Section 8 Other Events

Item 8.01 Other Events

As previously disclosed, we have been cooperating with the U.S. Department of Justice ( DOJ ) in its investigation into the use of allegedly defective Zylon® fiber in ballistic vests designed and produced by our customers and purchased under U.S. government funded programs. We did not manufacture the Zylon fiber. In order to avoid the distraction, cost and uncertainties of litigation, on October 29, 2007 we entered into a settlement agreement with the DOJ to resolve the United States civil claims for defective Zylon vests it funded, for \$15 million. We did not admit to any wrongdoing on the part of the Company or any employee. We agreed to continue cooperating with the DOJ in its investigation, although our ballistic fabric for body armor business has been sold.
