INFORMATION CONCERNING SOLICITATION AND VOTING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

The board of directors of Affordable Residential Communities Inc., a Maryland corporation (ARC or the Company), seeks your proxy for use in voting at our 2007 annual meeting of stockholders or at any postponements or adjournments of the annual meeting. Our annual meeting will be held at the Wyndham Hotel Denver Tech Center, 7675 E. Union Avenue, Denver, CO 80237, on Wednesday, June 20, 2007, beginning at 9:00 a.m., local Denver, Colorado time. We intend to begin mailing this proxy statement, the attached notice of annual meeting and the accompanying proxy card on or about April 30, 2007, to all holders of our common stock, par value \$0.01 per share, and our special voting stock, par value \$0.01 per share, which together we refer to as our voting securities, entitled to vote at the annual meeting.

ON WHAT AM I VOTING?

At the annual meeting, stockholders will be asked to:

- (1) elect directors to serve on our board until the 2008 annual meeting of stockholders and until their successors are duly elected and qualified;
- (2) ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007; and
- (3) transact any other business that may properly come before the annual meeting or any adjournments or postponements of the annual meeting.

WHO CAN VOTE?

Only holders of record of our voting securities at the close of business on Friday, April 13, 2007, the record date, will receive notice of, and be entitled to vote at, our annual meeting. At the close of business on April 13, 2007, 56,398,430 shares of our common stock and 2,877,670 shares of our special voting stock were outstanding and entitled to vote. Our common stock and our special voting stock are the only securities entitled to vote at the annual meeting. In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name and a holder of our special voting stock on the record date will be entitled to cast 0.519 of a vote for each share of our special voting stock registered in that holder's name.

Stockholder of Record: Shares Registered in Your Name.

If, at the close of business on April 13, 2007, your common shares were registered directly in your name with ARC's transfer agent, American Stock Transfer & Trust Company, or, in the case of special voting shares, with us, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Nominee.

If, at the close of business on April 13, 2007, your shares were held in an account at a bank, brokerage firm, or other agent or nominee, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your bank, broker or other agent or nominee on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy card from your bank, broker or other agent or nominee.

WHAT CONSTITUTES A QUORUM?

The presence in person or by proxy of holders entitled to cast a majority of all the votes entitled to be cast at the annual meeting on any matter will constitute a quorum. Abstentions and broker non-votes, if any, will be counted as shares present for purposes of determining the presence of a quorum.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF OUR VOTING SECURITIES?

In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name.

In deciding all matters, a holder of our special voting stock on the record date will be entitled to cast 0.519 of a vote for each share of special voting stock registered in that holder's name.

Holders of shares of our common stock and our special voting stock vote collectively as one class on all matters submitted to a vote of stockholders of the Company.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Election of Directors.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast on the matter at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors' nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

Ratification of Independent Auditor.

Ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the matter at the annual meeting by holders of our voting securities. If this appointment is not ratified by holders of our voting securities, the audit committee and board may reconsider its recommendation and appointment, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal.

WHO CONDUCTS THE PROXY SOLICITATION?

ARC's board of directors is soliciting the proxies and ARC will bear any costs of this solicitation, including the preparation, assembly, printing and mailing of this proxy statement and any additional material furnished to our stockholders. Copies of solicitation material will be furnished to banks, brokerage houses, other agents and nominees holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation material to the beneficial owners. ARC has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation material to the beneficial owners of the shares they hold of record.

HOW DO I VOTE IF I ATTEND THE ANNUAL MEETING?

If you are a stockholder of record, you can attend the annual meeting and vote in person the shares you hold directly in your name. If you choose to do that, please bring the enclosed proxy card or proof of

identification. If you want to vote in person at our annual meeting and you hold our voting securities through a bank, broker or other agent or nominee, you must obtain a power of attorney or other proxy authority from that organization and bring it to our annual meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. If you vote in person at the annual meeting, you will revoke any prior proxy you or your bank, broker or other agent or nominee may have submitted with respect to the shares of voting securities you own of record or beneficially.

HOW DO I VOTE IF I DO NOT ATTEND THE ANNUAL MEETING?

Please sign, date and return the proxy card in the enclosed pre-paid envelope. By casting your vote, you are authorizing the individuals listed on the proxy card to vote your shares in accordance with your instructions. **Whether or not you plan to attend the meeting, we urge you to sign, date and return the enclosed proxy card to ensure your vote is counted.**

If you are a beneficial owner of shares registered in the name of your bank, broker or other agent or nominee, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from ARC. Simply sign, date and mail the proxy card to ensure that your vote is counted. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a proxy card.

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED ON THE PROXY CARD?

If the proxy card does not specify how your shares are to be voted, your shares represented by the proxy card will be voted as follows:

- (1) **FOR** the election of all of the nominees for director proposed by the board of directors; and
- (2) **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

If any other matter is properly presented at the meeting, the individuals named on your proxy card will vote your shares in their discretion.

HAS THE ARC BOARD OF DIRECTORS MADE A RECOMMENDATION REGARDING THE MATTERS TO BE ACTED UPON AT THE ANNUAL MEETING?

The ARC board of directors recommends that you vote **FOR** the election of all of its nominees for director and **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as ARC's independent registered public accounting firm for the fiscal year ending December 31, 2007.

CAN I CHANGE MY VOTE?

If you are a recordholder of our voting securities, you may revoke your proxy by doing any of the following:

- (1) Send a written notice of revocation to our Corporate Secretary, dated later than the proxy you want to revoke, but before the vote is taken at the annual meeting;
- (2) Execute and deliver a later dated proxy before the vote is taken at the annual meeting; or
- (3) Vote in person at the annual meeting (your attendance at the annual meeting, in and of itself, will not revoke the earlier proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Affordable Residential Communities Inc.
7887 E. Belleview Ave., Suite 200
Englewood, CO 80111
Attention: Scott L. Gesell, Corporate Secretary

PLEASE SIGN AND DATE THE ENCLOSED PROXY CARD AND PROMPTLY RETURN IT IN THE ENCLOSED
POSTAGE-PAID ENVELOPE.**

CORPORATE GOVERNANCE PROFILE

We are committed to good corporate governance practices and as such we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education, management succession, and executive sessions. The board's current practice is to hold an executive session of its independent directors at least once per quarter. The individual who serves as the chair at these executive sessions shall rotate each year among the chairs (if such chair is not a member of management) of the committees of the board of directors. A copy of the corporate governance guidelines may be found at our corporate website at www.aboutarc.com under the heading "Investor Relations Governance". A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above. Pursuant to an action of the board of directors at a meeting held June 8, 2006, the mandatory retirement age for directors was waived with regard to the service of Mr. Cummings.

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer. We also have adopted a code of business conduct and ethics applicable to all officers, directors and employees. Both codes are available on our website at www.aboutarc.com under the heading "Investor Relations Governance". Copies also may be obtained upon request from the Company's Corporate Secretary at the address provided above. Amendments to, and waivers from, the senior officer code of ethics will be disclosed at the same website address provided above and in such filings as may be required pursuant to applicable law or listing standards.

The audit committee of the board of directors has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters. We have established a confidential website address and hotline for employees to report violations of the Company's employee code of conduct or other company policy and to report any ethics concerns.

Of our ten directors, seven have been determined by our board of directors to be independent for purposes of the New York Stock Exchange's (NYSE's) listing standards. In determining director/nominee independence, we reviewed whether any transactions or relationships currently exist, or during the past three years existed, between each director and nominee and the Company and its subsidiaries, affiliates and equity investors or independent auditors. The board also examined whether there were any transactions or relationships between each director and nominee and members of the senior management of the Company or their affiliates. As a result of this review, the board affirmatively determined at a meeting held March 8, 2007, that all of our directors and nominees, except for Messrs. Willard, Kimsey and Robinson, were independent under the standards set forth in the Company's Director Independence Criteria and by the NYSE and this group of directors is hereinafter referred to, both individually and collectively, as "independent". The full text of the Director Independence Criteria is attached as Appendix A to this proxy statement and also can be found in the Investor Relations Governance section of the Company's website at www.aboutarc.com. A copy also may be obtained upon request from the Company's Corporate Secretary at the address provided above.

- Nominating and Corporate Governance Committee \$10,000 annual fee for chairperson of the committee, paid in arrears on a quarterly basis
- Compensation Committee \$10,000 annual fee for the chairperson of the committee, paid in arrears on a quarterly basis

Historically, independent directors have received remuneration in cash for their attendance at board meetings, with amounts accruing for annual retainers and committee chairmanships being paid one-half in cash and one-half in the form of Company common stock issued under our 2003 equity incentive plan. As noted above, such directors received \$1,000 in cash for each board meeting attended in person and \$500 in cash for each board meeting attended telephonically. Effective January 1, 2007, members of our board of directors who are not full time employees may elect to receive their aggregate compensation: (i) entirely in the form of cash; (ii) entirely in the form of common stock; or (iii) one-half in cash and one-half in common stock. Cash payments and common stock are paid or issued in arrears on a quarterly basis, with no vesting requirements attached thereto. Customarily, such issuances occur by the 15th day of the month following quarter-end. The value of such stock awarded is determined based upon the average closing price per share for the last ten trading days of the applicable quarter.

Each member of our board of directors is reimbursed for out-of-pocket expenses associated with his service on behalf of and attendance at board or committee meetings.

Other than as described above, members of our board of directors who are not full time employees receive no additional compensation for their service on the board or board committees.

DIRECTOR COMPENSATION

The table below summarizes compensation received by independent directors of the board for services performed during the fiscal year ended December 31, 2006.

As described above, the 2006 stock awards were issued to each independent director within 15 days following each quarter-end. All Company personnel, as well as our independent directors, are subject to trading restrictions with regard to our common stock and trading may only occur during a trading window. Provided any such party does not possess undisclosed material information about the Company, this trading period commences on the second business day and ends either (i) one month after the public release of quarterly financial information or (ii) one month after the public release of year-end financial information, as applicable.

BOARD COMMITTEES

Our board of directors has an audit committee, a compensation committee, and a nominating and corporate governance committee. Each of the directors appointed to serve on these committees meets the independence standards applicable to NYSE listed companies. The information below is current as of the date of this proxy statement. Following the annual meeting, and depending on the results of the director elections, the board will review committee memberships and appoint directors to each of the committees. The Company's audit committee, compensation committee and nominating and corporate governance committee charters, as well as its code of business conduct and ethics guidelines are available on its website, www.aboutarc.com, under the heading Investor Relations Governance. Printed versions of such documents are also available to stockholders upon request to the Company's Corporate Secretary at the address provided above.

Audit Committee.

ARC has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act). The audit committee helps the board of directors ensure the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm, and the performance of our internal audit function and independent registered public accounting firm. In furtherance thereof, the audit committee assists in the establishment and maintenance of our internal audit controls, selects, meets with and assists the independent registered public accounting firm, oversees each annual audit and quarterly review, and prepares the report that federal securities laws require be included in our annual proxy statement, which appears below. Mr. Cummings has been designated as Chairman and Mr. Green and Mr. Bobbitt have been appointed as members of the audit committee. Mr. Staff is an ex officio member of the audit committee. The board has determined that Mr. Cummings qualifies as an audit committee financial expert as defined by the rules of the Securities and Exchange Commission (SEC).

The board adopted a formal charter to govern the audit committee on December 23, 2003. Pursuant to the audit committee charter, the committee will meet once every fiscal quarter or more frequently as it determines is necessary to carry out its duties and responsibilities. The formal report of the audit committee can be found beginning on page 14 of this proxy statement. During 2006, the audit committee met on 13 occasions.

Compensation Committee.

The compensation committee reviews and approves the compensation and benefits of our executive officers, administers our previously approved management incentive and 2003 equity incentive plans and

produces the annual report on executive compensation for inclusion in our proxy statement. The current members of the compensation committee are Carl B. Webb (Chairman), W. Joris Brinkerhoff and Gerald J. Ford. The board adopted a formal charter to govern the compensation committee on December 23, 2003. Pursuant to the compensation committee charter, the committee will meet at least four times annually or more frequently as circumstances require. During 2006, the compensation committee met on 5 occasions.

Nominating and Corporate Governance Committee.

The nominating and corporate governance committee's purpose is to (i) identify, screen and recommend to the board of directors individuals qualified to serve as directors of ARC and on committees of the board of directors, (ii) advise the board of directors with respect to the composition, procedures and committees of the board of directors, (iii) advise the board of directors with respect to the corporate governance principles applicable to ARC, and (iv) oversee the evaluation of the board of directors and ARC's management. Messrs. Ford and Staff have been designated as members of the nominating and corporate governance committee, with Mr. Ford designated as Chairman. The nominating and corporate governance committee was formed on December 23, 2003, and held 4 meetings in 2006.

Our board of directors may from time to time establish certain other committees to facilitate the management of our company.

COMMUNICATIONS WITH DIRECTORS

The board of directors has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the board by mail. To communicate with the board of directors, any individual director or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at Affordable Residential Communities Inc., 7887 E. Belleview Ave., Suite 200, Englewood, CO 80111.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee(s). In the case of communications to the board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

DIRECTOR NOMINATION PROCEDURES

The nominating and corporate governance committee believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful contribution to the board of directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating and corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating and corporate governance committee also seeks to have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The nominating and corporate governance committee expects, in the future, to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above. The nominating and corporate governance committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the nominating and corporate governance committee also will consider candidates recommended by stockholders.

Once a person has been identified by the nominating and corporate governance committee as a potential candidate, the committee expects to collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating and corporate governance committee determines that the candidate warrants further consideration, and if the person expresses a willingness to be considered and to serve on the board of directors, the nominating and corporate governance committee expects to request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the nominating and corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our Amended and Restated Bylaws, as summarized below under STOCKHOLDER PROPOSALS FOR 2008, the nominating and corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating and corporate governance committee c/o Corporate Secretary at Affordable Residential Communities Inc., 7887 E. Belleview Ave., Suite 200, Englewood, CO 80111. Director recommendations submitted by stockholders should include the following regarding the individual(s) recommended for nomination:

- name, age, business address and residence address;
- the class, series and number of any shares of stock of ARC beneficially owned;
- the date(s) that shares of stock of ARC were acquired and the investment intent of such acquisition; and
- all other information that would be required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act and the rules thereunder (including each individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

The stockholder recommendation and information described above must be delivered to the Corporate Secretary not earlier than the 120th day and not later than 5:00 p.m., Mountain Time, on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than 5:00 p.m., Mountain Time, on the later of (i) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders or (ii) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating and corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Mr. Robinson has not previously stood for election on our board of directors. He was appointed to our board of directors in March 2007. As reported in a Current Report on Form 8-K dated March 12, 2007, Mr. Robinson was appointed to our board of directors in conjunction with the Company's acquisition in January 2007 of NLASCO.

No fee is paid to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

The nominating and corporate governance committee did not receive within the time period specified by SEC regulations, the name of any recommended director nominee from a stockholder who beneficially owned more than 5% of ARC's common voting stock for at least one year as of the date of the recommendation.

DIRECTOR ATTENDANCE AT ANNUAL MEETING

We do not have a policy requiring our directors to attend our annual meeting; however, attendance by our directors is encouraged. Two directors, Messrs. Willard and Kimsey, attended our 2006 annual meeting.

COMPENSATION DISCUSSION AND ANALYSIS

In the paragraphs that follow, we will discuss the overall objectives of our compensation program and what it is designed to reward participants over the life of the program, each element of compensation that we provide, and an explanation of the reasons for the compensation decisions we have made regarding the following individuals, whom we refer to as our named executive officers :

- Larry D. Willard Chairman of the Board and Chief Executive Officer
- James F. Kimsey President and Chief Operating Officer
- Lawrence E. Kreider Executive Vice President, Chief Financial Officer and Chief Information Officer
- Scott L. Gesell Executive Vice President, General Counsel and Corporate Secretary

Following this discussion, we provide specific information about compensation earned or awarded to our named executive officers during 2006.

Our Executive Compensation Programs

Our compensation programs include a combination of salary, at-risk incentives and equity incentives linked to performance and the creation of stockholder value. In structuring our compensation programs, the compensation committee has been particularly mindful of several key issues. We have had to address the difficulty of attracting exceptional talent and retaining existing talent. The Company believes it is critical to ARC's long-term prospects to establish compensation programs that attract and retain those with the talent, skill and experience necessary for ARC to realize its strategic objectives.

With this in mind, the following principles help to guide our decisions regarding compensation of our named executive officers:

- *Compensation opportunities should be competitive with market practices.* In order to attract and retain the executives with the experience and skills necessary to lead the Company and deliver strong performance to our stockholders, we are committed to providing total annual compensation opportunities that are competitive. We target all elements of our compensation program base salary, annual incentive, and equity incentive opportunities to be consistent with practices of comparable organizations.
- *A substantial portion of compensation should be performance-based.* Our executive compensation program emphasizes pay for performance. This means that corporate performance, as assessed under the management incentive plan, and the potential value associated with stock option awards, represent between 65-75% of each named executive officer's potential compensation assuming target levels of annual incentive awards and estimated potential value associated with stock options were achieved.
- *Management's interests should be aligned with those of our stockholders.* Our long-term incentive compensation is delivered in the form of stock options, the value of which is ultimately dependent upon the performance of our stock price. Although the Company has no mandatory requirement of stock ownership by its employees, including its named executive officers, stock ownership is encouraged and each named executive officer currently has meaningful stock ownership, with the potential opportunity to increase such holdings through the exercise of vesting options.

- *Compensation should be perceived as fair and equitable.* We strive to create a compensation program that will be perceived as fair and equitable both internally and externally. In addition to conducting analyses of market pay levels, we consider the pay of the named executive officers relative to one another and to other members of the management team.

HOW WE DETERMINE AND ASSESS EXECUTIVE COMPENSATION GENERALLY

The compensation committee of our board of directors (the committee) has responsibility for approving the compensation programs for our named executive officers and making decisions regarding specific compensation to be paid or awarded to them. Information about the committee and its composition, responsibilities and operations can be found in the Investor Relations-Governance section of the Company's website.

To assist the committee in discharging its responsibilities, it has retained Towers Perrin to provide market data and to advise on market trends and practices. The committee makes its own determinations regarding compensation of the named executive officers, considering the data and advice provided by Towers Perrin, among other factors.

Market Data. The committee considers compensation levels, programs and practices of other companies to assist in assessing and establishing the competitiveness of our executive compensation programs. In 2006, we referenced practices among a select group of comparable companies and compensation survey data for companies in the real estate and general industry. In 2006, this included an assessment of pay levels among the following set of companies:

- American Land Lease, Inc.;
- Apartment Investment and Management Company;
- Builders FirstSource Inc.;
- Cavalier Homes, Inc.;
- Cavco Industries, Inc.;
- Champion Enterprises, Inc.;
- Equity Lifestyle Properties, Inc.;
- Lincoln Logs Ltd.;
- Modtech Holdings, Inc.;
- Nobility Homes, Inc.;
- Palm Harbor Homes, Inc.;
- Skyline Corporation;
- Sun Communities, Inc. ; and
- UMH Properties, Inc.

Information on the compensation levels, programs and practices of these companies and industry data is used to provide context for our compensation decisions, rather than as a direct determinant of pay levels for our named executive officers.

Other Factors. While market data is important, it is not the only factor we consider when determining compensation of our named executive officers. Pay decisions are made following a review and

17

discussion of both the financial and operational performance of our businesses and the annual performance reviews of the named executive officers and other members of the management team.

Individual performance assessments of the named executive officers (other than for the Chief Executive Officer) are conducted and presented by the Chief Executive Officer to the committee, accompanied by recommendations regarding adjustments to base salary and other elements of pay. The committee considers this information when making pay adjustments. The committee is responsible for the individual performance assessment of the Chief Executive Officer.

The committee may, in its discretion, also consider (i) the transferability of managerial skills, (ii) the relevance of each named executive officer's experience to other potential employers, and (iii) the readiness of the named executive officer to assume a different or more significant role either within the Company or with another organization. When making pay-related decisions, the committee has also considered the specific circumstances of the Company and the associated difficulties with attraction, retention, and motivation of talent and its importance in supporting achievement of ARC's strategic objectives.

ELEMENTS OF OUR EXECUTIVE COMPENSATION PROGRAM

Overall, our executive compensation program is designed to be consistent with the objectives and principles set forth above. The basic elements of our 2006 executive compensation program are summarized below, followed by a more detailed discussion of those programs.

Our compensation policies and programs are considered by the committee in a total rewards framework considering both pay—base salary, annual incentive compensation, and long-term incentive compensation; and benefits—benefits, perquisites and executive benefits, and other compensation. Our executive compensation program consists primarily of the following components:

- base salary;
- annual incentive awards;
- long-term incentive awards;
- perquisites and other benefits; and
- severance and other post-termination compensation.

Base Salary. We provide base salaries for each named executive officer, commensurate with the services each provides to the Company, because we believe a portion of total direct compensation should be provided in a form that is fixed and liquid. For 2006, base salary represented approximately 30% of total direct compensation, assuming target levels of annual incentive awards and estimated potential value associated with stock options were achieved (base salary plus target annual incentive plus the expected value of long-term incentives at date of grant).

Management Incentive Plan Awards. Named executive officers and other employees of the Company are eligible to receive annual incentive plan awards based upon the financial performance of the Company and other factors, including individual performance. The committee believes this element of compensation is important to focus management efforts on and provide rewards for annual financial and strategic results that are aligned with creating value for our stockholders. For 2006, target management incentive plan award opportunities to named executive officers represented approximately 35% of total annual cash compensation (base salary plus target annual incentive) and approximately 20% of total direct compensation (total annual cash compensation plus the expected value of long-term incentives at date of grant), assuming target levels of annual incentive awards and estimated potential value associated with stock options were achieved. Further discussion of this plan is found after the **Grants of Plan Based Awards** section below.

Financial and strategic objectives are established each year based on a business plan developed by management and approved by the Company's board of directors. For 2006, the business plan objectives included the following operational indices associated with the management of the Company's manufactured housing communities: net operating income; bad debt; occupancy levels; utility cost recapture; and move out rate of residents. Performance against these goals is assessed at the end of the year and is a principal determiner of individual annual incentive award determinations. The committee also has the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events. With respect to the incentive compensation plan for 2006 approved by the committee, a threshold level of performance below which no compensation would be earned was specified at 85% of the budget amount, a target level of performance was specified at 100% of the budget, and the maximum level of performance beyond which no additional compensation would be earned was specified at 115% of the budget amount. Therefore, based upon the plan approved by the committee, the maximum level of participation was achieved and bonuses to named executive officers were paid accordingly.

The committee, in its sole discretion, determines the amount of each participant's award based on attainment of the applicable performance goals and assessments of individual performance. Based on these factors, the committee applies the formulaic parameters relating to such awards, with the discretion to make adjustments as deemed necessary and appropriate under given circumstances. No such adjustments to the formulaic determination of incentive awards were made with regard to named executive officers for the 2006 awards.

The management incentive plan provides that upon a change in control (as defined in the plan), each participant (which includes each of the named executive officers) would be entitled to payment of a pro-rata bonus for the year in which the change of control occurs, the amount of which would be determined assuming the maximum level of performance had been achieved. The consummation of the Farallon transaction discussed in **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS** hereafter would constitute a change in control under this plan.

Stock Option Awards. As described above, we believe that a substantial portion of each named executive officer's compensation should be tied to the performance of our company's stock price. In this regard, our long-term incentive compensation is delivered in the form of stock options, the value of which is ultimately dependent upon the performance of our stock price. The expected value of these long-term incentive awards represents approximately 50% of each named executive officer's total direct compensation opportunity, assuming target levels of annual incentive awards and estimated potential value associated with stock options were achieved. Further discussion of the 2003 equity incentive plan pursuant to which such options are awarded is found after the **Grants of Plan Based Awards** section below. The consummation of the Farallon transaction discussed in **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS** hereafter would constitute a change in control under this plan.

Perquisites and Other Benefits. We provide a limited number of perquisites and other benefits to our named executive officers. With the exception of our Chief Executive Officer, our named executive officers receive only medical benefits, life insurance and long-term disability coverages, as well as supplemental contributions to the Company's 401(k) program, on the same terms and conditions as available to all employees. These medical and insurance benefits generally consist of group medical coverage with applicable deductibles and co-pays and complementary long-term disability capped at \$50,000, with the option to purchase additional coverage.

In addition to the above, Mr. Willard and the board of directors agreed as an accommodation to his assumption of his current, full-time responsibilities with the Company, that Mr. Willard would retain his primary residence outside the state of Colorado and be required to incur no significant costs associated with his residency in Colorado to facilitate the performance of his responsibilities on behalf of the Company. Accordingly, the Company reimburses Mr. Willard on a tax grossed-up basis for housing, auto use and airfare in connection with his travel to and time in Colorado when traveling for the benefit of the Company, which includes both private and common carrier air transportation.

Severance and Other Post-Termination Compensation. We have entered into severance agreements with each of Messrs. Kreider and Gesell which provide for severance pay and benefits in the event their employment with the Company is terminated under qualifying circumstances. These agreements are discussed in the section entitled **EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS** beginning on page 27 of this proxy statement. The Company does not maintain any other severance or change in control program for the named executive officers. However, the Company has historically paid severance, the amount of which is generally determined both by length of Company tenure and level of compensation, when termination occurs other than for cause and pursuant to which certain benefits may be provided to the named executive officers. Absent the negotiation of specific agreements with the named executive officers (other than Messrs. Kreider and Gesell), their severance benefits would be provided on the same basis as provided to other employees of the Company.

The 2003 equity incentive plan, pursuant to which stock option awards are granted to the named executive officers, contains specific termination and change-in-control provisions. Under the terms of the plan, if a change of control event (as defined under the plan) were to occur, all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved. The consummation of the Farallon transaction discussed in **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS** hereafter would constitute a change in control under this plan.

Other Programs and Policies

Equity Grant Practices. We have not adopted a formal policy for the timing of grants of equity awards. However, the committee follows an informal practice of annually reviewing and determining whether to grant equity awards. If off-cycle awards, such as in the case of new hires, promotions or special retention awards, were required to be considered, the committee would determine the applicability and amount of any such awards on a case by case basis.

All option awards made to eligible employees, including the named executive officers, are made pursuant to the 2003 equity incentive plan. All stock options issued under the terms of the plan are granted with an exercise price equal to the fair market value of our common stock on the date of grant. For this purpose the market value is deemed to be the closing price of the common stock on the New York Stock Exchange on the date of grant of the stock options. Options awards are not subject to re-pricing.

All stock option awards made to the named executive officers are made by the committee and not pursuant to delegated authority.

Stock Ownership Requirements. Our senior executives are encouraged to own a meaningful amount of our common stock; however, there is no formal policy that requires such stock ownership. Each of the named executive officers owns common stock of the Company, as specified in **SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT** beginning on page 32 of this proxy statement.

Tax Considerations. Section 162(m) of the Internal Revenue Code (Code) imposes a \$1 million limit on the tax-deductibility of compensation paid to our five most highly paid executives, which includes the named executive officers. Exceptions are provided for compensation that is performance-based and paid pursuant to a plan meeting certain requirements of Section 162(m) of the Code. The committee has carefully considered the implications of Section 162(m) of the Code and believes that tax deductibility of compensation is an important consideration. Accordingly, where possible and considered appropriate, the committee strives to preserve corporate tax deductions. However, the committee reserves the flexibility, where appropriate, to approve compensation arrangements that may not be tax deductible to the Company, such as base salary and awards of time-based restricted stock. The committee will continue to review the Company's executive compensation practices to determine if other elements of executive compensation constitute qualified performance-based compensation under Section 162(m) of the Code.

We also continue to monitor the regulatory developments under Section 409A of the Code, which was enacted as part of the American Jobs Creation Act of 2004. Section 409A imposes substantial limitations and conditions on nonqualified deferred compensation plans, including certain types of equity compensation and separation pay arrangements.

Accounting Considerations. Differing forms of equity awards will have comparable accounting treatments under FAS 123 (R) and therefore we expect that accounting treatments will not influence our selection of forms of equity compensation.

Management Incentive Plan.

We have adopted the management incentive plan, which provides for cash bonus awards to those key employees of our company and its subsidiaries selected by our compensation committee for participation in the plan. A participant may receive a cash bonus under the management incentive plan based upon the attainment, during each performance period, of performance objectives which are established by our compensation committee. These performance objectives may be based on one or more of the following criteria, determined in accordance with generally accepted accounting principles, where applicable:

- total stockholder return;
- earnings per share (which may include the manner in which such earnings goals were met);
- net income (before or after taxes);
- earnings before interest, taxes, depreciation and amortization;
- revenues;
- return on assets;
- market share;
- business plan goals;
- cost reduction goals;
- funds from operations; or
- any combination of, or a specified increase in, any of the foregoing.

Performance objectives may be applied to one or more of our company, any of our subsidiaries or affiliates, or any of our divisions or strategic business units, and may be applied to performance relative to a market index or a group of other companies. The compensation committee will have the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events. The performance goals may include a threshold level of performance below which no compensation will be earned, levels of performance at which specified compensation will be earned, and a maximum level of performance beyond which no additional compensation will be earned.

The amount of each participant's bonus will be based upon a bonus formula determined by our compensation committee, in its sole discretion, that ties such bonus to the attainment of the applicable performance goals, and will, unless otherwise determined by our compensation committee, range from 75% to 125% of certain specified target amounts. Under the management incentive plan, none of our executive officers may receive a bonus payment for any performance period that exceeds 125% of his base salary. Except as otherwise provided in a participant's employment or other individual agreement, the payment of a cash bonus to a participant for a performance period will be conditioned upon the participant's continued employment on the last day of the performance period. However, in the event of a change in control (as defined in the management incentive plan) the performance period then in effect will be deemed to have been completed, the maximum level of performance will be deemed to have been achieved, and all participants will receive payment within ten business days after the change in control, regardless of whether the individual is then employed by us or any of our affiliates. We may amend, suspend or terminate the management incentive plan at any time, provided that no amendment of the plan may adversely affect an award granted prior to the amendment without the participant's consent. The consummation of the Farallon transaction discussed in CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS hereafter would constitute a change in control under this plan.

2003 Equity Incentive Plan.

On December 23, 2003, we adopted the 2003 equity incentive plan, which provides for the grant of equity-based incentives, including restricted shares of our common stock, stock options, grants of shares and other equity-based awards, to our directors, officers and other employees and those of our subsidiaries selected by our compensation committee for participation in the plan. At inception 1,992,387 shares were authorized for grant pursuant to this plan. All shares outstanding, whether vested and unvested, are entitled to receive dividends and to vote unless forfeited. No participant in our 2003 equity incentive plan may be granted awards in any fiscal year covering more than 500,000 shares of our common stock.

The 2003 equity incentive plan is administered by our compensation committee, which has the discretion, among other things, to determine the persons to whom awards will be granted, the number of shares of our common stock to be subject to awards and the other terms and conditions of the awards. Performance objectives may be applied to one or more of our company, any of our subsidiaries or affiliates, or any of our divisions or strategic business units, or may be applied to performance relative to a market index or a group of other companies. The compensation committee will have the authority to make adjustments to the performance objectives in recognition of unusual or non-recurring events. The 2003 equity incentive plan provides that in no event will the compensation committee be authorized to reprice stock options, or to lower the base or exercise price of any other award granted under the plan, without obtaining the approval of our stockholders.

Stock options granted under the 2003 equity incentive plan may be either incentive stock options within the meanings of Section 422 of the Code, or nonqualified stock options. Holders of restricted stock generally will be entitled to vote and receive dividends on their restricted shares, but our compensation committee may determine in its discretion that dividends paid while the shares are subject to restrictions may be reinvested in additional shares of restricted stock. Except as otherwise permitted by our compensation committee, awards granted under the 2003 equity incentive plan will be transferable only by will or through the laws of descent and distribution, and each stock option will be exercisable during the participant's lifetime only by the participant, or upon the participant's death by his estate. We intend that the portion of director fees to be paid to our independent directors that is to be paid in shares of stock will be paid through this plan.

In the event of a change in control of our company (as defined in the 2003 equity incentive plan), all awards then outstanding under the 2003 equity incentive plan will become vested and/or exercisable, and any performance goals imposed with respect to then-outstanding awards will be deemed to be fully achieved. The consummation of the Farallon transaction discussed in CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS hereafter would constitute a change in control under this plan.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

EMPLOYMENT CONTRACTS.

None of the named executive officers is a party to an employment contract.

SEVERANCE AGREEMENTS.

The Company is party to severance agreements, effective as of February 18, 2004, with Messrs. Kreider and Gesell. Both of the severance agreements have a term of three years, with automatic one-year renewals commencing on the first anniversary of the severance agreements, unless either party to the respective agreement provides 60 days notice of non-renewal. The severance agreements provide that if, prior to a change in control, the executive's employment is terminated by us other than for cause (as defined in the severance agreements) or by the executive for any reason, the executive will be entitled to receive continued payment of his then-current base salary, paid in accordance with our ordinary payroll schedule, for the one-year period immediately following termination of employment. Copies of these agreements have been filed with the SEC as Exhibits 10.5 and 10.6 for Messrs. Kreider and Gesell, respectively, to the Annual Report on Form 10-K of Affordable Residential Communities Inc. for the year ended December 31, 2003 (File No. 001-31987).

The severance agreements also provide that if, following a change in control, the executive's employment is terminated by us without cause or by the executive for good reason (which is defined as a substantial reduction in the executive's salary, incentive compensation plans and other benefits, in the aggregate), the executive will be entitled to the following severance payments and benefits:

- payment equal to the sum of the executive's then-current annual base salary plus average cash bonus over the last three years following our initial public offering in February 2004, with the amount paid out over one year;
- the executive's prorated target annual bonus for the year in which the termination occurs; and

- the opportunity to elect continued coverage under the Company's group health plans in accordance with Section 4980B of the Code for the two-year period immediately following termination of employment, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer.

The consummation of the Farallon transaction discussed in CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS hereafter would constitute a change in control under the severance agreements.

If, at any time during the term of the severance agreement, the executive's employment is terminated because of his death or disability (as defined in the severance agreements), the executive will be entitled to receive continued payment of his then-current base salary, paid in accordance with our ordinary payroll schedule, for the one-year period immediately following termination of employment. Assuming that termination due to death or disability occurred on the last day of 2006, the estates of Messrs. Kreider and Gesell would receive \$330,000 and \$300,000, respectively, paid out over the succeeding twelve month period in equal monthly installments. In addition, all equity awards previously granted to the executive will become immediately vested and/or exercisable. Pursuant to the terms of the plan under which such equity grants are awarded, a change in control would also accelerate all rights under the plan in conformity with its terms. However, except for the non-qualified stock option agreements that provide for accelerated vesting upon the death of the option holder, such other plans' terms would not accelerate such benefits upon death or disability.

The severance agreements also contain confidentiality provisions which apply indefinitely, and non-competition and non-solicitation provisions which apply during the employment period and for a one-year period thereafter. Each of the severance agreements requires the Company to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive pursuant to his severance agreement or otherwise in connection with a change in control would be subject to the excise tax imposed on certain so-called excess parachute payments under Section 4999 of the Code. Based upon currently available information, it is not anticipated that such an excise tax would be imposed.

Accelerated Benefits Upon a Change of Control

Based on the above enumerated obligations under severance agreements entered into with the specified named executive officers, upon the occurrence of each of (i) a change in control of the Company and (ii) termination of employment of the affected named executive officer occurring on the last business day of 2006, Messrs. Kreider and Gesell would have been entitled to receive payments in the amounts of \$606,500 and \$565,000, respectively. Such amounts would be paid out over the succeeding twelve months in equal monthly installments. Amounts so paid would not be subject to corporate tax gross-up obligations unless benefits received were subject to an excise tax imposed under Section 4999 of the Code. Based upon currently available information, it is not anticipated that such an excise tax would be imposed.

The following table provides a quantitative delineation of monetary benefits from benefit plan acceleration that would have been realized by the named executive officers if a change of control event, as defined in the plan(s), had occurred on the last business day of 2006. In addition to acceleration of benefits upon a change of control event, the non-qualified stock option agreements pursuant to which all option awards are granted provide for acceleration of vesting upon the death of the option holder. No other rights of acceleration are provided for under the terms of the Company's benefit plans.

Accelerated Benefits Upon a Change of Control Table 2006

Name	Cash Payments			Option Awards			Stock Awards		
	Due Under Management Incentive Plan (\$)(a)			Value Realized On Acceleration and Exercise Under Benefit Plan(s) (\$)(b)			Value Realized on Vesting Under Benefit Plan(s) (\$)(c)		
Larry D. Willard Chairman of the Board and Chief Executive Officer		500,000			182,000				
James F. Kimsey President and Chief Operating Officer		320,000			127,400				
Lawrence E. Kreider Executive Vice President, Chief Financial Officer and Chief Information Officer		214,500			72,800			34,950	
Scott L. Gesell Executive Vice President, General Counsel and Corporate Secretary		195,000			72,800			69,900	

(a) Represents amounts due to the named executive officer under the management incentive plan upon a change of control, assuming that such event occurred on the last business day of 2006. Pursuant to the provisions of the management incentive plan under which cash bonus awards are made, if a change of control event, as defined under the plan, were to occur while any awards under the plan remain outstanding, then any applicable performance period would be deemed to have been completed and the respective performance goals would be deemed to have been fulfilled at the maximum level of performance set forth therein. Under such circumstances each participant in the bonus plan would be entitled to payment of the pro-rata portion of such bonus amount, payable within 10 business days following such a change of control event, regardless of whether then employed by the Company. The Company would have the right to withhold from any bonus amounts to be paid any taxes it may be required to withhold or to make such other arrangements for withholding as it deems satisfactory. If such a change of control event had occurred on the last business day of 2006, the named executive officers would have been entitled to the full amount of the bonus award applicable for fiscal year 2006, at the maximum level of participation.

(b) Represents the value of unvested stock option awards which would vest upon a change in control. Pursuant to the provisions of the 2003 equity incentive plan under which issuances of stock option awards are made, if a change of control event, as defined under the plan, were to occur all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved. Amounts specified in the table above assume a change of control event on the last business day of 2006, with accelerated vesting and exercise of the following options for each named executive officer, with the value calculated as the difference between the option exercise price of \$10.74 a share and the closing market price on the last trading day of 2006 (\$11.65): Mr. Willard 200,000; Mr. Kimsey 140,000; Mr. Kreider 80,000; and Mr. Gesell 80,000. The Company has the discretion to require payment by the option holder of any amount it deems necessary to satisfy its liability to withhold income or any other taxes incurred by reason of exercise of options. Further, pursuant to the terms of the non-qualified stock option agreements which govern the issuance of options, upon the death of the option holder all options become fully vested and exercisable.

(c) Represents the value of unvested restricted stock awards which would vest upon a change in control. Pursuant to the provisions of the 2003 equity incentive plan under which issuances of stock awards are made, if a change of control event, as defined under the plan, were to occur all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved. Amounts specified in the table above assume a change of control event on the last business day of 2006. Under the terms of the restricted stock agreement pursuant to which the above shares of stock were issued, participant is required to pay all taxes required to be withheld by the Company with respect to such shares. Amounts specified in the table above assume accelerated vesting of grants of stock unvested at fiscal year end 2006 valued at the closing market price on the last trading day of 2006 (\$11.65).

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year 2006, directors Carl B. Webb (Chairman), Gerald J. Ford and W. Joris Brinkerhoff served on the compensation committee. During fiscal year 2006: (i) none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served on our compensation committee; (ii) none of our executive officers served as a director of another entity one of

whose executive officers served on our compensation committee; and (iii) none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served as one of our directors.

In order to raise \$80 million to provide a source of funding for a portion of the acquisition of NLASCO, the Company conducted a rights offering to our stockholders. In the rights offering, all holders of our common stock as of the record date of December 19, 2006 received one non-transferable right to purchase 0.242 shares of common stock of the Company for each share held. The price at which the additional shares were purchased was \$8.00 per share. Gerald J. Ford, one of the Company's directors and the beneficial owner of approximately 16.0% of our common stock through an affiliate, Hunter's Glen/Ford, Ltd., backstopped the rights offering, meaning they agreed to purchase all shares of common stock that remained unsubscribed for in the rights offering (other than those beneficially acquired by Mr. Ford in a private placement) and purchased 391,549 shares that were not purchased in the rights offering by the stockholders of record on the record date, at the rights offering price per share of \$8.00. Mr. Ford, directly and through an affiliate, ARC Diamond, LP, agreed to purchase in a private placement the full number of shares of the Company's common stock that they would otherwise have been entitled to subscribe for in the rights offering at \$8.00 per share, thereby acquiring an additional 1,759,400 shares of our common stock pursuant to this private placement. Currently, Mr. Ford is deemed to be the beneficial owner of 9,421,642 shares of our common stock.

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than ten percent (10%) of our common stock to file initial reports of ownership and reports of changes in ownership of our common stock with the SEC and the NYSE. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such reports furnished to us, we believe that during 2006 our officers, directors and greater than 10% beneficial owners complied with all applicable Section 16(a) filing requirements.

Except as otherwise indicated in the footnotes to this table, the persons named in the table have specified that they have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with related persons are governed by the Company's Code of Business Conduct and Ethics, which applies to all officers, directors and employees. This code covers a wide range of potential activities including, but not limited to, conflicts of interest, self-dealing and related party transactions. Waiver of the policies set forth in this code will only be permitted when circumstances warrant. Such waivers for directors and executive officers, or that provide a benefit to a director or executive officer, may be made only by the board of directors as a whole or the audit committee of the board of directors and must be promptly disclosed as required by applicable law or regulation. Absent such a review and approval process in conformity with the applicable guidelines relating to the particular transaction under consideration, such arrangements are not permitted.

Entry into a Material Definitive Agreement with Farallon Capital Management, L.L.C., and affiliates.

On April 17, 2007, the Company and certain of its subsidiaries entered into a Transaction Agreement (the "Agreement") with American Riverside Communities LLC (the "Buyer"), an affiliate of Farallon Capital Management, L.L.C., the beneficial owner of 9.6 percent of the common stock of the Company ("Farallon"), as more fully described in the Current Report on Form 8-K filed with the SEC on April 17, 2007. Pursuant to the terms and subject to the conditions set forth in the Agreement, the Company and certain of its subsidiaries have agreed to sell to the Buyer substantially all of the Company's operating assets relating to its manufactured home community business. The Company will retain its ownership of the recently acquired NLASCO insurance operations. Under the terms of certain benefit plans, consummation of the transactions contemplated in the Agreement will constitute a change in control.

Under the terms of the Agreement and after giving effect to estimated expenses and taxes, the amount realized by the Company is estimated to be approximately \$540 million to \$545 million net of retained debt and preferred stock, or approximately \$9.35 to \$9.40 per common share on a fully diluted basis. The gross proceeds to the Company will be \$1.794 billion consisting of cash and assumed debt, subject to adjustment. ARC will retain approximately \$125.0 million par value of Series A Preferred Stock, \$96.6 million of Senior Exchangeable Notes Due 2025 and \$25.8 million of Trust Preferred Securities Due 2035.

The Company has made customary representations, warranties and covenants in the Agreement. The Company may not solicit competing proposals or, subject to exceptions with respect to alternative proposals that may be superior, participate in any discussions or negotiations regarding alternative proposals.

Consummation of the transaction is subject to various closing conditions, including approval of the transaction by the Company's stockholders. The transaction is expected to be completed by the end of 2007.

The Agreement may be terminated under certain circumstances, including if the Company's board of directors has determined in good faith that it has received a superior proposal, the Company enters into a definitive agreement with respect to such superior proposal and the Company otherwise complies with certain terms of the Agreement. Upon the termination of the Agreement under certain specified circumstances, the Company will be required to pay the Buyer a termination fee of \$20 million and to reimburse the Buyer for its transaction expenses up to \$5 million; upon the termination of the Agreement under other specified circumstances, the Buyer will be required to pay the Company a termination fee of either \$37.5 million or \$50 million. Farallon and certain of its affiliates have agreed to guarantee the obligations of the Buyer with respect to certain amounts payable by the Buyer to the Company under the Agreement.

The NLASCO Acquisition.

The Company and ARC Insurance Holdings Inc. (Holdings), a subsidiary of ARC, on the one hand, and C. Clifton Robinson, C.C. Robinson Property Company, Ltd. and The Robinson Charitable Remainder Unitrust, on the other hand, entered into a stock purchase agreement dated as of October 6, 2006, referred to as the NLASCO Agreement, or Agreement. Pursuant to the Agreement, on January 31, 2007, the Company and Holdings acquired all of the outstanding shares of capital stock of NLASCO, Inc. (NLASCO), a privately held property and casualty insurance holding company domiciled in the state of Texas. In exchange for the stock, NLASCO's shareholders, consisting of C. Clifton Robinson and affiliates, as specified above, received \$105.75 million in cash and 1,218,880 shares of ARC common stock issued to Mr. Robinson, for a total consideration of \$117.5 million. The NLASCO Agreement includes customary representations, warranties and covenants, as well as indemnification provisions, and the purchase price is subject to specified post-closing adjustments that have the potential to reduce the aggregate consideration paid by the Company and Holdings in this regard. The parties have also entered into several ancillary agreements, including a non-competition agreement, a registration rights agreement, a release, employment agreements and a share lock-up agreement.

In order to raise \$80 million to provide a source of funding for a portion of the acquisition of NLASCO, the Company also conducted a rights offering to our stockholders. In the rights offering, all holders of our common stock as of the record date of December 19, 2006 received one non-transferable right to purchase 0.242 shares of common stock of the Company for each share held. The price at which the additional shares were purchased was \$8.00 per share. Gerald J. Ford, one of the Company's directors and the beneficial owner of approximately 16.0% of our common stock through an affiliate, Hunter's Glen/Ford, Ltd., backstopped the rights offering, meaning they agreed to purchase all shares of common stock that remained unsubscribed for in the rights offering (other than those beneficially acquired by Mr. Ford in a private placement) and purchased 391,549 shares that were not purchased in the rights offering by the stockholders of record on the record date, at the rights offering price per share of \$8.00. Mr. Ford, directly and through an affiliate, ARC Diamond, LP, agreed to purchase in a private placement the full number of shares of the Company's common stock that they would otherwise have been entitled to subscribe for in the rights offering at \$8.00 per share, thereby acquiring an additional 1,759,400 shares of our common stock pursuant to this private placement. Currently, Mr. Ford is deemed to be the beneficial owner of 9,421,642 shares of our common stock.

In addition, Flexpoint Fund, L.P., a fund managed by Flexpoint Partners, LLC of Chicago, Illinois, invested \$20 million to purchase common stock of the Company at the leading ten-day average market price of our common stock on the date the agreement was signed, subject to certain anti-dilution provisions. Mr. Ford is a limited partner of Flexpoint Fund, L.P, which is managed by Flexpoint Partners, LLC. As a limited partner, Mr. Ford is *pari passu* with all other limited partners and has no financial interest in, or management authority of, its managing general partner.

C. Clifton Robinson relationship with ARC.

In furtherance of the terms of the NLASCO Agreement, C. Clifton Robinson, Chairman of NLASCO and a member of our board of directors, entered into certain ancillary agreements with the Company including, but not limited to, an employment agreement, a non-competition agreement, a lock up agreement, and a registration rights agreement.

In conjunction with the closing of the NLASCO acquisition, NLASCO entered into an employment agreement with C. Clifton Robinson that provides he will serve as chairman of NLASCO and will be paid \$100,000 a year. In addition, NLASCO entered into an employment agreement with Mr. Robinson's son, Gordon B. Robinson, the former vice chairman and deputy chief executive officer of NLASCO, pursuant to which he will serve in an advisory capacity to NLASCO and for which he will be paid \$100,000 per year.

Each employment agreement will be for a one-year term with automatic one-year extensions by agreement of the parties. The employment agreements also include non-competition and non-solicitation provisions similar to that in the non-competition agreement discussed below, but with a term until two years after the termination of employment. Further, each of the Robinsons entered into a non-competition agreement pursuant to which he has agreed not to, directly or indirectly, engage or invest in, own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of, be employed by, lend credit to, or render services to any business whose products, services or activities compete with those of NLASCO or any of its subsidiaries within certain states. Each non-competition agreement also includes customary non-solicitation provisions. The term of the non-competition agreements is five years. Lastly, C. Clifton Robinson executed a share lock-up agreement pursuant to which he has agreed not to offer, sell, contract to sell, hypothecate, pledge, sell or grant any option, right or warrant to purchase, or otherwise dispose of, or contract to dispose of, our common stock until 20 months after the closing date of the NLASCO acquisition. Upon the closing of the NLASCO acquisition in January 2007, NLASCO became a wholly owned subsidiary of the Company.

In connection with the closing of its acquisition of NLASCO, and the issuance of shares of its common stock to Mr. Robinson, as described above, on January 31, 2007, the Company entered into a Registration Rights Agreement (the Robinson Registration Rights Agreement) with Mr. Robinson pursuant to which the Company agreed to prepare and file with the SEC, within 18 months after the date of the Robinson Registration Rights Agreement, a registration statement with respect to the resale of the 1,218,880 shares of the Company's common stock issued to Mr. Robinson.

Mr. Robinson was appointed to the Company's board of directors in March 2007 pursuant to the terms of the NLASCO Agreement and is standing for election to our board at this year's annual meeting.

Assumption of NLASCO, Inc. Subsidiary Office Leases.

With the acquisition of all of the capital stock of NLASCO the Company also assumed all assets and liabilities of its wholly owned subsidiaries. In that regard the Company now leases office space for NLASCO and its affiliates in Waco, Texas from affiliates of Mr. Robinson, a member of the Company's board of directors. There are 3 separate leases. The first lease is a month to month lease for office space at a rate of \$900.00 per month. The second lease is a month to month lease at a monthly rental rate of \$3,500.00 per month. The third lease requires payments of \$40,408.20 per month and expires on December 31, 2009, but does have renewal options at the discretion of the lessee. Aggregate office space under lease with regard to the foregoing is approximately 33,800 square feet.

Larry D. Willard prior affiliation with Wells Fargo Bank, N.A.

Mr. Willard, a director of the Company since June 30, 2005, and Chairman of the Board and Chief Executive Officer of ARC since September 28, 2005, retired as Chairman of the Board of Wells Fargo Bank, N.A., New Mexico Region, where he had served as Regional President of the New Mexico and West Texas Region of Wells Fargo from 1998 through 2004. Mr. Willard continues to function in an honorarium capacity as an uncompensated advisory director on behalf of Wells Fargo.

From October 2005 through February 2006, the Company conducted an analysis of competitive advantages and disadvantages with regard to the placement of its banking relationship, deciding in February 2006 to transfer its commercial banking relationship to Wells Fargo Bank. The decision to change banking relationships was based on pricing, service and product considerations and neither Wells Fargo nor Mr. Willard received any compensation or special consideration in the decision-making process as a result of their prior affiliation or the initiation of this business relationship.

Directors Holding OP Units.

One of our directors, J. Markham Green., holds OP units through which Mr. Green has deferred gains associated with certain properties we own. Any decision by our board of directors to dispose of one or more of these properties in which Mr. Green has an interest could have tax consequences for Mr. Green.

In connection with any such decision, our board of directors will determine whether Mr. Green has a material financial interest in the transaction that is different from the interests of stockholders generally, and if Mr. Green has such an interest, then he will abstain from the vote of our board with respect to such proposed transaction.

With regard to the proposed transaction with Farallon previously discussed herein, the board of directors has determined that Mr. Green does not have any material financial interest therein that is different from the interests of our stockholders generally and he will continue to be permitted to participate in any board actions relating to this transaction.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The board of directors, following the recommendation of the nominating and corporate governance committee, has recommended that Messrs. Bobbitt, Brinkerhoff, Cummings, Ford, Green, Kimsey, Robinson, Staff, Webb and Willard be elected to serve until the annual meeting of stockholders for 2008 and until their successors are duly elected and qualified. For certain information regarding each nominee, see BOARD OF DIRECTORS GENERAL above.

Each nominee has consented to being named in this proxy statement and to serve if elected. If, prior to the annual meeting, any director nominee should become unavailable to serve, the shares of voting securities represented by a properly executed and returned proxy through the return of the enclosed proxy card will be voted for such additional persons as shall be designated by the board of directors, unless the board of directors determines to reduce the number of directors in accordance with the Company's charter and Amended and Restated Bylaws.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast on the matter at the annual meeting by the holders of our voting securities. The candidates receiving the highest number of affirmative votes of shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld for one or more director nominees with respect to all of the director nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES IDENTIFIED ABOVE.

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 8, 2007, our board, acting upon the recommendation of the audit committee, appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2007, and has further directed that management submit the appointment of our independent registered public accounting firm for ratification by the stockholders at the annual meeting. PricewaterhouseCoopers LLP, or a predecessor of

that firm, has audited our consolidated financial statements since the fiscal year ended December 31, 1998. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

Stockholder ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the board is submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate governance. Ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal year 2007 requires the affirmative vote of a majority of the votes cast on the matter at the annual meeting by holders of our voting securities.

If this appointment is not ratified by our stockholders, the audit committee may reconsider its recommendation and appointment, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

Independent Auditor's Fees

Audit-Related Fees	360,000

Audit Fees

Represents fees billed for the audit of the Company's consolidated financial statements for the years ended December 31, 2006 and 2005, for the reviews of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q and for other attest services primarily related to comfort letters and consents associated with SEC registration statements for the Company, including our operating partnership subsidiary, Affordable Residential Communities LP. The decrease in fees from 2005 to 2006 is primarily attributable to reduced costs of Sarbanes Oxley compliance and internal controls attestation relating thereto.

Audit-Related Fee

The aggregate fees billed for audit-related services for the year ended December 31, 2006 was \$360,000. These fees related to due diligence work performed in 2006 associated with our acquisition of NLASCO in January 2007.

The aggregate fees for other services for each of the years ended December 31, 2006 and 2005 were \$2,400 and \$2,400, respectively. The fees related to subscriptions for accounting references and financial statement disclosure checklists.

Audit Committee Pre-Approval Policy.

In accordance with applicable laws and regulations, the audit committee reviews and pre-approves any non-audit services to be performed by PricewaterhouseCoopers LLP to ensure that the work does not compromise their independence in performing their audit services. The audit committee also reviews and pre-approves all audit services. In some cases, pre-approval is provided by the full committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the chairman of the audit committee has the delegated authority from the committee to pre-approve additional services, and such pre-approvals are then communicated to the full audit committee.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by PricewaterhouseCoopers LLP during either 2005 or 2006 that fell under this provision.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

**APPENDIX A:
DIRECTOR INDEPENDENCE CRITERIA**

**Revised Director Independence Criteria of
Affordable Residential Communities Inc.
as Adopted by the
Board of Directors on February 3, 2005**

It is the policy of the Board of Directors (the Board of Directors) of Affordable Residential Communities Inc., a Maryland corporation (ARC), that a majority of the members of the Board of Directors be independent of ARC's management. For a director to be deemed independent, the Board of Directors shall affirmatively determine that the director has no material relationship with ARC or its controlled affiliates or any member of the senior management of ARC or his or her affiliates. This determination shall be disclosed in ARC's annual proxy statement distributed to stockholders. In making this determination, a director of ARC who satisfies all of the following criteria shall be presumed to be independent:

- Within the last three years, ARC has not employed the director or (except in a non-officer capacity) any of his or her immediate family members.
- (A) Neither the director nor any of his or her immediate family members is a current partner of a firm that is ARC's internal or external auditor; (B) the director is not a current employee of such firm; (C) the director does not have an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; and (D) neither the director nor any of his or her immediate family members was within the last three years a partner or employee of such a firm and personally worked on ARC's audit within that time.
- During any twelve month period within the last three years, neither the director, nor any of his or her immediate family members, has received more than \$100,000 in direct compensation from ARC or any of its subsidiaries, other than fees for board and board committee service, pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), or compensation received by an immediate family member for service as a non-executive employee of ARC or any of its subsidiaries.
- Within the last three years, neither the director, nor any of his or her immediate family members, has been employed as an executive officer of another company where any of the present executives of ARC or any of its subsidiaries at the same time serve currently or served on that company's compensation committee (or other committee performing equivalent functions).
- The director is not currently an employee, and any of his or her immediate family members is not currently an executive officer, of a company, other than a tax-exempt organization, that has made payments to, or receives payments from, ARC or any of its subsidiaries for property or services in an amount which, in the current fiscal year or any of the last three fiscal years, exceeds or exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues.
- The director is not an executive officer of a tax-exempt organization to which ARC or any of its subsidiaries made contributions within the preceding three years that in any single fiscal year exceeded the greater of \$1 million or 2% of such tax-exempt organization's consolidated gross revenues.

For purposes of these director independence criteria:

- the term *affiliate* means any corporation or other entity that controls, is controlled by or is under common control with ARC, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and
- the term *immediate family* means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home.

The Board of Directors shall undertake an annual review of the independence of all non-employee directors of ARC. In advance of the meeting at which this review occurs, each non-employee director of ARC shall be asked to provide the Board of Directors with full information regarding such director's business and other relationships with ARC and its affiliates and with ARC's senior management and their affiliates to allow the Board of Directors to evaluate the director's independence.

Each director of ARC has an affirmative obligation to advise the Board of Directors of any material changes in his or her circumstances or relationships that may reasonably be expected to impact his or her designation by the Board of Directors as independent. This obligation includes all business relationships between a director of ARC, on the one hand, and ARC and its affiliates or members of ARC's senior management and their affiliates, on the other.
