Grupo México, S.A. de C.V. (Grupo México), Grupo Minero México Internacional, S.A. de C.V. (GMMI), Americas Mining Corporation (AMC), and SPHC II Incorporated (SPHC II), (collectively, Grupo México, GMMI, AMC, and SPHC II, the Reporting Persons) hereby amend the report on Schedule 13D regarding shares of Southern Peru Copper Corporation (the Company), originally filed on January 12, 1996, as further amended on March 6, 1996, on November 19, 1999, on October 13, 2000, on May 17, 2001, on July 16, 2001, on February 11, 2003, on March 31, 2003 and on October 25, 2004 (collectively with this Amendment No. 9, the Schedule 13D). Unless otherwise indicated, capitalized terms used but not defined herein shall have the same meanings assigned to them in Schedule 13D.

Item 1. Security and Issuer

This Schedule 13D relates to Common Stock of the Company (the Common Stock), \$0.01 par value per share and Class A Common Stock (the Class A Common Stock) of the Company, \$0.01 par value per share (collectively, the Company Common Stock).

Item 4. Purpose of Transaction

Item 4 is hereby amended and supplemented by adding the following:

On October 21, 2004, AMC and Cerro Trading Company, Inc., a Delaware Corporation (Cerro) entered into a Letter Agreement (the Letter Agreement) whereby AMC agreed to use its reasonable best efforts to cause the Company to enter into a registration rights agreement (the Registration Rights Agreement) with Cerro as soon as possible. The Registration Rights Agreement is anticipated to include the terms set forth in Annex A to the Letter Agreement, as well as terms that are customary for registration rights agreements. The Letter Agreement contemplates that the Registration Rights Agreement will require the Company, as promptly as practicable after the closing of the merger, also announced on October 21, 2004 (the Transaction), to file a shelf registration covering the sale of all of Cerro 's Company Common Stock, which sales may only be effected through underwritten offerings sponsored by the Company during the first six months following the effectiveness of the shelf registration (the Initial Six Month Period). Under the Letter Agreement, Cerro agreed not to sell its Company Common Stock, other than through a secondary offering effected pursuant to the Registration Rights Agreement, from the closing of the Transaction, until the earlier of (i) the end of the Initial Six Month Period and (ii) eight months after the closing of the Transaction. Also under the Letter Agreement, at the request of AMC, Cerro expressed its current intent to (i) submit its proxy to vote in favor of the Transaction and (ii) to take all action reasonably necessary to effect simultaneously with the closing of the Transaction the conversion of Cerro 's Class A Common Stock into Common Stock. In addition, in the event that the special committee of the Company 's board of directors withdraws its recommendation to the Company 's board of directors for the approval of the Transaction, Cerro indicated that it will not submit its proxy to vote in favor of the Transaction. Furthermore, under the Letter Agreement, AMC agreed not to sell, and to use its best efforts in preventing its affiliates from selling, their shares of the Company during the period beginning on the closing of the Transaction until the end of the Initial Six Month Period, but in no event to exceed eight months from the closing of the Transaction. AMC further agreed to use its reasonable best efforts to cause the Company to not conduct a primary offering of its shares during the first six months following the closing of the Transaction, subject to the Company's right to issue shares in connection with acquisitions, mergers, business combinations, applicable benefit plans and other similar transactions. The foregoing is qualified in its entirety by reference to the Letter Agreement which is filed as Exhibit 1 hereto and incorporated herein by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The response to Item 4 is incorporated herein by reference in its entirety.
