Item 3. Source and Amount of Funds or Other Consideration

On February 27, 2007, Parent and Purchaser entered into an Agreement and Plan of Merger (as it may be amended and supplemented from time to time, the Merger Agreement), by and among the Company, Excel Realty Partners, L.P., a Delaware limited partnership (the DownREIT Partnership), Parent, Purchaser and Super DownREIT MergerSub LLC, a Maryland limited liability company (DownREIT MergerSub).

The Reporting Persons estimate that the total amount of funds required to consummate the transactions contemplated by the Merger Agreement, including the acquisition of all the outstanding Common Stock pursuant to the Offer and the Merger (as such terms are defined in Item 4 below) will be approximately \$3.707 billion (the Merger Payments).

8

In connection with the Offer and the Merger, the other Reporting Persons and certain of their affiliates have capitalized, or intend to capitalize, Purchaser, in one or more stages, with approximately \$1.56 billion of equity capital and approximately \$303.4 million of unsecured subordinated debt financing (collectively, the Shareholder Investments) from sources of their own. In addition, on April 5, 2007, Purchaser entered into a Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, and the lenders from time to time parties thereto (the Credit Agreement), pursuant to which Purchaser may borrow up to \$1.853 billion to finance the portion of the Merger Payments and any related fees and expenses not financed by the Shareholder Investments. The interest payable in respect of the Tender Facility is guaranteed by one of the Reporting Person s affiliates.

The preceding summary of certain provisions of the Credit Agreement, a copy of which is filed as Exhibit 2 hereto, is not intended to be complete and is qualified in its entirety by reference to the full text of such agreement, which is incorporated herein by reference.

Item 4. Purpose of Transaction

Overview. As described above, on February 27, 2007, the Company, the DownREIT Partnership, Parent, Purchaser, and DownREIT MergerSub entered into the Merger Agreement.

Pursuant to the Merger Agreement, on March 8, 2007, Purchaser commenced a tender offer (the Offer) to purchase all of the outstanding shares of Common Stock for a purchase price of \$33.15 per Share, net to the holders thereof, in cash (the Offer Price). On March 8, 2007, Purchaser and Centro Properties Limited (Centro), an affiliate of CPT, filed a Tender Offer Statement on Schedule TO with the Securities and Exchange Commission with respect to the Offer (together with all amendments and supplements thereto, the Schedule TO).

Pursuant to the Merger Agreement, after the completion of the Offer and subject to the satisfaction or waiver of all of the conditions set forth in the Merger Agreement, the Purchaser will be merged with and into the Company, and the Company will be the surviving corporation (the Merger). Following the closing of the Merger and the Offer, pursuant the Merger Agreement, Parent intends to liquidate the surviving corporation, pursuant to which all of the assets of the surviving corporation will be transferred to, and all of its liabilities will be assumed by, Parent (the Liquidation and together with the Merger, the Merger Transactions). Thereafter, the surviving corporation will undertake dissolution in accordance with the Maryland General Corporation Law (the MGCL) and will file articles of dissolution required by the MGCL. In connection with the Liquidation, all of the outstanding shares of Common Stock, 7.80% Series D Cumulative Voting Step-Up Premium Rate Preferred Stock (Series D Preferred Shares) and 7.625% Series E Cumulative Redeemable Preferred Stock (Series E Preferred Shares) will be canceled, and holders of Series D Preferred Shares and Series E Preferred Shares will receive liquidating distributions in accordance with the respective terms of such shares. Parent has agreed to assume and discharge in accordance with their terms all of the liabilities and obligations of the surviving corporation.

The purpose of the Merger Transactions is for CPT Manager, indirectly through Purchaser, to acquire beneficial ownership of 50% of the equity interest in the Company, and for MCS Manager, indirectly through Purchaser, to acquire beneficial ownership of the other 50% of the equity interest of the Company. If the Merger Transactions are completed, CPT Manager will indirectly beneficially own 50% of the equity interest of the Company, and MCS Manager will indirectly beneficially own the other 50% of the equity interest in the Company, and each will be entitled to all of the benefits resulting from its respective 50% interest, including the control attributable thereto and any increase in its value. Similarly, the Reporting Persons would also bear the risk of any losses incurred in the operation of the Company and any decrease in value of the Company attributable to their respective 50% interests.

Tender Offer. The initial offering period of the Offer expired at 12:00 midnight, New York City time, on April 4, 2007. On April 5, 2007, Purchaser announced the results of the Offer and that Purchaser had accepted for payment all of the approximately 69,105,909 shares of Common Stock, representing approximately 66.7% of the outstanding shares of Common Stock, tendered in the Offer prior to the expiration date of the initial offering period. Such numbers of shares do not include shares of Common Stock tendered pursuant to guaranteed delivery procedures. All references to percentages of outstanding Common Stock in this Statement are based on 103,610,637 shares of Common Stock outstanding, the number of shares represented by the Company in the Merger Agreement as outstanding on February 27, 2007.

On April 5, 2007, Purchaser also announced that it had commenced a subsequent offering period under the Offer to permit the Company s common stockholders who had not yet tendered their shares of Common Stock the opportunity to participate in the Offer and receive the \$33.15

Edgar Filing: NEW PLAN EXCEL REALTY TRUST INC - Form SC 13D

net per share in cash on an expedited basis. This subsequent offering period commenced on April 5, 2007, and will expire at 12:00 midnight, New York City time, on Wednesday, April 18, 2007, unless further extended. All shares of Common Stock validly tendered during this subsequent offering period

9

will be immediately accepted by Purchaser, and payment will be made by Purchaser promptly after acceptance, in accordance with the terms of the Offer. As of the date of this filing, the Purchaser has acquired an additional approximately 15,217,585 shares of Common Stock in the subsequent offering period, and beneficially owns an aggregate of approximately 84,323,494 shares of Common Stock representing approximately 81.4% of the outstanding shares of Common Stock.

Designation of Directors. The Merger Agreement provides that, effective upon the acceptance for payment of the shares of Common Stock pursuant to the Offer, Parent is entitled to elect or designate such number of directors (the Parent Designees), rounded up to the next whole number, on the Company's board of directors (the Board) as is equal to the product of the total number of directors on the Board (determined after giving effect to the directors elected or designated by Parent pursuant to the Merger Agreement) multiplied by the percentage that the aggregate number of shares of Common Stock beneficially owned by Parent and its controlled subsidiaries bears to the total number of shares of the Common Stock then outstanding (including shares of the Common Stock that are accepted for payment, but excluding any shares held by the Company or any of its subsidiaries). The Merger Agreement further provides that prior to the completion of the Merger, the Board will always have at least two members who are (1) not officers, directors, employees or designees of Parent or any of its affiliates or officers or directors of affiliates of the Company (other than by reason of being directors of the Company) or officers or directors of any joint venture partner or participant (other than the Company) or its affiliates, (2) members of the Board as of the date of the Merger Agreement, and (3) reasonably satisfactory to Parent.

Pursuant to the Merger Agreement, on April 5, 2007, (i) William Newman, Melvin Newman, Glenn J. Rufrano, Raymond H. Bottorf (who also served as a member of the Board's Audit Committee and Corporate Governance and Nominating Committee), Norman Gold (who also served as the chairman of the Board's Corporate Governance and Nominating Committee), Nina Matis (who also served as a member of the Board's Executive Compensation and Stock Option Committee), and Matthew Goldstein and Gregory White (both of whom served as members of the Board's Corporate Governance and Nominating Committee and Executive Compensation and Stock Option Committee), each resigned as directors of the Company; and (ii) the Board appointed Andrew Scott, John Hutchinson, Graham Terry, Romano Nenna and Anthony Torney, each a Parent Designee, as a director to serve on the Board until his successor is duly elected and qualified or until his earlier death, resignation or removal. Mr. Scott will serve as a director of the class whose term expires at the 2009 Annual Meeting of Stockholders, Mr. Hutchinson, Mr. Terry, and Mr. Nenna will each serve as directors of the class whose term expires at the 2008 Annual Meeting of Stockholders, and Mr. Torney will serve as a director of the class whose term expires at the 2007 Annual Meeting of Stockholders.

As of April 5, 2007, the Audit Committee of the Board consists of Irwin Engelman, H. Carl McCall, and George Puskar, each of whom also served as a member of the Audit Committee immediately prior to April 5, 2007. In addition, effective April 5, 2007, the Company became a controlled company as defined in the New York Stock Exchange (NYSE) Listed Company Manual and has elected not to comply with the requirements of Sections 303A.01, 303A.04 and 303A.05 of the New York Stock Exchange Listed Company Manual as permitted under Section 303A.00 thereof. Accordingly, the Company no longer has a majority of independent directors or a compensation committee or nominating/corporate governance committee.

Merger. The Merger Agreement provides that, after the completion of the Offer and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Purchaser will be merged with and into the Company, and the Company will be the surviving corporation. The Merger Agreement provides that at the effective time of the Merger (the Effective Time) each share of Common Stock issued and outstanding immediately prior to the Effective Time (other than shares owned by the Company or any subsidiary of the Company or by the Purchaser) will be converted into, and canceled in exchange for, the right to receive a consideration equal to the Offer Price (the Merger Consideration), payable to such holder upon surrender of the certificate formerly representing such shares, without interest and less any required withholding taxes. Purchaser and the Company have agreed in the Merger Agreement that, unless the Purchaser effects a short-form merger pursuant to the MGCL, the Company will hold a special meeting of its stockholders as soon as practicable following the first date the Purchaser accepts shares of Common Stock for payment pursuant to the Offer, for the purpose of obtaining stockholder approval of the Merger. Parent and Purchaser have agreed that, at the special meeting, all of the shares of Common Stock owned by Parent and Purchaser,

including all shares of Common Stock purchased pursuant to the Offer, will be voted in favor of the approval of the Merger.

10

The Merger Agreement further provides that, notwithstanding the foregoing, if following consummation of the Offer and any exercise of the Top-Up Option (as defined below), Purchaser and Parent collectively own one share of Common Stock more than shares representing 90% of the votes entitled to be cast by the holders of outstanding shares of Common Stock and Series D Preferred Shares (after reflecting and taking into account any adjustment to the number of votes such holders have relative to holders of shares of Common Stock in accordance with the terms of the Series D Preferred Shares), voting together as a class, each of Purchaser and the Company will, subject to the satisfaction or waiver of the conditions to the Merger, take all necessary and appropriate action to cause the Merger to become effective, as soon as reasonably practicable, as a short-form merger under Section 3-106 of the MGCL without any vote or other action of the stockholders of either corporation.

Pursuant to the Merger Agreement, the Company granted to Purchaser an irrevocable option (the "Top-Up Option"), for so long as the Merger Agreement has not been terminated, to purchase from the Company, at a price per share equal to the Offer Price, the number of authorized and unissued shares of Common Stock equal to the number of shares of Common Stock that, when added to the number of shares of Common Stock already owned by the Purchaser and its affiliates (at the time of exercise of the Top-Up Option or the consummation of the Merger as a short-form merger under Section 3-106 of the MGCL), constitutes one share more than shares representing 90% of the votes entitled to be cast by the holders of outstanding shares of Common Stock and Series D Preferred Shares (after reflecting and taking into account any adjustment to the number of votes such holders have relative to holders of shares of Common Stock in accordance with the terms of the Series D Preferred Shares), voting together as a class, on a fully diluted basis (a "90% Vote"). Purchaser may exercise the Top-Up Option, in whole or in part, only once, at any time during the ten business day period following the expiration date of the subsequent offering period if Purchaser and Parent collectively own shares of Common Stock as of such time entitled to cast less than a 90% Vote.

The Merger Agreement provides that the charter and bylaws of the Company, as in effect immediately prior to the Effective Time, will be the charter and bylaws, respectively, of the surviving corporation until thereafter amended as provided therein or by law, and that the directors and officers of Purchaser immediately prior to the Effective Time, will be the initial directors and officers, respectively, of the surviving corporation, each to hold office in accordance with the terms of the charter and bylaws of the surviving corporation.

Liquidation. Following the closing of the Merger and the Offer, pursuant the Merger Agreement, Parent intends to liquidate the surviving corporation, pursuant to which all of the assets of the surviving corporation will be transferred to, and all of its liabilities will be assumed by, Parent. Thereafter, the surviving corporation will undertake dissolution in accordance with the MGCL and will file articles of dissolution required by the MGCL. In connection with the Liquidation, all of the outstanding shares of Common Stock, Series D Preferred Shares and Series E Preferred Shares will be canceled, and holders of Series D Preferred Shares and Series E Preferred Shares will receive liquidating distributions in accordance with the respective terms of such shares. Parent has agreed to assume and discharge in accordance with their terms all of the liabilities and obligations of the surviving corporation

No Further Dividends. The Merger Agreement also provides that from the date of the Merger Agreement until the Effective Time, the Company will not, and will not permit any of its subsidiaries to, without the prior consent of Parent, declare, set aside, make or pay any dividend or other distribution, payable in cash, stock, property or otherwise, with respect to any of the stock of the Company or any of its subsidiaries, except for (a) dividends by any direct or indirect wholly owned subsidiary of the Company only to the Company or any other subsidiary of the Company, (b) the regular \$0.3125 per share quarterly dividend to the holders of Shares that was declared on February 20, 2007, and the corresponding quarterly distribution on units in the DownREIT Partnership, and (c) the quarterly dividends to the respective holders of Series D Preferred Shares and Series E Preferred Shares.

Delisting of Common Stock and Series E Preferred Stock. After completion of the Offer and the Merger, Parent anticipates that it will request that the shares of Common Stock and the Series E Preferred Shares be delisted from the NYSE and that it will apply for termination of registration of the shares of Common Stock and the Series E Preferred Shares under the Securities Exchange Act of 1934, as amended.

Edgar Filing: NEW PLAN EXCEL REALTY TRUST INC - Form SC 13D

After completion of the Merger Transactions, the reconstituted Board expects to work with the Company's management to evaluate and review the Company and its business, assets, corporate structure, operations, properties and strategic alternatives, and to integrate the Company into the business and market units of CRT and CPT.

11
