Item 7.01. Regulation FD Disclosure.

In light of lower natural gas prices, the resultant reduction in projected cash flow, and consistent with its determination to live within its means financially, EQT Corporation has decided to suspend development in the Huron indefinitely.

The information in this Item 7.01 of Form 8-K shall not be deemed to be filed for the purposes of Section 18 of the Securities and Exchange Act of 1934 (the Exchange Act), or otherwise subject to the liability of such section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, regardless of the general incorporation language of such filing, except as shall be expressly set forth by specific reference in such filing.

Disclosures in this Form 8-K contain forward-looking statements. Statements that do not relate strictly to historical or current facts are forward-looking. Without limiting the generality of the foregoing, forward-looking statements contained in this Form 8-K specifically include statements regarding the expectations of projected cash flow resulting from lower natural gas prices and capital expenditures. Investors should not place undue reliance on forward-looking statements as a prediction of actual results. The company has based these forward-looking statements on current expectations and assumptions about future events. While the company considers these expectations and assumptions to be reasonable, they are inherently subject to significant business, economic, competitive, regulatory and other risks and uncertainties, most of which are difficult to predict and many of which are beyond the company's control. The risks and uncertainties that may affect the operations, performance and results of the company's business and forward-looking statements include, but are not limited to, those set forth under Item 1A, Risk Factors of the company's Form 10-K filed for the year ended December 31, 2010, as updated by any subsequent Form 10-Qs. Any forward-looking statement speaks only as of the date on which such statement is made and the company does not intend to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise.
