PRESS RELEASE

ARCADIS ACQUIRES U.K. PROJECT MANAGEMENT FIRM

ARNHEM, THE NETHERLANDS AUGUST 13, 2007 ARCADIS (EURONEXT: ARCAD), the international consultancy and engineering company, announced today that it has acquired 100% of the shares of the APS Group Companies APS Project Management Ltd and APS Cost Management Ltd in the U.K. and 70% of APS Gulf FZ LLC in Dubai. Overall, APS group employs approximately 70 people and has gross revenues of over GBP 9 million. The transaction is expected to be immediately accretive to earnings per share. Further financial details were not disclosed.

APS specializes in project management, cost control and consultancy services for real estate and property development for private clients. The company focuses on Commercial, Residential, Retail, Leisure, Telecommunications and Financial sectors. APS currently has an extensive portfolio of building projects under its management. The company is primarily active in the U.K. market and has offices in London and Bristol. The firm also has offices in Dubai, which is the operational base for APS Gulf.

The acquisition of APS further reinforces our presence in the U.K. project management market and establishes a base in the Middle East. says Michiel Jaski, member of the Executive Board of ARCADIS. The acquisition of APS through AYH plc, our U.K. operation, is an ongoing development of our strategy to transition our activities in the buildings segment to higher added value services. APS will strengthen ARCADIS Worldwide Project Consulting that enables us to support our clients in managing their global property portfolios and development plans.

This transaction represents an excellent structure for APS to maximize the growth opportunities the business is currently experiencing. In addition it will also increase the opportunities for our management and staff to develop within a truly global organization. says Eric Wallace, chairman of APS Group. Our clients will benefit significantly, as with the combined strength of AYH and ARCADIS, we will be able to offer project management and consultancy services on a global basis through ARCADIS Worldwide Project Consulting.

ARCADIS is an international company providing consultancy, engineering and management services in infrastructure, environment and facilities, to enhance mobility, sustainability and quality of life. ARCADIS develops, designs, implements, maintains and operates projects for companies and governments. With more than 12,000 employees and over 1.4 billion in gross revenue, the company has an extensive international network that is supported by strong local market positions.

Except for historical information contained herein, the statements in this release are forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the company's actual results in future periods to differ materially from forecasted results. Those risks include, among others, risks associated with possible changes in environmental legislation and risks with regard to the Company's

Edgar Filing: ARCADIS N V - Form 6-K

ability to acquire and execute projects. These and other risks are described in ARCADIS filings with the Securities and Exchange Commission over the last 12 months, copies of which will be available from the SEC or may be obtained upon request from the Company.
