NEWS RELEASE

For Immediate Release

Xyratex Ltd Announces Results for the Fourth Quarter and Fiscal Year 2005

Q4 Revenues \$203.6 million, up 74.4% Year over Year

Fiscal year 2005 Revenues \$679.6 million, up 48% Year over Year

Havant, UK January 5, 2006 Xyratex Ltd (Nasdaq: XRTX), a leading provider of modular enterprise class data storage subsystems and storage process technology, today announced results for the fourth quarter and fiscal year ended November 30, 2005. Revenues for the fourth quarter were \$203.6 million, an increase of 74.4% compared to revenues of \$116.7 million for the same period last year and a 24.2% increase compared to \$163.9 million in the prior quarter.

For the fourth quarter, GAAP net income was \$13.8 million, or \$0.48 per diluted share compared to GAAP net income of \$8.2 million in the same period last year. Non-GAAP net income from continuing operations increased 185.3% to \$15.5 million, or a diluted earnings per share of \$0.54, compared to non-GAAP net income of \$5.4 million in the same quarter a year ago. A reconciliation between net income on a GAAP basis and net income on a non-GAAP basis is provided in a table immediately following the Consolidated Statements of Cash Flows, below.

Gross profit margin in the fourth quarter was 21.7%, compared to 20.7% in the same period last year and 20.2% in the prior quarter primarily due to business mix, particularly related to an increased proportion of Storage Infrastructure revenues.

Revenues for fiscal year 2005 were \$679.6 million, an increase of 48%, compared to revenues of \$459 million for fiscal year 2004.

GAAP net income for fiscal year 2005 was \$42.2 million or \$1.45 per diluted share compared to a GAAP net loss of \$135.2 million for fiscal year 2004. The net loss for fiscal year 2004 includes non-cash equity compensation expense of \$181.1 million. Non-GAAP net income from continuing operations for fiscal year 2005 increased 52.2% to \$46.9 million, or a diluted earnings per share of \$1.62, compared to non-GAAP net income from continuing operations of \$30.8 million for fiscal year 2004.

Xyratex posted an excellent performance during the quarter with revenues growing over 74% year over year. Our fiscal year performance was outstanding and reflects the continued strength of our customers in a growing market and the strong industry trends that our technology supports, said Steve Barber, CEO of Xyratex. The markets we serve are continuing to project strong growth and we believe we are well positioned to take advantage of this through our increased technology and growing OEM customer base.

Business Highlights

We achieved record revenues in both divisions while continuing to successfully integrate the recent acquisitions of Oliver Design and nStor.

We expanded our Storage Infrastructure manufacturing facility in Malaysia with the addition of 40,000 square feet. This facility now has the additional manufacturing capability to meet the increased demand for our capital equipment.

We announced the general availability of our Application Platform. This 2U 12 drive ATX based enclosure is the first in a family of products to be offered by Xyratex, specifically targeted at the Small-to-Medium size Business (SMB).

We demonstrated the new 5402 4Gb/s RAID enclosure, which leverages technology from the nStor acquisition.

We secured new design wins with Bright Systems, Compellent Technologies, Concurrent, Lefthand Networks, PowerFile, Rorke Data as well as a number of other Tier 2 and Tier 3 customers.

We shipped 14 Media Precision Cleaning machines in the second half of fiscal year 2005 after the acquisition of Oliver Design as compared to 7 equivalent systems in the whole of 2004. In addition, we broadened the number of products we now ship to Komag to include both Media Precision Cleaning machines and Automation equipment.

Business Outlook

The following statements are based on current expectations. These statements are forward-looking, and actual results may differ materially. These statements do not include the potential impact of any future acquisitions or divestitures.

Edgar Filing: XYRATEX LTD - Form 6-K

Fully diluted earnings per share is anticipated to be between \$0.10 and \$0.17 on a GAAP basis in the first quarter.
