## INFORMATION TO BE INCLUDED IN THE REPORT

## Item 1.01 Entry into a Material Definitive Agreement.

Republic Bancorp, Inc. ( Company ), and its wholly owned banking subsidiary, Republic Bank & Trust Company ( Bank ) have approved separate Modification Agreements (collectively, Modifications ) to Officer Compensation Continuation Agreements (collectively, Agreements ) with Steven E. Trager, A. Scott Trager, Bill Petter, David Vest and Kevin Sipes (collectively, Executives ). Each Modification conforms the Agreement to recent changes in law enacted under section 409A of the Internal Revenue Code of 1986, as amended, and generally provides that payments under an Agreement to an Executive who is a key employee may not commence earlier than six months following the Executive's separation from service from the Bank (and the Company). The initial payment to an Executive will include any make up payments that would have been made to the Executive but for the delay due to the Executive's status as a key employee. In other respects, the original Agreements continue in effect, without change. Copies of the Modifications are attached as exhibits hereto and this summary is qualified in its entirety by reference to the Modifications.

The Kevin Sipes Agreement calls for a lump sum payment (rather than continuation periodic compensation payments). Consequently, the Modification for Kevin Sipes provides that his lump sum will not be paid earlier than six months following his separation from service.

In addition, the Company's Compensation Committee met on February 15, 2006 and formally approved 2006 executive salaries, 2005 bonuses payable March 2006, and 2006 bonus potential payable in March 2007. The 2006 bonus potential payout is subject to the Company's achievement of budgeted gross income goals and the approval of the Company's Compensation Committee. Presented below is a comparative chart reflecting the decisions of the Company's Compensation Committee:
