As announced on November 9, 2006, in the course of preparing our financial statements for the three months ended September 30, 2006 and completing our quarterly report on Form 10-Q for that period, we identified, with respect to the fiscal year ended June 30, 2006, (1) an error in the accounting for stock-based compensation due to a calculation error associated with estimated forfeiture rates upon the adoption of Statement of Financial Accounting Standards No. 123(R), *Share-Based Payment*, as of July 1, 2005, and (2) an error in the accounting for revenues. In order to correct these errors, we will restate our financial statements for the fiscal year ended June 30, 2006 to reflect (a) additional stock-based compensation expense of approximately \$1.4 million and (b) additional revenues of approximately \$0.3 million. In light of the foregoing, we announced on November 9, 2006 that our previously issued financial statements for the fiscal year ended June 30, 2006 and the accompanying report of our independent registered public accounting firm should not be relied upon.

Furthermore, for the three months ended September 30, 2006, our stock-based compensation expense will be approximately \$1.4 million less, and our revenues will be approximately \$0.3 million less, than reflected in a press release we issued on November 7, 2006 with respect to our operating results for the three-month period.

As a result of the efforts required to address these accounting issues, we could not complete the preparation of our financial statements in order to timely file our quarterly report on Form 10-Q for the three months ended September 30, 2006 without unreasonable effort or expense. We expect to file the Form 10-Q by no later than November 14, 2006, the fifth calendar day following the prescribed due date.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We anticipate reporting total revenues of \$64.0 million for the three months ended September 30, 2006, which would represent an increase of 7% over the three months ended September 30, 2005. License revenues are expected to be \$28.1 million for the three months ended September 30, 2006, which would be an increase of 17% over the three months ended September 30, 2005. Service and other revenues are expected to be \$35.9 million for the three months ended September 30, 2006, which would be relatively unchanged from the three months ended September 30, 2005.

We expect to report a loss from operations of \$5.2 million for the three months ended September 30, 2006, compared to a loss from operations of \$4.8 million for the three months ended September 30, 2005. We expect to report a net loss applicable to common shareholders of \$9.5 million for the three months ended September 30, 2006, compared to a loss of \$8.6 million for the three months ended September 30, 2005. Our loss per share applicable to common shareholders is expected to be \$0.18 for the three months ended September 30, 2006, compared to a loss per share applicable to common shareholders of \$0.20 for the three months ended September 30, 2005.

Our cash and cash equivalents are estimated for the three months ended September 30, 2006 to be \$88.9 million at September 30, 2006, compared to \$86.3 million at June 30, 2006.

These anticipated results should be considered preliminary estimates pending completion of the preparation of our financial statements for the three months ended September 30, 2006.
