Based solely on a review of copies of such forms furnished to us and certain of our internal records, or upon written representations from officers, directors and greater than ten percent beneficial owners that no Form 5 was required, we believe that during the year ended November 30, 2007, all Section 16(a) filing requirements applicable to our directors, officers and greater than ten percent beneficial owners were satisfied on a timely basis.

**ITEM 11. EXECUTIVE COMPENSATION.**

**Compensation Discussion and Analysis**

This discussion and analysis will focus on the following: (1) the objectives of the executive compensation policies and practices, (2) the objectives that the compensation program is designed to reward; (3) each element of compensation, (4) the rationale for each element of compensation, (5) the methodologies utilized by us in determining the amounts to pay for each element, and (6) how an element of compensation and our rationale for each element fit together within our overall compensation objectives. This discussion relates to our Principal Executive Officer, Principal Financial Officer, and our Creative Director, or collectively, our Named Executive Officers.

**Compensation Philosophy**

Our executive compensation program is designed to provide proper incentive to management to maximize performance in order to encourage creation of stockholder value and achievement of strategic corporate objectives, attract and retain qualified, skilled and dedicated executives on a long-term basis, reward past performance and provide incentives for future performance.

In keeping with these objectives, our goal is to (1) align the interests of the executive officers with the interests of our stockholders, (2) ensure the long-term commitment of our management team, and (3) ensure accountability for both our overall performance and the individual's performance and contribution.

In setting the level of cash and equity compensation, the Compensation Committee of our Board of Directors considers various factors, including our overall performance and the individual's performance during the year, the uniqueness and relative performance of the executive's skill set, the expected future contribution to us and competitive conditions.

**Elements of Compensation**

Our compensation structure for our Named Executive Officers consists of a combination of (1) base salary, (2) long-term incentive awards (equity awards), (3) company paid benefits, and (4) discretionary bonuses. The Compensation Committee also takes into account certain change in control provisions available to our Named Executive Officers.

Our Creative Director, Joe Dahan, is our only Named Executive Officer with an employment agreement. The employment agreement was entered into with him in connection with the completion of the merger by and among, us, our Joe's Jeans Subsidiary Inc., or Joe's Subsidiary, and JD Holdings, Inc., or JD Holdings.

## Edgar Filing: JOE'S JEANS INC. - Form 10-K/A

Mr. Crossman and Mr. Sandhu are both at-will employees. Mr. Sandhu was given an employment offer letter in connection with his offer of employment as our Chief Financial Officer in August 2007. The Compensation Committee is in the process of discussing and preparing an employment agreement with Mr. Crossman for his continued employment with us as the Compensation Committee believes that this is an important part to ensure Mr. Crossman's long-term commitment to us.

*Engagement of Compensation Consultant*

In September 2007, our Compensation Committee engaged a compensation consultant, Mercer Human Resources Consulting, to serve as an independent advisor to the Compensation Committee to conduct a review of the compensation for our Chief Executive Officer and non-employee Directors, examine the pay level and practices of a group of peer companies similar in terms of size and industry, highlight trends in such compensation and provide recommendations regarding our practices. Mercer prepared for our Compensation Committee a competitive analysis of compensation utilizing comparable company compensation data, including size and industry appropriate survey data and advice around short and long-term incentive programs. The information prepared by Mercer provided the Compensation Committee with data to allow them to evaluate and determine an appropriate amount for a bonus and equity award grant for our Chief Executive Officer for fiscal 2007 and compensation for non-employee directors. More particularly, this information provided the basis for discussion of compensation for fiscal 2008 for our Chief Executive Officer.

The peer companies selected for comparison purposes included other apparel, footwear and accessories companies of a comparable size with publicly available information. The companies in the peer group were as follows:

- True Religion
- Cutter & Buck
- Lacrosse Footwear
- Iconix Brand Group
- Everlast Worldwide
- Sport-Haley
- Chaus
- Cygne Designs
- Isaacs IC & Co.
- Nitches
- Cherokee
- People's Liberation

The information presented included data for the 75<sup>th</sup> percentile, 50<sup>th</sup> percentile, and 25<sup>th</sup> percentile. Our Compensation Committee determined that based upon the data presented, the total direct compensation for our Chief Executive Officer in prior years was just below the 25<sup>th</sup> percentile due to a lack of cash bonus opportunity. Thus, the Compensation Committee believed that a cash bonus would be an important element of compensation for fiscal 2007 and beyond for our Chief Executive Officer.

*Base Salary*

Our Compensation Committee reviews base salary for Chief Executive Officer on an annual basis, and for fiscal 2007 considered the recommendation by the Chief Executive Officer for the other Named Executive Officers other than the Chief Executive Officer. In fiscal 2007, our Chief Executive Officer's base salary was the same as his base salary for the prior year. The Compensation Committee utilized the data from Mercer as a basis for the discussion of our Chief Executive Officer's salary for fiscal 2008.

*Bonuses*

Historically, the Compensation Committee has not granted a bonus to our Chief Executive Officer. As a result of the lack of bonus opportunity in prior years and recognizing the importance of this element of compensation, for fiscal 2007, the Compensation Committee elected to grant Mr. Crossman a discretionary bonus in the amount of \$300,000, \$150,000 of which was payable on or before the end of our 2007 fiscal year and \$150,000 to be paid in connection with the execution of an employment letter agreement in fiscal 2008. Factors that the Compensation Committee considered in determining this bonus amount included Mr. Crossman's performance over the past fiscal year along with our financial and strategic performance, which included successfully selling the assets from our other business segments and focusing our resources on our Joe's® brand, completing the merger to acquire the Joe's® assets, regaining compliance with Nasdaq listing standards, and competitive considerations, including the market data indicating that bonus opportunity is an important element in cash compensation for a Chief Executive Officer. This cash bonus was the first cash bonus paid to Mr. Crossman since he commenced employment in March 2003.

*Long-Term Incentive Compensation*

Our Compensation Committee administers our 2004 Stock Incentive Plan and believes that the long-term commitment of our employees, including our Named Executive Officers, is an important factor in our future performance. The primary element used to promote the long-term performance and commitment of our Named Executive Officers is long-term incentive compensation through grants of stock options and restricted stock. In fiscal 2007, the Compensation Committee shifted from its past practice of granting options to purchase shares of our common stock to granting restricted common stock. This decision to change past practices was in part due to fluctuations in the market price of our common stock and the decision to re-price out-of-the-money incentive stock options in fiscal 2006 as part of a retention incentive. The Compensation Committee believes that equity grants with time-based vesting restrictions aid in retention and better align the interests of our Named Executive Officers with those of our stockholders. Further, the equity grants motivate our Named Executive Officers to make long-term decisions that are in our best interest and to provide incentive to maximize stockholder value.

We do not coordinate the timing of equity award grants with the release of financial results or other material announcements by us and generally, we have made annual equity grants to our Chief Executive Officer and non-employee directors in connection with our annual meeting of stockholders.

We believe that providing Named Executive Officers who have responsibility for our management and growth with an opportunity to increase their stock ownership aligns the interests of the executive officers with those of our stockholders. Accordingly, the Compensation Committee also considers equity grants to be an important aspect in compensating and providing incentives to management and employees. The Compensation Committee determines the number of shares for each stock incentive grant based upon the executive officer's role and responsibilities, the executive officer's base salary, the recommendation of our Chief Executive Officer of the job performance of the individual. For the equity grants to our Chief Executive Officer and our non-employee directors, the Compensation Committee also utilized the data presented and compared with comparable awards to individuals in similar positions in our industry.

*Benefits*

Benefits offered to our Named Executive Officers are substantially the same as those offered to all our regular employees and generally include medical insurance, dental insurance, 401(k) plan, disability insurance, life insurance and flexible spending account. For our Named Executive Officers, we pay all premiums associated with such benefits as described in the footnote 6 to the Summary Compensation Table.

*Change in Control Provisions*

Our Creative Director and our Chief Financial Officer have change in control provisions in each person's employment agreement and employment offer letter, respectively. These provisions provide these Named Executive Officers with certain compensation arrangements in the event that a change in control occurs. In addition, our 2004 Stock Incentive Plan contains a change in control provision which provides for the immediate vesting in full of all grants or lapse of all restrictions for all grantees, including our Named Executive Officers, in the event a change in control occurs.

*Relationship Between Elements and Objectives*

In determining the total amount and mixture of the compensation package for our Chief Executive Officer, our Compensation Committee subjectively considers individual performance, including past and expected contributions, overall performance of the company as a whole, long-term goals and such other factors as our Compensation Committee determines appropriate. The use of both cash compensation (salary and bonus) and long-term compensation (equity awards) achieves the objectives of attracting, motivating and retaining our Chief Executive Officer, other Named Executive Officers and employees. Long-term compensation realized through the use of equity awards achieves the objectives of aligning management's interests with stockholders' interests and ensuring the long-term commitment of the management team. For fiscal 2007, our Compensation Committee determined that for our Chief Executive Officer the total cash compensation should be higher than the 25<sup>th</sup> percentile for our peer group and elected to provide him with a bonus. For fiscal 2008, the Compensation Committee considered, evaluated and discussed the data presented to provide the basis for its discussion and decision regarding compensation.

*Executive Management's Involvement in Compensation Policies*

Our Compensation Committee determines the compensation of our Chief Executive Officer and directors and reviewed and approved our compensation of our Creative Director and Chief Financial Officer based upon the recommendation from our Chief Executive Officer regarding expected contributions, long term goals and other factors appropriate to the respective positions. Our Compensation Committee approves all grants of equity compensation, including the pool for non-officer employees.

*Tax Considerations*

We generally intend to qualify executive compensation for deductibility without limitation under section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1 million per year. None of the non-exempt compensation we paid to any of our Named Executive Officers for 2007 exceeded the \$1 million limit.

**Executive Officer Compensation**

The following table provides certain summary information concerning the compensation earned by our Named Executive Officers in the position of the Principal Executive Officer, Principal Financial Officer, and Creative Director for services rendered in all capacities to us for the fiscal year ended November 30, 2007.

*Joseph M. Dahan*

In connection with the completion of a merger between us, our Joe's Subsidiary and JD Holdings, Mr. Dahan's employment agreement automatically became effective for service as our Creative Director.

Under the employment agreement, the initial term of employment is five years with automatic renewals for successive one year periods thereafter, unless terminated earlier. Mr. Dahan is entitled to an annual salary of \$300,000 and other discretionary benefits that the Compensation Committee of the Board of Directors may deem appropriate in its sole and absolute discretion.

Under the terms of the employment agreement, we may terminate Mr. Dahan for Cause or if he becomes Disabled. Cause is defined as (i) a conviction, plea of guilty or nolo contendere to a felony or a crime of moral turpitude; (ii) a material breach of any provision of the employment agreement that is not cured within 45 days of receipt of written notice of such breach; (iii) the solicitation, persuasion or attempt at persuasion for any employee, consultant, contractor, customer or potential customer to engage in an act prohibited by the employment agreement; or (iv) a violation of any of our policies in our handbook or code of ethics and such violation constitutes a breach of the Code of Ethics or warrants termination. Disability is defined as inability to perform duties for 180 consecutive days or shorter periods aggregating 270 days during any 12 month period. Should we terminate Mr. Dahan's employment for Cause or Disability, we would only be required to pay him through the date of termination. We may terminate Mr. Dahan's employment without Cause at any time upon two weeks notice, provided that it pays to him the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Mr. Dahan may terminate his employment for Good Reason at any time within 30 days written notice. Good Reason is defined as (i) a material breach of the employment agreement by us that is not cured within 30 days of written notice; or (ii) Mr. Dahan's decision to terminate employment at any time after 18 months following a Change in Control. A Change in Control is defined as (i) the sale or disposal of all or substantially all of the assets; (ii) the merger or consolidation with another company provided that our stockholders as a group no longer own at least 50 percent of the voting power of the surviving corporation; (iii) any person or entity becoming the beneficial owner of 50 percent or more of our combined voting power; or (iv) the approval by our stockholders to liquidate or dissolve. In the event that Mr. Dahan terminates his employment for Good Reason, then he will be entitled to the present value of the annual salary amounts otherwise due to him for the remainder of the initial term of employment or any renewal term. Further, Mr. Dahan may terminate his employment for any reason upon ten business days notice and only be entitled to his salary as of the date of termination on a pro rata basis.

The employment agreement contains customary terms and conditions related to confidentiality of information, ownership by us of all intellectual property, including future designs and trademarks, alternative dispute resolution and Mr. Dahan's duties and responsibilities to us as Creative Director.

*Hamish Sandhu*

In connection with Mr. Sandhu's appointment as CFO, we entered into a written offer letter whereby Mr. Sandhu agreed to serve as our CFO. Under the terms of the offer letter, Mr. Sandhu's annual base salary is \$205,000. In addition, Mr. Sandhu received a grant on August 27, 2007, pursuant to our 2004 Stock Incentive Plan, to purchase up to 100,000 shares of our common stock at an exercise price equal to the closing price of our common stock on that date. The option has a term of 10 years, vests in equal monthly installments over the next 24 months and first became exercisable on September 27, 2007. We also agreed to pay the full cost of participation in our health insurance plan for Mr. Sandhu and his family. Mr. Sandhu will also be entitled to six months of his monthly base salary as a severance payment in the event that a Change in Control occurs during the four years following August 27, 2007 and his employment is subsequently terminated. For purposes of the offer letter, a Change in Control shall be deemed to have occurred upon the closing of a transaction which: (i) we sell or otherwise dispose of all or substantially all of our assets; or (ii) there is a merger or consolidation of us with any other corporation or corporations, provided that our shareholders, as a group, do not hold, immediately after such event, at least 50 percent of the voting power of the surviving or successor corporation. Notwithstanding anything to the contrary, Mr. Sandhu is an employee at-will and has not entered into an employment agreement with us.

On December 18, 2007, we entered into a Restricted Stock Unit Agreement, or RSU Award whereby we granted Mr. Sandhu an award of restricted stock units representing the right to receive 100,000 shares of our common stock, or the Restricted Stock Units, pursuant to the 2004 Stock Incentive Plan. The Restricted Stock Units are scheduled to vest every six months over a four year period. In conjunction with this award, Mr. Sandhu agreed to terminate his employee stock option to purchase 100,000 shares of our common stock granted pursuant to the 2004 Stock Incentive Plan on August 27, 2007. Mr. Sandhu agreed to forfeit the 100,000 shares he was entitled to acquire under the terms of the stock option, which was scheduled to vest on a monthly basis over a two year period.

*2004 Stock Incentive Plan, Restricted Stock Agreement and Restricted Stock Unit Awards*

Under the terms of the 2004 Stock Incentive Plan, all unvested awards accelerate and immediately vest upon the occurrence of a Change in Control for all grantees. Further, Mr. Crossman's Restricted Stock Agreement and each RSU Award contains certain provisions regarding the terms and conditions of the grant. Each vests upon the earliest to occur of the participant's death, Disability, or separation from service by us without Just Cause (as defined below). Death and Disability are defined in the Plan. Upon a separation from service for any other reason (including, without limitation, termination by us for Just Cause or by participant for any reason) prior to the date that participant becomes 100 percent vested in the award, the unvested units or shares are forfeited immediately. Under the award agreements, Just Cause means (a) a conviction for, or a plea of guilty or nolo contendere to, a felony or any other crime which involves fraud, dishonesty or moral turpitude, or (b) a material breach of any written employment policies or rules, including the our Code of Business Conduct and Ethics.

**Director Compensation**

Historically, our non-employee Directors have been compensated for service through an equity grant. Our Directors are not compensated in any other manner, however, they are reimbursed for travel and business expenses associated with attending our annual meeting if the Director's schedule permits such attendance. Attendance in person is not required, but we try to accommodate schedules in planning the date. In fiscal 2007, all directors, except Mr. Hoffman, attended our annual meeting in person. Consistent with its past practices, on October 15, 2007 and October 17, 2007, the Compensation Committee of the Board approved grants of restricted stock in the amount of 80,000 shares to each non-employee Director: Sam Furrow, Kent Savage, Tom O Riordan, and Suhail Rizvi. The restricted stock vests on a monthly basis over the course of 12 months beginning November 15, 2007. In lieu of a restricted stock grant, Kelly Hoffman elected to be compensated through a cash retainer in the amount of \$127,200 paid monthly over the next twelve months. This amount was determined based upon the peer group analysis and because the non-employee Directors had served from May 2006 to October 2007 (a period of 17 months) without any form of cash or other equity compensation.

Kelly Hoffman	127,200		127,200
	\$ 127,200	\$ 508,800	\$ 636,000

(1) Represents the total fair value of 80,000 shares of restricted common stock granted to our non-employee directors on October 15, 2007 to be recognized by us as an expense in accordance with SFAS 123R. The restricted common stock vests on a monthly basis over a 12 month period with the first tranche vesting on November 15, 2007.

**Compensation Committee Interlocks and Insider Participation**

During fiscal 2007, the Compensation and Stock Option Committee of our Board of Directors, or Compensation Committee, was comprised of Messrs. Savage, Hoffman, O Riordan and Rizvi. The Compensation Committee is responsible for determining the salaries and incentive compensation of our executive officers and for providing recommendations for the salaries and incentive compensation of all other employees and consultants. The Compensation Committee also administers our benefit plans, including the 2004 Stock Incentive Plan. Mr. Savage serves as Chairman of the Compensation Committee. None of our past or current members of the Compensation Committee has served as an executive officer or employee of us or any of our subsidiaries. One member of our Compensation Committee, Mr. Rizvi, entered into a transaction with us to sublease, at our current market rate, certain previously leased office space for an entity that he owns. See Related Parties 9000 Sunset Office Space Sublease for a further discussion of this transaction.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management.

*Respectfully Submitted by the Compensation Committee of the Board of Directors,*

**ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE.**

Our Audit Committee charter provides that that all transactions between us and persons or entities affiliated with our officers, directors or principal common stockholders must be approved by our Audit Committee. We believe that this policy requiring that any material transaction between us and such related parties be approved by our Audit Committee ensures that such transactions are on terms no less favorable to us than reasonably could have been obtained in arms length transactions with independent third parties.

*Former Related Parties**Commerce Investment Group and affiliates*

Historically, we have had a strategic relationship with certain of our stockholders, Hubert Guez, Paul Guez and their affiliated companies, including Azteca, AZT International de CV, or AZT, and Commerce Investment Group LLC, or Commerce. By virtue of this relationship, we have entered into the following agreements, at various times, with Hubert Guez, Paul Guez and their affiliated companies, Azteca, AZT and Commerce, entities in which Hubert Guez and Paul Guez have controlling interests. These entities are no longer related parties as they are not officers, directors or greater than five percent stockholders nor do they have the ability to control us, directly or indirectly.

The following table represents charges from the affiliated companies pursuant to Joe's relationship with them, including its discontinued operations, as follows:

	(in thousands)		
	2007	2006	2005
<b>Continuing operations</b>

*Continuing Operations - Purchase Order Arrangement*

Until August 2007, we used AZT as a supplier on a purchase order basis for certain of our Joe's® denim products produced in Mexico. Under this arrangement, we advanced the funds to purchase raw materials, which primarily includes fabric, anticipated for production of our products and paid for the production cost less credit for the advances on raw materials. We purchased these products in various stages of production from partial to completed finished goods. In August 2007, we began using a different third party vendor for the production of our products in Mexico.

*Continuing Operations - Verbal Facilities Arrangement*

Until mid-July 2006, we used space for our headquarters and principal executive offices under a verbal month-to-month arrangement with Azteca. Under this arrangement, we paid to Azteca a monthly fee for allocated expenses associated with our use of office and warehouse space, including a fee charged on a per unit basis for inventory, and expenses in connection with maintaining such office and warehouse space. These allocated expenses included, but were not limited to, rent, security, office supplies, machine leases and utilities. In mid-July 2006, we moved our headquarters and principal executive offices to nearby office and warehouse space and accordingly, no longer have any obligation to pay Azteca under the verbal facilities arrangement.

*Discontinued Operations - Supply Agreement/Purchase Order Arrangements*

In July 2003, under an asset purchase agreement, or Blue Concept APA, with Azteca, Hubert Guez and Paul Guez, our IAA subsidiary acquired the Blue Concept Division of Azteca, a division which sold denim apparel primarily to American Eagle Outfitters, Inc., or AEO. Simultaneous with the Blue Concept APA, IAA entered into a non-exclusive Supply Agreement with AZT for the purchase of denim products to be sold to AEO, which expired on July 17, 2005. Under the terms of the Supply Agreement, AZT agreed that the purchase price on the products supplied would provide for a margin per unit of 15 percent. After the expiration of the supply agreement, we continued to use AZT as a supplier on a purchase order basis for our AEO products under similar terms. Upon completion of the sale of IAA's private label division to Cygne Designs, Inc., or Cygne, as discussed in Note 15 Discontinued Operations of our Initial Report, Cygne assumed \$2,500,000 of the amount owed to AZT under this purchase order supply arrangement.

*Discontinued Operations - Earn-out Due to Sweet Sportswear LLC*

The Blue Concept APA also provided for the calculation and payment, on a quarterly basis, to Sweet Sportswear LLC, an entity owned by Hubert and Paul Guez, of an amount equal to 2.5 percent of the gross sales solely attributable to AEO. In May 2006, Cygne assumed the future liability associated with this payment.

*Discontinued Operations - Principal and Interest on Note Payable*

We originally incurred long-term debt in connection with the purchase of the Blue Concept Division from Azteca. In July 2003, IAA issued a seven-year unsecured, convertible promissory note in the principal amount of \$21.8 million, or the Blue Concept Note. The Blue Concept Note bore interest at a rate of six percent and required payment of interest only during the first 24 months and then was fully amortized over the remaining five year period. On March 5, 2004, after stockholder approval, a portion of the Blue Concept Note was converted into 3,125,000 shares of common stock at a value per share of \$4.00. In May 2006, Cygne assumed the remaining principal balance of the Blue Concept Note and Azteca released us from any and all remaining obligations. The Blue Concept Note has been reclassified as a discontinued operation liability. Under the terms of the original asset purchase agreement, in addition to the shares previously issued, we issued on May 17, 2006 an additional 1,041,667 shares of our common stock as a result of its average stock price trading at less than \$3.00 per share for the period between February 10, 2006 and March 12, 2006. This share issuance has been recognized in the Statement of Stockholders' Equity.

*Discontinued Operations - Craft and accessories Supply and Distribution Agreement*

In August 2000, we entered into a supply agreement and a distribution agreement for our craft products with Commerce. In connection with the sale of the craft inventory and certain other assets of our Innovo subsidiary in May 2005, both the supply agreement and the distribution agreement were terminated.

*Aggregate balances by entities*

As of November 30, 2007 and November 25, 2006, respectively, the balances due (to) or due from these related parties and certain of their affiliates are as follows:

	2007	2006
AZT International SA de CV	\$ 1,800	\$ 4,994

The AZT balance represented the balances due as a result of production efforts in Mexico as of November 30, 2007. Upon completion of the sale of our private label division to Cygne, as discussed in Note 15 Discontinued Operations of our Initial Report, Cygne assumed the aggregate liability in the amount of \$2,500,000 owed to Commerce and its affiliates. The balance due to Commerce represents the adjusted balance remaining that we continue to be obligated for after the completion of the transaction with Cygne. The balance of \$5,000 due to Cygne represented the amount we owed to Cygne as a result of certain chargebacks to former customers.

*Current Related Party*

*JD Holdings Inc.*

On February 7, 2001, we acquired a license for the rights to the Joe's® brand from JD Design LLC, which was subsequently merged with and into JD Holdings. Under the license agreement, JD Holdings was entitled to a royalty of 3 percent on net sales of licensed products. In October 2005, we granted JD Holdings the right to develop the children's branded apparel line under an amendment to our master license agreement in exchange for a 5 percent royalty on net sales of those products. On October 25, 2007, in connection with the merger, the license agreement terminated.

As part of the consideration paid in connection with the completion of the merger, Mr. Dahan will be entitled to a certain percentage of the gross profit earned by Joe's in any applicable fiscal year until October 2017. See Note 4 Merger Transaction of our Initial Report for a further discussion on the merger agreement and the earn-out.

For fiscal 2007 and 2006, the following table sets forth earn-out, royalties, fees and income paid in connection with the Joe's® brand.

	2007	(in thousands) 2006	2005
Expense (income):

Joe's Jeans royalty expense	\$	1,647	\$	1,363	\$	999

As a result of Mr. Dahan's appointment as a director and executive officer and his ownership of approximately 24 percent of our total shares outstanding, an additional related party transaction occurred in the past fiscal year. Mr. Dahan's brother is the managing member of a company Shipson LLC, or Shipson, to whom we outsourced our E-shop operated on our Joe's Jeans website. We sold our Joe's® products to Shipson at wholesale price on normal and customary terms and conditions similar to those that we offer other customers to fulfill purchases by customers on the E-shop. As of November 30, 2007, Shipson owed \$163,000 to us for purchase orders. Shipson no longer operates our E-shop.

In October 2006, we entered into a collateral protection agreement with JD Holdings in connection with the pledge of certain collateral to CIT Commercial Services, a unit of the CIT Group Inc., or CIT, for increased availability. Under the collateral protection agreement, we agreed to issue JD Holdings shares of its common stock in the event of a default under our agreements with CIT. In October 2007 in connection with the merger and the release of the pledge by CIT, the collateral protection agreement was terminated.

#### *9000 Sunset Office Space Sublease*

On March 3, 2006, our Audit Committee approved a related party transaction whereby we subleased, at our current rate, our executive office space to an entity owned by Suhail Rizvi, one of our directors, on a month-to-month basis. We believe that this transaction is in our best interest to reduce our expenses associated with lease commitments. The transaction amount of such sublease was less than \$120,000 in any fiscal year.
