judgment, unless authorization is withheld.

How To Vote By Proxy

Complete, sign, date and return the enclosed proxy card in the enclosed envelope.

THE MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING ARE OF GREAT IMPORTANCE TO NIGHTHAWK STOCKHOLDERS. NIGHTHAWK URGES YOU TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS PROXY STATEMENT, AND TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

Revocability of Proxies

Any NIGHTHAWK stockholder who delivers a properly executed proxy may revoke the proxy at any time before it is voted. Proxies may be revoked by:

- *delivering a written revocation of the proxy to the NIGHTHAWK Secretary before the annual meeting;*
- *signing and returning a later dated proxy to the NIGHTHAWK Secretary; or*
- *appearing at the annual meeting and voting in person.*

Attendance at the annual meeting will not, in and of itself, constitute revocation of a proxy. A NIGHTHAWK stockholder whose shares are held in the name of its broker, bank or other nominee must bring a legal proxy from its broker, bank or other nominee to the meeting in order to vote in person.

Deadline For Voting By Proxy

Votes cast by mail must be received prior to the annual meeting to be counted.

Solicitation of Proxies

Proxies will be solicited by mail. Proxies may also be solicited personally, or by telephone, fax, or other means by the directors, officers and employees of NIGHTHAWK. Directors, officers and employees soliciting proxies will receive no annual or extra compensation, but may be reimbursed for related out-of-pocket expenses. NIGHTHAWK will, upon request, reimburse these brokerage houses, custodians and other persons for their reasonable out-of-pocket expenses in doing so. The cost of solicitation of proxies will be paid by NIGHTHAWK.

Table of Contents

Assuming the presence of a quorum, directors shall be elected by a plurality of the votes cast at the Annual Meeting by holders of common stock entitled to vote. Votes withheld are not counted in the number of votes cast in the election of directors. Under applicable Nevada law, in tabulating the vote, broker nonvotes will have no effect on the vote. The enclosed proxy, if properly signed and returned will be voted FOR the election of the four nominees unless the vote is WITHHELD. Although the Company does not anticipate that any of such nominees will refuse or be unable to accept or serve as directors of the Company for the term specified, the persons named in the enclosed form of proxy intend, if any of such nominees is unable or unwilling to serve as a director, to vote the shares represented by the proxy for the election of such other person as may be nominated or designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT EACH HOLDER OF COMMON STOCK VOTE "FOR" THE ELECTION OF EACH OF THE FOUR INDIVIDUALS NOMINATED ABOVE FOR ELECTION AS DIRECTORS.

PROPOSAL THREE

APPROVAL OF THE NIGHTHAWK SYSTEMS, INC. 2003 STOCK OPTION PLAN

In March 2003, the Board of Directors adopted the 2000 Performance Stock Option Plan that had previously been approved by the board of directors of Peregrine Control Technologies, Inc., and which was in place when NightHawk Systems, Inc. acquired Peregrine Control Technologies, Inc. The NightHawk Board of Directors has proposed certain amendments to the 2000 Performance Stock Option Plan and has directed that the amended option plan be submitted to the shareholders for approval at the Annual Meeting as the NightHawk Systems, Inc. 2003 Stock Option Plan.

Stock Option Plans

2000 Performance Stock Option Plan

The 2000 Performance Stock Option Plan (the "2000 Option Plan") was initially adopted in 2000 by the Board of Directors of Peregrine Control Technologies, Inc. ("PCT"). Upon the acquisition of Peregrine Control Technologies, Inc. by NightHawk Systems, Inc. in February 2002, the 2000 Stock Option plan was automatically terminated. As such, no options were outstanding as of December 31, 2002.

On March 26, 2003 the Board of Directors of NightHawk Systems, Inc. approved adoption of the 2000 Stock Option Plan originally adopted by PCT, with an effective date of January 1, 2003. The Company may issue a maximum of 4,000,000 shares of common stock under the 2000 Option Plan. The 2000 Option Plan provides for awards in the form of options, including incentive stock options and non-qualified stock options. Under the plan, options granted vest at a rate set by the board of directors or committee appointed by the board directors and are exercisable up to 10 years from the date of grant at not less than 100% of the fair value of the common stock on the date of grant. If an option holder owns 10% or more of the Company's common stock, incentive stock options are exercisable at not less than 110% of the fair value of the common stock on the date of grant.

The Board of Directors of the Company now seeks to amend the 2000 Option Plan and present that amended plan to the Shareholders for approval. The new plan will be known as the 2003 NightHawk Systems, Inc. Stock Option Plan (the "2003 Option Plan") No further options will be granted under the 2000 Option Plan. All options outstanding under the 2000 Option Plan on the date of adoption will remain outstanding under the 2000 Option Plan in accordance with their respective terms and conditions.

As of December 31, 2002, no options were outstanding under the 2000 Option Plan.

2003 Option Plan

The 2000 Option Plan authorized the grant of up to four million stock options to employees, directors and certain other persons. The Company is seeking approval for amendments to the 2000 Option Plan in the following areas:

- (a) Change the name to the NightHawk Systems, Inc. 2003 Stock Option Plan.*
- (b) Increase the maximum amount of shares available under the Plan from four million to five million.*
- (c) Make such editing changes as are required to be consistent with these two amendments.*

Upon approval of the above-identified amendments, the plan will be known as the NightHawk Systems, Inc. 2003 Stock Option Plan.

Aggregate Option Exercises in Fiscal 2002 and Fiscal End Option Values

There were no options exercised during Fiscal 2002 and through August 30, 2003.

Assuming the presence of a quorum, a majority of the votes cast at the meeting by stockholders entitled to vote thereon is necessary to ratify the approval of the NightHawk Systems, Inc. 2003 Stock Option Plan. The enclosed form of proxy provides a means for stockholders to vote for the adoption of the 2003 Stock Option Plan, to vote against it or to abstain from voting with respect to it. If a stockholder executes and returns a proxy, but does not specify how the shares represented by such stockholder's proxy are to be voted, such shares will be voted FOR the approval of the NightHawk Systems, Inc. 2003 Stock Option Plan. In determining whether this item has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against this item. Broker non-votes will not be counted and will have no effect.
