Item 8.01 Other Events.

On January 31, 2011, Mark A. Culhane, Executive Vice President and Chief Financial Officer of DemandTec, Inc. (the Company), entered into an amendment (the Amendment) to the written stock sales plan that he previously entered into on April 28, 2010 (the April 2010 Plan) in accordance with the guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and the Company s policies regarding securities transactions. Rule 10b5-1 allows corporate officers and directors to adopt written, pre-arranged stock trading plans when they do not have material, non-public information. Under these plans, insiders can gradually diversify their investment portfolios and can avoid concerns about whether they had material, non-public information when they sold stock. All transactions under the plans will be disclosed publicly through required Form 4 and Form 144 filings with the Securities and Exchange Commission (the SEC).

Under the Amendment, in addition to the shares of the Company's Common Stock (Common Stock) to be sold or already sold pursuant to the April 2010 Plan, Mr. Culhane will sell up to an additional 75,250 shares of Common Stock issuable upon settlement of outstanding performance-based restricted stock units (PSUs) and time-based restricted stock units, commencing May 23, 2011. The April 2010 Plan, including the Amendment, is scheduled to terminate in July 2011, unless terminated earlier. The number of shares to be sold under the plan and the timing of such sales will depend on certain factors, including the prevailing market price and trading volume of the Common Stock as well as the number of shares actually issued upon settlement of the PSUs.
