CAUTIONARY NOTE CONCERNING FACTORS THAT MAY AFFECT FUTURE RESULTS

This presentation, in particular the discussion of the proposed acquisition of Reuters Group PLC, includes forward-looking statements. These statements are based on certain assumptions and reflect Thomson's current expectations. Forward-looking statements also include statements about Thomson's beliefs and expectations related to its anticipated run-rate savings and costs related to *THOMSONplus* as well as the timing for the achievement of savings from the program, and its beliefs that the Reuters acquisition will be approved and close early in the second quarter. While Thomson believes that the proposed transaction with Reuters Group PLC will be approved by antitrust/competition authorities, there can be no assurance that the required approvals will be obtained, how long it will take to obtain such approvals or what conditions, if any, such authorities may impose. All forward-looking statements in this presentation are subject to a number of risks and uncertainties that could cause actual results or events to differ materially from current expectations. These risks and uncertainties include the failure of Reuters shareholders to approve the proposed transaction; the effect of regulatory conditions, if any, imposed by regulatory authorities; the reaction of Thomson's and Reuters' customers, employees and suppliers to the proposed transaction; and the diversion of management time on transaction-related issues. Some of the other factors that could cause actual results or events to differ materially from current expectations are actions of competitors; failure to fully derive anticipated benefits from acquisitions and divestitures; failure to develop additional products and services to meet customers' needs, attract new customers or expand into new geographic markets; and changes in the general economy. Additional factors are discussed in Thomson's materials filed with the securities regulatory authorities in Canada and the United States from time to time, including Thomson's latest annual information form, which is also contained in its most recent annual report on Form 40-F filed with the U.S. Securities and Exchange Commission (SEC). Any forward-looking statements made by or on behalf of Thomson speak only as of the date they are made. Thomson disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, other than as required by applicable law, rule or regulation.
