Pursuant to an Agreement and Plan of Merger dated as of August 16, 2003 (the Merger Agreement), among Precision Castparts Corp., an Oregon corporation (PCC), Star Acquisition, LLC, a Pennsylvania limited liability company of which PCC is the sole member (Acquisition Sub), and SPS Technologies, Inc., a Pennsylvania corporation (SPS), and subject to the conditions set forth therein, SPS

Edgar Filing: SPS TECHNOLOGIES INC - Form SC 13D

will merge with and into Acquisition Sub, and Acquisition Sub will be the surviving entity (such events constituting the Merger). 2,005,958 shares of SPS common stock (including a total of 5,486 shares issuable upon the exercise of options to purchase SPS common stock) are subject to voting agreements entered into by PCC and certain shareholders of SPS (the Principal Voting Agreements). The number of option shares does not include 940 shares subject to options which are currently not exercisable but which will become exercisable upon consummation of the transactions contemplated by the Merger Agreement. In addition, 394,264 shares of SPS common stock (such shares, together with the shares of SPS common stock subject to the Principal Voting Agreements, the Shares) are subject to a revocable voting agreement entered into by PCC and the Employee Benefits Committee of the Board of Directors of SPS, in its fiduciary capacity on behalf of participants and beneficiaries under employee benefit plans maintained by SPS and certain of its affiliates (the Revocable Voting Agreement and, together with the Principal Voting Agreements, the Voting Agreements). The parties to the Voting Agreements, other than PCC (collectively, the Shareholders), are listed on Schedule B attached hereto. Pursuant to the Voting Agreements, the Shareholders have agreed to vote (or cause to be voted) the Shares (a) to approve the Merger and to approve and adopt the Merger Agreement, (b) to approve any action required in furtherance of the Merger, and (c) against any action or agreement that would result in a

breach of any representation, warranty, covenant or obligation of SPS in the Merger Agreement or that would preclude fulfillment of a condition under the Merger Agreement to SPS's, PCC's or Acquisition Subs' respective obligations to consummate the Merger. The Shareholders may vote the Shares on all other matters in their sole discretion.

2. PCC is the record owner of 20 shares of SPS common stock (the PCC Owned Shares).

3. PCC expressly disclaims beneficial ownership of any of the Shares.

4. Based on the number of shares of SPS common stock reported as outstanding on August 4, 2003 in SPS's Quarterly Report on Form 10-Q for the quarter ended June 30, 2003, the Shares and the PCC Owned Shares together represent approximately 18.6% of the outstanding shares of SPS common stock.

Item 1. Security and Issuer

This statement on Schedule 13D (this Statement) relates to the common stock of SPS Technologies, Inc., a Pennsylvania corporation (SPS). The principal executive offices of SPS are located at Two Pitcairn Place, Suite 200, 165 Township Line Road, Jenkintown, PA 19046.

Item 2. Identity and Background

(a)-(c), (f) The name of the corporation filing this Statement is Precision Castparts Corp., an Oregon corporation (PCC). The address of PCC's principal office is 4650 S.W. Macadam, Suite 440, Portland, OR 97201. PCC is a worldwide manufacturer of complex metal components and products, and PCC provides, among other things, high-quality investment castings and forgings for aerospace and power generation customers. The name, citizenship, business address and present principal occupation of each executive officer and director of PCC is listed on Schedule A attached hereto.

(d) Neither PCC nor, to PCC's knowledge, any person named on Schedule A attached hereto is required to disclose legal proceedings pursuant to Item 2(d).

(e) Neither PCC nor, to PCC's knowledge, any person named on Schedule A attached hereto is required to disclose legal proceedings pursuant to Item 2(e).

Item 3. Source and Amount of Funds or Other Consideration

As an inducement for PCC to enter into the Merger Agreement described in Item 4 of this Statement and in consideration thereof, certain shareholders of SPS entered into voting agreements with PCC, dated as of August 16, 2003, which are attached hereto as Exhibit 2 (the Principal Voting Agreements), and the Employee Benefits Committee of the Board of Directors of SPS (the Committee), in its fiduciary capacity on behalf of participants and beneficiaries under employee benefit plans maintained by SPS and certain of its affiliates, entered into a revocable voting agreement with PCC, dated as of August 16, 2003, which is attached as Exhibit 3 (the Revocable Voting Agreement and, together with the Principal Voting Agreements, the Voting Agreements). The parties to the Voting Agreements, other than PCC (the Shareholders), are listed on Schedule B attached hereto. PCC has agreed that if the Merger is consummated, PCC will pay all fees, costs and expenses (including reasonable attorney fees) up to an aggregate of \$25,000 that are incurred by the Shareholders in connection with the preparation of the Voting Agreements and the transactions contemplated thereby. Otherwise, PCC did not pay additional consideration to the Shareholders in connection with the execution and delivery of the Voting Agreements.

Item 4. Purpose of Transaction

(a)-(b) Pursuant to an Agreement and Plan of Merger dated as of August 16, 2003 (the Merger Agreement), among PCC, Star Acquisition, LLC, a Pennsylvania limited liability company of which PCC is the sole member (Acquisition Sub), and SPS, and subject to the conditions set forth therein, SPS will merge with and into Acquisition Sub, and Acquisition Sub will be the surviving entity (the Surviving Entity) (such events constituting the Merger).

As a result of the Merger, 50% of the issued and outstanding shares of SPS common stock (other than shares owned by SPS, any SPS subsidiary, PCC, Acquisition Sub or any PCC subsidiary) will be converted into \$43.00 per share per SPS share, and the remaining 50% of the SPS shares will be converted into 1.36 share of PCC common stock per SPS share, in each case at the election of the holder and subject to the pro-ration mechanisms that are described in the Merger Agreement. Upon conversion, all shares of SPS common stock will no longer be outstanding and will automatically be canceled and retired and cease to exist, and each certificate previously representing any such shares shall thereafter represent the right to receive the relevant merger consideration payable in respect of such shares of SPS common stock.

The Shareholders have, by executing the Voting Agreements, agreed to vote the Shares beneficially owned by them as described below.

Pursuant to the Voting Agreements, the Shareholders have agreed, at any SPS shareholders meeting, however called, and in any action taken by written consent of shareholders of SPS without a meeting, to vote (or cause to be voted) the Shares (a) to approve the Merger and to approve and adopt the Merger Agreement, (b) to approve any action required in furtherance of the Merger, and (c) against any action or agreement that would result in a breach of any representation, warranty, covenant or obligation of SPS in the Merger Agreement or that would preclude fulfillment of a condition under the Merger Agreement to SPS's, PCC's or Acquisition Sub's respective obligations to consummate the Merger. The Shareholders may vote the Shares on all other matters in their sole discretion. The Principal Voting Agreements terminate upon the earliest to occur of (i) the consummation of the Merger or (ii) the termination of the Merger Agreement, and the Revocable Voting Agreement terminates upon the earliest to occur of (x) the consummation of the Merger, (y) the termination of the Merger Agreement, or (z) the revocation of the Revocable Voting Agreement by the Committee, in its fiduciary capacity on behalf of participants and beneficiaries under employee benefit plans maintained by SPS and certain of its affiliates.

The purpose of the transactions under the Voting Agreements is to enable PCC and SPS to consummate the transactions contemplated under the Merger Agreement.

(c) Not applicable.

(d) At the effective time of the Merger, (i) the separate legal existence of SPS shall cease, and (ii) the officers of the Surviving Entity immediately prior to the effective time of the Merger will be the officers of the Surviving Entity, until their respective successors are duly elected or appointed.

(e) Other than as a result of the Merger described in Item 4(a) above, not applicable.

(f) Not applicable.

(g) At the effective time of the Merger, (i) the separate legal existence of SPS shall cease, and (ii) the Certificate of Organization and the Operating Agreement of the Surviving Entity, as in effect immediately prior to the effective time of the Merger, shall be the Certificate of Formation and the Operating Agreement of the Surviving Entity, until thereafter changed or amended as provided therein or by applicable law.

(h)-(i) If the Merger is consummated as planned, the SPS common stock will be deregistered under the Securities Act of 1933, as amended, and delisted from the New York Stock Exchange.

(j) Other than described above, PCC currently has no plan or proposals which relate to, or may result in, any of the matters listed in Items 4(a)-(j) of Schedule 13D (although PCC reserves the right to develop such plans).

References to, and descriptions of, the Merger, the Merger Agreement, the Principal Voting Agreements and the Revocable Voting Agreement as set forth herein are qualified in their entirety by reference to the copies of the Merger Agreement, the Principal Voting Agreements and the Revocable Voting Agreement, respectively, included as Exhibits 1, 2, and 3, respectively, to this Statement, and such agreements are incorporated herein in their entirety where such references and descriptions appear.

Item 5. Interest in Securities of the Issuer

(a)-(b) As a result of the Voting Agreements, PCC may be deemed to be the beneficial owner of the Shares. The Shares are comprised of 2,400,222 shares of SPS common stock (including a total of 5,486 shares issuable upon the exercise of options to purchase SPS common stock). The number of option shares does not include 940 shares subject to options which are currently not exercisable but which will become exercisable upon consummation of the transactions contemplated by the Merger Agreement. PCC may be deemed to have the sole power to direct the voting of the Shares with respect to those matters described in Item 4 above. However, PCC (i) is not entitled to any other rights as a shareholder of SPS as to the Shares and (ii) disclaims any beneficial ownership of the Shares.

PCC is the record owner of 20 shares of SPS common stock (the PCC Owned Shares), and PCC has sole voting power and sole dispositive power with respect to the PCC Owned Shares. The Shares and the PCC Owned Shares together constitute approximately 18.6% of the issued and outstanding shares of SPS common stock reported as outstanding on August 4, 2003 in SPS's Quarterly Report on Form 10-Q for the quarter ended June 30, 2003.

To the knowledge of PCC, no person listed on Schedule A hereto has an equity or other ownership interest in SPS.

(c) As described in Items 3 and 4 of this Statement, PCC entered into the Principal Voting Agreements, the Revocable Voting Agreement and the Merger Agreement within the last 60 days.

(d) To the knowledge of PCC, no person, other than the Shareholders as set forth on Schedule B, has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of SPS that are beneficially owned by or may be deemed to be beneficially owned by PCC.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than the Merger Agreement and the Voting Agreements, to the knowledge of PCC, there are no contracts, arrangements, understandings or relationships among the persons named in Item 2 and Schedule A and between such persons and any other person with respect to any securities of SPS, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
