### Item 8.01 Other Events

On January 1, 2009, Bunge Limited ( Bunge ) adopted the Financial Accounting Standards Board ( FASB ) issued Statement of Financial Accounting Standards ( SFAS ) No. 160, *Noncontrolling Interests in Consolidated Financial Statements - an amendment of ARB No. 51* ( SFAS No. 160 ). SFAS No. 160 amends Accounting Research Bulletin ( ARB ) No. 51 to establish accounting and reporting standards for the noncontrolling interests (previously referred to as minority interests) in a subsidiary and for the deconsolidation of a subsidiary. On May 11, 2009, Bunge filed its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2009 with the Securities and Exchange Commission reflecting the application of SFAS No. 160.

Pursuant to SFAS No. 160, Bunge is required to reflect the application of the presentation and disclosure provisions of SFAS No. 160 to prior periods. As such, Bunge has, in this Current Report on Form 8-K (the Form 8-K ), recast, on a retrospective basis pursuant to SFAS No. 160, its historical audited consolidated financial statements included in its Annual Report on Form 10-K for the year ended December 31, 2008 (the 2008 Annual Report ) and other related disclosures in the 2008 Annual Report.

The adoption of SFAS No. 160 affected the presentation of the historical audited consolidated financial statements primarily by (a) including noncontrolling interest as a separate component of stockholders' equity on the consolidated balance sheets and (b) reflecting net income attributable to noncontrolling interest below net income on the consolidated statements of income. In addition, the adoption of SFAS No. 160 requires the reconciliation of the carrying amount of Bunge's total equity from the beginning of the relevant period to the end of such period, which is reflected in Bunge's consolidated statements of shareholders' equity. The adoption of SFAS No. 160 also resulted in an allocation of the components of total comprehensive income between Bunge and the noncontrolling interests for each of the periods, which is reflected in Bunge's consolidated statements of shareholders' equity and described further in Note 21 Shareholders' Equity in Bunge's audited consolidated financial statements.

Exhibit 23.1 of this Form 8-K contains Deloitte & Touche LLP's Consent of Independent Registered Public Accounting Firm.

Exhibit 99.1 of this Form 8-K includes a revised Item 6. Selected Financial Data to Bunge's 2008 Annual Report, which shall replace the corresponding section therein.

Exhibit 99.2 of this Form 8-K contains a cautionary statement regarding forward-looking statements and a revised Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations to Bunge's 2008 Annual Report, which shall replace the corresponding section therein.

Exhibit 99.3 of this Form 8-K includes Item 9A. - Controls and Procedures which has been reproduced from Bunge's 2008 Annual Report without modification or further evaluation of Bunge's disclosure controls and procedures or its internal control over financial reporting for the period covered by the 2008 Annual Report.

Exhibit 99.4 of this Form 8-K contains Deloitte & Touche LLP's Reports of Independent Registered Public Accounting Firm relating to the audited consolidated financial statements included in this Exhibit 99.4 and Bunge's internal controls over financial reporting and the audited consolidated financial statements and the notes to the audited consolidated financial statements of Bunge as of December 31, 2008. The audited
