Board Decisions on the Dividend Recommendation for the FY 2009 and the Nominees to the Board

May 20, 2010

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS NYSE: MBT), the leading telecommunications provider in Russia and the CIS, announces the decisions reached at the Board of Directors meeting held on May 20, 2010, on the recommended amount of dividend and the list of nominees for election to the Company's Board.

MTS Board of Directors (BoD) recommended the annual general meeting of shareholders (AGM) approve annual dividends of RUB 15.40(1) per ordinary MTS share (approximately \$1.00 per ADR(2)) for the 2009 fiscal year, amounting to a total of RUB 30.70 billion (approximately \$999.3 million or 99% of US GAAP net income or 75% of US GAAP net income adjusted for the non-cash impairment charges). The dividend will be paid out in full prior to the year's end in accordance with the MTS Charter.

Mr. Ron Sommer, the Chairman of the Board of Directors of MTS, highlighted: The Board's dividend recommendation is reflective of MTS's sustained levels of profitability and the Company's ability to generate healthy cash flows despite macroeconomic volatility in its markets of operation during 2009. Though the net income has been affected by non-cash write offs and currency fluctuations, the proposed dividend is broadly in line with previous dividend recommendations in absolute terms and is fully supportive of MTS's dividend policy(3).

It should be noted that the Company's American Depositary Receipt (ADR) ratio was changed from the previous 1 ADR per 5 common shares to 1 ADR per 2 common shares effective May 3, 2010. The per ADR dividend amount cited above is reflective of that change.

As was announced earlier, the record date for the Company's share- and ADR-holders entitled to participate in the AGM and to receive dividends was May 7, 2010. The AGM will be held on June 24, 2010.

At the meeting, the Company's BoD also nominated a total of nine members for election to the Board. The candidate list includes:

- Mr. Anton Abugov, First Vice President, Head of Strategy and Development functional division, Sistema;
- Mr. Alexey Buyanov, Senior Vice President, Head of the Financial functional division, Sistema;
